

Dont mess 831

Chapter: 831

When Yang Ling saw Magnolia coming with Yu Sheng before, she recognized Magnolia as the woman who had kicked her own egg.

It's just that today Gao Qing asked Yu Sheng to come over and ask for the 10 billion, and the 10 billion to avenge him, of course, the 10 billion is more important.

Now the ten billion is in hand, and his sister has divorced the trash. Their family has nothing to do with Yu Sheng, and it happens to be settled with him.

"Just forget about Yang Ling, let them go! I want to be alone now." After Yang Zihuan said this, he took a look at Yu Sheng and turned back to his room.

Today I completely divorced Yu Sheng. Although I felt a little uncomfortable, I was more liberated. Seeing Yang Zihuan returned to the room, Yang Ling didn't intend to let this matter go, and only he would feel distressed if the egg grew on him.

However, Magnolia is so beautiful, Yang Ling didn't know how to avenge this woman for a while, and beat her? Some can't do it.

Suddenly, Yang Ling's eyes brightened, and she said to Yu Sheng: "This woman kicked me an egg, and I will be affected by things like that in the future, so she must be a wife with me to make up for the harm she has done to me.

Actually you haven't touched her before, I don't care, who makes me more generous! If she marries me in the future, she will be completely mine."

Yang Ling thought of marrying Magnolia home, and singing with such a beautiful woman every day.

Thinking about him, he was going to die!

He looked at Magnolia with greed in his eyes. To be honest, he hasn't touched a woman ever since he was kicked into an egg!

If you take the white magnolia to open meat, it's not bad!

Magnolia's complexion flushed red when she heard this, she picked up a cup on the table and threw it at Yang Ling.

Scolded: "If you dare to say such things, I will kick the other one of you to pieces. What kind of stuff are you, since you dare to think about me again."

Yu Sheng's complexion also became gloomy, his hands clenched tightly, and now Yang Ling is no longer his brother-in-law, if he thinks about the excesses before, there is no need to continue to tolerate him.

Gao Qing was unhappy when she heard what Magnolia said. His son was the best in his eyes. This Magnolia was willing to follow Yu Sheng's trash. My son didn't dislike her. She still didn't know good or bad.

Thinking of this, Gao Qing scolded: "My son is fond of you. It is your luck. You dare to say that my son is not worthy of you and ruin my daughter's marriage. The old lady should really teach you a lesson."

Gao Qing rolled up her sleeves, aggressively rushing in the direction of Magnolia, and when she came to Magnolia's side, she wanted to lie to her.

Seeing this, Yu Sheng grabbed Gao Qing's hand, and slapped her face with the other hand.

Yu Sheng said coldly, "I advise you to be honest, she is not someone you can move."

The reason why he said this to Gao Qing was because Bai Yulan was the eldest lady of the Bai family in Shangjing, and she could crush you, Yang Zihuan's family, to death.

If Gao Qing is really anxious about Magnolia. Then, Magnolia will not let Gao Qing go. By then, her family will be finished, and the rest of her life will hold her for the sake of her being Yang Zihuan's mother.

Chapter: 832

In Gao Qing's eyes, white magnolia is a long and beautiful vase. How else can you look at Yu Sheng's uselessness?

And just now Yu Sheng actually slapped her! To slap him for a minor, Gao Qing couldn't accept it at all. Immediately there was a scene of crying, two coaxing and three hanging. Gao Qing sat on the ground and cried and coaxed and cursed: "It's a godsend, a godsend! A door-to-door son-in-law found a mistress outside and asked Divorced from my daughter and I still beat me, this kind of person will be thundered by the sky."

If HD is yelling like this at the market, it may be of some use, but this is in her villa, and there are no outsiders at all.

From beginning to end, Yu Sheng just gave her a cold look, and then directed Yang Zihuan to Yang Zihuan's bedroom and said, "I have something to do today. At ten o'clock tomorrow morning, the Civil Affairs Bureau will complete the divorce procedures."

He said that he planned to leave.

Yang Ling saw that they were going to leave, and hurriedly went up to stop him: "Yu Sheng, you want to leave like this. The woman kicked me an egg, how can you give me some compensation?"

"Compensation, what compensation do you want? I will accompany you all at once!" Du Fei grabbed Yang Ling by the collar and asked fiercely.

Du Fei is the underground king of Qiancheng, and the aura he exudes is beyond ordinary. His usual kindness is nothing more than kindness to the rest of his life.

Du Fei would not show any mercy to people like Yang Zihuan and his family.

