

Chapter 376

Lu Ge?

Felicity had a blank look on his face when he heard that.

"I've never heard of a guy named Lu Ge in Qena City."

However, her husband's surname was Lu, not Lu Ge.

"Then why don't you ask him to come over and help you?" Felicity asked.

But at this time, Sun Dayu arrogantly said: "Do you think that such a god-class expert can be called so casually? He is the last amulet of our mission this time, so you can't use it easily!"

Sun Dayu's heart was even a little respectful when he said this.

Sun Dayu had an old friend called Chen Xilin. A while ago, when he was drinking, Chen Xilin's son, Baxter, was also present.

When he was drunk and hot-eared, Baxter was bragging. He said that he knew a man named Lu Ge, who was not only unparalleled in strategizing, but also very excellent in martial arts.

At that time, Sun Dayu had been very careful.

He was a cunning old fox, so he naturally

knew what kind of person Baxter was.

Although Baxter was a rich second generation, he was very shrewd when it came to doing things.

Lu Ge must be a hidden expert in the folk since he was highly respected by people like Baxter who had a higher eye than the sky.

When Baxter talked about him, his eyes were shining with adoration.

That was why Sun Dayu thought it would be easy for him to deal with Li Nan Feng if he invited Lu Ge, who was skilled in martial arts, over this time.

But Sun Dayu would not use this relationship easily. On the one hand, it was because he did not know Lu Ge. He had to rely on the two connections to get the god-like man to come here.

The use of favors was really not worth it.

Secondly, because they didn't know each other, it was another matter whether the other party would come out to help or not.

If he agreed now, she would not come out to help at that time. It would be shameful.

Therefore, there was one more person, Sun Dayu.

"Ladies and gentlemen Sun, what do you mean? Since he is an expert, we can't invite him. If

you say so, it means that you didn't say it!" Felicity suddenly became a little unhappy.

But Sun Dayu immediately said, "Don't listen to me. Am I the kind of person who does things without confidence? This master, we will keep him for the last time. We won't ask him unless it's absolutely necessary. If we don't do that, we will silence him as soon as possible! In addition to Lu G, I also know a master. This person is familiar with me. Please work with him. It's up to me."

"Who is it?" Felicity asked again.

"Have you heard of the Sky First Martial Club?" Sun Tianyu asked Felicity and snow.

Felicity nodded with suspicion. "I've heard of it. It's a well-known martial arts club in our Qena City."

"The man I invited is Huang Zhengyin. He is the son of Frederick from the Yellow Crane Martial Club in the Tianyin Martial Arts Club. He's purely a martial arts practitioner and has a good relationship with me." Sun Dahu explained.

Felicity seemed to understand, but she didn't. No matter how stupid she was, she could see that this old thing was showing off the interpersonal relationship he was proudest of.

"I'll call him right away and ask him for help," Sun Dayu said.

Then he called Huang Zhengyin in front of

Felicity.

Less than a minute later, Sun Dahu said with a smile, "It's settled, but Huang Zhengyin is abroad now and will not arrive in Qena City until night. He has already given me face. He will come over to help as soon as he promises the plane."

Felicity nodded and said, "I hope he can handle Li Nanfeng."

Sun Dayu suddenly stared at Felicity with teasing eyes and said, "President Bai, you can go home and wait for me now. I'll call you tonight. But if you really have nothing to do at home, you can write an apology report first. Otherwise, I'm afraid you'll apologize in public tomorrow and hurt yourself when you talk. That's too shameful."

Felicity saw that Sun Dayu had completely decided on him, and he was so angry that his heart ached.

But she just couldn't lose her temper with Sun Dayu at this time.

She had no choice but to hold back her anger and turn around to leave.

Behind him came Sun Dayu's unbridled laughter.

Everything was going smoothly, step by step, according to his plan.

When Sun Dayu returned home, Sun Richard immediately asked, "Dad, how is it going? How is

Felicity?"

Sun Dayu told Sun Richard that Felicity suffered a setback today. Sun Richard heard him and vented his anger. "She deserves it! This is called a husband and wife pay for what she has done! She will apologize in public tomorrow, which will make her feel better."

Sun Dayu glared at Sun Richard. "Is that all you've got? You won't think about it in the long term. If the news of her WIPO-to-be apologizing to the public tomorrow were to spread, haha, I wonder how the major media websites will evaluate this matter."

Sun Richard was stunned. She clapped her hands and cheered!

"My father is so cruel!"

He thought that Felicity in front of everyone was enough to humiliate her.

Little did she expect that her father would come after her and tarnish her reputation in the entire Qena City!

By then, it would be impossible to pin any blame on his father if anyone were to accuse him of being the hero of the video clip on behalf of the dead.

"What the f*ck!"

He was indeed an old fox!

Tomorrow!

"I'm really looking forward to it."

Sun Richard smiled slyly and could not wait for tomorrow to come.

What Felicity Feng didn't know was that there was an even bigger conspiracy that was about to attack her.

