

Dragon Husband 1704 PART 1

Chapter 1704 Five Women

Um?

Sister Qing's husband is Liu Lang?

What's up?

Who is Liu Lang?

Sun Qing'er didn't react at once, she blurted out, "What Liu Lang? Which Liu Lang? It's great to have a husband?"

At this time, Su Hongxiu stood by the side and said faintly, "Oh, it turns out to be Liu Lang's wife, then it's really great to have a husband."

Sun Qing'er was pondering who Liu Lang was, and suddenly her head was stunned, and terrifying images flashed through her.

In the nine qualifying competitions, Beihe's popularity was fierce.

Then, a condescending man stood up, and his temperament changed in an instant.

As if it was hanging open, the clouds in the whole sky slowly turned into golden dragon scales!

Heaven and Earth Dragon Scales!

This picture has been deeply engraved in the hearts of everyone present, and even if you want to forget it, you can't forget it!

And that man with ever-changing temperament seems to be called Liu Lang.

He is William's brother, and he is the messenger of Chuanyunjinglong.

He is the husband of this woman named Wu Qing!

Sun Qing'er's legs suddenly softened, and she looked at the woman in front of her in horror.

I never thought that this woman had such a good background, and she actually had such a terrifying husband!

Does Sun Qinger dare to move!

Totally dare not!

Not to mention that Liu Lang's identity is there, Sun Qinger can have a good drink.

Liu Lang's strength was enough to kill 1,100 Sun Qing'er.

A terrifying figure who is completely afraid to offend!

Sun Qing'er's cold sweat ran down her forehead.

Her expression became extremely embarrassed in an instant, and she didn't know how to end it.

At this moment, she felt extremely lucky again. Fortunately, she didn't say anything just now.

Fortunately, that boy Wiliam revealed the identity and background of this woman in time.

Otherwise, if there is a real fight, if this woman is injured somewhere, will Liu Lang come over and kill her red, thin and tall building without leaving behind!

After all, things gather people in groups.

Wiliam can do one thing, and Liu Lang can do it too.

Maybe it's even worse than Wiliam!

It's amazing to have a husband...

Thinking of this, Sun Qing'er couldn't help but take a step back and said embarrassingly, "Hit, I'm sorry..."

"Aren't you picking me?" Sister Qing exhaled another puff of blue smoke, squinting her eyes, and asked Sun Qinger in a blurry way.

Sun Qing'er hurriedly waved her hand and smiled awkwardly: "Then how can it be? I was just joking, please take a rest and don't get tired."

"Okay, just don't regret it." Sister Qing said with a smile, and then she floated and fell onto the chair on the side.

Sun Qing'er's head seemed to be stabbed by needles. Looking at Sister Qing's light-hearted appearance and her figure as light as clouds, she was definitely a master.

Fortunately, she was not chosen, otherwise I would have been beaten up, and I would have lost my face.

I never thought that William would be so cunning, a group of women actually mixed in with a woman who was a demon king. It was too hateful.

Fortunately, it was ruled out in time, and now it is finally safe.

After finally restraining the shock and embarrassment in her heart, Sun Qing'er regained her courage and looked at other women.

Dragon Husband 1704 PART 2

She glanced away, and immediately locked on another target.

She hooked her finger, "What's your name?"

A woman stood up with a playful smile and said, "My name is He Tiantian."

It was Mrs. Tian Tian.

No wonder Sun Qing'er chose her.

It's really that Sister Tian Tian is too eye-catching.

Even if the scene is beautiful, Tian Tian is still the most beautiful boy.

Her face, her temperament, are even better than Bai Fengxue.

He Tiantian...

Is the name dirty?

Sun Qing'er kept her eyes open for a while, and didn't say anything in public.

However, she still sneered, "It's just you."

As she said that, she turned and walked towards the open space outside.

However, when he took two steps and turned around, he found that the group of women beside William were looking at him with extremely strange eyes.

That look seems to be telling Sun Qing'er that she is really picky, and she is not far from death.

Sun Qing'er's heart throbbed, and suddenly the back of her back felt cold. She couldn't help turning around and came back. Standing in front of He Tiantian, she raised her head and asked, "Wait, who is your husband?"

"Oh, Liu Lang." He Tiantian told the truth.

Sun Qing'er's head buzzed, as if it had exploded.

Liu Lang!

Especially Liu Lang!

Liu Lang actually married two wives?

Not fooling me!

"True or false!" Sun Qing'er couldn't help asking.

"Do you need me to get the marriage certificate?" He Tiantian asked back.

Sun Qing'er's heart suddenly turned cold.

No wonder these people looked at themselves strangely just now!

This is so special!

Is the old lady sweeping mines!

Sweep two mines at once!

"Well, rest on the chair, don't be tired." Sun Qing'er could only say embarrassingly.

"Okay." He Tiantian didn't have any air at all, and sat down on the chair with a smile.

Sun Qing'er once again tolerated her thumping heart, the sadness in her heart!

This William turned out to be waiting here!

Fortunately, I was witty just now, and I know how to watch words!

Otherwise, it will really be a thunderbolt!

This time, Sun Qing'er didn't dare to choose anyone based on her subjective feelings.

What's so special, the more beautiful you are, the more terrifying it is!

She looked at the other women, counting chicks in her heart.

Whoever clicks is who.

"You." Sun Qing'er didn't even dare to tick her fingers, she just clicked on someone, "What's your name? Who is your husband? Or what background do you have?"

The person who was named said with a fox-like smile, "My name is Lin Sichun. Coincidentally, I'm also Liu Lang's wife."

Sun Qing'er's head was buzzing for a moment, and only one sentence echoed.

Liu Lang's wife.

Liu Lang's wife...

Is Liu Lang a stallion on a horse?

So many wives!

Each one has a different scent!

The taste is so comprehensive!

"Excuse me..." Sun Qing'er blushed.

She looked at the other women, thinking that these women wouldn't all be Liu Lang's women!

Where are you playing minesweeper!

Every single piece of this horse is thunder!

"You guys, who else is Liu Lang's wife, why don't you just say it directly." When Sun Qing'er said this, she felt powerless.

There was one more thing in my heart that I didn't say – so I gave up.

At this time, two more people stood up together and said with a smile, "So are we."

But it was Lin Xian'er and Su Xiaoxuan.

This time, Sun Qinger almost lost her temper.

There is even a little regret in my heart.

Are the only two left to be Liu Lang's wives?

I thought Liu Lang was so talented, didn't he only have five wives?

Humph, these five women really are!

Five women serve one husband together, don't you want your face and dignity!

I'm really – crying with envy...
