

## Dont mess 901

### Chapter: 901

“For the rest of my life, I never thought that your woman’s fate is so good, so I am so envious. Would you like to explain to me what is going on?”

Magnolia looked at Yu Sheng with a smile, but Yu Sheng felt the killing intent in her tone of going out. He scratched his head helplessly, he didn’t know what was going on in such a scene? Yu Sheng just told Du Fei and Xia Feixue the news of his return.

“I said I didn’t know you believe it?” Yu Sheng said with a slight embarrassment.

Magnolia didn’t speak, but she gave it a blank glance for the rest of her life. This guy said about marrying herself in Jiangcheng’s affairs, but what kind of a thing is it that so many beautiful girls pick him up? Not far away were waiting not only Xia Feixue and Du Fei, but also Zhu Xiaoshu, Zhang Wanqiu, Liu Qianshuang, Xiao Zixin, Yu Li, and even Yang Zihuan.

The faces of the women are very complicated, but there is some competition between them, one by one waiting for such a long time here can not say a word.

These people have been inquiring about Yu Sheng’s clues since Yu Sheng divorced Yang Zihuan, but Yu Sheng took Xiao Shui out to travel with Magnolia the first time after the divorce, and they were not given this opportunity at all.

Now I finally came back, so everyone was waiting at the airport by appointment.

The reason why Yang Zihuan came here was that she still wanted Yu Sheng to make a move to help their family one last time. No matter how bad Yang Ling did, it was her own brother who could not watch him die.

After knowing the chairman of Sihai Group, whom he had always thought of, Yang Zihuan had a different view of Yu Sheng.

The rest of her life was not a waste of money at all, it was always her that Yang Zihuan was in the blessing and didn’t know the blessings. She loved the rest of her life, and she even luckily thought that as long as she bowed her head and apologized, Yusheng would forgive herself and remarry her well. Live.

But when he saw so many young and beautiful women coming, he poured a basin of cold water on Yang Zihuan’s head, and it was cold from head to toe.

Yu Sheng had many choices, because he was divorced. She Yang Zihuan personally proposed it. Until now, she didn’t understand why Yu Sheng had to say that sentence when signing.

Yang Zihuan really wanted to tell her out loud, she was wrong, she really regretted it, could she give her another chance?

For the rest of his life, a group of Yingying and Yanyan immediately wanted to go up, the youthful and lively Zhu Xiaoshu, the beautiful and gentle Zhang Wanqiu, the already sexually sensible Yu Li, and Xiao Jiabiyu’s Xiao Zixin.

The heroic policewoman Xia Feixue has a pair of beautiful legs that particularly attract men’s scorching eyes. In addition, she is wearing a uniform, and her temptation directly rises by 20%. A man wants to conquer such a strong woman. That sense of accomplishment is incomparable to other women.

And Yang Zihuan, a beautiful and moving young woman standing in the same place, although her face is sad, she has a unique style.

Liu Qianshuang has some titles of house goddess. Under the management of the Four Seas Group, she not only has some notable status in the music world, but also several well-known directors in the

entertainment circle also praised his appearance and even invited her to play herself. Not all the heroines in the play were rejected by Liu Qianshuang.

Needless to say, White Magnolia is also the best among the women in appearance. She exudes the temperament of the famous ladies of the Mingmen big family. For a while, she can be regarded as outstanding among these women.

“Lao Yu, you are finally back and I miss you!” Du Fei walked over and hugged Yu Sheng, and then whispered in Yu Sheng’s ear: “Lao Yu, you are really beautiful and blessed. Ah! I didn’t think there were so many beauties around you.”

Yu Sheng pushed Du Fei aside, sighed and said, “This Yanfu is for you, do you want it?”

Upon hearing this, Du Fei hurriedly waved his hand and said: “I don’t dare, one wife is enough. If so many are married, then the family will be the real version of Zhen Huan’s biography.”

For the rest of his life, Du Fei didn’t want to continue to attract others’ attention at the airport, and took everyone away from the airport to the hotel.

## **Chapter: 902**

Although all the women came to see things for the rest of their lives, after seeing so many people, they were surprised that they were alone.

After eating a lunch with the same taste and chewing wax, they separately looked for this reason and slowly dispersed one by one, only Xia Feixue and Yang Zihuan did not really leave.

Yang Zihuan came to Yu Sheng this time to allow Yu Sheng to help Yang Ling once again. In any case, he was talking about saving Yang Ling’s life.