She was so worried about Li Nanfeng that she couldn't even eat anything.

At the same time, William and Xena were also not able to eat.

However, these two people had evil intentions. When they ate, they deliberately frowned and had no appetite.

However, the look in the eyes of the brother-in-law's sister-in-law was full of information.

They were starving for a few times during the day today!

At 12 o'clock in the evening, big fish, big meat, and seafood were ready!

However, William was worried that Felicity was telling the truth.

He asked Felicity twice what had happened today, but Felicity refused to tell him anything.

She had made a sacrifice and decided not to sacrifice for nothing.

Moreover, Li Nan Feng was really powerful. William was no match for that guy.

She was afraid that once she said it, William would definitely go to find Li Nan Feng. At that time, she would hurt William, and she would be distressed to death.

"As the saying goes, if you can't kill me, I'll kill you. If you can't kill me, my husband will die."

Felicity had been waiting in the room, waiting in all directions until it was dark, and Sun Dayu's call had not been heard yet.

Just as she ran out of patience, Sun Tianyu's call came late. "President Bai, Huang Zhengyin has arrived in Qena City. You can set off now. We'll meet at the construction site."

At this time, it was already eleven o'clock in the evening.

Hearing this, Felicity immediately said, "Okay, I'll be right there."

After that, she rushed out of the room and was ready to go out.

When she passed by the hall, she was stunned.

William and Xena sat in the hall watching TV together.

This was not like their usual style. Usually, when they finished eating, they would go back to

their rooms and do whatever they liked to do.

Especially William, he could not avoid this sister-in-law.

"Why is it a little bit too neat today?"

Brother-in-law had an affair with his sister-in-law?

@vamp20w0111

Chapter 377

Just as she was lost in her imagination, Xena suddenly asked, "Sis, it's already so late and you're dressed so neatly. Are you going out?"

Felicity's eyes panicked. He nodded and said, "Yes, I need to go out to do something."

"You're dealing with things so late?"

William and Xena's eyes were full of doubts.

But William did not say anything and just asked, "How long will it take? We will wait for you."

"Around an hour or so." Felicity calculated the time and vaguely said.

After about an hour, it was just over 12 o'clock.

William said with a smile, "Okay, you go to work first. We will give you a surprise when we come back."

Of course, this surprise was to eat and drink for a while.

Felicity and snow gave a faint smile, but it was a forced smile.

At this time, what was there to be happy about?

It was estimated to be nothing.

She left home as if she had run for her life.

After she left, Xena couldn't help but ask William, "Brother-in-law, I'm going out so late. What's there to talk about? Aren't you worried or suspicious at all?"

William smiled. "What's there to doubt? I believe in her."

Xena curled her lips and didn't dare to ask any more.

He was digging his own grave at the first question.

Felicity drove to the gate of the construction site. Because of the construction, all the lights had been set up here.

Under the light, Felicity and Feng saw two people standing at the gate.

Of course, the other was Sun Dayu.

The other was a very thin middle-aged man.

The man was about thirty years old. He was very short, more than 1.6 meters tall, and had few flesh on his body.

Looking at him from a distance, it was easy to see him as a monkey.

Felicity walked up to them.

The middle-aged man's eyes sparkled when he saw Xena.

Felicity and snow, with such a face, would have a stunning feeling even if they had seen each other before.

What's more, people who had only seen her in the photos but had never seen her in person saw her.

Huang Zhengyin looked at Felicity and couldn't help but sigh in admiration. What a peerless beauty.

It was a pity that beauties in this world did not deserve to be heroes.

The beauty had always been spoiled by the pig.

"If I can kiss her, how would that feel..."

"Zhengyin? Zhengyin? What are you thinking about?" Sun Dahu gently shook the dreamlike Huang Zhengyin.

Huang Zhengyin shivered and immediately put on a sanctimonious look without saying a word.

Experts never need to take the initiative to speak.

Sun Dahu knew Huang Zhengyin's proud character, so he introduced her to the side, "President Bai, this is Master Huang Zhengyin, who I mentioned to you during the day."

After hearing that, Huang Zhengyin nodded

slightly as a greeting.

Felicity had been paying attention to Huang Zhengyin's expression since just now.

Of course, he knew what was in Felicity's eyes.

She was too familiar with him.

Therefore, Felicity felt a little disgusted in his heart.

It was another stinky man who fell in love with her.

But now that he had a favor to ask, Felicity could only say politely, "Master Huang, nice to meet you. Thank you very much for your help tonight."

Huang Zhengyin pretended not to look at her and said calmly, "I'm here for the sake of Da Yu. You don't have to thank me."

Hearing this, Sun Dayu felt a burst of comfort.

What he was most proud of in his life was his extraordinary connections.

"Come on, let's go in." Sun Dayu led the way.

As Felicity looked at this Huang Zhengyin, the more he looked at her, the more he felt uncomfortable.

"His body is so crisp. Can he be a match for Li Nan Feng?"

"Even a gust of wind can drive him away, right?"

