

Dont mess 81

Chapter: 81

Drink two glasses, red drunk is not intoxicating. “

Yang Jian originally wanted to take advantage of Xu Qianqian’s drunk, so that he could proceed with the next step of cooking mature rice with raw rice.

Unexpectedly, Xu Qianqian didn’t drink wine or red wine today, which made him a little disappointed.

“I’m sorry, I feel a little sick, so I really don’t drink it anymore, next time.” Xu Qianqian waved his hand and shook his head.

Of course she could see Yang Jian’s intentions, and of course she didn’t want to give Yang Jian a chance.

Yang Jian was a little depressed, but seeing Xu Qianqian’s resolute attitude, he couldn’t show it, and smiled awkwardly: “Then drink a drink, and we will drink another day.”

He was also a little depressed. Although this bottle of red wine was not as expensive as he said, it cost more than 5,000. As a result, Xu Qianqian didn’t touch it, which made him feel a little wasted.

Xu Qianqian smiled faintly, before Yang Jian picked up the fruit orange and filled herself with a glass, so that Yang Jian’s hand that had just stretched out to pour her drink froze in the air.

This makes Yang Jian even more embarrassed.

At this time, a young man in the deck next door was looking at Xu Qianqian Miaoman’s figure recklessly, his eyes full of possessiveness.

This woman is really beautiful, pure, elegant, and courteous.

Moreover, she and the man next to her do not seem to be a boyfriend or girlfriend.

When the young man’s eyes lit up, he got up and walked over.

“This beautiful lady, since you entered the store, I have loved you at first sight. I don’t know if I can enjoy a drink.” The young man came to Xu Qianqian with a polite and graceful smile on his face.

Xu Qianqian was stunned for a while, had a meal, and there was a man next to him, and someone came to strike up a conversation, what else could she say.

However, Yang Jian was very furious.

Damn, don’t you have eyes, this is Lao Tzu’s girl, you also come to strike up a conversation, look for it?

“Who are you, what do you mean by coming over to me?” Before Xu Qianqian could reply, Yang Jian was immediately angry.

“Come on, this beautiful woman doesn’t mean to you at all, don’t stay cheeky. If I were you, I couldn’t even invite the beautiful woman to drink a glass of wine, and I would have killed him.” The young man looked at Yang Jian. , Said sarcastically.

He said and looked at Xu Qianqian, with a sincere expression: "This beauty, I just stared at you for a long time. I didn't want to bother me, but I thought that if I missed this opportunity, my life would be full of regrets. Please forgive me for the place."

Damn, what kind of dog, steal a woman from yourself?

Yang Jian immediately exploded, and said angrily: "If you are acquainted, let me go away immediately. If you dare to peek again, be careful that I dug your eyes!"

"Your boyfriend?" the young man asked Xu Qianqian.

Xu Qianqian shook his head.

The young man laughed immediately, looked at Yang Jian, and said sarcastically: "You are not her boyfriend, why can't I strike up a conversation? I like this beautiful lady. What's wrong with her?"

"I won't let you watch her, you can't watch her!" Yang Jian said domineeringly.

"Ho ho, you are awesome." The young man laughed.

"Lao Tzu is the youngest of the Yang family, who angered Lao Tzu, and Lao Tzu interrupted you!" Yang Jian threatened.

Xu Qianqian shook her head. These two men really disgusted her. She would not have come if she had known it a long time ago.

"Oh, is the Yang family really awesome?"

The youth sneered, and his face suddenly sank: "Boy, I warn you, the Yang family is nothing but shit in Lao Tzu's eyes, and you are not as good as shit, so you can force me, be careful I beat him. You don't even know your parents!"

"boom!"

Without saying a word, Yang Jian directly carried the bottle of red wine that hadn't been touched and smashed it on the young man's head, causing blood to flow.

"Get out, or I will kill you!" Yang Jianniu stared at the young man fiercely, his eyes full of murderous aura.

The young man touched the bloodshot on his forehead, was a little dizzy and almost unsteady.

Chapter: 82

He stared at Yang Jian fiercely, his eyes burning with anger.

The surrounding guests were taken aback by the bottle, and several waiters were afraid to step forward.

"Okay, you have a fucking seed, you wait for me!"

The young man snorted coldly, then went out, clutching his forehead.

