

## Dragon Husband Chapter Chapter 1881

Chapter 1881 Jie Bing penetrates the heart

At the moment when the arrow pierced through the heart, Wiliam's heart moved!

A white frost suddenly appeared on his body!

This layer of frost instantly froze Wiliam into an ice man!

“boom!”

Thousands of arrows pierce the heart in unison!

Wiliam's body was hit on the barrier again!

However, a strange scene appeared!

Those ice arrows, like sticking to Wiliam's body, couldn't get an inch in!

The dense number of ice arrows were inserted into the frost on Wiliam's body, more and more, more and more!

In the blink of an eye, Wiliam was surrounded by ice arrows in front of him!

The first round of ten thousand arrows piercing the heart is over!

Wiliam seemed to have lost consciousness and remained motionless.

However, something magical happened again!

Those dense ice arrows seem to have melted!

It gradually merged with the frost on Wiliam's body!

After a while, the frost on Wiliam's body turned from a thin layer to an extremely thick layer!

It seems to have formed a small iceberg with Wiliam as the center!

“Oh, this!” The voice of the world's idiot sounded again in the sky.

But this time, there was no disdain in his voice, but a deep doubt!

It seems that with the experience of human idiots, I can't see the magical picture of this scene!

The idiot in the world seems to be unbelieving in evil, and suddenly, the sound of the wind breaking in the sky resounds again!

The second round of Wanjian piercing the heart reappeared!

It's just that the ice layer on Wiliam's body is too thick!

In other words, the defense on his body has also become stronger and stronger!

The sky-filled ice arrow hit the iceberg, and it just hit a little bit of ice on it, and then got stuck again.

Repeat the first round.

"This is impossible!" In the sky, the voice of the idiot in the world is already full of shock!

Someone actually made ice with ice!

The idiot in the world knows very well what these ices are!

It can check and balance these ice arrows, and even integrate these ice arrows for their own use!

There is only one possibility!

Extremely cold!

this kid...

"Ah..." The mortal idiot suddenly sighed.

At this moment, Wiliam, who was in the iceberg, slowly opened his eyes.

There seemed to be an ice-blue flow in his eyes.

He trembled slightly!

In an instant, the ice cubes covering him seemed to be alive, and dense spider patterns appeared!

The spider pattern is getting bigger and bigger, and the entire iceberg has been covered in the blink of an eye!

"boom!"

The iceberg suddenly burst!

A terrifying shaking of the earth!

The ice fragments are like the ice arrows that flew before, shooting in all directions!

“boom!”

“boom!”

“boom!”

The ice fragments kept hitting the barrier around Wiliam!

After a while, cracks appeared in the barrier in front of Wiliam’s eyes!

A crisp ripple sounded, and the barrier was torn apart!

It actually caused Wiliam to shatter directly!

If there are outsiders here, it will be extremely shocking!

The rules of this catastrophe and ice penetration test set by the idiots of the world have been very clear!

Prevention is the main thing!

Those who pass through the level have always been able to survive in this corner for half an hour before they can pass the level!

In the past few decades, very few people have passed this level!

But no one has not only held up the ten thousand arrows piercing the heart, but has even been able to fight back!

Shatter the barrier directly!

Incredible!

Wiliam, alone, actually did the opposite, reversed the rules of breaking through, and used his strength to walk out a different path!

Pretty unreasonable!

But it is convincing!

As the barrier shattered, Wiliam only felt a flash in front of him, and the surrounding environment had changed.

"This pass, you have passed." The voice of the mortal idiot came, which seemed to be full of endless unwillingness!

And Wiliam raised his head and looked in front of him. He was still not used to the environment in front of him, and an exclamation came from his ear, "Wiliam, how did you come out! So fast!"

Only then did he realize that he had appeared at the door of a door, and behind him stood Xu Rushuang and Su Emei.

Confusion and confusion were written on their faces.

Wiliam didn't have time to answer, he only felt the sound of breaking wind, and then the elder Dongfeng also appeared in front of Wiliam, his eyes were equally puzzled.

"How long have I been in?" Wiliam asked casually, bewildered by the blank faces of the three of them.

Su Emei replied dumbly, "You've only been in for less than three minutes! What the hell happened to you inside?"

In their impression, after entering, they had to hold out for half an hour to pass the test.

And Wiliam came out after only three minutes. What is this?

Strange?

Why is what happened to this kid so weird.

And Elder Dongfeng couldn't help but hummed: "Hoho, what else can happen? I can't hold it for three minutes inside. It is estimated that the world is in a good mood today, so I sent him out directly to save him from death."

Rao is that Xu Rushuang and Su Emei, who were present, are very smart, and their brains are also down at this moment, and they can't think.

Xu Rushuang sighed and said to Wiliam, "Wiliam, what kind of protective gear did you put on before?"

Naturally, she noticed that Wiliam didn't have any protective gear on her body, and she vaguely understood something in her heart.

Wiliam shook his head, indicating that he had nothing to wear.

Seeing this scene, Su Emei stomped her feet in anger, almost grabbing Wiliam's ear and He Dong's lion roaring, "Wiliam, Wiliam! You're going to be mad at me! It's so hard

to get this chance, why don't you have it? Cherish it! You are crazy and right, maybe you look down on those protective gears. But you are going to save Xiao Wangqing today, so you can't think about others and take more safety measures? It's alright now, three minutes It will end in failure before you, you.."

In the end, Su Emei was incoherent, apparently being pissed off by Wiliam.

"Hoho, I said it before, no one will easily pass the first level, others can't, this kid, even more so." Elder Dongfeng looked arrogant, obviously he already had this situation. expected.

Xu Rushuang shook his head helplessly and said, "Forget it, let's go out first, and then think of other ways. I'll go through the ancient books and see if there is any way I've missed that can save Xiao Wangqing."

Xu Rushuang, Su Emei, and Elder Dongfeng, these three people, one taunted and joked, and the other sighed. The three of them went into battle one after another, chatting around Wiliam's ears like machine guns.

Wiliam was in a trance for a while.

And when Wiliam reacted, he finally understood what was going on.

He couldn't help showing a wry smile, interrupted the three people's dada dada directly, and then asked: "I'll ask you a question, will those who failed to break through the barrier be sent back to the door just now, or will they be sent back to the door? Will it be teleported to this place?"