If they failed again, people from the National Construction Company should go to file a lawsuit directly tomorrow.

Thinking of this, Felicity and snow couldn't help but hurry to catch up with Sun Dayu.

Then he asked in a low voice, "Manager Sun, this Master Huang is so thin and weak. Will he be a match for Li Nan Feng? Would it be safer for us to ask Lu Ge, whom you mentioned before, to come out?"

The speaker had no intention of listening, and Huang Zhengyin, who was standing behind him, also had sharp ears. She immediately stopped.

Sun Dayu looked at them and thought, "That's not good!"

Bai Fengwu had gone awry!

Huang Zhengyin was a serious person who practiced martial arts. She had a very eccentric temper and was very arrogant.

Tonight, Sun Dayu invited him to help him. How dare he tell him that there was another Lu Ge as the last amulet.

Now that Huang Zhengyin heard it, what would he think?

He must have thought that he was just an ant

trying to find out what was going on.

Sure enough, Huang Zhengyin said coldly, "Sun Henson, what do you mean by this? Have you invited other masters? In that case, why do you invite me? Forgive me for not accompanying you."

After that, he turned around and left.

Sun Dayu was so anxious that he didn't have time to deal with Felicity. He rushed to chase after Huang Zhengyin. "Zhengyin, let me explain. I've also heard of Mr. Lu. One of my friends has bragged about him to the top. I'd rather believe in him or not. But I still believe in your strength very much, so I invited you here."

Huang Zhengyin stopped and couldn't help but laugh. "Listen to the way? Marvelous skills? In this Qena City, is there anyone who is more powerful than our Tianyin Martial Arts Club? Is there anyone who is more powerful than my father, the Frederick? Sun Tianyu, oh, Sun Tianyu, you are just going back the more you live!"

Sun Dayu nodded hurriedly. "Yes, yes, yes. Zhengyin is right. I shouldn't believe this rumor. Tonight, I'll ask you to help me. I'm eternally grateful."

When he said this, he hated Felicity to death in his heart.

"He doesn't have any eyesight at all!"

Mentioning other masters in front of Huang

Zhengyin, he was looking for death!

"What the f*ck! I owe Huang Zhengyin a big favor again!"

"When you apologize to me in public tomorrow, I'll teach you a lesson!"

Huang Zhenyin laughed coldly, "Sun Dayu, I'm giving you face. I also hope that you can behave yourself! The consequences of challenging the dignity of our practitioners are very severe. I've never heard of that Mr. Lu or whatever you're talking about in Qena City. If he's really as powerful as you say, then he should've been famous a long time ago."

"Yes, yes, yes, Lu Ge is definitely someone with an undeserved reputation. Forget about it!" Sun Dayu couldn't help but say.

However, he had other considerations in his heart.

When Baxter bragged at the beginning, he didn't seem to be lying.

And Baxter also said that Lu Ge directly broke his fingers at a very fast speed.

Therefore, Sun Tianyu believed that Lu Luo was powerful. However, due to Huang Zhengyin's presence, he had to coax her against his will.

"Alright, let's go," Huang Zhengyin said as he strode forward with a disdainful look on his face. Then, he left a sentence behind.

"Sun Tianyu, call the boy named Lu Ge right now. I'd like to see if he dares to be a master in Qena City and deserves the power of my punch!"

"Lu Ge! Li Nan Feng! I'll take care of it!"

@vamp20w0111

Chapter 378

Sun Dayu's heart was in a quandary when he heard that.

"Zhengyin, isn't it good?"

But Huang Zhengyin stopped and said firmly, "We people who practice martial arts shoulder the responsibility of punishing evil and punishing good people! That Lu Ge is clearly deceiving others in the name of an expert. This kind of person is simply corrupting the glory of our martial artists. I naturally want to clean up the garbage! If you don't call him here, then I'll leave."

"Wait a minute, okay, okay, I'll call now." Sun Dahu saw that Huang Zhengyin was really going to leave, so he agreed in a hurry.

However, his entire being was on the verge of depression.

The situation was getting more and more serious.

If Lu Ge was a person with an unearned reputation, Huang Zhengyin would be very happy to be slapped in the face.

But now, he had to offend the Chens' father and son.

After all, he was the one who had asked them

to send for someone.

If Lu Ge really had some ability, if he hurt Huang Zhengyin, Huang Zhengyin's side would be completely offended.

Now, no matter how he looked at it, he had to offend a certain number of people.

"Ah, so depressed!"

Thinking of this, he once again glared at Felicity.

"It's all because of this!"

I swear, tomorrow I'll make even more efforts to get back at you!

At this point, they could only resign themselves to fate.

Thus, Sun Dayu took out his phone and walked over to the side to call Chen Xilin.

In the phone, he did his best to save his life, and he had sold one of them to the Dragon King.

After hearing this, Chen Xilin also called his son Baxter.

Baxter usually didn't live with Chen Xi Lin. At this moment, the lights were lit, and he was outside, tipsy and dreamy.