The whole person was picked up, as relaxed as a little chicken. Yang Ling's arrogant arrogance disappeared, and he quickly cried and confessed his mistake: "This big brother, I'm sorry, I don't want to compensate, I don't have anything. No more."

Du Fei snorted coldly, not thinking that Yang Ling was nothing more than a crappy trash, and he just frightened him casually with a few words that he was so embarrassed.

"This is the best!" Du Fei directly threw Yang Ling on the ground.

Yu Sheng went to Xiaoshui's room, opened the door and saw Xiaoshui squatting in the corner with his head buried on his legs, trembling slightly, and choking softly.

Did Xiao Shui hear it all?

Yu Sheng was shocked. He didn't know when Xiao Shui woke up, but depending on the situation, he should have heard something.

Taking Xiao Shui into his arms, Yu Sheng helped Xiao Shui wipe the tears on his face with distress, and asked: "Xiao Shui, did you hear something?"

"Dad, did you divorce your mother? Is it because I won't be able to see my mother anymore? Xiao Shui won't have a mother anymore, right?" Xiao Shui said, tears could not be restrained. The whole person cried and became a person of tears.

Yu Sheng hugged Xiaoshui tightly and felt distressed. His divorce with Yang Zihuan brought too much damage to Xiaoshui, and he would not divorce if possible.

But everything has changed, and the broken feelings are completely unmanageable.

"Xiao Shui, you will follow Dad in the future, Dad will never leave you! As long as Xiao Shui misses her

mother, I can bring you to see her at any time, the same as before.” Yu Sheng said distressedly. This is the end of the matter, and there is only this that can be done for the rest of his life, and the ten cows of a changed woman can’t be brought back.

Yu Sheng took Xiao Shui and left the villa with Du Fei and Bai Yulan. This time Yang Ling did not deliberately stop it.

On the second floor of the villa, Yang Zihuan now looks at the back of the car in front of the window. He only feels that he has never been so relaxed as he is today.

Divorced from Yu Sheng, she is now single and has the right to pursue her own happiness.

Yang Zihuan has absolute confidence in her appearance. Although she gave birth to a son, she looks much better than those girls.

Moreover, the chairman of the Four Seas Group also knows her details, and now he is divorced from Yu Sheng, maybe he can accept herself.

Thinking of this, Yang Zihuan felt a burst of ecstasy in his heart. He really wanted to go downstairs now to find the chairman of the Four Seas Group.

Chapter: 833

At ten o’clock in the morning the next day, Yang Zihuan went to the Civil Affairs Bureau on time, where he had been waiting for the rest of his life.

The agreement between the two had been signed, and there was nothing to say, so they got a divorce certificate, parted ways, and officially ended the relationship between husband and wife.

“Yu Sheng, thank you for your accomplishment. We will stay away from each other in the future.” Yang Zi smiled happily and drove away.

At this moment, she is very relaxed and happy, and can finally pursue her own happiness.

For the rest of his life, he didn’t speak, but looked at the direction Yang Zihuan was leaving, and drove away for a long while.

After leaving the Civil Affairs Bureau, Yang Zihuan did not hesitate and drove directly to the gate of the Sihai Group building. Because of Xiao Zixin’s relationship, she successfully entered the company.

“Zixin, is the chairman here? I want to talk to him about something.” Yang Zihuan grabbed Xiao Zixin’s hand and said with excitement.

Yang Zihuan felt that the reason why the previous chairman alienated herself was all because she had a family and didn’t want to burden herself with infamy.

Knowing that she has a family and helping herself over and over again, she definitely has some deep feelings for her.

As long as he affects the chairman of his divorce, he may have a much better attitude towards himself, and maybe he will take off the mask on his face.

When thinking of this, Yang Zihuan became more and more excited, and he couldn’t wait to come to the chairman of the board immediately, then hugged him tightly, and told him about himself and Yu Sheng.

“The chairman is not in the company, so you can tell me what you want to do with him, and I will help you tell him.” Xiao Zixin looked at Yang Zihuan suspiciously, not knowing what happened and why she was so happy.

So I asked: “Zi Huan, why are you so happy today? Did something good happen?”

Hearing that the chairman was inexplicably disappointed in his heart, Yang Zihuan immediately smiled on his face, took a deep breath, and solemnly said: “Zixin, there is indeed a great and good thing today, and I will tell you that you will do it too. Happy for me.”

“Don’t sell it, just say it!” Xiao Zixin asked impatiently.

“I divorced Yu Sheng, and I will be single again in the future. I have nothing to do with him anymore.”

Yang Zi said with a smile.

From now on, she no longer has to look at others’ eyes. She was scolded at Qiancheng for the rest of her life, and Yang Zihuan was also looked down upon.

