

Dragon Husband 1777

Chapter 1777 One step

The people at the scene were stunned.

Coincidentally.

When Wiliam just finished speaking, their heads banged!

It was as if something shattered in their minds!

Everyone looked at Wiliam in amazement!

incredible!

What was this feeling just now?

Could it be that it was really what Wiliam said, has the shackles of the Jiangshan Prayer Seal been lifted?

“Don’t talk nonsense here!” Some people didn’t believe this evil and shouted first.

“That’s right! We can’t prove that the shackles have been solved at all. How can we be fooled by you just because you are lying here?”

Yes, the shackles of the Jiangshan Prayer Seal are to let them live in this place forever and ever.

Once they have passed a certain distance from this place, their lifespan will be no more than forty years old.

Who dares to take their own life to try!

ill!

However, Wiliam immediately sneered: "It's not easy, just find someone over forty years old to walk out of here for 20 kilometers, if the shackles are lifted, he will not die."

The people at the scene look at me, I look at you, and their expressions are extremely complicated for a while.

Obviously Wiliam poked their sore spot.

They yearn for unparalleled freedom, but they dare not take this step.

If what this kid said is true, it would be a huge benefit to them.

But then again, who's going to try?

Who is going to be this guinea pig?

Su Hongxiu looked at all this with cold eyes, and couldn't understand what Wiliam was going to do.

This kid, it's not just that simple to lift their shackles.

He must have had deeper intentions.

What exactly is it?

Su Hongxiu's head hurts a little now!

It's really hard to follow this kid.

Brain is not enough.

"Su Yongcun, do you dare to try it?" Wiliam suddenly looked at Su Yongcun.

With that said, everyone looked at Su Yongcun, as if they had pinned the glory of the sect on him alone.

Su Yongcun's head banged!

This is so special!

Do something!

I don't want to die!

However, facing Wiliam's eyes, Su Yongcun suddenly calmed down again.

This kid, what he said should be true.

Although very unbelievable.

But he was able to do things that a lot of people couldn't do.

This is the power and wisdom of the great sage.

Do you want to bet this time again!

If the bet is won, Wiliam will have a chance to survive!

Moreover, the entire Hanzhouzhan group has been completely free from now on, where the world can't go!

If you lose the bet...

Yay!

Died on the spot as if bitten by a dog!

Su Yongcun glared at Wiliam!

"You'd better say the truth! Red sleeves! If I can't come back, teach this kid a hard lesson for me, and don't stop until there is a breath left!"

Su Yongcun said, his body is vertical!

It really ran straight forward!

All of a sudden, everyone flew away with Su Yongcun.

In an instant, the scene was extremely hot!

Twenty kilometers, for these people, is just a short period of time.

Soon, everyone stood at a junction.

At this junction, a deep imprint was drawn.

This mark is actually the shackles of the Cold Boat Race.

Within the shackles, there is nothing to worry about.

Outside the shackles, forty longevity.

Countless ancestors cast this mark with the lessons of blood and tears.

Su Yongcun is over forty years old.

Before that, if he dared to cross this mark, he would be dead.

And now, what will happen?

Everyone stared at Su Yongcun with burning eyes.

At this moment, they completely forgot one thing.

Forgot to go to Wiliam to investigate the matter of Jiangshan Prayer Seal.

Su Hongxiu shook her head slightly when she saw everyone's blushing faces.

Wiliam really understands people's hearts too well.

He took the mentality of the Hanzhou people who wanted to be free but dared not say anything to death.

So after he conquered the Jiangshan Prayer Seal, he threw up this topic for the first time.

Reasonable.

Because in everyone's cognition, as long as Jiangshan prays and recognizes the Lord, the shackles will be broken.

However, the cold boaters simply forgot that this knowledge is only a guess.

Wiliam just managed to ask Jiang Shan to pray to seal the Lord, and then solidified this guess.

Let everyone think this is real.

And what left Su Hongxiu speechless the most was that Wiliam also chose Su Yongcun.

This choice is too tricky.

Speaking of fame, Su Yongcun is the son of the contemporary patriarch, and it is not an exaggeration to say that he is famous.

Speaking of character, Su Yongcun's courage and righteousness are also well known.

The above two points give Su Yongcun enough qualifications to try this on behalf of the Hanzhou people.

But having these two points is not enough.

And the most important point.

Dare to believe Wiliam.

In this regard, looking at the entire ethnic group, only Su Yongcun is the only one.

No, it should be said that there is also Su Hongxiu herself.

It was Su Hongxiu who had already forcibly walked out of this shackle, which meant nothing to Wiliam.

So don't look at Wiliam mentioning Su Yongcun casually, but the deep meaning and calculation inside are simply creepy.

In this situation, everyone's hatred for Wiliam was turned away at once.

Wiliam, Wiliam, it really belongs to you.

You better be accurate, otherwise my father will die, and I will never spare you!

Su Hongxiu stared at Wiliam angrily.

And everyone is looking at Su Yongcun.

This group of people, they want to be the cousin and want to set up a chastity arch.

Obviously many people want Su Yongcun to take this step, try to see if what Wiliam said is true or false.

But they didn't dare to say it, and they were still persuading with good words, "Changcun, think twice! You can't be deceived by this kid!"

"Yes, this kid is the most deceptive, you mustn't believe it!"

"Come back quickly, don't be obsessed anymore."

Some people persuaded so insincerely, seeing Su Yongcun suddenly burst into laughter.

See the truth in life and death.

See it.

This is the current Cold Boat Race!

The blood and sincerity of thousands of years ago have long since disappeared.

All that's left is mindless anger and hypocrisy.

In the early years, the cold boaters were like little birds locked in a cage, eager to get out of the cage.

And now, they are like birds whose wings have been cut off. They want to fly, but they can't.

They don't know at all that it is not the shackles of this mark and the Jiangshan prayer mark that imprison them now.

but their cowardice and hypocrisy.

Such a cold boater is meaningless.

Facing all kinds of persuasion, Su Yongcun suddenly felt a sense of enlightenment.

"I will take this step for you."

"But in the future, if the cold boaters have no sincerity and blood, if a person takes one step, the seal moves a zhang! What's the use of you taking a thousand steps."

"You all remembered it for me!"

"This mark, this shackle! It's the devil in your heart!"

Su Yongcun laughed and stepped over that mark!

"boom!"
