

## Dragon Husband Chapter Chapter 1919

Chapter 1919 Emperor Yao Samsung

Everyone felt the trembling of the ground.

As if something was about to break out of the ground!

And the source of this tremor was exactly where Su Hongxiu could see.

A building in the deepest part of Emperor Yao Lingxu!

The building seems unremarkable, even a bit rundown.

But the source is exactly from there.

And seeing that building, Emperor Yao Lingxu's disciples suddenly came out overjoyed one by one, "It's our Supreme Elder! They are going out! They are coming to rescue us!"

"Emperor demon Ling Xu is saved, we are saved!"

"If it's the emperor demon three-star, then our emperor demon Lingxu will be saved! Hahahaha!"

Those people laughed and laughed, and tears fell.

Because they have never been so humiliated!

The first of the six laws!

Today, he is like a quail, being slaughtered by others!

And now, the Supreme Elders finally heard the unwillingness and cries in their hearts!

They are coming out!

"Emperor Demon Samsung? Hohoho." Wiliam smiled when he heard the title.

It seems that Emperor Yao Ling Xu has three Supreme Elders who are hidden from the world.

On the side, Su Hongxiu curled his lips and glared at Wiliam, "It turns out that such a big battle was created just to force out the power of the Emperor Yao Lingxu underground."

William nodded without denying it.

Su Hongxiu also secretly scolded herself for being stupid.

According to William's previous strength, if he wants to defeat Ye Donglin, he doesn't need such a big price at all.

He could have won in a peaceful way.

Now it seems that everything is within William's calculations.

William deliberately used a powerful method of warfare to make the entire emperor demon Lingxu utterly haunted.

It is to let the elders of the underground, who may be in retreat or sleeping, perceive, and then go out.

Now, William's goal has been achieved.

What kind of emperor demon three-star, it seems that it is a good show arranged by William for the six sects.

It's just, this good show is too good and too big!

Since he can become the Supreme Elder of Emperor Yao Lingxu, his strength must be very powerful.

Perhaps it is no less than Ye Donglin!

Now, at once, he had to face three people who might be stronger than Ye Donglin.

It's a bit embarrassing to have only six cases to face.

Six, is there really a way?

At this time, William also looked at Qin Zhanxiong, "Old Qin, I'll leave it to you next, aren't you satisfied? Those few people will definitely make you have a good time!"

Saying that, William also slapped Qin Zhanxiong on the shoulder.

Qin Zhanxiong's whole person is not well.

Isn't this slap that William returned?

This boy, Treading Horse, is really not a person!

Even the old man counts!

Qin Zhanxiong also immediately understood why William did this.

Stepping on a horse is to predict Qin Zhanxiong's character!

Since the front is not enough, Qin Zhanxiong will definitely show it on the spot.

Alright, now it's done!

Isn't it fun?

Now that someone stronger has appeared, let's have a good time, there's nothing wrong with that, right?

Qin Zhanxiong figured this out, and he was so angry!

So much heart at a young age!

But, but!

Before stepping on the horse, she was a little beauty who was molested by others, but now I don't want you to come here in exchange for three King Kong aunts!

Who is interested in Aunt King Kong!

But Qin Zhanxiong really couldn't say what he didn't dare to fight.

I was so heroic as I said before, but now I'm cowardly again, and this is a shame to throw it home!

Now I don't dare to be tough!

Qin Zhanxiong could only sit silently in his heart to build up his mind.

The lights are off anyway!

"Old Qin, it's not that I don't want to contribute. I just exerted a lot of strength, and now I haven't recovered. I can only recover slowly. I believe in you!" William continued to help Qin Zhanxiong with psychological construction.

Qin Zhanxiong was scolding his mother in his heart!

You did it on purpose!

But impeccable ah ride a horse.

So frustrating!

At this time, three majestic auras shot out from the ground of the building!

Then almost instantly, he appeared in front of everyone.

“He Fang Xiaoxiao! Dare to offend my emperor demon Ling Xu!” The first voice came first.

Everyone looked closely, and three old men who were about to die suddenly appeared in front of them.

These three old men had an extremely strong bloody aura all over them!

Even their clothes were blood red.

It was as if the three of them had just emerged from the blood pool.

Their eyes are also red, which makes them uncomfortable.

William stepped back and pushed Qin Zhanxiong, “Your battlefield is here! Fight middle-aged!”

Qin Zhanxiong’s heart beeped!

But at this moment, he could only bite the bullet and answer, “Humph! Emperor Yao Ling Xu, I don’t think it’s a good thing! If it’s gone, it’s gone! If you know something, you can capture it right away!”

Loser is not lost!

What Qin Zhanxiong thought at the moment was that he should not be ashamed.

So many people are watching!

And anyway, there is William who has the bottom line, and he will hide behind William when he can’t beat him.

“Humph! It turned out to be a group of ants! The ants rebelled, this is the first time I’ve seen it! Hoho, where is Ye Donglin?” the leading old man shouted.

“That kid, Ye Donglin, has been beaten so badly.” Qin Zhanxiong replied immediately.

“Hmph, I just said that foreigners have no good skills! A group of ants beat him to the ground! Really weak.” Another old man sneered.

“Next, it’s your turn!” Qin Zhanxiong said more and more vigorously, and the trash talk rushed out.

Talking about it, he also felt that it was cool to ride a horse.

Can’t beat but still can’t win?

“Let’s be presumptuous! I won’t teach you a painful lesson, you are afraid that you will bully my emperor demon and make no one! Accept my life!” An old man was obviously violent, and he was about to rush up to fight.

Seeing this, Emperor Yao Lingxu’s disciples burst into tears, “Ancestors save us! These people are simply not human! Only by slashing them with a thousand cuts can we quell the anger in our hearts and the humiliation we have received today!”

The old man had already rushed out.

Qin Zhanxiong took the lead and bravely rushed outside.

But he had nothing in his heart.

Can’t beat it at all!

However, fighting is one thing, there are so many people!

Die together and die together, and shame and shame together.

Qin Zhanxiong shouted again: “People from the Six Sects, rush with me! Kill three sons of a bitch!”

The people of the six sects all had their heads hot, and the fighting spirit suddenly ignited!

However, Su Hongxiu rolled her eyes and directly pulled Qin Zhanxiong’s body, “What are you rushing for? You really think that the lives of our six sects are not life! Why did Wiliam let me give those people medicine? If it doesn’t work, it will come out. Yet?”

“Of course, let Emperor Yao Lingxu’s disciples rush first!”

As she said that, she looked at the disciples of Emperor Yao Lingxu who had been grateful to Dadejar just now, and shouted loudly: “Disciples of Emperor Yao Lingxu, rush to me! Otherwise, you will die from poisoning!”

“Go! Kill these three sons of a bitch!”