Although she knows that Yu Sheng is not so useless among the population, she knows that it does not mean that others know that she will be pointed out wherever she goes, saying that she is blind and marry you a useless.

I thought that my good sister would also be happy for me, but when Yang Zihuan saw the strange and complicated expression on Xiao Zixin’s face, he didn’t understand.

Can’t figure out why this is? Yang Zihuan still remembers that Xiao Zixin looked down on Yu Sheng when she first met Yu Sheng! How could it be this expression now?

Yang Zihuan stretched out his hand and shook it in front of Xiao Zixin, and asked suspiciously: “Why do you have this expression, Zixin? Shouldn’t you be happy for me?”

After a dry laugh, Xiao Zixin didn’t know what to say, maybe she should really be happy for Yu Sheng!

After so many things, Xiao Zixin already had deep feelings for Yu Sheng in her heart. Before, she just didn’t want to be the intervener of sisters’ feelings.

Knowing that Yang Zihuan and Yu Sheng had completely divorced now, Xiao Zixin felt a little happy, so that she could express her love for Yu Sheng in an open manner.

It’s just that Yang Zihuan still doesn’t know that their chairman is Yu Sheng, what kind of expression would he have if he knew it, the more he thought about it, the more embarrassed Xiao Zixin became.

In any case, this kind of thing must not be said from her mouth. Not only will Yang Zihuan feel that she is not interesting enough, but Yu Sheng will not let her tell Yang Zihuan the truth.

“I’m really happy for you, I hope you won’t regret your decision one day.” Xiao Zixin said with a weird expression.

At this moment, Liu Qianshuang came out from the corner and asked Yang Zihuan: “You really divorced Yu Sheng?”

When the two saw Liu Qianshuang, they were also shocked. They didn’t expect that Liu Qianshuang would eavesdrop on them here.

After all, this is not in the office, but in the company! It is normal for Liu Qianshuang to bump into her suddenly.

Yang Zihuan didn’t have a good impression of Liu Qianshuang. This woman was entangled with Yu Sheng, and she also snatched the boss from her live broadcast room, saying that it is impossible not to be angry.

“I divorced him and it seems to have nothing to do with you? Eavesdropping on other people’s speech is simply shameless!” Yang Zihuan said angrily.

Regarding Yang Zihuan’s bad words, Liu Qianshuang laughed instead of anger, great! Yu Sheng finally divorced Yang Zihuan.

Chapter: 834

“What are you laughing at? Even if I divorced Yu Sheng, he might not be able to see you as a flirty woman. While entangled with the big guy in my live broadcast room, Yu Mu, I still want to pay attention to the rest of my life, you can Really greedy.” Yang Zihuan said unceremoniously.

She has a little affection for the popular singer in front of her. The woman in front of her sings better

than her, and she also robbed the boss of her live broadcast room. She already used some shameful manual.

The smile on Liu Qianshuang's face slowly diminished, Yang Zihuan stared at each other, and this woman actually scolded her for being stubborn?

When did she get ridiculous? Putting this kind of hat on her head casually made Liu Qianshuang naturally reluctant to give it up.

Xiao Zixin, who was standing on the side, saw that something was wrong, maybe if the two of them continued to talk like this, the identity of the rest of their lives would be exposed.

At that time, Yang Zihuan questioned it, but he didn't know how to explain it. Thinking of this, Xiao Zixin felt that her head was big for a while, and she wanted to slip away quickly, and there would be nothing to do with her.

Xiao Zixin casually found an excuse to bid farewell to Yang Zihuan and Liu Qianshuang and leave.

"Should you explain to me well? Why do you say that I'm a freak? What did I do to make you misunderstand me like this?" Liu Qianshuang asked in a deep voice.

She is a woman, and the members of the Liu family still value fame. In case the Yang Zihuan in front of him ran out and said casually, wouldn't her Liu Qianshuang want to bear a stubborn infamy for nothing. When the time comes, people in his family will question him, maybe the rest of his life will look down on her, thinking that she is the kind of inconsistent woman.

So she must let this Yang Zihuan give her an explanation today.

"Don't I understand enough what I just said?" Yang Zihuan said contemptuously.

She felt that a woman like Liu Qianshuang was shameless enough. She didn't dare to admit it before she did, pretending to be innocent. This is probably how she deceived Tong Mu from her live broadcast room.

"You don't even know that Yu Dong is the wood of your live broadcast room, right?" Liu Qianshuang smiled directly, looking at Yang Zihuan in front of him and felt very pitiful.