And Xia Feixue saw that so many people left inexplicably. As a policewoman, she was not as shy as any girls. After all, she came to Yusheng but she didn’t have a word!

“For the rest of my life, I never thought that there are so many people around you like you, and there are so many suitors around you when you get divorced. It’s normal for you to be such a good person and so many people like you.” Xia Feixue smiled, I swallowed the sentence that even I was attracted to you. Facing this topic, Yu Sheng was a little bit dumbfounded. He glanced at Magnolia and said to Xia Feixue awkwardly: “I’m joking, you don’t know, I’m a famous waste in Qiancheng, where is it good?”

Yang Zihuan’s body stretched very tightly when he heard the words “waste”, Yu Sheng’s words seemed to be mocking how stupid what she had done before.

But Yang Zihuan also knew that Yu Sheng’s words were just being humble and didn’t deliberately make her feel uncomfortable. Perhaps it should be said that for Yu Sheng, there is no need to put Yang Zihuan in her eyes.

Only a woman knows women best. She has also seen unusual ideas about Yu Sheng from Xia Feixue’s eyes, so she has to express that Yu Sheng is her property.

Magnolia clasped Yu Sheng’s arms and smiled and said to Xia Feixue: “Miss Xia, what do you want to do for Yu Sheng? Now I have almost eaten this meal. He has been on the plane for a day, and I want to take him. Go home and rest.”

Immediately, Magnolia looked at Yang Zihuan again, still smiling and said, “Miss Yang must have come to see Xiaoshui? Xiaoshui actually misses her mother too.”

Xiao Shui, who was sitting next to Yang Zihuan, tugged at her clothes and said, “Mom, would you take Xiao Shui to play, okay? Xiao Shui wants her mother to accompany me.”

“In this case, Xiao Shui will be handed over to Miss Yang today. He has been tired for a day today, so I will take him back to rest first.” Bai Yulan said with a smile.

Immediately, Magnolia looked at Yu Sheng with embarrassment, her beautiful little face was embarrassed and said with a little embarrassment: "Yu Sheng, I can't bear to work on other things if you are tired for a day. Don't you blame me for making opinions?"

I watched all this for the rest of my life, knowing that Magnolia was jealous.

Squeezing Magnolia's face, Yu Sheng said indulgently: "Of course not, I think your arrangement is very good."

Then he said lightly to the people present: "Since there is nothing to do, then I will leave first."

Looking at this scene, Xia Feixue was full of envy. She is always the image of a strong woman in front of others. It must be a very happy thing if someone can dote on her like this!

Only Yang Zihuan felt the most uncomfortable in her heart. If she hadn't been bewitched by her family, she wouldn't be able to divorce Yu Sheng.

Now that he is divorced, Yang Zihuan has no qualifications to be jealous, and there is only unspeakable bitterness and uncomfortable feeling in his heart.

Seeing that Yu Sheng was about to leave with Magnolia, Yang Zihuan had to gritted his teeth and stood up and stopped them: "Yu Sheng, don't leave, I...I..."

### **Chapter: 903**

The two people have no relationship, and their family is still doing such an amazing job. For the rest of their lives on the divorce agreement, the rest of their lives not only cleaned themselves out of the house, but also paid out 10 billion.

Now that the Yang family is in crisis again, the incident that Yang Zihuan asked Yu Sheng for help can't be said.

Yu Sheng looked back at Yang Zihuan with strange and cold eyes. He looked at her as if looking at a stranger he had never met before, and said indifferently: "Miss Yang, now we have nothing to do with each other, and there is no reason to act. Help the Yang family, you know yourself!"

After Xia Feixue called and told him about the lofty things, Yu Sheng sent a message to Du Fei and asked what happened to the Yang family.

After learning the reason, Yu Sheng felt that they were not only insatiable, but also stupid. Everyone was grown up and should pay for the stupid things they did.

The rest of their lives had helped them solve a lot of troubles before, all because they were a family and couldn't die.

It's a pity that it's not anymore, and there is no need to wipe their ass all the time.

After saying this, Yu Sheng took Magnolia and turned out of the restaurant, without even turning his head back.

Magnolia held Yu Sheng's hand tightly again. As long as she let go of this man, she would never be able to find it again, so she also held it tightly, never letting go, let alone stepping into Yang Zihuan. In the footsteps.

"When are you going to marry me? We have all returned to Qiancheng, I can't wait!" Bai Yulan said anxiously.

