An incomparable voice reached Wiliam's ears.

Wiliam's body froze.

Long live the demon lotus!

The last guard...

He looked up at the vast sky, but there was still the figure of Long Live Demon Lotus.

What is the last guardian?

On the opposite side, Ye Qiongqi was also watching the broken scene with great interest, and did not continue to do anything.

He even felt a little pity.

"This silver needle is really spiritual! If I knew this earlier, I forcibly took this silver needle. It's a waste, a waste." Ye Qiongqi muttered to himself.

But at this moment, his eyes suddenly froze, and the black energy on his body suddenly rushed!

Dangerous breath!

He actually felt a dangerous aura!

ridiculous!

Ye Qiongqi's realm has long been extraordinary.

Even if the people present add up, in Ye Qiongqi's eyes, it's just ants resisting stubbornly.

But now, he was actually terrified, and he felt like he was in danger.

So wrong!

Where does this dangerous feeling come from?

Just when he wanted to examine it, he suddenly felt a tingling pain in his body!

There was an incredible exclamation from the people at the scene!

I saw the broken crystal glow before, which had long since disappeared.

But in this second, suddenly densely appeared on the monster's body!

In the form of non-substance and non-liquid, the crystal awn directly penetrated into Ye Qiongqi's black air.

Then!

"boom!"

A voice resounding through the heavens and the earth!

A touch of azure blue bloomed on Ye Qiongqi's body in an instant!

An aura of frost swept the audience instantly!

Seeing this, Wiliam burst into tears again!

Frost Power!

The power of frost that belongs to the Long Live Demon Lotus!

When Long Live Demon Lotus was fighting against this monster, it only showed the power of space.

As if to deliberately hide it, just waiting for the last moment!

In the last moment of the long live demon lotus disappearing between heaven and earth!

The most forbidding move has bloomed!

At this moment, Wiliam instantly understood why the last silver needle had to be broken by himself!

It's not that Long Live Yaolian is seeking her own death!

It was the Long Live Demon Lotus who chose to ignite the power of the soul!

Then all the essences are gathered into this last trick of Frost Power!

If it is the power of frost in normal state, it will not be able to cause damage to Ye Qiongqi at all.

But now, Long Live Demon Lotus is better than surprise, so she hibernated until the end to use this trick.

It can be regarded as a blow to ignite oneself and burn out life!

Long live the demon lotus itself is a treasure of heaven and earth, plus the power of the soul!

This blow instantly froze Ye Qiongqi.

Even the black energy in Ye Qiongqi's body was frozen together.

Seeing this scene, the people present were dumbfounded.

Only Wiliam, with red eyes, understood the good intentions of a little guy.

This is the last guardian of the Long Live Demon Lotus.

He used all of himself and his life to buy a little time for Wiliam.

In the eyes of ordinary people, this little time is of no use.

However, Long Live Demon Lotus has long been in a relationship with Wiliam, so how could she not know Wiliam's arrangement.

Wiliam's poor, this is a little chance!

A little bit can contain this monster and give yourself a chance to take the initiative to control the situation!

The opportunity to exchange for life is close at hand!

Wiliam roared in the sky!

The unicorn armor on the body is reproduced!

He actually jumped forcibly!

"Tear!"

A sound of flesh being cut sounded at the scene!

"Wiliam!" Everyone looked at the terrifying scene in front of them!

Wiliam he forcibly stood up and let the thin line of lightning run through his hands and feet!

With intense pain!

With endless anger!

With great sadness!

There is no reason not to cherish the precious opportunity that Long Live Yaolian has exchanged for her life!

"Thousands of thunders! Give me—"

"boom!"

William danced wildly with both hands and roared loudly.

And along with his roar, another scene of peerless grand occasion appeared on the scene!

The thin line of lightning that was slowly moving towards the center around them suddenly accelerated!

Everyone exclaimed!

"what!"

Lightning cage, why did it suddenly speed up!

At this speed, in just a few seconds, everyone will be cut!

what on earth is it!

Only Su Hongxiu and Li Chunfeng seemed to understand what was going on in an instant.

Su Hongxiu yelled, "Don't move!"

do not move?

The people at the scene were stunned.

Don't move, wait to die?

However, Su Hongxiu's words have supreme prestige and effectiveness in the red and thin high-rise buildings.

As soon as she said that, the red, thin, tall buildings immediately dared not move.

They just bowed their heads, put their hands together, and began to pray silently.

On the other side of Han Xing Wangqing, there was a commotion.

People in red, thin and tall buildings can wait to die, but they can't.

At this time, Li Chunfeng raised his hand.

A clear and cold voice sounded.

"quiet."

Han Xing's forgetful people looked at Li Chunfeng hesitantly, and one by one slowly quieted down.

wait to die...

Many people stared at the thin line of lightning that quickly gathered towards them, with extreme fear in their eyes.

Life and death, in one thought.

At this time, Su Hongxiu's heart also became nervous.

Do you believe in Wiliam?

Believe it again!

Only this time anyway.

Did Wiliam shout something just now?

Then after shouting, those thin lightning bolts moved quickly towards the middle like crazy.

This is extremely abnormal.

The only possibility is that these thin lightning lines obeyed Wiliam's orders and changed their speed all of a sudden.

But which monster did these thin lightning lines belong to? How could they obey Wiliam's orders?

Incredible.

But after all the impossible, the only possibility left, no matter how incredible it is, can only be a fact...

William, can you really order these lightning threads?

Su Hongxiu looked at the thin line of lightning coming over and slowly closed her eyes.

The next second, there were bursts of exclamations from the scene!

"what!"

The screams of women cut through the sky!

The thin line of lightning, sharp as a knife, has already cut through the bodies of some people present.

They couldn't help but scream.

However, when they opened their eyes, they were collectively stunned.

In the imagination, the picture of lightning slashing and slicing their bodies, actually did not appear!

Those lightnings, with a faint green light, passed directly through their bodies.

After their bodies were passed through, they were actually safe and sound, and there was no trace of injury at all!

It is very different from the previous picture of blood and blood!

Then, the next terrifying thing happened!

After these thin lightning lines crossed the crowd, they moved in one direction and blasted in unison!

that direction-

The monster's body is covered in ice!

"boom!"

Thousands of thunder and lightning, like a dragon roaring wildly!