The people breathed a sigh of relief.

Looking at Yang Jian, his eyes were a little scared.

“Fool, even the trash dare to threaten me, and don’t ask me who Yang Jian is.”

As he spoke, he deliberately looked at Xu Qianqian and said with a smug look: “Qianqian, next time you encounter such annoying flies, call me directly and see if Yang Jian doesn’t slap them to death!”

Xu Qianqian shook his head, thinking that Yang Jian loved pretending too much.

What annoys her the most is these men, who do everything at every turn, thinking that she is awesome.

In fact, in her eyesight, she is a fool.

Yang Jian was still a thousand miles away from the real brother.

Fortunately, she had any feelings for Yang Jianzhen.

Xu Qianqian ate silently, Yang Jian wanted to invigorate the atmosphere many times, but she was unreasonable, which made Yang Jian depressed.

Yang Jian originally thought that in front of Xu Qianqian, he beat the young man who had struck up, Xu Qianqian should be very happy and admired him very much.

Impressed by his masculinity.

Wan Wanzhen thought that Xu Qianqian showed a repulsive emotion towards him.

This makes him quite unhappy.

Knowing that Xu Qianqian didn’t like violent men, he stopped shooting himself in the foot.

After eating depressed, Yang Jiengang wanted to invite Xu Qianqian to watch a movie, but Xu Qianqian stood up first and said directly: “It’s getting late, I’m going back. Thank you for your hospitality today.”

Yang Jian vomited blood depressed.

But seeing Xu Qianqian a little cold, he didn’t dare to have an attack, so he had to say, “Then I will drive you back.”

“No, I’ll just take a taxi.” Xu Qianqian refused directly.

At this time, she just wanted to draw a clear line with Yang Jian, lest Yang Jian had to look for her.

Yang Jian was very upset, but he said, “I will send you back personally, so don’t worry.”

Seeing Yang Jian insisted, Xu Qianqian couldn’t refuse any more, so he nodded and walked out.

Yang Jian hurriedly followed.

He wanted to create a romantic date opportunity, but he didn’t think that it was because that idiot would ruin the atmosphere, and it would make him discount in Xu Qianqian’s eyes.

This made him feel an urge to see the young man again and beat him violently.

“Mom, don’t let Lao Tzu meet you again, otherwise Lao Tzu will have to kill you!”

Yang Jian thought hard in his heart, and the two of them walked out of the pleasant house.

He was just about to drive.

At this moment, three Jetta cars stopped at the door of Yirenju, the door opened, and a dozen big men rushed down immediately.

“Damn, it’s the one who forced me to kill him!”

The young man wrapped his head with gauze, and he saw Yang Jian who was about to drive at a glance. With a big finger, a dozen big men rushed towards Yang Jian aggressively.

Chapter: 83

These dozen people, all holding steel pipes in their hands, were fierce and vicious, and at first glance they were in the underground circle.

Yang Jian’s heart trembled. He just thought that if he met the young man again, he would kill him.

Unexpectedly, the other party came to seek revenge first.

Xu Qianqian was also shocked.

Although she is a famous girl in Beijing, she is dumbfounded wherever she has experienced these things.

“It’s this dog, dare to smash Lao Tzu’s head, hit me fiercely, and beat me to death!” The young man with gauze on his head pointed to Yang Jian and shouted.

“I am the Young Master of the Yang Family, dare you to move me!” Yang Jian was terrified in his heart, but he shouted hard.

“The Yang family counts as a fuck!”

A look of contempt flashed in a big man’s eyes, and a steel pipe smashed in the past.

Yang Jian’s heart trembled, almost scared to pee, and hurriedly avoided.

boom!

The other party smashed a steel pipe directly on his car cover, both scared and distressed.

Seeing that the other party was about to call again, Yang Jian gritted his teeth and couldn’t take care of that much, and directly pushed Xu Qianqian beside him up.

Xu Qianqian screamed and was pushed in front of the big man, almost scaring her to death!

Taking advantage of this opportunity, Yang Jian didn’t want it, and Sa Yazhi ran away.

Xu Qianqian was extremely angry.

The lungs almost exploded.

He was a big man who caused trouble, but pushed her a little girl out, but he ran away alone.

It was the first time she saw such a shameless scumbag!

