Chapter 1791 The Sect Master Was Abducted

The voice fell, and a group of people rustled in front of Wiliam and the others.

Wiliam took a closer look, good guy, aren't these people just red, thin, high-rise girls?

And the person who spoke just now was actually Sun Qinger, the deputy suzerain of the red and thin high-rise building.

Sun Qinger wore the face of a porcelain doll, with anger and jealousy written all over her face.

Because Su Hongxiu and Su Yongcun were behind, she did not see her suzerain for the time being.

So her mouth was like a machine gun, and she began to growl.

"Wiliam! I knew it was you! Say, where did we kidnap our suzerain! You daring fellow, you kidnapped our suzerain while we were not paying attention, hurry up! Our sect master is back! Otherwise, our sect will not be finished with you!"

But after shouting, Su Hongxiu's figure appeared in their field of vision.

"Hey, it's Sect Master Su, she finally appeared!"

"Sect Master Su! Here and here!"

"Sister, if you are kidnapped and held hostage, just blink!"

A group of women suddenly shouted loudly.

Because they saw a burly man with a beard standing beside Su Hongxiu, it was not a good thing at first glance.

Su Hongxiu was in a cold sweat, not knowing why this group of women appeared in front of her.

William took a closer look, including Qin Jiangyue, Wang Qingmian and other old acquaintances.

But they didn't mean to stand up and say a few words for William.

But with a playful look in his eyes.

It seems that they are just a few people who eat melons, and they are very happy to eat.

Because they believed that this kind of small scene was not enough for William to pick his teeth.

Su Hongxiu walked forward slowly and stood in the middle of the group of women.

She proved with practical actions that she was not kidnapped or deceived by William.

A group of women immediately touched their suzerain, as if to check whether their suzerain had lost a few pieces of meat.

"What are you doing?" Su Hongxiu had black lines all over her head.

Someone immediately chirped and said, "Sect Master, where have you been these past few days? There is no information at all, and there is no information left when you leave. We are all worried to death."

Indeed, Su Hongxiu left too suddenly this time.

She also suddenly decided in the middle of the night to go back to the Hanzhou Clan, so she didn't tell anyone from her sect.

After the red and thin high-rise found that the suzerain was gone the next day, he almost went crazy.

Find people everywhere.

Later, someone thought of the front of Su Hongxiu's disappearance, and William came to look for her.

So everyone boldly assumed that their suzerain was abducted by Wiliam.

After all, his suzerain had coveted Wiliam's body before, Wiliam hooked his hand, and the suzerain would run away with him.

But where will it be abducted?

According to what the two younger sisters who served Su Hongxiu heard at the time, the words Hanzhouer ethnic group appeared in it.

So these women immediately killed Cang Python.

But a group of people didn't know the location of the Cold Boat Race at all.

Therefore, they can only be stationed on the only road that the Cang Mang Scorpio must pass to the Hanzhou Clan, and come here to wait for the rabbits.

Fortunately, they only waited a few days, and finally let them wait.

Now that their suzerain is safe and sound, everyone's heart has fallen.

"I haven't been kidnapped, so don't make trouble here, go back soon." Su Hongxiu's face was also a little ugly at the moment, and she said to them angrily.

Sun Qing'er was not afraid of Su Hongxiu, and said to Wiliam in a cold voice: "Wiliam, don't think that our sect master speaks for you, and I will let you go! I know that you also have bad intentions towards our sect master and are jealous of our sect master's body, this time. We will spare you for now, and next time, I will never let you go."

Wiliam scoffed at this trash talk.

boring person.

At this time, Wang Qingmian and others saw Bai Fengxue behind Wiliam, and finally knew that something was not right, so they quickly stood up and ran in front of Wiliam and asked, "Wiliam, what's wrong with Fengxue?"

Wiliam smiled and said, "It's no big deal, it should be fine after sleeping for a while."

Only then did the women feel relieved.

Su Yongcun also came to Wiliam with complicated eyes.

"Wiliam, I don't know what to say about this time, but I still want to thank you." Su Yongcun said.

Whether it was Wiliam who killed the cold boaters himself, or Wiliam helped the cold boaters to free themselves, in Su Yongcun's heart, what Wiliam did was God's will, and he could accept it.

"Brother Su, where are you going now?" Wiliam asked.

Su Hongxiu's face suddenly turned red.

What's the meaning?

Brother Su?

Living down the old lady by one generation?

Take advantage of the old lady!

"Hey, the world is so big that I have my own place to go. I've been trapped for years and have lost my temper. I finally have the opportunity to come out. Naturally, I want to see how big the world is." Su Yongcun smiled reluctantly.

Wiliam nodded and said, "How about you go to Lanshan to stop the Ge? There are a group of impassioned men there. I believe you will get along very well."

Su Yongcun was stunned for a moment, then nodded and said, "Where will I go to see, but before I go, I will stay with my daughter Hongxiu for a while. After all, I haven't been with her for a long time."

The people at the scene were dumbfounded, daughter?

Red sleeves?

Su Hongxiu is this rough man's daughter?

This is not scientific!

Everyone looked at Su Hongxiu and then at Su Yongge.

Where is it like!

How could a bearded man with five or three thick beards have a daughter with a seductive temperament and an outstanding appearance?

Not worthy of it?

But, that's what it is.

Su Hongxiu also nodded and said, "Dad, then you can stay with me back to the red and thin high-rise building for a while. My daughter has been unfilial these years, and I owe you too much. I also want to be filial..."

The jaws of the people at the scene were about to drop.

Beauty Daughter and Beast Father?

What combination is this?

"Okay, that's it, then if there's nothing else, let's go back and talk about it." Su Hongxiu finally set the tone, so she quickly pulled the big team back, otherwise there would always be a feeling of shame in front of Wiliam.

However, a group of women suddenly started chattering again.

"Sect Master, if we don't go back, we finally come out and apply for a day or two to play around here."

"Yes, yes, we are relieved to see that you are okay, but in order to compensate for our fear these days, we apply for a vacation!"

Su Hongxiu heard a black line.

This group of demon girls will not hit Liang Jiewa for a day!

Just when Su Hongxiu was about to get angry, Wang Qingmian smiled and said to Su Hongxiu: "Sister Hongxiu, you can follow them. The group of Han Xingwangqing is also camping in front of the group, let's join in and relax together. Two days are good."
