

Dragon Husband 1825

Chapter 1825 Golden Red

The sky instantly seemed to be rendered in gold and red!

These two kinds of light were scattered and shone on everyone's body, giving people an indescribable burning sensation.

The two figures landed directly from the golden red and smashed in front of Wiliam, causing people around them to exclaim.

Wiliam knew who it was without even having to see who was coming.

The eldest brother Liu Lang and the second brother Lin Jiang.

The two of them looked at Wiliam with extremely anxious eyes on their faces.

They naturally noticed the serious injury on Wiliam's body.

Liu Lang said nothing, opened his mouth and spat out.

A golden light instantly enveloped Wiliam.

And Lin Jiang is not to be outdone.

With a wave of his hand, a crimson flame rose from Wiliam's body and kept jumping.

The golden light is the breath of the golden dragon, which has excellent wound healing power.

And that scarlet flame is even more extraordinary.

That is the fire of Suzaku's Nirvana.

To be able to regenerate a person who has only one breath left from the ashes!

Two auras circled Wiliam's body, repairing Wiliam's body at a terrifying speed.

Wiliam slowly closed his eyes.

Judging from this shot of the two brothers, they have improved a lot this time.

Especially Lin Jiang.

His fire of Nirvana was actually the breath of a golden dragon that was not inferior to Liu Lang's.

It seemed that Lin Jiang's long-term retreat was the most important breakthrough in his life.

After an unknown amount of time, Wiliam opened his eyes.

"Big brother, second brother." Wiliam said slowly.

After the two of them finished work, Liu Lang asked eagerly, "Wiliam, what happened! Why is it so messed up here! And the world is so turbulent! What's going on with this Cang Python Moat?"

There are too many doubts hovering in their hearts.

Wiliam was in a low mood at the moment, and it was impossible to talk about it for a while.

Su Hongxiu, who was on the side, held back her red eyes and walked over.

She had met Liu Lang in the previous nine qualifying matches.

Su Hongxiu briefly explained the whole story to the two of them.

When it came to the appearance of that monster, the lightning cage of heaven and earth, Liu Lang's brows furrowed deeply.

Not to mention the Yuan Ying mentioned later.

"The Qiankun realm powerhouse! Wiliam, even I seldom see such a realm powerhouse. It sounds unpleasant. The three of us together are probably not the opponents of the Qiankun realm powerhouse. How did you get out of trouble? What?" Liu Lang asked slowly.

"Don't worry, just listen to me." Su Hongxiu sighed.

Speaking of that, in order to save Wiliam and everyone present, Li Chunfeng took the initiative to devote himself to the Cang Python, and exchanged souls with the Frost Cang Python, so that he defeated the monster.

Hearing this, Liu Lang and Lin Jiang sighed in unison.

They also knew this woman.

I just didn't expect that this woman could be so in love.

In particular, Lin Jiang felt that he didn't dare to look directly at Wiliam.

Yes, he dared not.

If there is anyone on the scene who can best understand Wiliam's feelings at the moment, it is Lin Jiang.

The woman Li Chunfeng made Lin Jiang couldn't help thinking of another woman.

Su Emei.

Lin Jiang also knew how Su Emei felt about him.

How similar to Li Chunfeng.

But in the end, at the wrong time, you can only meet the wrong people.

The spring breeze is gone now, but Su Emei is still there.

This knot will eventually be unraveled.

Thinking of this, Lin Jiang felt a headache and even a little scared.

Undoubtedly, Su Emei will also embark on this road of no return from Li Chunfeng.

"William, take a good rest first, leave everything here to me." Liu Lang still had the demeanor of a big brother, and immediately said to William.

Although William's injury is almost repaired now, it will take some time for him to come out of this kind of mentality.

And Liu Lang also knew what would happen next.

Coaxing out such a big movement, here is the source.

It will definitely attract a lot of people to peep.

William nodded and walked slowly towards Bai Fengxue on the ground.

At this moment, Bai Fengxue is still sleeping.

And it seems that because of Lady Peach Blossom's withdrawal, Bai Fengxue slept more soundly.

I don't know when I will wake up.

Just as William was about to sit down, he felt a series of resentful eyes.

William looked up.

These glances came from the people who had forgotten Han Xing's feelings.

William felt bitter in his heart.

That's right, Li Chunfeng is the suzerain of Han Xing Wangqing after all.

Moreover, it is the strongest suzerain in all ages, directly inheriting the bloodline of Wangdi.

Li Chunfeng must have high hopes for the person who has forgotten his feelings in Han Xing.

She carries the glory of the sect.

But what about the end.

Their suzerain, for a man.

Live so humble.

Now even lives are in it.

Can people who are forgetful about Han Xing not hate Wiliam?

If it weren't for Liu Lang and Lin Jiang's appearance, it is impossible for them to attack Wiliam in order to take revenge.

Facing them, Wiliam was powerless.

He could only bow slowly to the person who had forgotten Han Xing's feelings, and said a dispensable apology.

Du Zhaixing suddenly sighed and turned around to flick his sleeves.

"That's it! This is Chunfeng's own choice, the sovereign's choice, and we must follow it!"

"But Wiliam, we hate you! We all hate you!"

"From now on, we, Han Xing, will forget our feelings and break with you!"

After speaking, Du Zhaixing left the scene first.

The others also glanced at Wiliam with complicated eyes and left one after another.

Han Xing forgets his love, and his vitality is greatly damaged.

William shook his head helplessly and sat beside Feng Xue.

He first carefully inspected Xuefeng's body.

Finding that she really just fell asleep, William breathed a sigh of relief.

But now, William didn't know how to face the wind and snow.

He didn't know how to tell Feng Xue about Chunfeng.

He didn't know what the attitude of Feng Xue would be.

Will you blame yourself?

Just as William was thinking wildly, he suddenly frowned and looked up at the sky!

I saw that among the layers of clouds in the sky, I don't know when, a huge turtle shell was quietly exposed.

There is a jade plate on this turtle shell, which is shining brightly.

what is this?

William instinctively felt a familiar aura.

Who is coming!

When the people at the scene saw this huge turtle's back, they were all surprised.

Could it be that some sky-defying powerhouse has come over?

Can Liu Lang and Lin Jiang handle it?

Looking at this figure, it is obviously not an ordinary person!

Just as everyone was thinking about it, Liu Lang suddenly laughed out loud.

Lin Jiang also showed an unpredictable smile.

Liu Lang faced the sky and said aloud, "I didn't expect you to be attracted to me, let alone that the four of us would meet for the first time in this way."

"Since you're here, let's come down and meet."

"Negative Book Xuanwu!"