For this woman who framed her, Liu Qianshuang was not the slightest polite, and said: "I have been sharing the same bed for so many years, and I don't even know my husband, if it's not for the rest of my life, who would give you so generously? Are there any attempts to brush so many gifts?"

Yang Zihuan, are you really stupid or fake? Now you don't even understand what your husband is doing. No, you are now divorced. He has nothing to do with you."

The rest of your life will be Su Mu?

Yang Zihuan still felt unbelievable when he heard this.

How could the waste of Yu Sheng be the big boss who made money in his own live broadcast room?

Yang Zihuan stepped back two steps, shaking his head with a face full of disbelief, and shouted at Liu Qianshuang: "What nonsense are you talking about here, how could that waste for the rest of your life be Yu Mu."

Seeing Yang Zihuan like this, Liu Qianshuang felt very funny. She actually said the rest of her life was a waste?

"A civilian hero who can subdue gunmen with his bare hands, who can kill and tear the crocodile alone, and even the Four Seas Group is his, and the science and technology park has invested hundreds of billions of dollars in the building. The rest of my life advocated.

All I know is just the tip of his iceberg. How many glorious things he still has, I don't know, such a man is a trash in your eyes, too funny! I really should thank you for letting go of the rest of your life." Liu Qianshuang said word by word.

Yang Zihuan sat slumped on the ground, shaking his head constantly, unwilling to believe it was true. This is impossible, this is absolutely impossible!

Chapter: 835

Why doesn't she know this? Why doesn't she know at all?

Yu Sheng had never mentioned it to her, and all Yang Zihuan knew was that he was the chairman's driver.

Thinking about it now, Yu Sheng's acting skills are simply flawed, but why didn't she discover it at that time?

It was because she took it for granted that the rest of her life was a waste, a waste that could not be a major event, so she was blinded.

"You said that Yu Sheng is the chairman of the Sihai Group?" Yang Zihuan still couldn't believe it, and Zai asked Liu Qianshuang again.

"Yes, he is the chairman of Sihai Group. As her wife, you don't even know?" Liu Qianshuang was also a little curious.

She only discovered today that Yang Zihuan didn't understand Yu Sheng at all, and even had a big prejudice against her husband.

What a good man for Yu Sheng, how many women fell into his charm, even she, who was usually conceited and calm, fell in love with Yu Sheng incorrigibly.

But he is so good. There are a lot of women who are more prettier than her, and women who are better than her family, and Yang Zihuan in front of him is actually a bite of waste.

So Liu Qianshuang didn't show Yang Zihuan a good face from beginning to end.

Yang Zihuan, who was paralyzed on the ground, still looked confused, still unwilling to believe that what happened was true.

She thinks all this is in front of her, and the lies made up by this woman are just to deceive her.

"You lied, and the rest of your life is just the chairman's driver! How could it be the chairman!"

In Yang Zihuan's heart, the chairman can be anyone, but he cannot be the rest of his life! It is absolutely impossible for the rest of his life.

When Liu Qianshuang saw Yang Zihuan like this, he didn't have any interest in staying, and said coldly:

"It doesn't matter if you believe me or not? But Yu Sheng is the chairman of the Four Seas Group. This is a fact. If you don't believe it, you can ask your good sister Xiao Zixin, she is the secretary of the chairman."

After saying this, Liu Qianshuang turned and left. Since Yu Sheng has officially divorced Yang Zihuan, and there are so many people who like Yu Sheng, she must take him down before others.

Even Xiao Zixin knows?

Yang Zihuan took out his cell phone from his bag and called Xiao Zixin. After the cell phone rang for a while, a mechanical female voice came out: Sorry, the user you are calling has been turned off, please call again later...

Shut down?

This point undoubtedly confirmed Yang Zihuan's guess that the reason why Xiao Zixin turned off the phone was because of a guilty conscience and she did not dare to face her.

It seems that Yu Sheng is really the chairman of Sihai Group, no wonder he wears a mask every time he sees himself, and he never takes it off.

No wonder the chairman always mentioned Yu Sheng in front of her. At that time, she thought it was

the chairman who cared about her marriage.

No wonder he will help the Yang family through the crisis again and again.

No wonder she used to think that Yu Sheng's back and the chairman really missed it. At the time, she thought it was an illusion, but now it seems to be ridiculous.

Recalling that at the grandma's birthday banquet, the name of the chairman of the contract was Yu Xiaoshui. Isn't that her son Yang Xiaoshui!

Now that Yu Sheng and him are completely divorced, isn't Yang Xiaoshui changed to Yu Xiaoshui? Yang Zihuan was sitting on the ground, pulling his hair indiscriminately, he looked like a madman, laughing while crying, very strange.

