Chapter 1753 Make it big

I saw this last woman, walking gracefully and gracefully.

She was wearing a tight red dress, wrapping her figure.

Her face is the focus of the audience!

That is a face that is alluring and alluring, and there is a specious seductiveness in the infinite purity.

Her casual blink and smile were enough to arouse the hearts of the men at the scene.

This fairy-like woman!

Isn't it Su Hongxiu!

When Wiliam saw Su Hongxiu, he was dumbfounded.

How did she come back!

Advertisement

How could she suddenly become a matchmaker!

Wiliam suddenly thought of what he said when he saw Su Lanbo just now.

What did he say that the woman he was thinking of, finally entered the matchmaker list!

Come to think of it, the person Su Lanbo was thinking about was Su Hongxiu.

And thinking about it along the way, Su Yongcun wanted to stop Su Lanbo from getting this woman.

Then Su Hongxiu is Su Yongcun's daughter!

Got a daddy!

Wiliam's back felt cold for a while!

He even felt that he had a bad relationship with this woman!

Advertisement

Not in the bridal chamber, or on the way to the bridal chamber!

No wonder just now Wiliam felt that the picture was very familiar.

Isn't it even in the red and thin high-rise buildings, there is often a beaming scene of a pair of red lanterns hanging high?

It turns out that the red and thin high-rise buildings often do things, which has a source.

Su Hongxiu, Su Hongxiu, didn't you say you wouldn't come back?

Didn't you say that you are not involved in this matter?

What does it mean now?

Even if Wiliam was smart, he couldn't understand these things for a while.

"It's Sister Hongxiu! Why did she come back! How did she become a matchmaker?" Bai Fengxue asked Wiliam with a surprised look on her face.

Wiliam had told Fengxue that Su Hongxiu was from the Cold Boat, so Bai Fengxue was also confused when she saw Su Hongxiu.

William shook his head and whispered, "I don't know, what is this woman going to do? There must be something good for her to appear here."

"No, I like Sister Hongxiu very much." Bai Fengxue said directly.

She is purely intuitive.

William's eyes fell on Su Hongxiu's body, and he didn't speak anymore.

Su Hongxiu seemed to sense his gaze, and looked at William as well.

For a time, their eyes met.

Su Hongxiu's eyes were a little cold.

She just glanced at William and then looked away.

It was as if he had never known William.

One of the virtues of this horse-riding family, they all pretend they don't know each other, don't they?

William had 10,000 complaints in his heart for a while.

On the stage, Su Yongcun began to introduce the identities of several matchmakers.

When Su Hongxiu was introduced, Su Yongcun's tone was a little unwilling, but he immediately covered it up.

"The last one is my biological daughter, Su Hongxiu!"

"As we all know, my daughter used to run away from home when she was young and ignorant. Now, she has lost her way and returned to our family. In order to make up for the big mistake she made before, she willingly became the center of this colorful embroidery festival. The matchmaker. Of course, our patriarch also agreed to make up for the debt in this way."

## Dragon Husband 1753 Part 2

The people at the scene applauded again.

“Su Hongxiu! Su Hongxiu!”

A large group of people shouted Su Hongxiu’s name in unison.

Obviously, Su Hongxiu was once a legend on the side of the cold boaters.

Now that we see a living person, can you not be excited?

What’s more, living people are so beautiful.

For a while, a very unexpected situation occurred on the field.

Many people did not participate in the competition.

Some of these people have self-knowledge and know that there is no way to get a good ranking, so they don’t go up to shame.

And some have participated twice, and have long been discouraged and do not want to participate again.

Others are just fledglings, just qualified for the competition, but thinking about keeping them for the next time, they have a better chance of winning.

But these people went crazy after seeing Su Hongxiu.

One by one with red eyes, they jumped onto the stage directly.

“Patriarch! I want to participate in the competition! I want to participate too!”

For a time, the chaos on the stage turned into a pot of porridge.

Su Yongcun was sweating profusely.

He also had no idea that his daughter would have such an unbelievable charm!

So many people will rush to the stage together!

At the same time, he was very angry!

These dog things!

Everyone misses my daughter, right?

A group of pigs still want to arch cabbage?

Live impatiently!

However, because the rules came first, Su Yongcun was embarrassed to get angry in public.

He just held back his anger and said loudly: "Be quiet for me! Those who want to participate, line up one by one, and I will register immediately!"

The place was a little quieter.

But there were already a lot of people on the stage.

William made a preliminary calculation, and rushed up to more than 60 people at once.

The Erlangs directly broke through one hundred.

"Tsk tsk tsk! This number of contestants has directly set a record. This year's Caixiu Erlang Festival is hot." An older man just stood beside William and said with emotion.

Just as Su Yongcun registered the contestants one by one and rolled his eyes one by one, Su Hongxiu suddenly spoke.

She first saw this scene and let out a chuckle.

Then, everyone at the scene looked at Su Hongxiu.

Su Hongxiu lightly covered Cherry's small mouth, and those eyes curved into crescents.

This small gesture once again caused the itch in the hearts of countless people.

“So hot and coaxing? Hey, I, Su Hongxiu, are young and ignorant, and I don’t know how to have a good family. Now that I’m old, I hate getting married, so I’m thinking about marrying myself out this time. Are these people? Are you a qualified young man? Come up, let’s play together. I only have this chance to matchmaker, after passing this village, there is no such shop, don’t regret it then.” Su Hongxiu’s soft voice, it seems to have a captivating magic.

Everyone’s eyes turned red after her words, just like Zhongxie.

There are many people again, and when their foreheads are hot, they rush directly to the stage!

Many of them are not eligible for the competition.

Even some people in their 70s and 80s began to rush to the field.

Because of Su Hongxiu’s words, the scene was chaotic again in an instant.

It can only be said that Su Hongxiu is really a disaster for the country and the people!

Su Yongcun was about to be mad at Su Hongxiu.

Isn’t this a big deal!

Does this treat yourself as a commodity and let people bid for it!

Last night, I didn’t teach her a good lesson on the horse, and now I’m doing something for me!

Su Yongcun’s head hurts.

It seems that he has returned to many years ago. This is how this worry-free daughter finds trouble for him.

William was speechless for a while.

He knew that Su Hongxiu was a demon, but he never thought of such a demon.

Make things bigger and deeper!

William couldn’t help but glance at Su Hongxiu again, but the damned eyes met again.

This time, Su Hongxiu didn’t pretend to not know William anymore.

Under the watchful eyes of her, she stretched out her index finger towards Wiliam and ticked at Wiliam, as if to say—

“Come on.....”
