

Dragon Husband 1628 part 1

Chapter 1628 Fighting Thousands of People!

Thousands of people besieged Wiliam!

The people at the scene are stupid!

Is Dugu Hongshi going to completely lose his face today!

A huge leader of the nine sects, with the power of the entire sect, besieged a young man in his 20s who was still wounded!

Is Jiuzong going to completely become a joke!

The sect masters of the other sects also looked very ugly!

"Sect Master Bai! Don't go too far!" Su Hongxiu first shouted coldly.

"Sect Master Bai, if you don't understand it anymore, don't blame us for being polite!" Xu Benliu said afterwards.

However, Bai Jianxing's expression did not change, and he said in a deep voice, "It was Wiliam who offered to fight me one by one, and I did what he wanted. What's wrong with me? What's wrong with Dugu Hongshi? It's a man, so he must be right. Responsible for what I said! He is so, and so is me! If he really has the ability to fight my lion and win the game, I will abide by the gambling agreement and withdraw from the nine cases!"

These words are righteous, but a discerning person feels that Dugu Hongshi has changed its taste.

Become shameless.

In the blink of an eye, all the people of Dugu Hongshi had assembled.

On the huge ring, standing opposite Wiliam were the children of Dugu Hongshi.

They were dressed in black disciple's clothes, and looked so dark and dead.

And Wiliam's white clothes were cold-eyed, forming an extremely sharp contrast with them.

This scene is also deeply engraved in everyone's mind.

Wiliam, are you really going to fight a thousand people!

This picture is a kind of tragic and vigorous, even if thousands of people go there!

"All the disciples listen to the order! Who can capture Wiliam alive, let him kowtow before my sect totem to admit his mistakes, the old man has a lot of rewards!" Bai Jianxing said coldly.

"Kill!" Duguhong Lion Brother, killing!

They all rushed towards Wiliam!

Just like black clouds pressing down on the city, the atmosphere on the scene was suppressed to the extreme!

The blood of Dugu Hongshi was completely released at this moment.

Some people with relatively low skill just felt like a heavy hammer in their heart, and couldn't stand it directly, and vomited blood out!

Just this blast can make people shudder!

Faced with such a heavy pressure, can Wiliam survive it!

He is like a lonely flat boat in the stormy sea. It looks too small and can be overturned at any time!

Wiliam looked at these thousand people coming, his eyes getting colder and colder!

He just walked forward slowly.

Almost instantly, the Qilin aura on Wiliam's body was surging!

"boom!"

Those who wanted to make Wiliam succumb with the aura of a red lion fell to the ground almost instantly!

Especially the first wave of people who came to Wiliam directly collapsed in front of Wiliam, their eyes full of disbelief.

This scene also caused an uproar at the scene again!

That's it again!

These people are like being tapped by Wiliam in the air, they can't even move!

The breath on Wiliam's body is still surging!

Continue to spread in all directions!

The remaining hundreds of people saw that the situation was not right, and suddenly stopped and looked at Wiliam in amazement.

And Wiliam didn't move, just staring at them like this.

After staring at each other, Wiliam looked at Bai Jianxing and said in a cold voice: "Just rely on them, also worthy? Bai Jianxing, why don't you come and meet me in person."

Dragon Husband 1628 part 2

The white sword star on the rostrum turned pale!

hateful!

What kind of demon technique did this kid use? He was so capable that he could not move his people for a while!

Even if it is bloodline suppression, it can't be done so thoroughly!

Can he crush one person and five people, can he crush a thousand people!

But why is this scene in front of me!

"Don't you dare to come down? Then I'll go over." Wiliam said lightly, and continued to move towards Bai Jianxing's direction.

And between him and Bai Jianxing, just separated by those dumbfounded children.

What exactly did Wiliam mean?

Is this going to single out Bai Jianxing directly?

Is this simply ignoring this tens of millions?

This is to take the first rank among the rebellious army?

This horse riding is too crazy!

Those children, as if irritated, blushed one by one, and rushed towards Wiliam again.

At this time, Wiliam's throat trembled, "Roar!"

A roar like a dragon and an elk burst out from his throat.

This thunderous sound buzzed in the ears of the people at the scene!

Especially the children of Dugu Hongshi, under this sound, spit out a mouthful of blood!

Their bodies, like being cut by thousands of swords, are so uncomfortable that they want to die on the spot!

What roar is this!

The others at the scene were also dumbfounded!

This is not like a human voice at all!

More like some kind of wild ancient beast!

Is this Wiliam a man or a beast!

Even Bai Jianxing could not help shaking when he heard this voice.

His cold sweat came out on the spot!

This is!

Why is this voice so like that of a Hongshi!

Bai Jianxing bears the blood line of Hongshi, even stronger than other people's blood!

He often slept in the middle of the night, or when his luck was at his peak, a voice similar to this ancient beast would appear in his mind.

The elder of the family told him that this was the roar of their ancestor Dugu Hongshi.

Hearing this voice shows that the blood is very endowed!

But now, he heard such a voice from Wiliam's throat!

Even this voice is more powerful and domineering than he heard!

Let him have a feeling of trembling both physically and mentally!

Bai Jianxing just listened, he was considered to be exceptionally talented!

This kid is shouting directly!

Is it possible that this kid is also a descendant of Dugu Hongshi!

Just thinking about it, there was a sneer from the other side.

“What are you thinking about, so absorbed? You don’t even notice me when I come to you?”

Bai Jianxing looked up, his head bounced!

I don’t know when, Wiliam has passed through these thousand children and came to him!

The people at the scene were silent!

They would never think of what they saw just now!

Is it an illusion!

Wiliam walked through the crowd so lightly!

Those children, as if they had fallen into a demon, whenever Wiliam passed by, he consciously gave up a path!

In this way, Wiliam easily walked out of the thousand people and walked in front of Bai Jianxing.

Those disciples still didn’t react, one by one, confused and lost.

“You! You! You!” Bai Jianxing pointed to Wiliam’s hands trembling, and he was speechless for a while.

Wiliam leaned in front of him and said with a smile, “Want me to kneel? Knocking my head to admit my mistake? It’s up to you, are you worthy?”

“All of you from the lonely lion are not qualified enough to kneel in front of me!”

Wiliam said, raising his eyes, and looking at the magnificent sculpture, his smile became even more weird.

He gave it a finger!

“If you want to kneel, let your ancestors kneel on me!”