After working for a long time, the chairman of the Four Seas Group she thought of as the chairman of the Four Seas Group, she thought, was the trash husband that she had never looked up to.

I thought that if I divorced Yu Sheng, I could have an open and honest relationship with the chairman of the Sihai Group, but now it seems like nothing more!

Yang Zihuan, you are such a complete fool!

Chapter: 836

Gao Qing and Yang Ling didn't even know about the affairs of the Four Seas Company, and the two of them were still silent in the joy of getting 10 billion.

"Since our mom has 10 billion in our family, would you take out one billion to give your son Huahua?"

Yang Ling rubbed his hands and looked at Gao Qing expectantly.

Gao Qing didn't hesitate at all, and went straight to the bank to transfer one billion to her son. Now she is a billionaire.

She gave her son one billion, and she still has nine billion in her hands. Gao Qing never thought that she would be so rich in her life.

Nine hundred million is enough for their family to live a lifetime, and the marriage and divorce of their daughter is too worthwhile.

Holding the nine billion in her hand, Gao Qing felt that she was about to wake up from a dream.

Yang Ling got the one-billion-dollar transfer, went out fooling around without saying anything, and this time directly called ten beautiful girls with long breasts and thighs.

Because he had so much money on him, Yang Ling was very generous with brand-name watches, brand-name clothes, brand-name bags, brand-name jewelry, and even luxury cars worth millions of dollars.

They were given away without blinking their eyes.

"Wow, Young Master, you are so handsome! People love you to death."

"Yeah! Shao Yang is the one I have ever seen with the best shot."

"Young Master, people still want that Maserati, buy them for them!"

"Young Master Yang wants it too!"

"I also want!"

Yang Ling waved a big hand and shouted, "Everyone buys a car, no one will be less."

As soon as these words came out, ten beauties surrounded Yang Ling and hugged each other. They were all boasting that Yang Ling was handsome and wanted to marry him or give him children.

For a while, Yang Ling's face was full of red lip prints. This was the first time that he embraced the left and the right uncomfortably, being served together by ten beautiful women.

And Gao Qing held the nine billion, and of course it was the first time she found the few dancers and sisters with whom she usually danced the square dance together.

First, I bought myself a famous brand with some colorful jewellery, and showed off in front of my sisters, just like a nouveau riche.

Listening to the compliments of her sisters, Gao Qing felt that her whole person was about to fly. It is good to have money, and it is really an uncle to have money.

“Sister Qing, why have you suddenly become so rich?” asked a sister who played better with Gao Qing on weekdays.

Gao Qing didn’t have any money to tell her. It was her daughter who wanted to come to Yu Sheng for a divorce. Instead, she rolled her eyes and said, “This is a secret.”

As soon as these words came out, several dancers and sisters all sighed. They also wanted to become very rich and rich. After all, there are no enemies in this world.

Gao Qing is rich, and even people who don’t deal with her on weekdays run over to flatter him.

These made Gao Qing’s vanity greatly satisfied, and she should have become the eldest sister of their square dance troupe, and all of her more than forty sisters must listen to her.

During this period of time, Yang Ling, who had money, was at ease outside, singing songs every night, and he who hugged him left and right did not have a home at all.

And the whole group of Gao Qing’s sisters boasted was floating, and they didn’t need to pay attention to her daughter Yang Zihuan for several days, yeah, she didn’t have to go home.

Gao Qing also boasted that she would go to Haikou and ask a group of her sisters to go shopping in the mall tomorrow, all of which will be paid by her.

Chapter: 837

Wanfeng Shopping Center

“Sisters, I will pay for all of your consumption today, and you don’t need to save me money.” Gao Qing said to a group of her sisters with her throat.

Her gang of sisters were also not polite, and when they ran into the mall, there was a gust of wind. They took everything good when they saw it, and there was no one who wanted to help Gao Qing save money.

They were just dancing and dancing together. How could it be possible that Gao Qing’s temper was so selfish that he would have a few sincere friends.

Recently, seeing that Gao Qing is rich, this group of talents have begun to please her, just wanting to get some benefits from her.

Gao Qing felt distressed for a while when she saw what her sisters saw and took, and then she touched the nine billion bank card in her pocket and felt calm in her heart.

On the contrary, they feel that they are so petty that they can’t get on the stage at all.

“Sister, can you afford to buy so many things? We are brand-name clothes, and each one is thousands of them!”

A beauty shopping guide saw a group of aunts who were in their fifties entering the mall. They took so many clothes to try and said they wanted to buy them, but she didn’t believe it at all.

