

# Dragon Husband 1656 part 1

## Chapter 1656 Bliss Extraction

When the people at the scene heard these four words, they couldn't help but gasped and looked at Huang Lingqing in amazement!

This beast is not as good as anything!

Bliss extraction is the ultimate punishment in the world!

As we all know, in the human body, blood is born from the marrow.

The blood marrow is like the manufacturing machine of human blood. As long as the blood marrow is not destroyed, it can continuously produce blood for the human body within a certain period of time.

In this world, there is one of the most cruel criminal laws, which is blood extraction.

The human blood and marrow are forcibly refined and extracted from the body from the back.

And this process of refining and extraction is extremely cruel.

When the human body is pulled out of the blood marrow, on the one hand, it will feel heart-wrenching pain.

On the other hand, it felt an extreme itching.

This is called bliss.

In this itching bliss, human blood is slowly drained, and the blood marrow is slowly drawn out.

People die slowly.

This kind of criminal law, because it is too cruel, has long been banned from being used.

Even in the face of the most heinous criminals, there is no more use of the essence of bliss.

It never occurred to me that Huang Lingqing was going to have a heart attack on Bai Fengxue now!

"Huang Lingqing! You are not as good as a beast!" Several women cursed one after another.

However, Huang Lingqing turned a deaf ear.

He looked at Bai Fengxue with great interest and said, "Little girls, if you want to blame, you can blame your Wiliam. If you don't want to say it, I will slowly extract the marrow until you want to say it, and I will give you another one. happy."

The process of pulp extraction can be long or short.

It all depends on the mood of the person who is extracting the marrow.

In a short period of time, it can cause death.

Longer ones, hours of torture are possible.

Bai Fengxue coughed heavily, and there was no fear in his eyes.

Now that you are ready to die.

What kind of death is not death.

The silver needle in his hand just now fell to the ground.

Besides, in Huang Lingqing's hands, life and death are beyond her control.

Huang Lingqing threw Bai Fengxue's body directly into the air.

His hands are casual.

Bai Fengxue's body seemed to be frozen in the air.

Her eyes could only helplessly stare at the incomparably blue sky.

Slowly, slowly, I closed my eyes.

Slowly, slowly, the death penalty was accepted.

Huang Lingqing's fingers shot out with energy.

A blood hole was suddenly opened in Bai Fengxue's back!

Her body shook suddenly!

An extreme itching and extreme pain hit her like a double world of ice and fire!

And there was no blood spurting out of her back.

Instead, slowly, slowly, the first drop of blood dripped.

This drop of blood looks very strange and does not look like a liquid at all.

Rather, it is more like a drop of blood art made with special gems.

This is precisely the fusion of blood marrow into the blood and slowly stripping it out of the human body.

“Ho ho ho, ho ho ho...” Bai Fengxue closed her eyes, but couldn’t help laughing.

I can’t help it.

How can you bear it.

Even though her body was in pain to death at the moment, what she cried out was a mournful laughter.

In this scene, I saw how many members of the Medicine Knife family cried!

## Dragon Husband 1656 part 2

Bai Fengxue was tortured right in front of their eyes!

But they were powerless.

Listening to Bai Fengxue’s heart-piercing laughter, their hearts were cut like knives!

Why torture Bai Fengxue like this!

At this moment, Wiliam, who was on the road, was talking and chatting with Su Emei, looking like he wanted to surprise his lover.

Suddenly, Wiliam’s footsteps stopped!

Doudou’s big cold sweat suddenly burst out from his forehead!

He even held his heart tightly, as if he had suffered some fatal trauma!

Su Emei was startled, and quickly asked, “Wiliam, what’s the matter with you!”

Wiliam’s eyes suddenly became extremely sharp.

There is a kind of violence that devours everything in this world!

Su Emei suddenly met Wiliam's eyes and took two steps back involuntarily.

Even she felt a deep fear when she saw Wiliam's eyes!

"Something happened! Hurry back!" Wiliam suppressed his violent eyes, but his body rushed out like an emergency, many times faster than before!

Absolutely for no reason.

Wiliam suddenly felt a burst of heart palpitations just now.

It's like a needle pierced directly into his heart!

In his mind, the figure of Bai Fengxue appeared for the first time.

But Bai Fengxue in his mind, covered in blood, was laughing wildly.

Wiliam didn't know how this thought appeared in his mind.

I don't know if it's a short-lived prediction of the future in "The Classic of Impermanence".

But no matter which one it is, Wiliamning believes it has it!

Something happened to the wind and snow!

He was all anxious!

Wind and snow must not happen!

Blizzard, wait for me!

I'll be right back!

Must wait for me to come back!

And in the family of medicine knives.

The scene was crying.

Those women couldn't bear it any longer and burst into tears.

However, Bai Fengxue's frantic and trembling laughter still covered the cries of the audience.

Her blood marrow is slowly draining.

There were thousands of ants gnawing at her all over her body.

I want to die, but I can't die all of a sudden.

She just floated in mid-air, slowly welcoming death.

"Aren't you willing to tell me? Hoho, this is just the beginning." Huang Lingqing moved his hand!

On Bai Fengxue's back, solid blood beads shot out instantly!

Bai Fengxue's pain and numbness instantly doubled!

Her body twisted into a twist in midair because of the pain.

But Huang Lingqing pulled it back abruptly.

"Huang Lingqing! I swear by the family of medicine knives! If you don't die today, I'm going to turn your bones to ashes!"

"It's just you who deserve it? Don't worry, there won't be such a day. When this hard-mouthed woman is dead, it will be your turn to taste the taste of the pulp. I don't believe it. So tough." Huang Lingqing said with a smile.

He has time.

He received an order from the sect yesterday, and he has already rushed over today.

And Wiliam and Liu Lang, maybe where are they drinking celebration wine.

Now this world is his Huang Lingqing's world.

After a while, Bai Fengxue's whole body was already skinny and skinny, and he no longer had the look of the country and the city before.

She really only had her last breath left.

And the blood marrow that oozes out from her has become less and less.

In just a few minutes, she will be completely wiped out.

Her consciousness has gradually begun to blur.

She barely opened her eyes.

The sky is still blue and beautiful, not like the world.

This flowery world...

nostalgic...

After all, there is something missing, this upcoming separation in the world...

Bai Fengxue's eyes also began to blur.

In the blur, what did she see, what did she think of...

"William..." She muttered to herself.

Well, without him...

"William!" Bai Fengxue didn't know where the strength came from, and she used her life's strength to shout out the last two words worthy of her nostalgia.

It's like saying a sorry goodbye to these two words.

Heaven and earth echoed with the voice of "William".

And He Tiantian and others, their eyes were swollen from crying, and their teeth were biting out of blood because of resentment!

They, along with Bai Fengxue, slowly closed their eyes...

Blizzard, sorry...

farewell.....

And just when everyone was in despair, it was like a thunderclap on the ground!

"boom!"

"Land leaves!"

"exist!"
