

# Dragon Husband 1702 PART 1

Chapter 1702 A group of vases

The people in the red and thin high-rise buildings were almost petrified when they heard Wiliam's words.

Good Wiliam, so he was waiting here!

It has always been emphasized that Sun Qinger is the benchmark, but everyone thought that Wiliam was too arrogant, and actually used the deputy suzerain as the standard.

Never thought that the pit is hidden here!

People who join the red and thin high-rise buildings need to have outstanding appearance, which in itself is an improper practice of judging people by their appearance.

It was Sun Qinger who deliberately wanted to make things difficult for Wiliam.

I never thought that now Wiliam will fight against the army.

Actually let Sun Qinger compare her appearance with these women brought by Wiliam.

This is so funny.

Although Sun Qinger looks pretty good.

However, compared to these women present.

It is simply that the Bright Moon Pearl is more humble than the dust.

This Wiliam is good enough, and he deliberately made these women stand up.

All the bamboo shoots on the mountain were taken away by him.

Look at these women brought by Wiliam, which face is not unique!

Which figure is not arrogant!

Sun Qing'er's appearance can be considered as delicate at best, and she doesn't even have the qualifications to compare with them.

What's more, Sun Qing'er has the biggest flaw.

That is her height.

She is only less than one meter five, like a porcelain doll.

Throwing it into the pile of these women was like a pheasant thrown into a pile of cranes.

Bai Fengxue and others are okay, they are just normal height, but they are also about 1.7 meters.

And Mulan, Sister Qing, and others are too much.

A pair of long legs can reach Sun Qinger's chest.

Too bad!

Sun Qing'er's face turned red for a while, and she clearly understood Wiliam's sinister intentions.

That's abominable!

Shame yourself in public!

However, Sun Qing'er is a mute who eats *Coptis chinensis*, so she can't tell the pain!

Because she was the one who deliberately made things difficult for Wiliam, now that she is better, she was humiliated by Wiliam instead.

Sun Qinger's heart was bitter.

Who would have imagined that the women around Wiliam would be more beautiful than the other, and each had a stouter figure than the other!

Any one of these women thrown into a city is enough to become the flower of a city.

Not to mention it all comes together.

This kid, how can He De He can!

Collected all the beauties in the world!

Even Su Hongxiu, who is a red, thin and tall building, can't compete with these women simply in terms of appearance.

After all, the most deadly temptation of Su Hongxiu is not her appearance, but her seductive temperament.

He Tiantian and the others all covered their mouths and laughed softly at this moment.

They were laughing at how much this ugly Sun Qinger was doing something wrong, and dared to show off his thoughts in front of Wiliam.

They were laughing at Wiliam's black belly.

With this move, Sun Qinger was left speechless.

"Okay Wiliam, this condition itself is not a very correct value. Moreover, anyone with a discerning eye can see that these women around you are all attractive, and Sun Qinger is naturally incomparable. This condition is not worth it." It was Su Hongxiu who stood up and gave Sun Qinger a step down.

Sun Qing'er's expression softened, but she glared at Wiliam fiercely.

## Dragon Husband 1702 PART 2

There is nothing more humiliating than this.

To let so many beauties compare her...

Wiliam smiled and motioned for the woman on his side to sit down.

Where did Sun Qinger swallow this breath?

She looked at Wiliam viciously, and suddenly her head shook!

Yes!

Wiliam has his own army now, why can't he lead him again!

A brilliant and reasonable idea flashed in Sun Qing'er's head.

She blushed with excitement at this flash of inspiration.

Good boy, just wait to die in the hole you dug yourself!

Sun Qing'er regrouped, looked at Wiliam with a sullen face, and said deliberately, "Wiliam, even if they passed the first two conditions, now, let's take a look at the last condition, which is the most important one."

She stared at Wiliam and said with a straight face: "I am one of the nine sects anyway, and I have been well-known for so many years. It's really not just anyone who can join. Even if you don't care about the first two conditions, this The last condition must be abided by. This condition must be obeyed by any sect, after all, that's how you joined Xianghua Lixue in the first place, right?"

Seeing that Sun Qinger had said so much, the women on Wiliam's side intuitively felt that Sun Qinger was going to do something.

However, none of them panicked.

Because, in front of them is Wiliam.

It is a wise and near demon existence.

Sun Qinger, a stunned young man, wanted to get the slightest benefit in front of Wiliam, but it was impossible!

Still want to play tricks with Wiliam, even more impossible.

Sure enough, Wiliam frowned heavily, pretending to be worried, and said hesitantly, "You mean, their martial arts talent, this..."

"What is this?" Seeing Wiliam's guilty conscience, Sun Qinger immediately followed Wiliam's words, "Isn't joining a sect to seek a higher level of martial arts? And the mission of every sect is to cultivate talents. Could it be that our red and thin high-rise buildings are preparing to cultivate a group of vases?"

When she said this, she stared fiercely at the women present.

Finally got a city back.

When she said that these women were vases, Sun Qinger felt very happy.

It seemed that what was in front of her at the moment was one vase after another.

Seems useless.

"Although what you said makes sense, but..." Wiliam's tone became a little softer.

"Hoho, there are no buts. Rules are rules. The last rule is their strength! There is no room for negotiation! We don't support scumbags!" Sun Qinger immediately locked this position, for fear of Su Hongxiu Stand up and speak for Wiliam.

But the strange thing is that Su Hongxiu just watched all this with a smile, and didn't mean to stand up and speak for Wiliam at all.

Sun Qing'er felt even more confident.

She naturally thought that the sect master was also on her side, could she lack confidence?

Moreover, she was quietly changing a concept.

I said before that it depends on a person's martial arts talent.

Now it is replaced by the strength of one person.

Hoho, talent is something, even if the strength is low, the talent is high and low.

There is absolutely room for negotiation.

But strength is something that is on the table.

In this way, it is equivalent to directly blocking the way Wiliam wants to say that they are all talented.

See how this kid ends up!

Hoho, if you're smart, admit it on the spot and get out of here with these vases.

And if you don't know fun, ho ho ho ho is even more fun.

I just took this opportunity to ruthlessly repair these fancy vases!

Make them look so unparalleled in the world!

Your face is cut!