When he received a phone call from Chen Xilin and learned that Baxter needed Lu Ge to come forward and help him, Baxter shivered all over. He was so drunk that he left immediately.

That was Mr. Lu, Master Lu!

After several encounters with William, Baxter was completely convinced by William's means.

In his opinion, William was not only unparalleled in wisdom and strategy, but also in the morality of iron fists. He deserved to be called a brother!

Baxter was both respectful and fearful of William.

As long as he wanted to see William at any time, he would benefit a lot from William's guidance.

But there was also a sense of fear of accompanying a king, just like accompanying a tiger.

It had always been William who had something to ask him, so he didn't dare to bother William.

However, Chen Xilin also spent a lot of time and effort on the phone to reveal his father and son relationship.

At the end of his words, Baxter had to force himself to say, "Okay, I'll make a phone call to try. But if my brother Lu refuses to help, there's nothing I can do. You can't force me anymore."

After that, he dialed William's number with fear.

At this moment, William was staring eagerly at the television with Xena at home.

At 11:30 p.m.

After a while, she could eat to her heart's content and get rid of her vegetarian life of this week.

At this time, the phone rang, and he picked it up casually. "Baxter, what's the matter at this late hour?"

Baxter shuddered and told him his father's request, and then he added, "Mr. Lu, if you feel that it is inconvenient, I will help you to reject it. It doesn't matter, you don't have to worry about it."

Baxter's words had been spoken in a very low tone.

William, however, began to ponder.

Baxter was quite shrewd when it came to dealing with things. He had troubled Baxter several times before.

The first time was when the Northern winds took drastic measures against the bottom of the buildings, which caused Bai Zhenshi's loan building to collapse with a loud crash.

The first time was that North Wind Fund found Huang Tianming in a meeting held in the capital meeting of Cangyue.

The last time was to join forces with the

whole city capital on Yasmine's 80th birthday, and cut off all the prospects of the Bai family.

It was all a favor.

Now that he had asked her for help, perhaps she would have to give him some face.

So William said, "Okay, let that person contact me directly. I'll go help you."

Hearing this, Baxter was overjoyed. He bowed repeatedly on the other side of the phone and said, "Okay, okay, I really appreciate you, Mr. Lu!"

In Baxter's mind, as long as William took part in the battle, no matter whether his opponent was a deity or a human, he would crush him!

Now, William was willing to take action, which was a great honor for him.

After hanging up the phone, he directly contacted Sun Dahu and asked him to call William.

Hearing that, Sun Dayu was also trembling with fear.

"He's a god-like player. I'm lucky enough to call him in person to invite him over."

He immediately called William. "Lu Ge, nice to meet you! I am Baxter's friend Sun. I'm sorry to be late. Sorry to bother you."

Sun Dayu had always heard Mr. Lu from Baxter and Mr. Lu. He had thought that this person

was called Lu Ge.

William had no friendship with Sun Dayu. They were completely strangers.

He was not so polite anymore. "The time, the place."

"Now, there is a construction site on Huangling Geography in the west of the suburbs. It should be easy to find." Sun Dahu said with fear.

"Okay." William simply finished her words and hung up the phone.

Then Xena rushed over at once, as if she was about to cry. "You ungrateful brother-in-law! You said you didn't collude with your sister! She went out, so did you! No wonder she was so relieved to go out so late at night. It turned out that you had made an appointment to go out and didn't take me with you! You left me alone! Can you be a person?"

William's head suddenly became big. "It's really not your sister's call. If you don't believe me, I'll show you my phone number."

As she spoke, William showed Xena the number on the phone.

Xena didn't believe it until she saw the strange number.

However, she suddenly felt wronged and said, "But didn't we make an appointment to have a feast at twelve o'clock? You stand me up!"

William sweated, that's right.

"Now, it doesn't make sense."

If he went this time, it would take at least half an hour.

After that, they had to order and deliver meals from the restaurant at 1 to 2 p.m. before they could eat.

Indeed, she had wronged Xena. To think that she had guarded the main hall with her for an entire night.

William thought about it and directly dialed the phone number just now. "Hello, it's me. Well, I can do you a favor. Please help me to go to the Tian Sheng Restaurant and order some snacks for me to send to my house. I'll send you a location later."

Sun Dayu, who was on the other side, was reporting to Huang Zhengyin when he suddenly received the call. He was completely at a loss.

"Order a meal?"

"Give me food?"

"I'm a deliveryman now?"

But before he could answer, the phone said, "What do you want to eat? Say it."

Then, a pretty woman's voice came, "Coiled fish, crayfish, eight-treasure crab, abalone pearl chicken, steamed white jade scallop, Northern

Beihilt, spring onions, spring onions sizzling..."

The woman reported more than a dozen dishes in one breath, and her mouth was so sharp as if she was talking crosstalk.

Huang Zhengyin, who was standing aside, asked unpleasantly, "What are you doing?"

Huang Zhengyin suspiciously replied, "He seems to be ordering with me..."