Wearing ordinary clothes like them, I am afraid that when you go to the vegetable market to buy cabbage, you will have to talk to the vegetable vendor for a half-day price. How can you afford thousands of clothes without blinking?

If they soiled all the clothes in this shop, wouldn’t it be a big loss, but when the shop manager comes, she will be opened.

“What do you mean by that? Look down on people?” One of the middle-aged aunts who came with Gao

Qing pointed to the nose of the beauty shopping guide and asked.

The beauty shopping guide said coldly, "Of course it's just what you mean. The clothes on your body are just a few dozen dollars of street stalls. How can you afford thousands of famous brands?"

When the middle-aged aunt heard this, she immediately retorted: "Little girl, don't look down on people! We all come to the store to buy clothes today, and the customer is God."

The beauty shopping guide also didn't want to care about these aunts, and said with a sneer: "Since you all say that, that's OK. You can try the clothes at will. It was taken to the police station."

Her original intention was to get rid of the gang of aunts who made trouble. She didn't expect that when she thought of this, those aunts became even more crazy.

Just pick up the clothes to try, and just ask the shopping guide to wrap them up.

The beauty shopping guide's complexion has sunk, but she is still very cooperative. She helps them put on the clothes and she has to see if they can pay that much money when they pay the bill!

"Your clothes total 248,542, credit card or cash?" The beauty shopping guide figured out all the prices, and looked at these aunts with cold eyes.

Just now, she had ordered the security of the mall to wait outside. As long as she shouted, the security would send these troublesome aunts to the police station.

"More than two hundred and forty thousand? Why is it so expensive?" An aunt said to the sister who came with her, and then looked at the big piles of bags like hills.

"Yeah! We just bought this thing, and it cost more than 200,000 yuan." The other aunt also looked shocked, and clutched herself tightly and bought the dozen or so pieces of clothes.

Seeing the expressions on the faces of those aunts, the beauty shopping guides have already guessed that it is absolutely impossible for these people to get so much money. They just ran over to make trouble.

The beauty shopping guide had already planned to take care of the security guards outside, and sent this group of troublesome aunts to the police station.

At this moment, Gao Qing squeezed in from the crowd, looking at the beauty shopping guide with a condescending attitude.

"I'll buy them!"

Chapter: 838

"I will buy all their orders." Gao Qing directly took out a card and patted it in front of the beauty shopping guide.

Seeing that the beauty shopping guide was stunned for a long time, Gao Qing said impatiently: "What are you doing in a daze? Quickly swipe your card to pay the bill!"

The beauty shopping guide looked up and down Gao Qing and found that all her body was brand-name, and the jewels on her body were jewels. She looked like a wealthy person, and she didn't neglect all of them.

She immediately changed a respectful tone and said to Gao Qing: "I'm sorry, I'm sorry, I will help you swipe your card."

Picking up the card, the beauty shopping guide swiped in the machine with a "di!" and the payment was successful.

Only then did the beauty shopping guide know that the woman in front of her was rich, and spent more than 200,000 yuan for her friend without blinking her eyes.

The beauty shopping guide lowered her attitude a lot in front of Gao Qing, holding the card in her hand

and handing it to Gao Qing respectfully.

Gao Qing looked at the bank card in front of her and didn't pick it up, but indifferently glanced at the beauty shopping guide, then raised her hand and slapped her face.

Snapped!

A bright slap in the face spread through the store. The beautiful shopping guide covered her blushed face and looked at Gao Qing dumbfounded. She wondered why this wealthy customer would hit herself.

"Why are you hitting me? I don't offend you again." The beauty shopping guide said innocently.

Gao Qing didn't care about the beauty shopping guide, but raised her hand and slapped her face with another slap. This slap is still not light.

This time the beauty shopping guide was directly angry, even if the person in front of him was beating himself with money for no reason, it was totally unacceptable.

"If you do this, don't blame me for being rude, I have offended you!" the beauty shopping guide said angrily.

Gao Qing snorted coldly, took back the card from the beauty shopping guide, looked at her condescendingly, and said contemptuously: "You are an inferior person who serves rich people like us. My sisters are here. If you buy a dress here, you won't give them a good face, so who else will you hit if you don't hit them?"

And you even called a security guard at the door, do you want to send us to the police station? I told my old lady that there is nothing but money. There are nine billion in this card alone. It is not a problem to buy your shop. Would you dare to look down on me?"

Nine billion?

Everyone only knew that Gao Qing had money, but they didn't even think that she had nine billion in her card, which was simply too arrogant.

At this time, a man in his thirties passing by the store heard all Gao Qing said.

A pair of eyes looked at Gao Qing's body and finally stopped at the card in Gao Qing's hand, and the corners of her mouth provoked an arc.

