

# Dragon Husband 1818

Chapter 1818 Silent!

The falling meteor, how gorgeous.

The falling meteor, how magnificent.

Su Hongxiu only felt that her head was splitting, and she didn't know what she was doing.

She also didn't want to know what she was doing.

I was afraid that my sober self would not be able to do such a murderous act.

However, Su Hongxiu understood one thing in his heart.

From the moment he picked up Li Chunfeng, he was destined to share the same fate with Li Chunfeng.

Murder for life, as it should be!

Now that he has made up his mind, Su Hongxiu has no face to see William again.

Advertisement

It can only be like this, a life for a life.

She has made up her mind to die generously with Li Chunfeng.

The people at the scene watched as Su Hongxiu hugged Li Chunfeng like crazy.

Then, like a cannonball, it violently smashed into the Cang Python moat.

Everyone was stunned.

They have absolutely no idea why Su Hongxiu is doing this trick?

Why dive with Li Chunfeng?

Even Ye Qiongqi was a little surprised.

Diving to escape?

#### Advertisement

Just when everyone was horrified, another scene continued to shock everyone.

Originally, Su Hongxiu and Li Chunfeng were hugging each other tightly, and they all smashed into the Cang Python moat.

But just a moment before encountering Cang Python, Li Chunfeng didn't know where the strength came from!

She kicked her legs suddenly!

It actually kicked Su Hongxiu out fiercely.

Su Hongxiu was completely caught off guard!

She never imagined that Li Chunfeng, who had never had the strength, would make such a move at the last moment.

It wasn't until her body flew back to the land that Su Hongxiu cried out, "No!"

Her tears were pouring down!

She understood in an instant that this was Li Chunfeng's last choice.

Obviously, Li Chunfeng also understood Su Hongxiu's determination to die together.

However, Li Chunfeng rejected Su Hongxiu's generous mercy.

Li Chunfeng also felt Su Hongxiu's last choice.

This fate, Chunfeng alone bears.

enough.

William, who had given up his struggle, obviously saw this scene.

His body suddenly struggled frantically, "Don't! Don't!"

William roared loudly, and there was a kind of collapsed hysteria in his voice!

He understood what Li Chunfeng wanted to do!

Ever since Li Chunfeng showed Wangdi's bloodline, William's heart has always had this kind of strong unease.

Therefore, he is forcing himself to reverse this unshakable universe!

But, in the end...

The wheel of fate is still turning, and Li Chunfeng has come this far.

"Don't!" William still roared in a broken way, tears falling down.

At this moment, William hated himself strongly!

Why are you so incompetent!

Why should Li Chunfeng carry his own sins and grievances!

why!

Li Chunfeng, why are you so stupid!

If there is power at this moment, William will definitely slap himself a few times.

However, William in front of him could only helplessly watch the spring breeze plunge into the vast blue python.

"boom!"

Like a meteor, it smashed into the blue python.

There was a splash of water on the surface of the Cang Python Squad, but it was quickly covered up by the surging waves.

Li Chunfeng disappeared.

Disappeared suddenly, disappeared without a trace.

Most people don't know why Li Chunfeng does this.

Does it make any difference to the bigger picture?

However, they still burst into tears.

I don't know why, but I was moved by Li Chunfeng's devotion to the moat.

It is a pity that their generation of amazing and brilliant suzerain has disappeared.

Really like a shooting star.

When it appeared, it shocked the world and attracted the attention of countless people.

Disappeared so quickly, so dimly.

At this moment, Han Xing forgets love, and no one knows what will happen next.

"Ah! Ah! Ah!"

Between heaven and earth, only Wiliam's crazy roar resounded.

Like something, to break free.

Strong regret!

Strong hatred!

Intense crash!

For a time, several extreme emotions will instantly tear Wiliam's consciousness apart!

hate it!

hate it!

what!

Gradually, gradually.

Someone felt something was wrong.

Ye Qiongqi was the first to feel that something was wrong.

He felt like he was being watched by something.

Between the heavens and the earth, I felt an instant silence.

The surging river just now was silent at this moment!

A feeling of thorns on his back made him shiver violently!

what!

Something has woken up in this world!

Something is watching here!

For a time, Ye Qiongqi made a decisive decision and directly gave up Wiliam in his hand!

The whole person showed a state of alertness!

He is in Nascent Soul state now, and if he dies again, he will really die.

what exactly is...

Slowly, everyone noticed something was wrong.

Too quiet.

It was still so noisy and tragic before.

Why all of a sudden, the whole world seems to have been pressed the mute button.

There should be a sound when Wiliam hit the ground.

Obviously Wiliam's mouth was still open as if he was roaring.

Why is there no sound?

Is there something wrong with this world, or is everyone's hearing deprived collectively?

Some people open their mouths in disbelief and want to speak.

But he was shocked to find that his mouth was moving, but his voice completely disappeared.

This scene is so weird.

At this time, someone suddenly noticed that the Cang Python Moat was moving.

I don't know why, but the water in the Cang Python Squadron is still galloping.

But it just gives a feeling.

The Cang Python Moat is alive.

Like there is life.

Like a heaven and earth dragon and snake, it slowly squirmed.

“Boom!”

A beating sound that resounded through the heavens and the earth ruthlessly entered everyone’s ears.

It sounded like a heart beating.

It’s like the heart of a cang python is beating!

Ye Qiongqi suddenly showed a look of astonishment, screaming badly!

Obviously, he also thought of an ancient legend!

The legend about the Cang Python Moat!

That is a frosty python that stretches across the world!

After years of vicissitudes, it has never been silent.

But now, there is the sound of heart beating.

And why!

It was after the woman threw herself into the moat that these visions would appear!

why is that!

What is the relationship between this woman and Cang Python Tianzhu!

Or what does it have to do with the Frost Cang Python!

Shouldn’t it be another woman!

Ye Qiongqi’s gaze fell on Bai Fengxue, who was still sleeping on the ground not far away.

At this time, his eyes froze, and he couldn’t help but take a few steps back!

That woman is obviously still asleep!

But at this moment, a layer of frost gradually oozes out of the woman's body.

The azure blue frost covered her in an instant.

It seems that in the next second, she will emerge from the cocoon!

impossible!

So what happened!

"Wow!"

A vicissitudes of life and sad voice suddenly sounded in the heaven and earth!

Cang python!

lament!
