This woman Su Hongxiu is simply arrogant!

The rules of the Cold Boat Race have been agreed upon for thousands of years!

In her eyes, it's not even shit!

She can even trample her body casually!

This is completely hitting the face of the cold boater!

This crazy woman!

This was so many years ago!

After many years, when he came back, it even worsened!

This idea is really too outrageous, too shocking!

She actually wanted a man to be a matchmaker!

What's up!

Does Su Hongxiu still want to create a matriarchal society?

Let the woman ginseng be extradited, and let the man accept the fate of being selected.

Thinking of this, the people in the cold boat were full of incomparable anger, as if they were all humiliated by Su Hongxiu's words.

Su Lan stared blankly at Su Hongxiu, unable to find the right words to attack Su Hongxiu for a while.

If Su Lanbo thinks he is crazy, then this Su Hongxiu is absolutely crazy!

Crazy can be restrained!

But if you are crazy, how to restrain yourself!

What a pity, what a woman.

"Red sleeves! Stop talking." Finally, Su Yongcun stood up and spoke.

He looked at his daughter with a complex light in his eyes.

This is his deviant daughter.

I haven't taken the usual path since I was a child.

Free or die!

For freedom, she can run away from home for many years without saying a word!

In order to be free, she can subvert thousands of years of historical tradition and let the man suffer the fate of being selected as a commodity.

Is there anything she can't do?

It is said that Su Hongxiu is a woman, but she lives more manly than any man!

Su Yongcun was full of helplessness towards his daughter, and even had some pride.

However, in this situation, it is obviously inappropriate to say such a thing.

While thinking about it, Su Yongcun secretly glanced at his father.

Because of Su Hongxiu's remarks, it was the old Sect Master who finally provoked.

That is Su Hongxiu's own grandfather.

Now, it is the righteousness of the ethnic group that comes first, or the love of grandfather and grandson.

Su Yongcun himself is not sure.

At this moment, Su Changsheng seemed to be asleep, squinting his eyes and saying nothing.

Seeing this scene, Su Yongcun breathed a sigh of relief.

It doesn't matter if your father sleeps in real or fake sleep.

Su Hongxiu will not be subject to any sanctions for the time being.

"Shut up? Hoho, my good father." Su Hongxiu laughed and walked to her father.

Facing his daughter, Su Yongcun was a little afraid to look into her eyes for a while.

Because at this moment Su Hongxiu's eyes are like two sharp blades.

To pierce him completely.

"Father, father, you are the person I admired the most when I was young. You are honest and upright, and you are truly the truest man in the world. But the more I grow up, the more disappointed I am."

“On this one-third of an acre, even the most genuine man in the world dares not take a step. He clearly wants to go out, he clearly wants to go out with the people of his ethnic group, but the result...”

“How many years have I been waiting outside, and you are still here.”

“How many times have I watched and how many bloody storms have I experienced, how about you?”

“I’m still singing here, every year, a safe and a good harvest.”

“In my heart, you are no longer the most real man.” Su Hongxiu said these words in one breath.

He didn’t care about his father’s face in the slightest.

After Su Hongxiu said this, Su Yongcun’s face became ugly.

However, ashamed, but for a moment covered this anger.

The daughter’s words were more like a sword blade, stabbed directly into his heart!

Isn’t this a dream that he has wanted to say for many years but dare not say it!

Cowardly!

Cowardly!

Su Yongcun looked at his daughter, and his eyes gradually returned to light.

This time, it was full of admiration.

For the first time in his life, he felt that he had given birth to such a wonderful child.

Lucky!

Lucky!

“Okay! Don’t you want to use this daughter as a hero!”

“Don’t you want a man to be this ridiculous and pitiful matchmaker!”

“Don’t you want to look down on the boys in this world!”

“I will fulfill you!”

Su Yongcun suddenly shouted loudly.

In his eyes, there was a trace of gratitude to his daughter.

At this moment, Su Yongcun had a feeling of being reborn from the ashes.

It was as if he was back when he was young, the one who didn’t care about him.

Instead of the current one who is timid in doing things and has to climb on the roof to drink a drink.

It was the daughter who awakened something deep in his heart.

come on!

I’ll give you a chance!

complete you, or—

Destroy you!

In this way, Su Yongcun pushed himself and Su Hongxiu to the forefront!

Whenever Su Hongxiu is careless, he will lose the whole game.

She would feel sorry for the outrageous words she had just said.

She would be mocked wildly by the audience.

In the end, she could not escape the fate of becoming Su Lanbo all things.

And if it’s a fluke...

Hoho, how can there be such a fluke, the miracle of defeating Su Lanbo?

“Su Yongcun! Are you crazy! Do you know what you are talking about!” Su Lanbo roared directly.

However, Su Yongcun glared back immediately, “Shut up for me!”

Su Yongcun looked at the people on the scene.

There was anger in the eyes of those people.

But, so what!

I, Su Yongcun, have never seen you so high!

I don't know how many people spit on Su Hongxiu's crime of running away from home, and how many people silently envy it in their hearts!

“Su Hongxiu is right. She has studied deeper than you. There is indeed no gender rule in the taboos of our cold boaters, so this one she mentioned can be established.” Su Yongcun looked at his daughter again.

Eyes, from sharp to desolate.

From desolation again, gradually become compassionate!

An earth-shattering, chaotic and turbid air suddenly spewed out of his heart!

Want light!

I give it to you!

Go crazy!

I also give you!

To completely grasp your own destiny, get rid of this damn shackles!

I give you all!

His voice gradually grew louder and more vigorous!

“Su Hongxiu, listen to me! I'll give you such a chance! Allow you to participate in Jiangshan's extradition!”

“If you can't defeat Su Lanbo's ninety spiritual qi, you will become the eternal sinner of the Hanzhou people. I will personally nail you to the grave of your ancestors and let you repent forever!”

**“And if you are better than Su Lanbo, then take a look at the scene!”**

**Su Yongcun suddenly opened his hands, a kind of heroic desire to embrace the whole world in his arms!**

**“Su Hongxiu, you win, all the boys here!”**

**“It’s all your matchmaker!”**
