

CEO's Escaping Ex-wife Chapter 21

11: 00 sharp.

A black Bugatti Veyron was speeding along the road. He had been driving at the red light the whole time. He was faster than all the cars, but no one dared to stop him. They all knew that the number plates of the six 8th cars were the king here, and none of them dared to offend him.

Ling Ouwen's expression was serious. He casually turned the steering wheel. When he saw that the time was 11 o'clock, he stretched out his hand and turned on the radio. He skillfully pressed on a fixed channel.

A clear and pleasant sound immediately came from his car.

"Dear listeners, good evening, everyone. It is 11 o'clock. This is my Just For You. I am Lin Wanyan. I don't know what story is going on today. I am waiting for us. "

Her voice was really intoxicating.

He remembered that this was her major in college, but she dropped out of school after only a year.

An hour later, Lin Wanyan finished her program. She was just about to go back when she saw a group of girls gathered outside. She did not know what they were talking about, but they seemed to be very excited.

"The president of Ling's Group. He is only 25 years old, but he has already entered the Forbes Rich List. He is really amazing! My Prince Charming! "

"The key is in this world. What's more, there's actually such a handsome CEO in this world. He's even more amazing than those old and ugly rich people! Just a picture of him in a magazine is already very handsome. I wonder how handsome he is in real life? "

" He's handsome and rich. If we can marry him, then we'll definitely be lucky. "

When Lin Wanyan heard Ling Ouwen's name, she could not help but stop. Then she realized that they were talking about her husband, Ling Ouwen! They were also very infatuated with the photos of Ling Ouwen in a magazine report.

Lin Wanyan's face instantly darkened. She really wanted to rush out immediately. She wanted to tell them that Ling Ouwen was not like what they had said. If they knew Ling Ouwen's real face, they did not know if they would still be so obsessed with him.

"Wanyan, you came out. Why are you standing there foolishly? Are you also dreaming of being Ling Ouwen's wife like us? Recently, we can see a lot of news about him on the news, but there is news that he seems to be married. He actually got married so early. . . I don't know what she looks like, but she's too happy. For her to be his wife, it must be because she saved the entire universe in her previous life! " Her colleague said obsessively.

Lin Wanyan's mouth twitched. She felt that she must have destroyed the entire universe in her previous life! She had done all kinds of bad things, so she was really unlucky to be married to Ling Ouwen now.

However, she did not expect Ling Ouwen to be quite popular. They were still enthusiastically talking about his matter. Lin Wanyan was not interested. She took the medicine that Hong gave her and left.

She had just arrived home when Nanny Chen smiled and brought her slippers.

"Nanny Chen, why aren't you asleep today?"

"Old Master told me to wait for you to come back and help you brew the medicine. How would I dare to delay you? Hurry up and give me the medicine. "

"It's so late. I'll drink it tomorrow. "

"Old Master said that you can start drinking today, and it will be more effective if you drink it before you go to sleep. "

Lin Wanyan saw her say so and directly handed the medicine to her, then she went upstairs.

Before she went upstairs, she even specially took a look at the shoes at the door. Sure enough, there were no shoes that he used. She felt a sense of loss in her heart, then she smiled bitterly and thought how could he possibly come back?

Because it was Old Master's instructions, Nanny Chen did not dare to delay. After she took the medicine, she immediately went into the pot and boiled it. It was just that she felt that this medicine was a little strange. It did not seem to be to aid pregnancy.

Regardless of whether it was real or not, Nanny Chen did not delay any longer. After she brewed it, she directly sent it to Lin Wanyan.

Lin Wanyan had just taken a bath and her fair skin was pink. Her hair was covered with droplets of water and she was still wearing a pink pajamas which made her look very slim.

"The medicine is ready, quickly drink it. " Nanny Chen carried the medicine and said somewhat anxiously.

Lin Wanyan wiped her hair as she looked at the bowl of dark medicine. She frowned and said, "I will drink it in a while. "

"You need to drink the medicine while it's hot to have the effect. Old Master told me to watch you drink it before he felt relieved. This is his intention. You should not disappoint him. " Nanny Chen said with a smile. Her eyes flickered with a trace of abnormality. She tried her best to remain calm. She was afraid that she would reveal a flaw.

Just now, Hong, who was beside Old Master, called her. She said that this medicine was specially prepared for Ling Ouwen and Lin Wanyan. He told her to personally watch Lin Wanyan drink it. He kept asking if Ling Ouwen had come back. Only then did Nanny Chen understand that Old Master wanted to matchmake them.

She knew that Ling Ouwen had never been very good to Lin Wanyan. Perhaps this way she could ease their relationship, so she did not tell Lin Wanyan the truth and she did not dare to tell Lin Wanyan.