After what happened just now, Magnolia was even more certain, how popular she was for Yu Sheng, but there are so many beautiful and outstanding women who are rivals in love with her!

So she couldn't wait for a moment now, and it was her plan to marry herself for the rest of her life.

There was a smile on Yu Sheng's face, and he reached out and clicked on Magnolia's nose, and said indulgently: "Your little thought, can I still not understand? You are just afraid that I will like other

women. ?”

The Magnolia chick nodded like a rice pecking. In his eyes, men are very lustful, even the father she has always respected.

Her mother is a young lady in a big family, and she has a business marriage with her father. On weekdays, she treats her father to her mother very well, but he still has a few lovers outside, and even illegitimate children. These Magnolias all know that, It's just that no one ever mentions it.

Seeing the worry in Magnolia's eyes, Yu Sheng put away the smile on her face, and solemnly said: "Our marriage is going to be delayed."

Upon hearing this, Magnolia was stunned in place, her whole body was like a lightning strike, and she couldn't understand why Yu Sheng suddenly repented.

Is it because he destroyed his peach blossoms and made the rest of his life angry?

"You obviously promised me that I would marry me. Why are you suddenly repenting now? The rest of your life is a man who says nothing. You can't speak without counting!" Magnolia bit her lower lip tightly, and she almost cried out aggrieved when she said this. .

Seeing the appearance of Magnolia, Yu Sheng said: "Don't cry first, I just said that I want to postpone it, not that I will not marry you, how could I not marry you, just want to give you a grand wedding, let You become the happiest person in the world."

Upon hearing what Yu Sheng said, Magnolia held her pink fist on Yu Sheng's chest with a grievance, and lightly tapped it a few times.

"Killing you to death, did you deliberately say halfway? It made me misunderstand and scared me. Do you know that I was going to be scared to death by you." Magnolia complained.

Yu Sheng touched Magnolia's head and took her into his arms: "Don't worry, I won't regret what I said." Listening to Yu Sheng's thumping heartbeat, Bai Yulan also hugged Yu Sheng tightly. The panic in her heart gradually faded a lot.

"I don't want a grand wedding for the rest of my life. I just want to marry you. I'm very satisfied to marry you."

#### **Chapter: 904**

After Yu Sheng returned home, he didn't have a rest. Instead, he contacted several of the most famous designers in Paris and asked them to come to Qiancheng to design the wedding dresses for Magnolia. These are not the most critical. Yu Sheng even has a bold idea. He wants to build his own castle for Magnolia in Qiancheng, the kind with a sky garden, and a wine estate nearby, named after her. "Orchid Garden"

These ideas were not told to Magnolia for the rest of his life, but they were executed silently.

At this moment, Yu Sheng's cell phone rang suddenly. It was a call from Xiao Zixin. Seeing this call, Yu Sheng could think that something must have happened in the company.

As soon as the phone was connected, Xiao Zixin said with some embarrassment: "Yu Dong, you should go back to the company! Someone in the company is coming to make trouble, and it is not convenient for us to deal with it."

"Just let the security of the company handle these things. The company pays them can't even handle these things well?" Yu Sheng said in a deep voice.

After a moment of silence on the phone, Xiao Zixin said embarrassedly: "But the person who came to make trouble was Yang Zihuan's mother. She had to come to see you, and the company security drove her out, but she just stayed at the door of the company. Go, it seriously affected the company's image,

there is no way to call you.”

For the rest of his life, Gao Qing knew better about this person, and no matter what, he lived with this woman under the same roof for so many years.

The level of her rogues is not comparable to that of ordinary people. She can almost imagine it for the rest of her life. She must have said to the security guards that she is her own mother-in-law, so she can be so unscrupulous.

There is no way. If Yu Sheng does not show up, HD will come over next time even if it is driven away by security. Didn't she just want to see herself? Look at what he wants to do in this high definition!

I drove all the way to the Sihai Group. As soon as I got off the car, I saw a middle-aged woman lying in a big shape in front of the Sihai Group Building. That person was Gao Qing.

It's almost freezing weather, and it won't take a while to see her lying on the ground, and she is not afraid of the cold.

A small group of people around were watching the heat. After all, Sihai Group was the largest company in Qiancheng, and it was the first time they saw someone making trouble here.

Yu Sheng walked over, looked at Gao Qing on the ground and asked coldly: “Gao Qing, what else do you want to do? You are not a three-year-old kid anymore. Are you still messing around here?”