Seeing Xu Qianqian being dropped by Yang Jian, the young man suddenly didn't want to chase Yang Jian.

He took a step forward, took a look at Xu Qianqian, and said sarcastically: "Beauty, your companion dropped you and ran alone, it's damn useless."

Of course Xu Qianqian could hear the other party's irony, but she was biting her lip and didn't dare to talk nonsense.

"Well, seeing that you are a woman, I don't make it difficult for you. As long as you call him back, I will let you go." The young man smiled.

"I don't know him well, don't get involved with me about the two of you," Xu Qianqian blurted out.

"It doesn't matter to you?"

The young man took a step forward, pointed to the gauze on his head, and said angrily: "If it weren't for you, would I be injured on the head by him? If this old man doesn't report it, I can't sleep well, and I can't eat good food!" "

He looked at Xu Qianqian jokingly, and said, "You don't need to ask him to come back. I can sleep with Lao Tzu for one night tonight, and I will be comfortable with Lao Tzu, and Lao Tzu will let you go!"

Xu Qianqian's face changed drastically, she shrank in fear, and said, "You are breaking the law like this!"

"Follow the law?"

A joke flashed in the young man's eyes, "Even if you break the law, I must be upset first!"

He said that he would forcibly pull Xu Qianqian into the car.

Xu Qianqian trembled, and hurriedly said, "You wait, I'll call him right away!"

As she spoke, she hurriedly took out her mobile phone and called Yang Jian.

At this moment, Yang Jian was running desperately. Hearing the phone ringing, he turned around and saw that no one was chasing him, so he slowed down and took out his cell phone to look.

Seeing that it was Xu Qianqian's fight, he secretly said badly.

I just pushed Xu Qianqian out in a hurry, this woman probably hates herself to death by now.

Damn, I'm so depressed.

He also said that today, if Xu Qianqian was taken down and became the son-in-law of the Xu family in Shangjing, the Yang family would turn over completely in the future.

But Nima herself just did a stupid thing. She must have completely blocked the road of Xu's family.

Damn, why is I so unlucky today!

Listening to the phone ringing constantly, Yang Jian was a little upset.

He knew that Xu Qianqian called him, he must have been forced by those people.

But can he go back?

You won't be beaten to death when you go back!

No matter, the woman is important, but Lao Tzu's life is more important.

Thinking about this, Yang Jian directly turned off the machine and continued to escape.

Chapter: 84

At this moment, Xu Qianqian suddenly felt desperate when he saw Yang Jian shut down the machine.

"Big brother, he shuts down, so I can do it too. By the way, he is the youngest of the Yang family. Go to the Yang family to find him." Xu Qianqian begged.

"Hmph, I must be looking for him to find him. He can run and the monk can't run to the temple, but you must accompany the Lao Tzu first tonight, and let the Lao Tzu feel refreshed." The young man smiled openly.

Xu Qianqian was shocked, and begged: "Brother, I can give you money, you can ask as much as I want, I will pass it to you now, please let me go, OK!"

The young man was unmoved, and grinned and said: "I don't want your money, I only greedy your body today."

As he spoke, he stretched out his hand to pull Xu Qianqian's hand.

Xu Qianqian's frightened soul flew away, subconsciously kicked at the youth stall, then turned and ran.

"Grass!"

The young man covered his lower body and squatted down in pain.

There was a cruel look in his eyes, and he slammed the dagger in his hand at Xu Qianqian.

As soon as Xu Qianqian ran two steps, he felt a pain in his thigh, and when he looked down, his face pale in shock.

She wanted to continue to escape regardless.

But when he threw the dagger out, blood flowed wildly, and the whole right leg felt a kind of weakness.

"Damn, take it away for Lao Tzu, don't let this little lady taste what is better than death tonight, Lao Tzu give her a surname!" The young man retorted and shouted angrily.

Several big guys rushed to Xu Qianqian immediately.

Xu Qianqian still struggled to run a few steps, but his thigh was painful and weak, and he felt a little numb.

The whole person's face was pale, and he ran two steps before he was directly caught by a few big men.

"Smelly lady, it's quite fierce." Several big guys grabbed Xu Qianqian's arm and laughed jokingly.

At this moment, the youth limped over, and when he raised his hand, he slapped Xu Qianqian's face with a slap.