Gao Qing, who was arrogant at the beauty shopping guide and tantrums in the store, didn't notice, because the words she just said had already been targeted.

"Can you beat people if you have money?" the beauty shopping guide said unconvinced.

Hearing this, Gao Qing laughed out loud, looked at the beauty shopping guide like an idiot, and said disdainfully: "This really makes you right. I have money. If you beat you, you will be honest. Really suffer!"

A group of Gao Qing's sisters saw Gao Qing's arrogant look and felt that she had done a little too much, but no one spoke.

After all, all the things they held in their hands were bought by Gao Qing, and they now know that Gao Qing has nine billion in his hands, so it's too late to fawn!

Along the way, their group kept admiring Gao Qing, and they were about to praise Gao Qing to the sky.

When Gao Qing was approaching her villa, halfway through the road, he ran into a handsome man in his thirties sitting on the bridge. He looked like he was about to commit suicide.

Under the trend of curiosity, Gao Qing walked over in confusion.

Gao Qing still didn't speak, the man sitting on the bridge spoke first, his voice melancholy and full of magnetism.

"Don't persuade me, this time I've lost a terrible start, and I have lost the idea of living."

Chapter: 839

Gao Qing is not such a kind person. She wished that the man in front of her would jump off earlier so that she could take photos and post to Moments.

She just wanted to speak; you hurry up and die! I just came to watch the jokes.

The man who wanted to sit on the bridge suddenly jumped down and hugged Gao Qing, which shocked Gao Qing.

“You stinky rascal, let me go quickly, or I will call the police.” Gao Qing pushed the man hugging her hard.

But no matter how Gao Qing struggled, the man refused to let go, which frightened Gao Qing.

“What the hell do you want to do? I will give you the robbery. If you are too old, you won’t look down on the robbery!” Gao Qing said, scared and cried.

The man had no idea that Gao Qing cried directly, for fear that others would notice something here and he would be arrested by the police.

Quickly let go of Gao Qing and took out a tissue to help Gao Qing wipe off the tears and nose on her face.

“Don’t cry, I’m not good, did you scare you?” The man’s voice was gentle, and he gently stroked Gao Qing’s broken hair to the back of his head, as if Gao Qing was his beloved woman in front of him. Gao Qing was stunned in the same place, as if she was electrocuted, her brain lost the ability to think normally.

It took a moment for Gao Qing to slow down, beat the man’s hand to the side and stammered, “You...what do you want to do?”

The man took out the thousands of dollars in his pocket, stuffed it in Gao Qing’s hands, and said gently: “I failed to start a business. These two thousand dollars are the last money in my body. I was too reckless to scare you. Now, the money will be your compensation.”

Looking at the twenty banknotes in her hand, Gao Qing’s face was uncontrollably happy. Although she has a lot of money now, it can’t change the fact that she likes to take advantage of it.

Gao Qing was not interested in the life and death of others. When she was about to leave, she heard the man behind her speak: “Thank you for the hug. You are the most beautiful and feminine woman I have ever seen.”

Gao Qing was stunned when she heard this sentence, and she didn’t react for a while. It was the first time in so many years that she was praised as beautiful and feminine by a young man, and she felt happy in her heart.

Since her husband died, no one has ever spoken to her anymore. After careful calculation, Lao Yang has also died for more than ten years.

For so many years, she spent the long nights alone, and it was lonely and difficult to say, it would be nice if there was someone who could understand her to spend the rest of her life.

Gao Qing shook her head quickly and expelled the strange thought in her mind.

“You... why are you so young that you want to die?” Gao Qing asked a bit because the man just praised her for being beautiful.

“The investment failed, the loss was a mess, and my girlfriend ran away with others.” At this point, the man gave Gao Qing a affectionate look and said again; “If I meet someone like my sister, maybe I won’t Will you encounter this kind of thing?” The man sighed deeply.

Upon seeing this, Gao Qing felt a little distressed. The young man in front of him was quite lovable. It would be a pity if he died, so let him be his bodyguard.

“Boy, would you like to be my bodyguard?” Gao Qing suggested.

An unnoticeable smile appeared at the corner of the man’s mouth, and when he turned his head to look at Gao Qing, he changed to a melancholy look.

“Thank you for your kindness, I really didn’t misunderstand someone. You are not only beautiful, but also kind-hearted.” The man here paused and said again; “It’s just that I’m not suitable for being a bodyguard. I just want to start a business. , So that I can be qualified to ask the person I like the most.” The man looked at Gao Qing affectionately, making Gao Qing mistakenly believe that she was the man he liked.