Hearing Yu Sheng's voice, Gao Qing suddenly stood up from the ground, ignoring Yu Sheng's cold attitude towards her, grabbed Yu Sheng's arm with excitement, and said cordially: “My dear son-in-law, I am seeing you, you don't even know your mother that I have been here for a long time, and the ground is still terribly cold, but as long as I can see you, I will be content.”

Yu Sheng shook off Gao Qing with a sneered expression. He wouldn't foolishly think that Gao Qing really had a sex change. She just knew her identity and wanted him.

“Get up from the ground quickly and say something to the company. There are too many people here.” Although divorced from Yang Zihuan, Yu Sheng still wanted to give Gao Qing a little face.

Who would have thought, Gao Qing glanced at the group of people around and simply lay on the ground and played a rogue: “My dear son-in-law, let's just talk about it here! I can't wait for you in the office of the chairman. Habit.

After all, you have never told me that you are the chairman of Sihai Group, isn't it because you are afraid that I will go out to shame you? I still won't go.”

Gao Qing knew that Yu Sheng had divorced Yang Zihuan, and he would definitely not give him another 10 billion.

Fortunately, there are so many people now, maybe the rest of his life just gritted his teeth and gave her 10 billion.

Seeing Gao Qing still staying there, Yu Sheng's face was somber as water, this Gao Qing really didn't want to face it!

Don't blame him for not leaving a trace of face!

## **Chapter: 905**

“Since you have to be here, then I will follow you well.” Yu Sheng said coldly.

“My daughter Yang Zihuan and I have divorced. I gave you all the cars and villas I bought, and I gave you 10 billion in accordance with your requirements. Now you still call my son-in-law inappropriate? We are no longer a family. .”

Hearing this, Gao Qing's face was a little ugly. These are facts, and she has no way to refute it, but Yang Ling's affairs cannot be delayed, and she has no choice but to do so.

But human nature is greedy, and once for nothing, it prompted Gao Qing's idea to force Gao Qing to take money for the rest of his life.

"Yu Sheng, no matter how you say you have lived in my home for so many years, even if you are divorced, you still have feelings, right?"

Yang Ling is Zi Huan's younger brother and your younger brother. He is now in a crisis, can you really sit back and ignore it? Besides, you still have so much money! "Gao Qing said frankly.

She never thought that she had done too much. Yu Sheng was the chairman of the Four Seas Group, so the 10 billion she had asked for before was even less!

Even if he asks her another 10 billion now, he still has to give it.

Gao Qing even thought of the picture of the same slippers for the rest of her life, and once again gave her 10 billion.

For the rest of his life after hearing this, he just felt very ironic. He didn't even think that Gao Qing would shamelessly turn out these things.

Since she said this very much, she can make Gao Qing sober by calculating these accounts.

"Gao Qing, do you still want to kidnap me morally? Let's do the calculations today. First, I bought the villa you live in, and all the food, clothing, housing and transportation at home are all spent on my money.

Second, did I help less with Yang Ling's affairs? Which time he got into trouble was not entirely resolved by me, and now I and Yang Zihuan have divorced!"

I said that Yu Sheng once again emphasized the tone and emphasized: "Gao Qing, the divorce between Yang Zihuan and Yang Zihuan was also due to your handwriting, and also gave you 10 billion. Note that I am talking about 10 billion.

I've seen insatiable people, I've never seen anyone who wants your family to be so greedy, 10 billion can't feed your appetites, I have money, it's my money, I don't have anything to do with you shit, hurry up or else The security guards of the Four Seas Group are not vegetarian either."

The words of the rest of my life didn't control the size of the voice, but they were justified and deafening. The people present also learned a little about this matter.

At first, everyone was more sympathetic to the weak, but for someone like Gao Qing, if she took out one thing she had done, it would be able to give some pointers for a long time.

"Why is this family like this! Forcing people to divorce, and the lion opened his mouth to ask for 10 billion. Now that he has come to make trouble, his conscience has been eaten by a dog, right?"

"That's right! For a wicked person like this, you have to be careful when you go out and walk. If you are killed by a car, there will be one less scourge in the world!"

"Mom is so greedy, and my daughter might look like her. No matter how beautiful this kind of woman is, no one would dare to ask for it!"

Listening to the pointers of people around, some people cursed her to go out and hit her to death, and even said that her proud daughter was not wanted. This completely touched Gao Qing's bottom line.