Then he said to the phone in a weak voice, "Lu Ge, why don't you say it again? Can I take a note?"

@vamp20w0111

Chapter 379

Xena patiently reported the dishes to Sun Dahu one after another on the phone.

When William heard this from the side, his saliva was about to flow down.

This little goblin was really good at cooking, and she was so deadly.

After a few days of hunger and thirst, she was finally able to enjoy a meal.

Sun Dayu, on the construction site, crouched on the ground, with a phone in one hand and a pen in the other hand, writing slowly on the paper on his leg.

He was writing so slowly and had to be urged by the woman on the phone, which made him sad.

It took him a lot of effort to write it down, only to find that it was full of paper.

What the f*ck! There were so many of them!

As soon as he stood up, there was a sneer on his side. "Well, Lu Ge seems to be a man who seeks fame. He is still pursuing the mundane grains of the five grains!"

The one who said this was Huang Zhengyin, who was wearing a look of disdain on his face.

Huang Zhengyin had believed Sun Tianyu's

words at first. After all, this guy didn't want to give up until there were two benefits.

"It must be that guy who can spend a lot of effort to curry favor with Lu Ge. He must be something."

But he didn't expect to see this scene.

His heart suddenly felt at ease.

This Sun Dayu should be the one who was pecked at by the geese all day and made a mistake.

Sun Dayu held the menu in his hand and said to Huang Zhengyin in a low voice, "Zhengyin, why don't we walk while I order food? Are you hungry? Do you want me to order a table for you?"

Huang Zhengyin sneered. "I don't need it. I'll see how capable Lu Ge is to please you to this extent later."

Sun Dayu laughed awkwardly and did not answer.

But he was even more astonished.

This Lu Ge turned out to be such a weirdo.

However, experts always had some strange tempers.

If Lu Ge agreed normally, he might have to doubt it again.

The three of them slowly came to the front of

Li Nanfeng's house.

Sure enough, Li Nan Feng was still sitting on the ground at the door, meditating.

Seeing the three of them coming, Li Nan Feng slowly opened his eyes, but looked at Felicity.

"This is the third time that you've come. You won't be able to do anything more than three times. If you dare to come again, I'll beat you up too!"

Felicity was shocked when he heard this, and he dared not move forward.

Sun Dayu, however, had Huang Zhengyin behind him. He took a big step forward and said condescendingly, "Li Nanfeng, do you know who you are talking to? The man in front of you, is..."

"If you want to fight with me, just fight with me. Why do you talk so much nonsense? I've already said that I'll fight with anyone who wants to fight with me." Li Nanfeng was as arrogant as ever.

Huang Zhengyin burst into laughter. "What an arrogant tone! I've been in Jianghu for dozens of years, but I've never met a man who doesn't know what's good or bad like you. All right, today I'll give you a good beating. I'll let you know that there's always someone stronger than you!"

He walked up and stood in front of Li Nanfeng.

Li Nan Feng also stood up and confronted Huang Zhengyin.

As his eyes touched each other's, Li Nan Feng's heart skipped a beat.

This skinny man, who was as small as a monkey, actually had some real strength.

He had a completely different momentum from those previous gangsters.

Li Nanfeng could feel the momentum of a martial arts practitioner from him.

"This man should also be a martial arts practitioner."

However, Huang Zhengyin was not alarmed at all. She was still high up in the air. "I'll give you one last chance to ask for mercy. If you miss it, you'll have to climb out of the construction site later."

Without saying a word, Li Nan Feng went forward and punched him directly.

Huang Zhengyin dodged to the side, but she was still laughing coldly in her heart.

"This guy has some skills, but he doesn't seem to abide by any rules of the martial arts world."

It was a total disgrace to a martial arts practitioner.

How could he be a hero when he shot a cold arrow?

After Huang Zhengyin dodged, he lashed out with a leg whip.

"Bang!" A fist and a leg collided, and both of them took a step back.

Felicity's eyes lit up.

This was the first time that she had seen someone fight against Li Nanfeng.

Those underlings of the knife couldn't withstand any of his previous moves and were directly thrown away.

"It seems that Huang Zhengyin has some real skills. She'll be able to do it tonight."

In the blink of an eye, the two people in the field had been fighting for several consecutive rounds. For a time, there was no match for each other.

This made Huang Zhengyin a little surprised at Li Nanfeng's strength.

Huang Zhengyin had practiced martial arts with the Immortal Frederick since she was a child. She had been practicing martial arts for more than 30 years before she had achieved what she had today.

Li Nan Feng, on the other hand, seemed to be only in his twenties.

It was incredible that he could be evenly matched with Zhang Ruochen.

After a long time of offensive, Huang Zhengyin suddenly felt that she could no longer keep her face.

After all, he was surrounded by the halo of the Frederick. There were not many warriors in Qena City who dared to disrespect him.

Now, there were still outsiders watching.

If he didn't take this guy down today, it was possible that Sun Dayu, the big mouth, would talk about it all over the world.