Gao Qing’s face was flushed, and she looked more and more pleasing to the man in front of her.

After gritting his teeth, Gao Qing said; “Don’t think about it, guy, I’ll help you make a comeback!”

Hearing Gao Qing’s words, the man jumped off the bridge and wanted to hug Gao Qing, but felt something was wrong, so he said excitedly: “You don’t always call me a guy. You look like you are only in your early thirties, right? It’s thirty-one, maybe even older than you, by the way! My name is Wang An.”

Chapter: 840

Gao Qing touched her face. She is fifty-six years old this year, is she like a thirty-year-old person there? Could it be that you look so young?

Since meeting this Wang An, she has never been as happy as she is today.

Isn’t it just to help this person make a comeback? I have nine billion! Hands-on things.

“Wang An! Sister, I’m fifty-six years old, and I have one son and one daughter.” Gao Qing didn’t hide Wang An. She saw Wang An’s thoughts on her and hoped that this would make him give up.

Old Yang has been dead for so many years. If he finds another young guy, he will not be angry if he finds out in the underground.

When Gao Qing married Yang Guohuai, she was always an angry daughter-in-law. Yang Guohuai either beat or scolded her, and she never gave her a good face.

Had it not been for Yang Guohuai to die early, Gao Qing would have been beaten away by Yang Guohuai.

Now when I met a handsome guy who really pitied her and felt sorry for her, Gao Qing said it was a fake that he was not heartbroken.

But people who have lived for half their lives are still wary of this young man who suddenly appears. Take a step and take a look, if this person really has other ideas, then she kicks him away.

“My sister looks really young, she doesn’t look like a person in her fifties at all. What’s your sister’s name?” Wang An asked with a smile.

“Gao Qing.”

“Gao Qing, then I will call you Sister Qing from now on?” Wang An said with a smile.

Gao Qing nodded, and along the way asked Wang An the reason for the failure of entrepreneurship. Wang An and his previous girlfriend met when they were in college. The two have been together for many years. After graduation, Wang An was busy starting a business and rarely accompanied her girlfriend.

In order to give his girlfriend a better life, he thought that her girlfriend would directly bring her a green hat and get along with the next door. Now he not only ran away with his girlfriend, but also failed to start his own business.

Even his house was sold, and now he didn’t even have a place to live, so he was thinking of seeking death.

After listening to Wang An's experience, Gao Qing felt even more distressed for Wang An.

"Do you have no place to live now? Or just go to my house! My villa is quite big, and there is still no problem with vacating a room for you." Gao Qing suggested.

Although she still has a good impression of Wang An, she also knows that she may not be worthy of others when she is old, but maybe Wang An likes herself like this!

The two returned to the villa. Yang Zihuan and Yang Ling were not at home. Wang An offered to cook for Gao Qing to taste his craft.

Gao Qing also refused. After all, he has never cooked at home. It can be said that his ten fingers do not touch the sun. He used to cook for the rest of his life, and later it was Yang Zihuan.

In about an hour, Wang An cooked a table of meals, which looked very appetizing.

"Sister Qing, I haven't been cooking for a long time. I've been busy starting a business. If it weren't for you today, I would have died. Don't dislike it, try it soon!" Wang An touched his head. Said embarrassedly.

His eyes were fixed on Gao Qing, watching her pick up the food and put it in his mouth, expecting her to make an evaluation of her own food.

Gao Qing eats the dishes made by Wang An, and she still has some gaps in her cooking skills for the rest of her life. She still can't understand why a waste cooking is so good, and it's a pity that she can't eat it now.

Gao Qing said lightly: "Not bad."

A frustration flashed across Wang An's face, but he quickly changed to a smiling face, chatting with Gao Qing about homework, to please Gao Qing.

After eating, Wang An went to the bathroom to take a bath, and Gao Qing went to prepare a room for Wang An to live in.

At this moment, the door of the villa opened, and Yang Zihuan entered the villa. He didn't care when he saw the two sets of chopsticks on the table, thinking that Yang Ling and Gao Qing were both at home.

The reason why Yang Zihuan didn't go home in the past two days was because she went to find Yu Sheng. She wanted to ask Yu Sheng why she lied to herself.

But after searching many places, she still had to find her, and her phone number was blocked. For the rest of her life, she seemed to have evaporated.

After two days of hard work, Yang Zihuan just wanted to go back to the room and take a good rest.

When passing by the bathroom, it happened that the bathroom door suddenly opened.

Wang An walked out around a bath towel, and when he saw Yang Zihuan, he was shocked. He didn't expect to meet such a beautiful beauty in this house.