For a while, I forgot to refute Yu Sheng's words, and pointed at those who had spoken with disgust, just yelling, swear words and bad words.

At this moment, Gao Qing is like a shrew. It is true that one person scolds a group of people, and she does not stop her scolding until her mouth is dry.

Yu Sheng just felt a headache for a while, let out a cold voice, and everyone fell silent.

"Enough! This is the Sihai Group Building, not the place where you quarreled!"

"I won't go. If you don't give me 10 billion, I won't leave anything unless you beat me to death." Gao Qing yelled loudly with a hoarse voice.

At this time, Gao Qing had just scolded the group of people, but she still couldn't scold so many people with one mouth, she was suffocating!

Now Yu Sheng is talking to her in this tone again, no matter how good Yu Sheng is, he is a damn himself, and he can't leave her without a face!

After Gao Qing said these words, she lay down again in front of the Sihai Group Building, still with big characters, and even planned to sleep on the ground when her eyes were closed.

For the rest of his life, he would not be merciful at all to deal with such a rogue. He directly told the security guard: "This person not only seriously affected the company, but also now makes such a request. Since she asked you to kill her, then she will die. let's hit!"

Gao Qing, who was lying on the ground, didn't even think that Yu Sheng would say such a thing. He really didn't have any affection at all now, and now he still wants to kill himself.

Gao Qing opened her eyes and saw a group of security guards holding electric batons slowly gathering where she was. Now Gao Qing was completely panicked.

He quickly stood up from the ground and said with a look of horror: "For the rest of your life, you are a treachery. You actually asked someone to beat your mother. You are going to be struck by lightning!"

Gao Qing is still so hard-talking that she even dared to humiliate the chairman. The security guards at the scene also wanted to make a good impression in front of the rest of his life. Maybe Yu Dong would give him a raise when he was in a good mood.

But after all, Gao Qing is getting older, and after a lesson, he can't really fight to the death. It would be bad if he killed him.

The first security guard who came to Gao Qing's side raised his hand and slapped her face severely. Holding her aching face, Gao Qing really panicked this time, but the security guard for the rest of his life really beat her! This kind of air can't stand it.

Crying, he shouted to Yu Sheng: "You have a conscience, no matter how much you say my daughter has married you for so many years, you are actually..."

Gao Qing didn't finish her words, and she suffered another blow on her body, and her eyes fell straight down with the pain.

"Oh, it hurts me so much, I'm going to be beaten to death by you!"

"Ah! You bastard for the rest of your life, do you know how much your dogs with little eyes are doing? Let them stop!"

"Oh! I knew it was wrong for the rest of my life. Don't let them fight. I'm really going to be beaten to death. I was wrong for the rest of my life. Uncle security guards. I was wrong. Stop it!"

From the beginning, Gao Qing's mouth was stiff, her nose and eyes were swollen from the beating, and even two big teeth were knocked out. There was no pain in the whole body.

The security guards didn't really beat Gao Qing to the death, nor did Gao Qing break her arm or her leg, which meant that she suffered a bit of skin trauma and suffered.

After being beaten up, Gao Qing was really honest now, and he was a little bit more rascal when he was not good enough to be obedient.

Seeing Gao Qing's soft clothes, Yu Sheng was like a security guard beckoning them to stop and stop fighting.

Gao Qing cried like a snot and tears. She looked at Yu Sheng with a complaining expression. Her eyes couldn't wait to put Yu Sheng on the ground, but she didn't dare...

“Will you continue to stay here? If you want to continue, the security of our company will accompany you to the end.” Yu Sheng said coldly.

Hearing this, Gao Qing instinctively shrank her neck and hugged her head with her hands, looked at Yu Sheng with a look of fear, and said in fear: “I...I dare not...I...I will leave now.”

See Gao Qing completely walk away. Yu Sheng just entered the office and planned to talk to Xiao Zixin about the company’s recent issues.

After leaving, Gao Qing saw a corner with no human beings. His eyes were very sinister, and he escaped from his pocket and called Yang Zihuan with his mobile phone.

To add fuel and jealousy, I talked to Yang Zihuan about today’s affairs. In the sentence, all the rest of the line was domineering and bullying her, an old man.

## **Chapter: 907**

Back at the office, Yu Sheng began to check the recent cooperation of the Sihai Group and the progress of the construction of the science and technology park. Everything is in stable development.