When the time came, it would be really embarrassing.

So, he took a breath and his speed of punching and kicking was a little faster.

Sure enough, it received a miraculous effect.

Li Nan Feng was pressed by the fists and kicks that were as dense as the wind, and he was out of breath for a moment. He retreated one step after another.

"Haha, you know how powerful I, Huang Zhengyin, am!" Huang Zhengyin swept Li Nanfeng to the ground with one blow, and then stood there and laughed.

He didn't take advantage of the situation to take advantage of the situation. He was just self-righteously self-righteous.

Sun Tianyu hurriedly said loudly behind her,

"Zhengyin is really worthy of its reputation. The first time I saw you fight, I was convinced by you! In the whole city, except for your father, no one can defeat you!"

Huang Zhengyin was overjoyed by Meng Qi's words.

What he wanted was the glory above everyone else.

Just as Huang Zhengyin was about to go forward and force Li Nanfeng to surrender, Li Nanfeng's body suddenly retreated back quickly.

"Haha, you knew you were scared? Do you want to run away?" Huang Zhengyin laughed again.

But at this time, Li Nan Feng silently lifted up his trouser legs.

Seeing this scene, even Felicity and snow covered their mouths.

He saw that there were two bags tied to Li Nanfeng's legs.

Li Nan Feng opened the two bags and threw them aside.

These two bags seemed to weigh a lot!

It was like an iron sandbag!

Could it be that he had been fighting with these two heavy iron sandbags?

The two iron sandbags weighed a total of thirty Jin!

Huang Zhengyin also frowned.

"This guy has been hiding his strength all the time?"

Okay!

"I, Huang Zhengyin, am going to attack you, but you are not going all out!"

"You're courting death!"

Just as he was feeling aggrieved, Li Nanfeng had already rushed over!

As soon as he came over, Huang Zhengyin's pupils all contracted.

His speed was so fast!

It's more than twice as fast as it was just now!

But Li Nan Feng stepped on the ground and rushed to Huang Zhengyin like a white crane with its wings spread out!

Chapter 380

Huang Zhengyin immediately no longer dared to look down on Li Nanfeng. The two of them were once again entangled in a fight!

However, Huang Zhengyin had just struggled to defeat Li Nanfeng with a sigh of relief.

Now that all the shackles on Li Nanfeng's body had been untied, he felt like a fish in the sea for a moment!

He was almost beating Huang Zhengyin.

After a while, a muffled groan was heard!

Like a gangster before, Huang Zhengyin was thrown out fiercely by Li Nanfeng and spat out a mouthful of blood on the ground.

Sun Dayu's mouth was wide open when he saw what was happening!

"Li Nan Feng is so powerful!"

"This is Huang Zhengyin!"

Even Huang Zhengyin was no match for him!

Who else would be able to deal with him?

After Huang Zhengyin spat a mouthful of blood on the ground, his whole face turned ferocious!

What a shame!

He was also a well-known person who practiced martial arts in Qena City.

But he didn't expect that he would be defeated by a nobody tonight.

How could he endure such humiliation!

He seemed to be crazy. He rushed towards Li Nanfeng again, trying to win back his face.

However, Huang Zhengyin's aura was in a complete mess at the moment.

As soon as his breath was messed up, the rules of hands and feet were naturally messed up.

Almost without any effort, Li Nan Feng threw Huang Zhengyin out again.

But it was more than that!

At the same time as Li Nan Feng threw out Huang Zhengyin, his figure did not stop.

Following Huang Zhengyin's body, he made another knee kick in the air!

Huang Zhengyin's waist was severely stabbed, and his body even bent in mid-air!

After falling to the ground, Li Nan Feng clapped his hands, as if announcing that the battle was over.

The winner had been decided.

After that, he went back to his house and sat down quietly.

This scene caused Huang Zhengyin to viciously pound the ground!

Damn it!

He was simply looking down on everybody!

After beating him up, he left without saying a word!

It seemed to say that he was just dealing with a small pack of rascals who didn't deserve his attention!

Sun Tianyu quickly stepped forward and helped Huang Zhengyin up.

Felicity also followed him and asked nervously, "Manager Sun, what should we do now? Even Master Huang is no match for Li Nan Feng."

His words once again hurt Huang Zhengyin's heart!

What the f**k!

How could he look down upon her, even for a woman?

Sun Dayu helped Huang Zhengyin back to a nearby place before putting him down.

Huang Zhengyin's waist was severely injured. Obviously, she could no longer fight.

His eyes were filled with resentment.

Li Nan Feng was really good at punching and kicking.

He didn't know where his teacher was.

"Zhengyin? Why don't we go first today? Li Nanfeng looks too powerful, and his hands and feet are full of crooked ways. He is not a good person at first sight." Sun Dahui found a way out for Huang Zhengyin.

Huang Zhengyin, of course, knew what to do, so she followed the line, "Well, this kid is very rude, and I accidentally fell into his trap. I will definitely get my revenge in the future."