“Damn, you run for Laozi again? Why don’t you run away!” The young man’s face was fierce, and he didn’t mean to pity and cherish jade at all.

Xu Qianqian shed two lines of blue tears in despair.

She has sentenced herself to death.

She knew what it would be like to fall into the hands of these people, and she didn’t dare to think about it.

God, how big a mistake did Xu Qianqian make? Why did you do this to me?

Xu Qianqian cried out helplessly.

At this moment, how much she expected a superhero to drop from the sky and rescue her from these gangsters.

If such a superhero really rescued her, she would be willing to live with her!

“Take it away, fucking, dare to kick Lao Tzu’s lifeblood, I will definitely let you lick Lao Tzu comfort in a while!” The young man snorted and turned to walk towards their car.

But at this moment, only a figure stood in front of them silently.

This figure wears a clown mask on his face, and is tall but a little thin.

“Where is the idiot, get out, or I will kill you!” The young man shouted fiercely.

Chapter: 85

Several other big guys huffed around and surrounded the men wearing clown masks.

“In broad daylight, do you still have Wang Fa in your eyes when robbing civilian girls?” the man said mutely.

This man is the rest of his life.

He went home at night, exposed here, and just saw this scene.

But he didn’t want Xu Qianqian to recognize him, so he took out the clown mask and put it on.

“Wang Fa?”

The young man jokingly smiled, and said, “I am Wang Fa. If you don’t fucking get off, I will let you know what Wang Fa is!”

Several other big guys also looked at Yu Sheng with a playful look. This year, there are people who come out wearing masks. This Nima is too funny.

“Damn, take off the mask on his face first, I’ll see if I don’t have eyes long, dare to block Laozi’s way!” As soon as the young man’s voice fell, a big man stretched out his hand to take off the mask for the rest of his life. .

哧！

This big man just stretched out his hand in front of Yu Sheng, he was grabbed by Yu Sheng, and his wrist was directly broken.

The big man snorted, clutching his broken wrist in pain.

“Damn, you’re looking for death!” The young man shouted angrily, and rushed to Yu Sheng first.

Several other big guys also started.

Snapped! Snapped! Snapped!

For the rest of his life, he raised his hand and slapped all the young people out.

His hand was quite heavy. Several people fell to the ground, dizzy and dizzy, and even the dies were taken out.

Yu Sheng glanced at the gangsters lying on the ground, took out his mobile phone and called Du Fei.

“Are the dozen or so gangsters outside of Yirenju the people of your Sakura Club? In broad daylight, you can rob civilian girls, you can figure it out.” He said and hung up the phone.

Look at Xu Qianqian.

At this time Xu Qianqian was sitting on the ground, her face pale because of excessive bleeding from her thighs.

But she saw that a superhero really came down from the sky to rescue her, and she forgot the pain for a while.

“Thanks, thank you for saving me.” Xu Qianqian hurriedly thanked Yu Sheng when she saw Yu Sheng looked over to her, but she seemed a little dizzy because of the bleeding, and she didn’t speak very sharply.

Yu Sheng glanced at it, there was a pool of blood on the ground, and seeing Xu Qianqian’s face turned pale, she couldn’t help frowning.

He wanted to turn around and leave, but he didn’t expect Xu Qianqian to be injured.

Finally, he stepped forward and hugged Xu Qianqian, and walked towards Yiren Curie.

Be prepared to stop her bleeding first, or Xu Qianqian might bleed too much and die.

Xu Qianqian snorted softly, and she was suddenly held in her arms by a strange man, which made her feel ashamed and her heartbeat accelerated. She didn’t know what this great hero who rescued her from the sky would do.

“Find me a lounge.” Yu Sheng said to the waiter in a hoarse voice.

Seeing that Xu Qianqian’s thigh was bleeding continuously, the attendant nodded and took the rest of his life to their lounge.

“Can I take off my pants?” Yu Sheng asked Xu Qianqian.

“You, who are you?” Xu Qianqian blushed and heartbeat, even more frightened.

I just dreamed of what kind of face would be under this clown mask, and wondered if this superhero would be the prince charming that he has not arrived yet...

But in the next moment, the gap was so big that it completely shattered the longing and fantasy in her heart.

I thought I had escaped from the tiger's mouth, but I thought I had fallen into the wolf's den again.