“Recent performance is very good, continue to cheer!” Yu Sheng praised Xiao Zixin sincerely.

During the period when Yu Sheng left, Xiao Zixin was taking care of all the company’s big and small matters, and the orderly handling of things made him relax.

Hearing Yu Sheng’s praise, Xiao Zixin’s face was flushed, and she said embarrassedly: “Yu Dong, this is what I should do.”

Yu Sheng nodded in satisfaction, then took out another file and looked through it again. When he saw that a company called Shengyuan had a firm foothold in Qiancheng in just a few days.

And not only that, it seems that their company is planning to do something famous recently. The file is just a brief introduction, and the rest of my life has not found any useful information.

Intuitively, Yu Sheng still felt that this Shengyuan company was a bit unusual. He had never heard of anyone who could bring Qiancheng before, and he could build such a large company in just a few days. This requires not only a business mind, but also a very large cash flow support to achieve what it is today.

Putting down the files in his hand, Yu Sheng looked at Xiao Zixin and said, “Do you know anything about the boss of the Shengyuan Company?”

Xiao Zixin thought for a while and said, “I don’t know much about this. The Shengyuan company seems to have suddenly appeared, and their boss rarely shows up.

Two days ago, I also deliberately went to find someone to investigate this matter. I was proud that the boss of the Shengyuan Company had frequent contacts with the chairman of the Goose Factory.”

Hearing these words, Yu Sheng just closed the case, and he also had a certain guess in his heart. It seems that which of them is planning to cooperate with Shengyuan Company against the Four Seas Group recently.

Since this is the case, Yu Sheng is also very much looking forward to how capable his opponent is, so don’t let him be too disappointed by that time!

After dealing with the company’s affairs, Yu Sheng planned to visit Xia Jun. The preparation of the secret castle in the Hanging Garden was handed over to Xia Jun for the rest of his life.

For the rest of his life, he was also curious about what kind of place Xia Jun would choose to build the castle, and he had some expectations in his heart!

As he was about to leave the company, Xiao Zixin suddenly stopped Yu Sheng.

“Yu Dong, did you leave like this?” Xiao Zixin clasped her fingers nervously, lowered her head and didn’t

know what to say, her face was shy.

Yu Sheng turned around and asked in a puzzled manner: "How to work? Is there anything else to say?"

Xiao Zixin sighed, feeling a little frustrated. In his eyes, is it the company's business that requires respect? He couldn't get into his heart at all.

But why does he want such an expensive necklace to give to himself? Don't you have a good impression of yourself?

"Yu Dong, aren't you what I did well recently? Then can I make a small request?" Xiao Zixin said.

For the rest of his life, Xiao Zixin's performance during these hours was quite good. She was busy preparing for Magnolia's wedding and forgot the reward for her.

"You have any requirements, even if you say, I will try my best to satisfy you." Yu Sheng said.

"Anything?" Xiao Zixin asked uncertainly.

"As long as it is not illegal, I will try my best to satisfy you."

Yu Sheng didn't know why Xiao Zixin asked like this. Since she said so, it is not impossible to meet her request.

But Yu Sheng never thought that Xiao Zixin would say such a thing.

Xiao Zixin took a deep breath and made a huge decision in her heart. She gritted her teeth and said:

"You have divorced Yang Zihuan for the rest of your life, so can you be my boyfriend? I like you!"

## **Chapter: 908**

"This... this... Uh!" The black thread at the end of Yu Sheng didn't even think that Xiao Zixin would ask him to be her boyfriend.

I was already preparing for the wedding with Magnolia, and now Xiao Zixin suddenly confessed and caught Yu Sheng by surprise.

For the rest of his life, Xiao Zixin has always appreciated Xiao Zixin's ability to work, and she still has some good feelings about this beautiful girl who can bear hardships.

But it's just some good feelings. I have never thought about making Xiao Zixin his girlfriend. She is her own little secret.

If it really develops into that relationship, wouldn't you be the same person as other bosses?

Since I chose White Magnolia, I must give him all the love. As for Xiao Zixin, Yu Sheng could only refuse it for the rest of his life.

"I'm sorry! I already have someone I like. You have also met that person, the Magnolia who got off the plane with me, and I have recently started preparing for my wedding with her." Yu Sheng told the truth.

Although this fact is very cruel, but there are no results, the rest of my life is too lazy to waste time.