"How powerful is Li Nanfeng?" Felicity couldn't understand what was going on here and couldn't help asking.

Huang Zhengyin shot a contemptuous glance at Felicity and said, "How powerful is he? Let me put it this way. This kid has some dirty tricks up his sleeve. In the entire Qena City, I think no one other than my father can suppress him!"

These words caused Sun Dayu to suck in a breath of cold air.

"Is Li Nanfeng really so awesome?"

How could such a powerful person be so quiet and unknown before, and even live in such a broken house?

If he was willing to help others, those rich people would be very welcome.

Now, Sun Dayu thought it was a problem for Felicity.

"Now, it seems that it's a problem for the whole Medicine Association."

When Frandick came back and saw that the matter had not yet been settled, and then he would investigate the truth, he would definitely find out his dirty corruption.

No, it seemed that this matter had to be solved.

Sun Dayu was actually a little scared at this moment.

But Huang Zhengyin had already said so. Although it was a little exaggerated, it was not far from here.

"Are we going to ask your father to come out?" Felicity and snow couldn't help but ask.

"Heh heh, how can my father be moved by anyone? Don't even think about it. If you trust me, when I've taken care of myself, I'll get revenge on this kid one day," Huang Zhengyin said in an angry tone.

But in Felicity's mind, Huang Zhengyin was just saying polite words.

"Damn it! Now, who else wants to teach Li Nanfeng a lesson?"

At this moment, Felicity suddenly thought of a person.

She quickly asked Sun Dayu, "Director Sun,

didn't you just call that Lu Ge over? Where is he?"

Sun Dayu was also in high spirits.

That's right, there's still a way out!

Lu Ge!

The god-like player with a strange temper...

"Why hasn't he come yet?"

But Huang Zhengyin sneered on the side.

"Even I am no match for that guy. Do you really expect a liar who only knows eating, drinking and playing to deal with Li Nanfeng? You are too funny."

Sun Dayu's face turned a little red when he heard that.

However, things had already developed to this point, there was no way to turn back.

Lu Ge was the last straw for the Medicine Association.

"I'll ask if he's here." Sun Dayu laughed awkwardly and turned around to make the call.

Huang Zhengyin's snicker grew even louder.

In his heart, Li Nanfeng was absolutely tough now.

If her father did not show up, no one in Qena City would be able to handle Li Nanfeng.

As for Lu Ge, he was coming to look for death.

"Well, I'm so ashamed today that I'll be beaten up by Li Nanfeng when someone comes over later."

She not only helped him to get rid of the awkwardness, but also made him feel better.

Sun Tianyu looked back with a gloomy face and said, "Why didn't Lu Ge answer the phone?"

Felicity's heart skipped a beat. Could Lu Ge really be a liar?

Huang Zhengyin laughed and said, "I told you a long time ago that this person is a liar. You don't believe me? Now look, you don't even dare to answer the phone. I advise you to go back early and make further plans."

Sun Dahu sighed and felt even more wronged.

"What did the father and son of the Chen Family introduce to me?"

A master who escaped in the face of danger?

"What's wrong with all of them?"

"And he cheated me of a few thousand yuan of food money!"

"I must find this kid and give him a good thrashing!"

Sun Dayu sighed and said to Felicity, "President Bai, why don't we go back and check it out first, and we'll talk about it tomorrow."

Felicity also felt desperate to the extreme.
Tomorrow, it was too late.

The National Construction Corporation would certainly notify them of the medicine cooperation.

However, there was nothing she could do now.

Just as she was frustrated and about to agree, a familiar voice came from behind her.
"Sweetheart, why are you here?"

Chapter 381

Hearing this familiar voice, Felicity's body trembled. Incredibly, he turned his head back.

William was standing behind him, looking at her gently.

Felicity lowered his head like a child who had done something wrong. "William, why are you here?"

Sun Dayu, who was standing next to Felicity, was pleasantly surprised at first. He thought that the person who came was Lu Ge.

Unexpectedly, it was only Felicity's husband, William.

This was the first time Sun Tianyu saw William.

Before, on the 80th birthday of the Medicine Association's changing session and Yasmine's birthday, Sun Hao didn't come back because he was away from home, so he naturally didn't see Sun Hao.

At this moment, seeing William like this, he couldn't help but laugh.

"It's just so-so."

Previously, it was rumored that William had a good relationship with Brother Tigger. Now it

seemed that he was just a weak young man.

He was afraid that the rumors were over-truths.

"It's said that this guy is a man who loves his wife very much."

So when Felicity came out at this time, he must have followed him secretly.

After all, Felicity was extremely beautiful. If he had such a wife, he would naturally worry about his gains and losses at all times.

Let alone someone who was so incompetent to guard such a beloved wife. He would definitely be even more anxious.

"Humph, I thought it was Lu Ge."

Sun Dayu thought disdainfully, but Felicity had already pulled William to a nearby place to whisper.

Felicity didn't dare to look at William, because she also felt that William was secretly following her here.

