

Dragon Husband 1676 part 1

Chapter 1676 Thirteen Yellow Springs

At the scene, the atmosphere seemed to freeze!

Everyone stared blankly at this scene, as if they had seen an illusion!

Many people started rubbing their eyes!

The strength of Hu Feiquan just now is obvious to all!

So powerful that Bai Jianxing had to take the initiative to retreat!

The slap just now made many people seem to have walked before the gate of hell!

And now!

The momentum of the second palm is obviously more powerful!

It doesn't matter if Wiliam doesn't dodge or hide!

He even went straight through the Sky-Covering Palm with one hand!

This is equivalent to receiving the Heaven-shading Palm from the front!

And the Heaven-shading Palm just left bloodstains on his arm!

Even Hu Feiquan never thought that such a scene would appear!

Because of his inertia, his body flew towards Wiliam with the Heaven-shading Palm.

Then, just helplessly watched Wiliam's hand that passed through the palm of the sky, and just got stuck on his neck!

Hu Feiquan was dumbfounded.

Live for nearly a thousand years!

Such a bizarre event has never happened!

Su Emei swallowed his own saliva fiercely, and after a long time, he resisted the urge to take out his mobile phone to take a picture of this scene.

This kid is too crazy!

Just ignore the trick of the founder of Zhetianzhang!

Moreover, Hu Feiquan said that he only made one palm, but he didn't do it. He broke his promise and became fat.

But Wiliam didn't say a word, but with just one move, he directly grabbed Hu Feiquan's neck!

Hu Feiquan's life was in Wiliam's hands in an instant!

This is obviously the best counterattack to Hu Feiquan's rhetoric!

Just ask the people on Qijian Zhetian's side, does his face hurt?

And the person with the sword covering the sky is still difficult to react.

This is one of their founding ancestors!

It was so easy to be caught by Wiliam!

The arrogance of the first palm just now seemed like a dream!

All of Hu Feiquan's majesty, all the strength, are gone in this picture now!

Is this Wiliam really that strong!

impossible!

Too fake!

Hu Feiquan reacted and felt that he might be pinched to death by this kid at any time.

He began to develop an anxiety and fear called death.

Never in hundreds of years had he had such a profound fear of death!

Because he has a way to avoid death!

But now, in front of Wiliam, death may strike again!

He was sweating profusely.

The begging words stuck in his throat.

I want to say it, but I can't say it!

It's so bad!

"William, let go of our ancestors! Otherwise we'll be rude to you!" Hu Yixiao hurriedly shouted not far away.

William shook his head gently.

No one knew what was on his mind.

not right...

If it is one of the ancestors of the founding faction, the strength should not be like this...

William has already started to measure in his heart.

If it is a real pursuit of fairyland, the founder of the patriarch has probably stepped into the second state of mind of seeking fairyland after hundreds of years of keeping a low profile!

After all, the biggest magical effect of building a state of mind is to increase life expectancy, which can also explain why these old monsters can live so long.

Dragon Husband 1676 part 2

Stepping into the third realm, Feiyun realm, William will not feel strange.

But William just felt strange.

This Hu Feiquan's strength obviously does not have a strong state of mind.

It is comparable to Nirvana.

As for Nirvana, the current William didn't even care about it.

That's why he was able to grab Hu Feiquan with just one claw.

So, it's not right...

Did these thirteen people use some kind of secret technique to increase their lifespan, but damaged their realm...

Well, if that's the case, then God will help me too...

William threw Hu Feiquan in his hand to the ground.

And the people at the scene were shocked by this scene.

Special!

After finally grabbing Hu Feiquan, William threw Hu Feiquan to the ground when he turned his hand.

It was as if what he was holding in his hand was just a mass of garbage, and he threw it out easily.

The people with the sword covering the sky watched their ancestors being abandoned like a shoe, and they were so angry that their teeth would be shattered!

Hu Feiquan on the ground was also stunned.

I was thinking of begging for mercy just now, but I couldn't.

In a blink of an eye, he was thrown out and slammed to the ground.

Or in front of his disciples and grandchildren!

What a shame!

What a shame!

Hu Feiquan, who was on the ground, spat out a mouthful of blood because of the force of the heavy fall.

However, his body instantly bounced back in front of Hu Yixiao and the others.

And Hu Yixiao, even more embarrassed, his face turned red, and he didn't know what to say.

Just now he just said a scene to let William let go.

He never thought that William would really let him go, but he let him go in such a humiliating way.

As one of the founding sects, he must have his own arrogance.

Being released like this probably made him more uncomfortable than killing Hu Feiquan, right?

Would Hu Feiquan blame himself for being meddlesome and making him look ashamed?

Fortunately, Hu Feiquan didn't care about Hu Yixiao's embarrassing look.

At this moment, Hu Feiquan's complexion is also flushed, and his heart has been filled with hatred!

Damn boy!

How humiliating!

Today I will let you die without a burial!

"Who is this kid! Why can he directly catch Sect Master Hu's Heaven-shading Palm!" Among the thirteen people, a pale man who looked young asked.

Hu Yixiao raised his head and found the man looking at him.

Hu Yixiao knew that the other party was asking himself.

He quickly said: "This kid was born a while ago, and there are many secrets about him that are still unknown. However, just looking at him now, I think he also has the blood of ancient strange beasts, and the blood The degree of fit should be very high. Otherwise, it will not be transformed into an ancient beast..."

"Ancient beast..." The pale man stared at Wiliam, his eyes flickering, as if he had guessed something.

"Hmph, so what if he has the blood of an ancient beast! He has completely provoked me today! Hahaha, I have been sleeping for hundreds of years, and I don't think that when I wake up, I will let a hairy boy give me a disgrace! It's really like us The strange sword covers the sky and no one is there! Now, let you see and see!" Hu Feiquan stared at Wiliam with his eyes.

Under his feet, a strange circular light suddenly appeared.

In this light, there seems to be a lot of runes flowing, and there are thousands of threads, making people feel a little dizzy at a glance.

Hu Feiquan stomped with one foot!

This circular light seemed to receive an order, and instantly swept under the feet of everyone who covered the sky!

It seems that the strange sword covers the sky at this moment, it is a magnificent ancient formation!

For a time, the feet of everyone who covered the sky with Qijian covered the sky with dense rays of light like flowing snakes.

Hu Feiquan roared sharply at this time: "Come here! Sacrifice the sword! Thirteen times to Huangquan!"