Hearing what the doctor said, Xiao Zixin felt that a big piece of her heart was missing, and she felt very uncomfortable.

The reason why she was able to make up her mind to confess just now has exhausted all her courage.

She knows that the rest of her life is really good, there are so many people who like him, and she is just the most ordinary one in it.

Obviously knowing that the possibility is unlikely, but hearing Yu Sheng utter the words himself, my heart is still very uncomfortable.

Since I fell in love with Yu Sheng, I really don't have a slight interest in seeing other men, as if because of the rest of my life, all people have lost their color.

Taking a hard breath, Xiao Zixin held back the tears that were about to fall, and said to Yu Sheng: "Yu Dong, I know that among your many suitors, my appearance is very ordinary, and even the family

background is the worst.

But I really fall in love with you hopelessly, even if I am your underground lover, I am willing, you let me be by your side, OK? ”

Xiao Zixin was crying with the rain from the pear blossoms, and when she said such a thing to a beautiful girl like her, there was no way for a man to refuse.

What a tempting condition. A big beauty just wants to stay by his side and be an underground lover. He doesn't need status, and can be played by him at any time.

This may be something that all men have dreamed of. Even Yu Sheng was shocked when he heard this.

He didn't even think that Xiao Zixin could say such a thing.

Now Xiao Zixin can't cry, and the pear is raining, and for the rest of his life, women cry most. When a woman cries, he gets confused and doesn't know what to do.

Yu Sheng hurriedly drew a few sheets of paper, trying to help Xiao Zixin wipe away the tears on her face, so she stopped crying by the way.

If someone from the company suddenly came over at this time and saw Xiao Zixin crying so sad, he thought he was bullying her!

Just now when she walked to Xiao Zixin's side, she raised her hand to help her wipe the tears on her face. At this moment, Xiao Zixin actually hugged Yu Sheng.

The rest of my life was caught off guard by this action. I didn't leave for a while and pushed Xiao Zixin away. After a moment of stunned, he said: "I'm sorry, I've betrayed your feelings for me. Since you are really uncomfortable, let me give you a hug for a while. ."

Xiao Zixin nodded heavily, holding her arms around her for the rest of her life, greedily smelling the unique breath of him, and her feeling of loss inexplicably increased a lot.

Such a man is not what she can expect.

## **Chapter: 909**

"Yu Dong, I know I am not worthy of you, but mine is really hopelessly in love with you, can you agree to my last request?" Xiao Zixin held Yu Sheng's body, her head raised affectionately To say.

After the request just now, this time for the rest of my life, I didn't have to agree so hastily, but carefully asked: "You should tell me this first!"

Yu Sheng did not directly agree. Xiao Zixin felt a little disappointed. She let go of her hand and looked at Yu Sheng's eyes pleadingly and said, "Yu Sheng, if I want me, even if it's only once, I'm satisfied."

To give Yu Sheng the best and clean self was the last way Xiao Zixin came up with.

As soon as the voice fell, Xiao Zixin went to unbutton her coat, two by one... She moved quickly.

Yu Sheng almost saw Xiao Zixin's white underwear and her proud career line. It has to be said that Xiao Zixin's figure is bumpy and can be regarded as a rare stunner.

But this is his office, and doing that kind of thing in the office, for the rest of his life, I never thought about it, let alone do such irresponsible things.

Apart from anything else, Yu Sheng quickly took off his coat and put it on Xiao Zixin's body.

"You are a good girl, you deserve to meet a better person. There is no need to behave like this, don't be so obedient." Yu Shengqiang said with a strong force in his heart.

"Yu Sheng, I hate you!" After saying this, Xiao Zixin turned around and went out of the office, crying and running. The cry sounded very distressing.

For the rest of his life, he didn't know what he had done wrong. He just rejected Xiao Zixin's request, not to mention that he was doing it for Xiao Zixin's sake.

But that sentence completely broke a girl's heart and made her feel that she was nothing in the eyes of the rest of her life.

Even if he was stripped naked and stood in front of him, he would not mention a hint of sex, which caused Xiao Zixin's heart to receive a severe blow.

Seeing Xiao Zixin walking away, Yu Sheng sighed helplessly. The emotional aspect was the most difficult to solve, and even he was helpless.

Yu Sheng didn't plan to chase after her. Even if she catches up at this time, it would be embarrassing for two people to stand together. It's better to let her calm down alone. Maybe he figured out the matter and solved it.

