

## CEO's Escaping Ex-wife Chapter 22

Lin Wanyan nodded helplessly. She didn't drink the medicine. Nanny Chen would not leave. She thought about a year ago when Lin's Group was on the verge of bankruptcy. If it was not for Ling Zhenghao investing money, The current Lin's Group and the current her wouldn't exist. Thinking about it, it was just a bowl of medicine. As long as she could make Grandpa happy, she would drink it. This was no big deal, not to mention. . . This was only an aphrodisiac, and it did not do any harm to the body.

It was just that this medicine would never have any effect.

Nanny Chen saw Lin Wanyan finish the medicine before she felt at ease and went out. She then immediately informed Hong over there.

It was just that Ling Ouwen had not returned yet. What should she do?

Hong told her not to worry and Hong also said that Young Master would be back very soon.

Sure enough, in less than ten minutes, Nanny Chen saw Ling Ouwen angrily walk in from the door. He seemed to be very angry. When he saw Hong in the hall, he said impatiently, "What's the situation? Where is she? It has only been a few hours and she already has a high fever. This woman is really amazing. "

"You are back. I also don't know what is going on. Young Madam's entire body is burning when she comes back. " Nanny Chen carefully said.

Ling Ouwen was very angry. When he was driving outside, he received a call from Ling Zhenghao. Hong told him that Lin Wanyan suddenly had a high fever and asked him to quickly go back to take care of her. If it wasn't for his Grandpa, he wouldn't even look at her.

He originally wanted to come over and take a look and give Grandpa an explanation. He could just call a doctor and forget about it. But he didn't expect that just as he walked to the door of the room, he heard a very strange sound, like the panting of a woman.

Ling Ouwen was shocked and felt that it was strange. He frowned and immediately opened the door and entered. There was only the bedside lamp in the room. The vision was hazy and dim, but the light clearly illuminated the woman's exquisite figure on the bed.

Lin Wanyan took off the coat of her pajamas and revealed the sexy nightdress inside. He could see her beautiful breasts. She leaned on the bed, her face flushed red. She panted slightly, as if she was very uncomfortable.

Ling Ouwen did not know what happened. He only felt that his brain short-circuited and he could not help but walk towards her.

"Lin Wanyan, what are you doing?"

Just as Ling Ouwen walked to the bedside, Lin Wanyan impatiently hugged him. Her breathing was a little hurried, and her eyes were as charming as silk.

Her proud chest was tightly pressed against his chest, and her posture was extremely ambiguous.

"Please save me, I feel so uncomfortable. . . " She reached out her hand and touched his body, which was unfamiliar to her. The current Lin Wanyan was very charming.

She had never been so proactive before.

Her initiative made Ling Ouwen very happy. He grabbed her wrist, and his eyes became even more serious.

"What exactly do you want?" Ling Ouwen's magnetic and deep voice was filled with forbearance.

At this moment, Lin Wanyan only felt as if there was something inside her body biting. This made her feel exceptionally uncomfortable. Only by sticking close to this man in front of her would she feel better.

"I feel very uncomfortable. You have sex with me. I beg you. "

Lin Wanyan had long been muddled by the medicine. She did not know what she wanted to say at all. Before Ling Ouwen could react, she impatiently kissed his cold thin lips.

But the next step, she did not know what to do. She did not take the kiss, nor did she take the initiative to kiss a man. However, her unskilled kiss made Ling Ouwen's blood boil in an instant, and his throat became dry.

In the next second, he had already pressed her under his body and pressed down on the back of her head, making the two of them kiss even more deeply.

"Do you really want to have sex with me that much? Don't regret it. "

Tonight seemed to be exceptionally long. This was the first time he had seen such a seductive Lin Wanyan.

Ling Ouwen, who had lost control of himself, almost had sex with her for the entire night. In the end, although the medicinal effects on Lin Wanyan's body slowly faded, she also fell into a deep sleep, exhausted.

The next day.

When Lin Wanyan got up, she felt that all the strength in her body had been drained. She almost could not get up. Just as she was lying on the bed, she suddenly heard the sound of water coming from the bathroom. She was shocked and immediately sat up.

That was Ling Ouwen?

Why was he in her room? Could it be that he spent the night here?

Lin Wanyan shook her dizzy head and kept thinking about what happened yesterday. She vaguely remembered that after drinking the medicine that Nanny Chen brewed, there was something wrong and even took the initiative to do that to Ling Ouwen. . .

Heavens, could it be that there was something wrong with that medicine?

Just as Lin Wanyan was surprised, Ling Ouwen was wrapped in a bath towel and exposed his beautiful mermaid line and abdominal muscles. He pushed open the bathroom door and saw the woman on the bed getting up. He could not help but laugh. His voice was cold and carried a trace of lust.

"You are still thinking about what happened last night. "

Seeing him come out, Lin Wanyan was very nervous. She hurriedly wrapped her naked body. When she heard him talk about last night, a few scenes flashed in her mind.