With the hand of this person just now, she couldn't resist at all.

The waiter next to him also looked angry.

At first, she thought that this masked weird was going to save this beauty, but she didn't expect...

Chapter: 86

"You, you, if you dare to mess around, I will call the police and arrest you immediately!" The female service said with some fear.

Seeing a waiter next to him, Xu Qianqian was a little more courageous, and said weakly, "If you dare to touch me, my Xu family will definitely not let you go, and even if I'm a ghost, I will pester you every day. Can't make you feel better."

"Don't be afraid of this sister, if he dares to mess around, I'll call the police and arrest him immediately!" The waiter boldly said to Xu Qianqian.

"What are you thinking? You still can't seduce me to your sex. Hurry up and take off your pants and I will stop the bleeding, otherwise you will have to change the hearse if you can't wait for the ambulance to come." Yu Sheng said silently.

Ah?

The waiter was a very simple little girl. Hearing Yu Sheng's words, she subconsciously looked at Xu Qianqian's thighs, watched Xu Qianqian's thighs blood still flowing out, and believed.

Xu Qianqian hesitated. The most important thing is that, whether she believes in the rest of her life or not, she can't make her a big girl take off her pants in front of a strange man.

"You, are you a doctor?" Xu Qianqian asked tentatively.

"I'm not a doctor, but I know some simple methods to stop bleeding."

Yu Sheng shook his head frankly, pointed at Xu Qianqian's thigh, and said, "Your hamstring has been injured, and the wound is close to the aorta. If you don't stop the bleeding in time, even if you don't die, you will become disabled. You can do it yourself. Well, give you ten seconds to think about it, and I will leave without letting me help."

He had nothing to do with Xu Qianqian, even Xu Qianqian had a very bad attitude towards him, and he came to Qiancheng as his chairman.

If it wasn't for the sake of classmates, he could totally die.

Xu Qianqian's heart was shocked, and she felt like Yu Sheng had gone too far.

But becoming disabled is what she cares about most.

She is so young and at an age of magnificent beauty. If she really becomes a disabled person, this is something she will never accept.

“This sister, or let this brother stop the bleeding first, don’t worry, I will be watching by the side. If this brother dares to make trouble, I will call the police as soon as possible. By the way, the security guards here are also Very fierce, I will ask the security to subdue him first.” The waiter said firmly.

Xu Qianqian thought for a while, then nodded, because she also felt that her entire right leg seemed to be numb. If it really became disabled, she would not know who to cry when she was crying.

However, asking her a big girl to take off her pants in front of a strange man, she was struggling.

But she finally made a choice.

“Then, trouble you.” Xu Qianqian thanked Yu Sheng first, and then began to take off his pants.

She did not dare to look up at Yu Sheng, a red glow suddenly appeared on her pale face.

He was a little uncomfortable, and his heart was full of strangeness.

Maybe it was the wound, and she sucked in the pain.

But he quickly returned the jeans to the crook of the calf.

Wearing only a small purple inner inner, people can’t remove their eyes.

Xu Qianqian’s thighs are very thin and white, and her skin looks full of elasticity.

Yu Sheng just took a look, and it was indeed a little emotional.

But he didn’t think too much, so he reached out and tapped around the wound...

Chapter: 87

Xu Qianqian snorted softly, her breath suddenly became choked, and her pretty face was extremely hot.

At this moment, her heartbeat was at least three times as fast as usual, closing her eyes, she did not dare to watch the rest of her life.

Yu Sheng was in a calm mood, his eyes were only focused on the wound, and he quickly tapped the acupuncture points around the wound. The wound that was still bleeding miraculously stopped.

“Sister, this elder brother is really a genius doctor, the blood in your wound has stopped!” The waiter who had been staring at Yu Sheng’s hand next to him said in surprise.

Xu Qianqian was also stunned, and hurriedly opened his eyes to see that the bleeding wound that was still bleeding just now actually stopped.

She raised her head and glanced at Yu Sheng, but she couldn’t see the face behind the mask at all.

But the expression in his eyes was very clean and focused, completely ignoring the existence of her half-fruit beauty.

Xu Qianqian felt a little guilty in her heart. She was damned to doubt the character of a superhero.

At this time, after Yu Sheng used acupuncture techniques to seal the acupuncture points around Xu Qianqian's wound, his entire right palm was directly pressed on the wound.