After all, his performance in the past few days was too abnormal. William was such a smart person, how could she not find out?

"William, I'm sorry, I shouldn't have kept it from you..." Felicity said in a low voice.

William rubbed Felicity's hair and said with a smile, "So you're here. Tell me, what happened

recently? Must you keep it from me? We're husband and wife."

Felicity's eyes suddenly reddened.

If Li Nan Feng was not cured, it would almost become Felicity's mental illness.

At this moment, she had nowhere else to go.

And Li Nan Feng was extremely powerful, which she saw with her own eyes.

Therefore, Felicity didn't expect William to solve this problem.

At this moment, she only wanted to tell William the bitterness and grievances in her heart.

She told William everything that had happened.

William listened carefully, but he gradually understood what was going on in his heart.

It turned out to be like this.

That was to say, the person who had just called him was the fat Sun Dayu?

"It's really a coincidence."

William looked at Sun Dayu, and her eyes gradually became cold.

He asked, "Is this Sun Qingyu who set up a trap for you to jump down and accept this mess, and then came over to pretend to be a good person, and asked you to apologize to him in front

of everyone tomorrow?"

Felicity couldn't help but nod his head.

That Sun Tianyu was simply too disgusting.

William sneered and said, "How can I, William's woman, be bullied by trash like this?"

When Felicity heard this, he knew that William was angry.

She quickly pulled William and said, "William, let's not talk about this first. Now Li Nanfeng can't be solved, either. Why don't we go back first?"

William thought that since Felicity had said so, she could find a time to teach Li Nanfeng a lesson tomorrow.

But at this time, Sun Dayu came over and said with a forced smile, "President Bai, what's the matter? Don't you want to introduce this man to us?"

Felicity had no choice but to introduce himself to the others.

Naturally, Huang Zhengyin, who was standing to the side, also walked over.

Hearing that he was Crown Prince of the Tianyin Martial Arts Club, William frowned slightly.

"I'm really destined to be with the Martial Arts Club of Heavenly One."

It was just that Huang Zhengyin looked at

William with disdain in her eyes.

After all, how could a high-ranking person like him, who practiced martial arts, think of the ordinary William?

It was nothing more than a flower stuck on the cow dung.

After the introduction, Sun Dahu smiled and reached out to William. "Hello, I've heard of your name for a long time. I finally meet you today."

William also reached out and shook it.

He wanted to loosen his grip, but he found that Sun Dayu was still holding his hand tightly.

In fact, he even gradually increased the strength in his hands.

Because in Sun Dahu's view, this gentle and scholarly boy simply had no strength to tie up a chicken.

"This is the first time we meet, we should leave some greeting gifts to deter them."

William smiled gently. "I'm flattered."

Then he suddenly had a lot of strength in his hand.

While Sun Dayu was feeling complacent, he suddenly felt the strength coming from his hand, as if it had been clamped by an iron clamp!

It was extremely painful!

He was so painful that he directly whined. Then he quickly pulled his hand away and constantly threw it away.

Puzzled, Felicity asked, "President Sun, what's wrong with you?"

Sun Dayu wanted to say that this guy wanted to play dirty tricks on him, but he thought that it was he who wanted to set them up first.

She had no choice but to suppress her anger. "It's okay, it's all right. Just now, my hand twitched a little."

"Then what should we do now? Shall we go back?" Felicity asked.

Sun Dayu wanted to nod, but he suddenly had a plan. He said to Felicity, "President Bai, I heard that your husband is very good at fighting. He's also Brother Tigger's friend. Someone who can control Brother Tigger must not be an ordinary person, right? Otherwise, you can ask your William to fight with Li Nan Feng?"

Beside him, Huang Zhengyin couldn't help but laugh.

But he didn't say anything.

Instead, he was watching the show with a playful look on his face.

Because he could see that Sun Dayu wanted to taunt this boy in public.

Of course, Huang Zhengyin wouldn't care about this personal grudge.

But at first, he felt a little sympathy for the young man who suddenly appeared.

He was so weak. He didn't even know that he was being used as a gun when he met an old fox like Sun Dayu.

Felicity's face turned pale with fear. He hastily waved his hand and said, "No, no, no. Although my William is a little good at fighting, it's impossible for him to beat Li Nanfeng. Isn't he deliberately sending my William to die?"

In Felicity's impression, William had once made a move in front of her.

At the beginning, Fernando wanted to play dirty tricks on them in the underground garage, but he was beaten back by William.

At that time, although William won, he almost lost his life.

And he was covered in blood.

Li Nan Feng not only defeated twenty Brother Tigger's men in one breath, but also killed a master like Huang Zhengyin.

How could William be his opponent?

Sun Dayu didn't give up. He deliberately did not look at Felicity, but said to William, "William, what do you say? I think you know that it's all

because of your wife. If she hadn't handled it well, the reputation of the vice president would have plummeted. As a man, shouldn't you share a little of the burden for your wife? Or have you been used to hiding behind a woman and being a gigolo?"
