

Dragon Husband 1694

Chapter 1694

After burping, Wiliam's mouth was instantly filled with the aroma of peach blossom wine.

This peach blossom wine fragrance spread from Wiliam's mouth to his whole body in an instant, and finally all poured into his soul.

And in the scorching hell, Wiliam, whose soul was about to completely dissipate, suddenly smelled this refreshing aroma of wine.

Then, he slowly opened his eyes.

The scorching hot earth in front of me is like spring flowers blooming!

A peach blossom that covered the sky hung above his head, slowly blooming from the flower bones.

In the blink of an eye, heaven and earth peach blossoms!

This peach blossom completely wrapped Wiliam.

And Wiliam, who was in it, suddenly felt a warm current rushing up from the depths of his soul.

The pain from the previous tear is slowly being nourished.

"Well, Xuanhuang Peach Blossom..." Chi You's puzzled voice came from the back of Wiliam's mind.

The next second, Chi You laughed again: "Very good, very good. The Xuanhuang Peach Blossom agrees with you, the creation of you is unparalleled in the world, and I will fulfill it!"

After this voice was finished, Wiliam never heard Chi You's voice again.

He couldn't actually hear it either.

He felt like he was thrown into a hot spring.

He was so warm and comfortable that he almost cried out.

I don't know how long it took before Wiliam gradually woke up.

It was like falling asleep in warm water, and the water gradually cooled, and he woke up naturally.

The moment he woke up, his hair turned from black to red, and then gradually turned black again.

When he woke up, Wiliam saw the wind and snow in front of him at a glance.

"Blizzard?" Wiliam was stunned, then quickly looked around.

There is still some scorching hot hell around the ancient battlefield.

The place where Wiliam is now is clearly the little house of Lady Peach Blossom.

Lady Peach Blossom sat beside him, looking at Wiliam with a strange look.

So, it worked?

Wiliam thought silently in his heart.

"Wiliam, you're finally awake! Great!" Feng Xue didn't care, seeing Wiliam awake, she hugged Wiliam happily.

"Well, I'm back." Wiliam also said happily to Feng Xue.

The only person who was unhappy at the scene was Peach Blossom Lady, who continued to stare at Wiliam resentfully.

"You've been in a coma for three days, scaring me to death! I almost cried." Bai Fengxue said in Wiliam's arms coquettishly.

"Three days? So long? I thought it only took a while?" Wiliam looked at Feng Xue suspiciously.

"Well, three days!" Feng Xue said firmly.

"By the way, when you woke up just now, your hair turned fiery red, so handsome!" Bai Fengxue seemed to let go of the anxiety in his heart and kept chatting.

"Red?" Wiliam was even more at a loss, and couldn't help touching his hair.

"Don't touch it, it's gone." Peach Blossom said angrily.

What happened to eating a belly of dog food inexplicably?

"Also, after you woke up, I felt like you were a different person, not the same as before?" Bai Fengxue quickly changed the subject.

"Oh? Really? Where did it change?" Wiliam touched his face again.

"Uh, I can't tell, but it seems that the temperament has changed, it has become bad, like a scumbag." Bai Fengxue thought for a while and said.

But Wiliam suddenly had a black line.

like a scumbag...

What does this describe?

Are you complimenting me or hurting me?

Wiliam thought to himself that this change should have something to do with getting the soldier's approval.

After all, Chi You is an evil god, it is hard to say whether it will affect him...

"Hey, so you already knew that I would help you?" Madam Peach Blossom finally couldn't help it and asked aloud.

Wiliam called out her name at the last moment, and would not have done so without knowing it in advance!

How did this kid know?

Peach Blossom was very puzzled, so she asked.

"It should be very possible, I just try to call your name." Wiliam said casually.

"I believe in you! Tell me honestly! How did you guess it!" Peach Blossom asked angrily.

Wiliam's eyes fell on the small cup that was still placed on the table.

Lady Peach Blossom followed Wiliam's gaze and looked over, "So, you come here as guests, I'll invite you to a drink, is there any problem? I'm a very polite person."

"Well, you are a very polite person. So the last time I came here, I didn't drink alcohol, but this time I did. I think there must be a problem." Wiliam said casually.

Peach Blossom's face instantly turned black.

This is a black belly!

"Tell me, you only recognized this thing after I took out the soldier's soul. However, the wine was prepared when we came. Grandmother, it's okay for a polite person to lie. , you don't need to feel embarrassed." Wiliam said again.

These words seemed to have stabbed Peach Blossom's heart again. She was so heartbroken that she couldn't breathe, and her face became even darker.

Lady Peach Blossom did spy on the secret when Wiliam stepped into the Peach Blossom Abyss, and knew that Wiliam had harvested the soul of the soldier.

However, in order not to make this kid suspicious, she still pretended not to know anything, and she pretended to be surprised when Wiliam took out the soldier's soul.

No thought, no thought.

This kid had already thought so much when he prepared the peach blossom stuffing.

People who play tactics are so dirty!

Not fun at all!

"Thank you grandmother for thinking so thoroughly for me from the very beginning. You saved my life, and I will repay your kindness in the future!" Wiliam stood up and respectfully knelt before Peach Blossom Lady .

Madam Peach Blossom's expression softened.

Still a thing.

Understand the principle of repaying gratitude.

But he still wants to tear his mouth to pieces and knock his skull out. What's the matter?

Seeing Wiliam kneeling down, Bai Fengxue hurriedly knelt down with Wiliam, "Thank you, Grandmother for loving us so much..."

"Get up quickly, anyway, that's what happened. The soldier's pacifier has recognized Wiliam as the master. In the future, Wiliam can drive the soldier's lord to pacify his soul at will, but in the long run, it's hard to say whether it's a blessing or a curse. You have to be aware of one point. That person is not so easy to surrender, even if it is a remnant of a soul." Lady Peach Blossom couldn't help but told Wiliam again.

Wiliam stood up, nodded, and then looked at Lady Peach Blossom with a smile.

Lady Peach Blossom got goosebumps all over her body.

This girl, there is a bit of evil in her eyes now, and it is scary!

“Why are you looking at me again? Believe it or not, I’ll dig out your eyeballs!”
Peach Blossom couldn’t help threatening Wiliam.

But Wiliam asked with a smile, “Grandmother, the cup of peach blossom brew I drank can protect my soul, so...”

“What about the cup of peach blossom stuffed that Feng Xue drank?”