Suddenly, the true qi in his body passed through his palm and continuously passed into the wound.

Qigong healing method.

This is the basic healing method that Yu Sheng learned from the Nine Profound Heaven Scriptures. Although the effect is not too great, it can prevent Xu Qianqian's entire right leg from bleeding too much and causing sequelae.

With the constant input of Zhen Qi, Xu Qianqian only felt the numb right leg, and unexpectedly began to live up again.

Moreover, she was very embarrassed because Zhenqi was repairing her thighs, and she groaned comfortably.

Realizing the current scene, Xu Qianqian flushed with shame, wishing to find a place to sew down...

"Okay, there is basically no problem. If you don't want to go to the hospital for stitches, you can buy these kinds of herbal juices to apply them. After ten days, they will basically heal." Yu Sheng said, telling Xu Qianqian the names of several herbs.

Seeing Yu Sheng turned around and left, Xu Qianqian hurriedly asked, "Excuse me, what is your name, can I see your face?"

Yu Sheng was slightly startled, and then went out without looking back.

Looking at Yu Sheng's back, Xu Qianqian suddenly felt a little familiar, as if she had seen it somewhere.

"Why does this back look a bit like Yang Zihuan's trash husband?"

"Bah, baah, how can that waste be compared with this superhero? I actually compare that waste with a superhero. It's a blasphemous superhero."

Xu Qianqian shook his head hurriedly, but at the same time he was a little disappointed.

The superhero in her mind didn't even leave her any contact information, and didn't even tell her his name, which made her very disappointed.

She put on her trousers, got up and took the lv handbag, pulled out ten red suns from it to the waiter, and said politely: "Thank you today, this is a little bit of my heart."

"Ah, no need..."

The waiter still wanted to resign, but Xu Qianqian directly stuffed the money into her hand, and she accepted it in a slanderous manner.

Xu Qianqian thanked the waiter and walked outside. Although the wound is not bleeding or painful now, he is still limping when he walks.

But she wanted to chase it out to see if she could see the “superhero”, so she couldn’t take care of that much.

Only after she came out, there was a lot of traffic and pedestrians outside, but she didn’t even see the stalwart figure in her mind.

Disappointed again, she took a taxi to the Chinese medicine store to see if she could buy the herbs Yu Sheng said.

Chapter: 88

Speaking of the rest of his life coming out of Yirenju, I saw Du Fei and a group of people personally take away the seven or eight guys who were downed by him.

Du Fei didn’t see him, and he didn’t say hello either.

But seeing how Du Fei taught those guys, he believed that Du Fei would definitely not spare them lightly.

After Du Fei and the others left, he also got into his car, took off the mask, put it back, and started the car to go home.

When I got home, I saw Yang Zihuan looking at him indifferently.

“Why didn’t you come back last night?” Yang Zihuan looked at Yu Sheng with a cold expression.

They still didn’t get divorced, so they went out and fucked for the rest of their lives. What did they take her for?

Yang Zihuan was quite angry. She made a lot of phone calls to Yu Sheng last night, but Yu Sheng didn’t answer any of them. If Yu Sheng didn’t go out and mess around, she wouldn’t believe it.

Why don’t you answer her phone?

What made her even more angry was that even during the day today, she would never get back even a piece of information for the rest of her life.

Just as Yu Sheng was about to say something, he saw Xiao Shui running out of his room.

“Dad, I’m going to the playground tomorrow. Liu Xiaoqin and the others said that I am a dumpling and they have never been to the playground. They don’t play with me anymore.” Xiao Shui looked forward to pulling the rest of his life.

“Okay, Dad will take you to the playground tomorrow.” Yu Sheng picked up Xiao Shui, feeling a little guilty.

In the past few years, because of his own reasons, he has been very low-key. Except for taking Xiaoshui to the zoo for two or three times, he has never taken Xiaoshui to the amusement park. It is time to take him to play.

“Well, Liu Xiaoqin will also go to the amusement park tomorrow, and I will go to play with her.” Xiao Shui said happily.

Yu Sheng smiled, his own son, since he was a child, likes to play with female classmates, he does not like to play with male classmates, I don't know if it will affect his character.

At this point, Yu Sheng felt that he still had to pay more attention to his son.

