Chapter 1800 Knowing you can't do it

William's internal organs, under the repair of the Jiangshan Prayer Seal, quickly improved.

And with the restoration of the Jiangshan Prayer Seal, William's body's metamorphosis also started to function naturally.

Two kinds of repairing powers are repairing Luye's body at a terrifying speed!

In fact, William's body was injured so badly that there was only one kind of sadness left.

Under normal circumstances, he couldn't wake up at all.

But fortunately, William refined the ancient divine artifact such as the Jiangshan Prayer Seal, so he left William with a trace of revival!

In the blink of an eye, William's body has been repaired to the point where he can wake up!

For the first time, William suddenly opened his eyes!

As soon as he opened his eyes, William saw countless thin lines of lightning hanging above his anxious head!

The whole world is like a cage!

And in the sky, with the sound of rolling thunder, lightning continued to fall.

There were also constant cries.

"Boom!"

A deafening voice sounded, and a dazzling lightning bolt landed beside Wiliam.

Su Hongxiu didn't even snort, and was hit in the body.

However, when Su Hongxiu closed his eyes, he saw a very exciting scene!

She saw that Wiliam's eyes had opened!

She even saw that Wiliam's eyes contained strong anger and killing intent!

Wiliam, wake up!

With this hint of relief, Su Hongxiu slowly closed her eyes.

And Wiliam finally got up slowly from the ground.

Seeing the scene, Wiliam's eyes suddenly turned red!

Red and thin high-rise buildings plus Hanxing Wangqing, nearly 300 people!

In front of him, there were only a few people left standing there.

The rest, all fell to the ground!

People are everywhere, blood is everywhere!

The bright red blood has dyed this land into hell!

This picture deeply hurt Wiliam's heart!

What a crime it must be to create such a killing!

Anger and pity slowly grew in Wiliam's heart!

"Jiangshan Prayer Seal! Metamorphosis!" Wiliam roared!

Two azure auras burst out from Wiliam's body in an instant!

The air of Qing Bi is like a shower of sweet rain, which instantly spilled onto the scene!

At the level of Wiliam, whether it is metamorphosis or Jiangshan prayer seal, the ability to heal is very terrifying!

As long as there is still a breath, it can be completely cured!

For a time, the scene filled with a refreshing breath.

The rain of healing continues to heal those who have not yet died.

Fortunately, these people are all martial arts practitioners, and their bodies have a certain degree of tenacity.

I don't know if the monster did it deliberately. The people present were not dead, and most of them were hanging on.

As Wiliam did his best, slowly, someone on the ground made a cry.

Slowly, someone moved, struggling to stand up.

At this moment, Wiliam has no reservations!

Use all the Jiangshan prayer seals and metamorphosis!

For every extra effort, one more person can be saved!

Why not!

On the opposite side, Ye Qiongqi also saw this scene.

He didn't continue to release the lightning, but watched Wiliam wake up with a smile, and rescued everyone present with the Jiangshan Prayer Seal.

"Hohohoho, that's what makes it interesting. The Jiangshan Prayer Seal is indeed an ancient artifact." Ye Qiongqi laughed loudly.

His eyes were fixed on Wiliam, and occasionally he looked at the prayer seal of Jiangshan floating in the sky!

Taking advantage of Ye Qiongqi's lack of action for the time being, Wiliam frantically drove Jiangshan to pray to seal to save people.

After a while, most of the people on the ground had already stood up.

When they saw that Wiliam was awake and treated the whole audience, the circles of their eyes were all red.

What a shocking struggle this is!

Up to now, it is not so much a battle between everyone and that monster, it is better to say that everyone is fighting against that monster with the will of not going to die!

As long as you don't die, you can fight, you have to fight!

Su Hongxiu slowly climbed up. Although her body was still black, she could still see that her eyes were full of tears.

waited, finally waited...

Everyone's perseverance is not in vain!

As long as Wiliam is there, miracles will happen!

Because Wiliam is omnipotent!

Ten minutes passed, and Wiliam was dripping with sweat!

The Jiangshan Prayer Seal and the incarnation aura on his body weakened significantly.

After desperately trying to save himself, Wiliam shed all the power he had just filled for a while.

In the end, everyone who could be saved was saved.

It's a pity that although they were rescued and their lives were not in danger, they no longer had the strength to fight.

Their bodies are too weak.

All expectations and waiting can only be pinned on Wiliam.

Wiliam slowly put away the metamorphosis, but still released the Jiangshan prayer seal.

The hazy azure air still enveloped the audience.

In order to be able to rescue those who fell down as soon as possible.

Seeing that most of everyone was awake, Wiliam slowly moved towards Ye Qiongqi.

"Hahaha, it's interesting, I want to see, can you save people? I'll kill you to save them, who can do nothing at that time, hahahaha." Ye Qiongqi laughed, as if enjoying this death even more Game over.

"Wiliam! You can't deal with that monster! He is too powerful! Let's find a way to deal with the danger in front of you first! Look, this lightning thread is still shrinking!" Su Hongxiu endured the weakness and said to Wiliam .

However, Wiliam didn't even turn his head back, turning a deaf ear to Su Hongxiu's words.

Su Hongxiu was so worried about Wiliam that she rushed over and stopped Wiliam.

What she wanted was Wiliam's wisdom, how to escape the scene.

Instead of Wiliam's forcible action, he finally broke his blood.

Wiliam looked at Su Hongxiu and said lightly: "The source of everything is him. Only by defeating him, everything can be dissolved naturally."

Su Hongxiu looked at Wiliam in disbelief and said, "It's impossible! This monster is too terrifying! If you can't defeat it! You will die! We will die too!"

Wiliam gently pushed aside Su Hongxiu and continued to walk, leaving only one sentence.

"Then let me die in front of you this time."

In a word, full of endless determination!

I know it can't be done!

And for it!

What's left?

Probably there is only this idea and fighting spirit that is biased towards Hushan Xing!

Wiliam said, kicking hard!

He rushed towards Ye Qiongqi!

He was instantly wrapped in a thick layer of unicorn armor!

And the long live demon lotus was also released in an instant at this moment, and it flew towards Ye Qiongqi's black qi!

"Long live Yaolian, today we are going to die!"

"If there is an afterlife, fight the rivers and lakes again!"

In an instant, Wiliam was unreserved, and he stirred up the strongest power!