At this moment, Yu Sheng's phone rang suddenly, and he opened it to see that Xia Jun was calling.

"Yu Dong, the Paris designer you asked to find has already come, so please invite two more famous designers. The others don't have time.

One of them is Williams, a more famous French designer. His designs are even used by the royal family of the United States. He is very famous.

The other is a Chinese. I studied fashion design in Paris, France. I tried my best to gain a reputation for a few years. I also saw its design. It is very novel and gives people a bright feeling. "

These introductions by Xia Jun have aroused Yu Sheng's strong curiosity, and he smiled and asked: "Are they off the plane now? Then I will pick it up! By the way, what are their thoughts on this wedding dress design?"

"In this case, then I won't let my people go."

"Okay, things on the castle side must not be sloppy. You don't need to worry about the cost. I just want to see a perfect castle, don't let me down." Yu Sheng hung up the phone after saying this.

## **Chapter: 910**

Qiancheng Airport.

When I arrived at the place for the rest of my life, I saw Williams, her beauty assistant, and the rookie designer Gu Beicheng waiting at the airport gate.

Pushing the car door, Yu Sheng walked in their direction and shook hands with Gu Beicheng in front of him and said hello.

"Hello, this is designer Gu Beicheng."

"Hello, hello, sorry to be late, get in the car soon!" Yu Sheng said apologetically.

Then Yu Sheng walked in front of William James and stretched out his hand to shake hands with him.

This is the most basic etiquette of the Chinese.

Yu Sheng's hand was raised for a long time, William James didn't mean to shake his hand, he curled his mouth in disdain, and said in that fairly fluent Chinese: "A little driver doesn't want to shake my hand, right?"

My hand is the best gift God has given me. It is for creating the most beautiful artwork in the world. You are not worthy of touching it! "

For the rest of his life, he didn't think that William James would look down on him so much, and he spent money to ask him to design a wedding dress, but he didn't even think that even shaking his hand, others would look down on him.

He was still anxious to say something, the blond and hot body assistant beside William James said puzzledly: "Do you know how long we have been waiting here? The most famous designer in Paris is 13 minutes and 45 seconds. An insult, you smelly driver, don't hurry up and drive!"

Yu Sheng shook his head helplessly, thinking that these two people were the same unruly and rebellious, Yu Sheng looked at himself up and down.

He slandered in his heart: Do you really look like a driver?

The reason why Yu Sheng came to pick up the airport in person was just to hear what these two big designers thought about the white magnolia wedding dress.

As long as the wedding dress designed by William James is good enough, this little grievance can still be tolerated for the rest of his life, and talented people are more or less a little bit awkward and he can understand it.

“Sorry, I do blame me for this matter. I am late. Get in the car!” Yu Sheng apologized.

William James and his beautiful assistant gave them a blank look for the rest of their lives, and then walked toward the car, but they didn’t plan to open the door, and put their hands on their shoulders where they are now, waiting for the rest of their lives to open the door for them.

Seeing this situation, Yu Sheng can only sigh, this designer is really big.

The rest of his life compromised again and opened the door for them.

Seeing the two people sitting in the car, Yu Sheng sighed. When he came to the posture and sat down, he saw that Gu Beicheng was already sitting in the passenger seat, and he still had the design draft in his hand. Look through.

This young man looked like a twenty-five or sixty-six, wearing glasses, quietly, without any pretentiousness, and being so serious, which made Yu Sheng a little appreciative.

This Gu Beicheng is indeed much stronger than that of William James. I don’t know if the difference between the two is very large in terms of design level.

William James, who was sitting at the back, saw Yu Sheng staring at Gu Beicheng. He didn’t even drive, and the fire blew up again.

He is in a competitive relationship with this Gu Beicheng. This time he only needs to design a wedding dress, so he only needs one person.

In addition, William James is an extremely arrogant person. He has never put this Gu Beicheng in his eyes. Now he can’t help but want to mock him when he sees him pretending to be serious.

“Gu Beicheng, you clearly know that it is me who came here, so you still have the courage to come and take it as a new born calf and not afraid of tigers! Are these useful now?

You are nothing more than a yellow-skinned Chinese. How could it be possible that there are some fashionable minds of white-skinned French people like me, and all you design are vulgar things!”

Hearing this, Gu Beicheng picked up his glasses with his fingers, put away the design manuscript, and looked back at William James and said without fear: “Where can the white-skinned people be honored? Can you have you? Then you You know!”