"Mom, I want you to go with you too, okay, you haven't played with me for a long time." Xiao Shui looked at Yang Zihuan next to him expectantly.

Although Yang Zihuan's heart was still full of anger for Yu Sheng, looking at the expectation in her son's eyes, her heart instantly softened.

"Well, mom will take you to the amusement park tomorrow." Yang Zihuan smiled.

Xiao Shui struggled to go to Yang Zihuan's arms, and Yu Sheng passed him over.

"Mom, you are the best." The little water model touched Yang Zihuan's cheeks, not happy, showing how long his parents have taken him out to play.

"Well, then one for my mother." Yang Zihuan also smiled.

"Boom!"

The kid happily kissed Yang Zihuan on the cheek.

Yu Sheng returned to Yang Zihuan's words at this time: "I went to drink with Li Kai last night, got drunk, and slept at his house."

His words were half-truths and half-truths, but by this time Yang Zihuan's grievances had disappeared, and it was not too true.

"Hmph, didn't you say that Li Kai's wife can't be a human being? You were not afraid to say it last night?" Yang Zihuan snorted coldly.

"They are divorced." Yu Sheng said lightly.

"Why are they divorced? They don't seem to have children yet?" Yang Zihuan became curious at once.

Yu Sheng glanced at Yang Zihuan, didn't want to say, turned around and went to the kitchen to cook.

When it comes to this topic, he feels that he and Li Kai are a little bit sympathetic.

Yang Zihuan's spirit is derailed, although the object is another identity of himself.

But in his opinion, it is extremely ironic.

Chapter: 89

The next day, the weekend.

Many parents take their children to the playground.

"Why does Xia always believe you so much and let you drive such an expensive car at will?" Yang Zihuan couldn't help asking, looking at Yu Sheng's rs7.

If she herself, the two million-dollar car, would definitely be reluctant to drive home for the driver.

But she found that Yu Sheng actually drove Mr. Xia's car back every day, not only that, she even drove him on weekends.

She was very skeptical in her heart, even if she had saved Xia Jun's life in the rest of her life, she didn't need to trust him so much.

"Why don't you say that I have a good character, and President Xia believes me? Besides, doesn't our chairman dare to borrow 30 million from you?" Yu Sheng started the car, and said if he was pointed.

Yang Zihuan was shocked and took a peek at Yu Sheng. Did he know?

But seeing Yu Sheng's calm face, she felt that she might be thinking too much.

"Well, you have a good character. This is true. Maybe your chairman dare to lend me 30 million. You are willing to help me because he thinks you have a good character." Yang Zihuan said falsely and genuinely.

But when it comes to character, Yang Zihuan found that Yu Sheng seemed to have no problems.

She remembered that a car almost ran into her because of a traffic light.

Just when she was in shock and thought that she was going to die, the rest of her life ignored her safety and would rather get hit and rescue her from under the wheel.

It was the touch of that moment, she finally chose Yu Sheng, and gave up Wang Wenxue, which is better than Yu Sheng.

"I don't know, the chairman and I are actually not familiar." Yu Sheng said lightly, and drove the car out of the community.

"Could it be that Mr. Xia helped to speak nice things?" Yang Zihuan looked at Yu Sheng with some doubts.

In fact, the chairman of the Four Seas Group helped her twice, she has always had doubts in her heart.

If the chairman really liked her, why would the chairman be so indifferent when she took the initiative to send it to the door that day?

And he mentioned Yu Sheng twice.

She really couldn't guess right now. Did the chairman imply that she divorced Yu Sheng, or did she really look at Yu Sheng's face to help her.

This made her a little confused.

"I don't know, maybe it is." Yu Sheng said indifferently.

Thinking of what Yang Zihuan said in his office that day, he suddenly felt a little uncomfortable.

Yang Zihuan was silent for a while, and then stopped struggling with this question. She suddenly asked curiously: "Did you save President Xia in the first place, was it dangerous?"

There was a faint smile at the corner of Yu Sheng's mouth. This was a lie that he didn't want Yang Zihuan to know his identity before, and he didn't think Yang Zihuan really believed it.

“That’s for sure, the other party is a killer. If I didn’t push him away, he would have been shot. Don’t compare Xia Jun to others. He really values the life-saving grace.

