Chapter 1663 Thinking like crazy

William looked at the person in front of him and said a name.

Frost Cang Python, Petite Rou...

The man in front of him was two meters tall.

The figure is also exquisite, but it has nothing to do with petite.

She has short hair and a face so handsome that she can't tell the difference between men and women.

But William had this confidence and called out her name.

And this tall man looked at William with a puzzled face, "How do you know my name? Did you think that there are people in the world who know my existence?"

William stood up from the ground, regardless of the pain on his body, he said lightly, "If it weren't for you, I wouldn't forcefully cross the Cang Python moat."

"Okay, I'm Petite Rou. You crossed the Cang Python Sky Moat to find me?" Petite Rou continued to ask William suspiciously, "You are so confident that you can see me? You have to know that if you go a step further, your body will be completely shattered by the ban above the Cang Python Moat!"

William recalled his last step with lingering fears.

He didn't want Lingyu Jinniāng to take risks for him.

So the last few steps are taken by himself.

But it's good for now.

Finally saw the Lord.

"You haven't answered my question yet, why are you confident that you can see me?" Petite Rou asked William.

William said with a smile: "My confidence comes from why you are willing to see me."

He refined the root of the grandmother to Feng Xue, and Feng Xue naturally brought the taste of the root of the grandmother.

And grandmother, to petite Rou, is a very special existence.

I haven't seen you for ten thousand years, and now I suddenly smell the smell of my grandmother, will Petite Rou disappear?

It was with this tentative attitude that Wiliam came to the Cang Python Scratch.

"So, how did the smell on her come from! You better tell the truth! Otherwise, I want you to die today!" Petite Rou's expression changed slightly.

She thought of the biggest possibility.

If this woman has the smell of Xuan Huang Peach Blossom, then the biggest possibility is that Xuan Huang Peach Blossom has been killed by the person in front of her, forcibly taking away her grandmother's roots.

Otherwise, Xuanhuang Peach Blossom would easily let go of her grandmother's roots.

Seeing the murderous look on Petite Rou's body, Wiliam quickly shook his head and said, "You misunderstood, I didn't have anything to do with Lady Peach Blossom, on the contrary, I brought you her message."

"Her message?" Xiao Xiaorou was shocked when she heard this, and her whole body became excited!

"What! My peach blossom, is she still there!" Petite Rou grabbed Wiliam's shoulder and asked excitedly.

Wiliam first broke free from Petite Rou's hand, and then said, "Calm down first, I will tell you one by one."

Only then did Petite Rou force herself to be quiet, and motioned to Wiliam to speak quickly.

So, Wiliam recounted the situation of seeing Peach Blossom Maiden, and by the way, he also repeated the promise that Peach Blossom Maiden gave him.

This is of course selfish.

After hearing this, Petite Rou burst into tears.

Regardless of Wiliam's presence, she burst into tears.

At this moment, she is a weak woman.

Petite Rou has been stunned here for thousands of years!

In these 10,000 years, she has always regretted and missed her all the time.

She was remorseful, she was so righteous at the beginning, and for the sake of the common people, she chose to separate from Xiao Taohua'er.

Then, in ten thousand years, she regretted it.

She is here alone, day and night, and that kind of longing is like thousands of little bugs, constantly gnawing at her heart.

It's just that the further back she goes, the more indifferent her thoughts become, and the deeper her guilt and remorse become.

Ten thousand years have passed, and the vicissitudes of life, whether peach blossoms have long been submerged in the torrent of history.

Or, that peach blossom has already found another good home.

And in such remorse, she smelled the breath of Xiao Taohua.

At first, she didn't dare to confirm.

It wasn't until she felt that the trespasser was about to die, she couldn't help but take action and bring him over.

This question turned out to be the case!

Little Peach Blossom is not dead, and, in these ten thousand years, she chose to sleep and wait!

This is such a strong emotion that Xiao Taohua makes such a sad and decisive choice.

Little Peach Blossom didn't blame herself, and she tried every means to get someone to save her...

Thinking of this, petite Rou's tears became even more intense.

She has a crazy urgency to break out of this damn shackle, and to personally wake up her lover!

I want to ignore this and stay with Xiao Taohua!

However, she soon smiled wryly.

Going out is easier said than done!

Damn Human Race, Damn Prayer Seal!

She seemed to think of something, and suddenly asked Wiliam: "You said just now, Xiao Taohua, please go and get the Jiangshan prayer seal to save me?"

Wiliam got goosebumps all over his body.

Little Peach Blossom, you can just call it in your heart.

Why are you shouting.

What a disgusting person.

But he still nodded and said, "Yes, this is what my grandmother asked me to do, and it is also a promise between me and her. And one of the prices that grandmother gave is this grandmother. root."

"You, can you save me? Why did you promise Xiao Taohua?" Petite Rou looked at Wiliam with a puzzled face.

"With you, you have also identified with me. Do you have any impression of me?" Wiliam said indifferently.

"Have we met?" Petit Rou was even more confused.

She suddenly lowered her head, approached Wiliam's side, and smelled Wiliam's body carefully.

Hearing this, her face instantly turned pale.

"It's you!" Petit Rou looked at Wiliam in shock.

She smelled it!

The taste of the ancestor of the ancient unicorn!

That was her once the supreme king of the orcs!

It was also her fault that she was completely obsessed just now, since she smelled the smell of Peach Blossom Lady, her mind was no longer on others.

Therefore, Wiliam was ignored.

Now, she understands!

Used to be familiar with the taste!

Even at the time when this flavor appeared, there were two other king flavors.

This made her cry out in desperation at that time, asking for help from her former king.

Now, one of them came and stood in front of her!

Moreover, he made a promise to Xiao Taohua and promised to save her!

The petite and soft two-meter tall body suddenly knelt down in front of William on one knee.

Her eyes also became extremely respectful, "My former king, please, save me! Help me out! I want to see Xiao Taohua! I am crazy about her!"

William picked up Petite Rou and said, "I came here today, on the one hand, to meet you, to understand what happened in the first place, so as to better save you, on the other hand, I also want to ask you to see if there is any way to save my wife. I do the same to her..."

"Thinking like crazy!"
