

Dragon Husband 1775

Chapter 1775 Purpose

The word extermination is like a knife!

It was deeply engraved in the hearts of everyone present!

The people at the scene took a deep breath and looked at Wiliam in disbelief!

Bai Fengxue was crazy enough just now!

Although he showed his strength against the sky, he didn't pass out in a coma in the end.

Now this kid, the exit is the genocide!

Don't weigh your weight and weigh yourself a few pounds or taels!

"Boy! Did you know that when you said this, you were already on a dead end?" Su Changsheng also tore his face completely at the moment, and shouted coldly.

Wiliam ignored Su Changsheng's question for the time being.

He just gently put the wind and snow down and put it on his back.

The people at the scene were stunned.

Shouldn't this kid put his wife aside if he wants to make a big fuss?

Why did you back it up instead?

Fighting like this?

Or is he ready to compromise?

The next second, Wiliam sneered, "A dead end? Is it?"

"You don't want to know, why am I here?"

Wiliam suddenly asked this question, which made everyone at the scene bewildered.

Advertisement

Yes, this kid and his wife are so terrifying, why did they become the disciples of Old Man Qingfeng?

This is strange in itself.

The strength of the old man Qingfeng is only the same, right?

Then they must have a purpose.

Colorful embroidery Erlang Festival?

No, this is not attractive at all to Wiliam and Bai Fengxue.

What's the purpose of their coming?

"Wiliam, no!" Su Hongxiu suddenly changed her face and shouted loudly.

Wiliam looked at Su Hongxiu.

At this moment, Su Hongxiu's face was full of anxiety.

She knew why Wiliam did this!

Wiliam loves Bai Fengxue to the core.

Bai Fengxue suffered a little bit of damage, but Wiliam would not let it go.

Although just now Wiliam let Bai Fengxue dominate the audience.

But it was also for the sake of Fengxue's growth.

Now that the wind and snow are injured, that's two different things.

Wiliam is bound to seek justice.

Moreover, at this moment, Su Hongxiu vaguely knew the purpose of Wiliam's trip.

Her eyes turned to the Jiangshan Prayer Seal on the side.

Probably for this thing...

But, no...

Wiliam did this just to avenge Bai Fengxue, and only the group of people in front of him were annoyed.

And if the idea of using the Jiangshan Prayer Seal, Wiliam will face another group of extremely terrifying people.

Seeing Wiliam's eyes, Su Hongxiu rushed forward and whispered to Wiliam, "I can't tell you what you're here for."

"Why?" Wiliam asked back.

Su Hongxiu was attached to Wiliam's ear and whispered: "You should have prayed for the country, right? Although I don't know what you are using this thing for, the only thing we cold boaters can get into your eyes is, That's all there is to it."

"You are very smart." Wiliam did not hesitate to praise his words.

"It's not about being smart or not! Will your focus be a little crooked! What I'm saying is that once you say what you're here for, you're not just facing the people in front of you!" Su Hongxiu was obviously a little confused In a hurry, he grabbed Wiliam's sleeve.

Wiliam raised his eyebrows, "Oh? How do you say it?"

Su Hongxiu continued to lower her voice and said, "You know, as long as a sect or a group of people has some background, right?"

Wiliam smiled softly, "You mean, there are some immortals here in the cold boat?"

Su Hongxiu has a black line.

This can't be heard by outsiders.

Hearing that Wiliam deserved to die again.

She could only nodded embarrassedly, "Those few people who stepped into the gate of hell with one foot are very powerful, more powerful than you can imagine."

“How many people with Biqijian covering the sky?” Wiliam asked rhetorically.

Su Hongxiu was stunned for a moment, and was immediately speechless.

like.....

that.....

farewell...

Wiliam casually looked at the quiet Jiangshan Prayer Seal, and said with a smile, “My purpose is the Jiangshan Prayer Seal.”

As soon as the voice fell, the audience was in an uproar!

Everyone looked at Wiliam in disbelief.

Then, they all burst into laughter.

“Hahahaha! I’m dying of laughter! An outsider dares to covet our country prayer seal!”

“Let’s put the Jiangshan Prayer Seal here, can you take it away? I see what you can use to get the Jiangshan Prayer Seal!”

“Jiangshan Prayer Seal is not from our clan, and it can’t be moved at all. Didn’t you find out about this beforehand?”

A lot of cynicism rolled towards Wiliam.

The corner of Wiliam’s mouth twitched slightly, and he lifted it up.

The Jiangshan Prayer Seal seemed to obey Wiliam’s call and flew directly from the ground into the air.

This move shocked all four!

The people at the scene looked at Wiliam blankly, not knowing what to say.

The front feet are still saying that people who are not of their family can’t move at all.

The people on the back foot just waved, and the prayer seal of Jiangshan flew up.

This is so...

Chi Guoguo’s face!

"You, how did you do it!" Su Changsheng asked sharply.

William smiled and said, "Didn't you guys say that I stole your martial arts? Why? Are you still asking this question?"

When he asked this, William had a playful expression on his face.

The faces of those from the Cold Boat Race were all blushing.

It was said before that William secretly learned their martial arts, and it was Su Lanbo who kept pushing the flames.

In fact, by now, everyone could see clearly that William and Bai Fengxue did not steal their martial arts at all.

Because it is not necessary!

The strength of these two people is much stronger than the normal Hanzhou people, and there is no need to go to the school to learn martial arts.

So now the question arises, how did William do it?

"I just embroidered the Erlang Festival, do you see who has more spiritual energy in extradition? It's funny, is that so?" William made another casual move.

The Jiangshan Prayer Seal seemed to be crazy, rushing towards the outside with aura.

At this moment, everyone was stunned.

It seems to return to the previous picture of white wind and snow against the sky.

This kid, he can actually use spiritual power at will!

What's wrong with this world!

And it doesn't stop there!

William sneered again, "Can the spiritual energy be released or not? It's ridiculous."

He waved again.

The spiritual energy in the sky was instantly gathered into the prayer seal of Jiangshan.

This gesture of turning over the cloud and covering the hand for the rain seems to ignore the various magical rules of this country's prayer seal!

As soon as he raised his hand and waved his hand, the spiritual energy came and went like magic.

The people in the cold boat simply don't know what to say.

They have a quirky feel.

It was as if in front of Wiliam, anyone before, including Su Hongxiu Bai Fengxue's miracle, was just kidding.

And Wiliam's eyes gradually became cold.

"Do you know why I'm doing these unnecessary actions?"

"Because ah, I want you to know..."

"What you worship like a fetish, in my eyes, Wiliam..."

"Light as a shoe!"