To be honest, this car, except to pick him up occasionally, he basically gave it to me. “

Yu Sheng turned his head and glanced at Yang Zihuan, hoping that Yang Zihuan would have a clear understanding and look back in time.

After all, Yang Zihuan had derailed his spirit before, although it was a bit ironic, but the object was his other identity, and he could be forgiven.

If Yang Zihuan doesn’t look back...

For the rest of his life, he didn’t want to think about it anymore, and he didn’t want to think about it anymore.

Chapter: 90

“God, he actually gave you a car worth two million dollars. Isn’t that incredible?” Yang Zihuan opened his mouth wide, looking at Yu Sheng in disbelief.

“He is the richest man in Qiancheng. Do you think his life is only worth two million?”

Yu Sheng glanced at Yang Zihuan and said nonsense: “I’ll tell you the truth. At that time, the assassin assassinated Xia Jun, but it cost him 50 million yuan.”

Yang Zihuan stopped talking.

After Yu Sheng explained this, she also believed it.

Saved Xia Jun’s life before the rest of his life, and he sent a car worth two million for the rest of his life. It was really nothing.

Thinking of this, she stretched out again.

“For the rest of my life, I...” Yang Zihuan seemed hesitant to speak.

Yu Sheng turned his head and glanced at Yang Zihuan, with a faint expectation in his heart, thinking that Yang Zihuan had understood clearly and wanted to tell him about her mental derailment.

If Yang Zihuan really told him, for the sake of his son’s healthy growth, he could forgive Yang Zihuan.

“I’m going to talk about a big business in a few days, can you drive me the car for a few days?” Yang Zihuan looked at Yu Sheng with some embarrassment.

I don’t know why, although she and Yu Sheng are husband and wife, but at this moment, she always feels embarrassed to speak to Yu Sheng.

“Well, if you like it, just take it and drive. I’ll buy another one.” Yu Sheng nodded, but he was very disappointed in his heart.

Yang Zihuan will not confess to him after all.

“Huh? Then you won’t pick up Mr. Xia?”

Yang Zihuan was a little surprised. Yu Sheng actually wanted to give her the two million-dollar luxury car. She couldn't believe it. At the same time, she didn't know why, and she always felt sorry for Yu Sheng.

"I haven't picked him up a few times. Besides, don't I have to buy one, and I can pick him up at that time."

Yu Sheng took a deep breath, his expression was a little cold, but Yang Zihuan didn't notice any change in his mood.

"You want to buy one?" Yang Zihuan was even less convinced.

"I have a salary of nearly 20,000 yuan a month, and I will pay in installments, and I will buy a problem of 300,000 to 400,000 yuan." Yu Sheng said lightly.

"Then you can buy a cheaper one. When I start the company, I will buy you another one." Yang Zihuan nodded.

As promised by the chairman, as long as the company is profitable, she will be given 10% of the shares. She is confident to make more money.

It is not difficult to send Yusheng a car in the future.

A faint smile appeared at the corner of Yu Sheng's mouth, and Xin said that he didn't know what Yang Zihuan would look like when he knew his true identity.

However, whether it is for the safety of Yang Zihuan and his son, or for the gloom in his heart, he is not ready to tell Yang Zihuan his true identity now.

Soon I arrived at the playground, parked the car for the rest of my life, and went to buy three tickets.

Children are free, but two adults get a full ticket.

At the entrance, Xiao Shui ran over when he saw a seller of Ultraman toys.

Yu Sheng bought one for him, Xiao Shui holding the new Ultraman, very happy.

The two looked at their son's happy look, and smiles appeared on their faces.

Entering the playground, suddenly saw a young couple walking in front with a little girl, Xiao Shui shook off Yu Sheng's hand and ran over.

"Liu Xiaoqin, look, this is the Ultraman my father just bought for me." Xiao Shui said happily after catching up with the little girl.

"You're so ugly, you don't look good at all." Although the little girl was disdainful, she was still very envious in her heart.

"Oh, isn't this the son who eats soft rice? Your dad is a waste, he has lost the face of a man, and you are just a waste, stay away from our family Qinqin."

At this moment, the woman holding the little girl talked about Xiaoshui disdainfully.

"My dad is not a waste, and I am not a waste!"

Xiao Shui stared at the woman steadily, her anger, and even more aggrieved tears, kept spinning in her eyes.
