

Dragon Husband 1751 Part 1

Chapter 1751 The father's daughter

William's scalp went numb for a while, and he felt that there was nothing good about what he was about to say.

This is Su Yongcun's daughter, William is so easy to be sent to the bridal chamber?

Is this the spirit of being a father?

If he let his daughter know, he would be pissed off.

Seeing William's strange eyes, Su Yongcun immediately explained: "Don't get me wrong, I'm not the kind of person who just gives away my daughter casually. I have considered it comprehensively. I feel so sorry for my daughter."

"Oh? How to say?" William asked casually.

Su Yongcun sighed and said, "My daughter has been disobedient since she was a child. She has to decide everything by herself, but the things she decides are often deviant and criticized."

"The reason why I made this decision is based on two considerations. First of all, of course, I don't want to make Su Lanbo cheap. You have seen Su Lanbo's person before, and you can say something bad, it's not good. Stuff. This person is arrogant and greedy. However, he is very talented, and he is the most popular champion in this color embroidery festival. So since my daughter is determined to be a matchmaker, there is no way she can escape. Out of Su Lanbo's palm. Su Lanbo has been thinking about my daughter all the time. "

"Then the second aspect, of course, William, your character. I have also seen your character. It can be said that you are kind-hearted, have your own bottom line and persistence, and are a rare good man. Moreover, You are a great sage, and you are naturally worthy of my daughter."

“So based on these two considerations, I am willing to marry my daughter to you and enter the bridal chamber tonight. If I can do it tonight, then my daughter will naturally lose the qualification to be a matchmaker, so Su Lanbo will have no choice. Got my daughter. How?”

After Su Yongcun explained in one breath, he looked at Wiliam with expectant eyes.

Wiliam had a weird smile.

Su Yongcun hurriedly added another sentence and said, “Also, you don’t have to be careful about what my daughter is. I’m boasting here. My daughter’s beauty is one of a kind beauty. It can make Su Lanbo think about it. For many years, it must be online, you don’t have to worry about that.”

“That’s not what I mean, uncle, what I mean is, I’m married and already have a wife, so I’m really sorry that I can’t satisfy your wish.” Wiliam finally said slowly.

Su Yongcun’s heart of a fist, Wiliam can also feel it now.

Unfortunately, this road does not work.

Su Yongcun looked at Wiliam in surprise, “Why did you get married at such a young age? Would you mind marrying one more?”

In Su Yongcun’s heart, people with great ability will naturally not have only one wife.

Even in this world where martial arts are respected, it is normal for the strong to have three wives and four concubines.

Wiliam shook his head and said, “That’s even more impossible. I, Wiliam, have only one wife in this life, and I would like to have only that one woman. With three thousand weak waters, I only take one scoop.”

Su Yongcun stared at Wiliam closely, but seeing Wiliam’s serious expression, he gave up at this point.

He sighed deeply, and seemed to have aged several years all at once.

Su Yongcun gloomily took a few sips of wine before he said helplessly: "It seems that after all, it is my daughter who committed her own crimes and cannot live. She chose this path, so there is really no other way to save it, that's all. Forget it, leave it to your fate."

Wiliam also persuaded: "Everyone has their own aspirations. Besides, children and grandchildren have their own blessings. What are you worrying about here? Maybe your daughter will participate in the Caixiu Erlang Festival and have other plans. You don't have to worry too much. ."

"That's all I can think about. Well, I'm in a good mood to talk to you tonight. Wiliam, tomorrow will be the festival of children with color embroidery, so you shouldn't have any other festivals with that Su Lanbo, especially Do you want to stop provoking him and give him a chance to embarrass you, you know? That person must have been thinking about how to make things difficult for you, so don't send it to the gun." Su Yongcun stood up. Come, say to Wiliam.

It can be regarded as giving Wiliam a little advice from the elders.

Wiliam nodded, "I'll act accordingly."

He didn't say anything to death.

"Well, alright, I'm leaving. Hoho, where will the cold boaters go after tomorrow? I don't know what to do, but I'm really looking forward to it." Su Yongcun said this again inexplicably, and his body twitched. , disappeared in place.

These words seemed to be muttering to themselves, but also to Wiliam.

Wiliam sighed and drank the wine in one gulp before falling to the ground.

However, when he opened the door, he found that Feng Xue was already inside.

Feng Xue sat on the chair and looked at Wiliam with a smile.

"I didn't sleep in the middle of the night, sneaked into my room and said, did you have any bad intentions against me?" Wiliam said jokingly.

Feng Xue smiled without saying a word, and looked at Wiliam.

"Okay, go back to sleep, be careful when you do things here, don't let anyone see it." Wiliam walked to Feng Xue and gently touched Feng Xue's head.

Feng Xue obediently leaned his head in Wiliam's arms and said with a smile, "I am very satisfied with your answer just now."

Wiliam was taken aback for a moment, but he reacted immediately. The answer just now should be the answer to Su Yongcun.

"You must be satisfied." Wiliam smiled.

"It's nice to have you." Feng Xue stood up, stood on tiptoe, and lightly pecked Wiliam's cheek before walking out of Wiliam's door, "Good night."

Wiliam touched his cheek, and there was still a warm remnant on it.

He looked at the back of Feng Xue's departure, showing a knowing smile.

This kiss is enough for Wiliam to go up the mountain and go down to the sea of fire.

That night, Wiliam rarely studied the "The Classic of Impermanence", but fell asleep.

The next day, Wiliam was still asleep when there was a knock on the door.

"Wiliam, get up, the Caixiu Erlang Festival is about to start, let's hurry up and watch the hot coax." Outside the door, there was the voice of Feng Xue.

Wiliam got up quickly, and after a brief wash, he followed Feng Xue to the big camp last night.

At this moment, it is already crowded with people, and it is another scene from last night.

Big red cloth and big red lanterns were arranged here overnight.

There were also bright smiles on everyone's faces, and the whole scene presented a beaming scene.

However, seeing this scene, William frowned slightly, and the whole person was a little dazed.

Why do you always feel like you've seen it somewhere?
