

Dragon Husband 1822

Chapter 1822 Infatuation with fire

People who are bitter in their hearts can be filled with just a hint of sweetness.

Those who heard this, for some reason, burst into tears.

How humble a woman is, as long as there is a hint of sweetness, she can be satisfied...

And Wiliam raised his head abruptly, looked at Petite Rou, and asked sharply, "Where is the spring breeze? Where is the spring breeze! Where is she!"

Wiliam actually knew where the spring breeze was.

Advertisement

Petite Rou is here, so where can the spring breeze be?

It's just that Wiliam was not reconciled.

More to ask, hoping for some miracle.

Petite Rou shook her head and sighed, "Why be persistent? She chose the path."

Advertisement

After she finished speaking, she smiled first, "Hoho, I really have double standards. On the one hand, I persuade you why you should be persistent, and on the other hand, I myself insist on showing you the painstaking efforts of a woman. I feel distressed for that woman, all this painstaking work, Wiliam, you haven't seen it, I'm not reconciled."

Saying that, Petite Rou suddenly raised one hand.

In the world in front of them, a ripple appeared, as if a mirror appeared.

Everyone just felt that the world had dimmed with the picture in the mirror.

When I came back to my senses, I found that the sky was full of stars.

starlight...

William raised his head and looked at the starry sky, his heart seemed to be touched by something, and the bitterness was unspeakable.

"Chunfeng, how long have we known each other?" Under the empty starry sky, a somewhat lonely voice suddenly sounded.

William was shocked, isn't this his own voice?

Advertisement

This sentence made William go back to the night under the starry sky.

It was he who asked Li Chunfeng such a question.

It was just a casual chat.

Chunfeng's answer at the time was that he didn't know.

Sure enough, a cold female voice resounded between heaven and earth.

"do not know."

William thought to himself, why did the illusion that night appear, does it have any special meaning?

However, the next second, William was dumbfounded.

Between the heavens and the earth, the unknown voice of Li Chunfeng fell, and suddenly a somewhat miserable voice sounded again.

"Three years and nine days..."

Three years and nine days...

This voice is!

It's also Li Chunfeng's!

William was shocked and didn't understand why.

That night, Chunfeng didn't say this at all.

At this time, an incredible guess suddenly appeared in William's heart.

Just now, Petite Rou said that she wanted to show herself the painstaking efforts of a woman.

Now there is a sound that was not there at the time.

This voice is what Chunfeng said in his heart!

William's scalp was numb from this guess, and at the same time his heart became more and more sour.

Three years and nine days.

Spring breeze, didn't you say you don't know?

Why every day, every day, clearly remember.

To be honest, William really doesn't remember how long they have known each other.

Now, there seems to be a shackle, slowly put on William's body.

When the people at the scene heard the voice, they burst into tears.

The clearer you remember, the more bitter you will feel in your heart every day.

"Remember the first time we met?" Between heaven and earth, William's voice sounded again.

"I can't remember." Li Chunfeng's voice was still confused.

In Wiliam's eyes, Li Chunfeng buried his head between his knees.

That night, Wiliam couldn't see Chunfeng's expression.

But now, Wiliam can clearly see that Li Chunfeng's eyes are full of misery.

can't remember, can't remember...

Wiliam's eyes suddenly blurred, and then quickly became clear.

A woman covered in flames was lying on the bed, seemingly unconscious.

A quack doctor wanted to give the woman artificial respiration, but was interrupted by Wiliam.

Then, Wiliam rescued the woman.

This picture made Wiliam's eyes gradually turn red.

This is the first meeting between Wiliam and Li Chunfeng.

At that time, Wiliam only thought that there was poison in Chunfeng's body.

"Remember, remember clearly..." Li Chunfeng's inner monologue sounded faintly again at this time.

Turns out, I don't remember anything...

"Do you really plan to stay in Hanxing for the rest of your life?" Wiliam asked between heaven and earth.

"No..."

"Nothing?"

"I don't have this life. This life is very short, and I can't tell when it will end. So let's take one step at a time."

Hearing this, Wiliam's head banged.

That night, the starry sky was so bright and beautiful.

And that woman was so miserable.

Until now, Wiliam has completely understood the meaning of the sentence that spring breeze has no life in this life.

For Chunfeng, she had long been determined to die.

So, this life is just one night for her.

really short.

Wiliam also suddenly understood why Li Chunfeng was there watching a starry sky that night, stupidly.

Such a beautiful night is a fatal luxury for her.

The more beautiful the starry sky, the more bitter the spring breeze.

Thinking of this, Wiliam's head felt as if he had been stabbed by a needle, and he was so uncomfortable that he was about to suffocate.

Wiliam kept asking himself in his heart.

Is there something wrong?

Is there anything wrong with Li Chunfeng?

One answer I got was that there was nothing wrong with reasoning.

Wiliam only likes Feng Xue in this life, and he will be loyal to one person for the rest of his life. He has never changed this idea.

Therefore, regarding Chunfeng, Wiliam always has the attitude of treating good friends.

Of course, he couldn't control how Li Chunfeng felt about him.

So, you are not wrong.

What remains, then, is a moral sympathy and guilt.

Seeing his good friend being trapped in the cage because of him, and watching his good friend pay with his life, no matter how hard Wiliamxin is, he will still feel pain and guilt.

The screen continues.

"Chunfeng, have you ever thought about getting married in this life?" Wiliam asked between heaven and earth.

"Well, I thought about it." Li Chunfeng's voice was soft and sweet, with a touch of warmth.

However, in the eyes of Wiliam at this moment, Chunfeng felt a huge wave in his heart.

This kind of wave almost overturned her cold expression.

She has done so much to maintain her calmness and gentleness.

Wiliam saw that the first voice that appeared in Chunfeng's head was Wiliam's figure.

Then, the spring breeze wiped away Wiliam's figure almost in an instant.

Even Chunfeng tried his best to imagine the opposite direction of Wiliam.

"Marry a good man, gentle and docile..."

The bitterness of the spring breeze, like overwhelming mountains, rushed towards Wiliam at this moment.

"Feng Guanxia, two red candles..." Li Chunfeng was still trying his best to hide some emotions.

But the moment she said this, the whole world!

Even everyone can see it clearly! hear!

The fiery red phoenix crown is like an unstoppable fire of infatuation from the bottom of my heart!

It swept the audience in an instant, and the scene of the photo was like a sea of fire!

Between heaven and earth, at this time, there was a sound of suona and shouting.

Welcome!

Welcome!

A loud voice suddenly sounded!

"A worship of heaven and earth..."
