C6 A Night of Punishment and Nightmare

No kissing, no touching. He forcefully entered her body. That tearing pain almost made Lin Wanyan faint from the pain.

Lin Wanyan's teeth were trembling from the pain, but she still had to listen to the ridicule of the man who invaded her.

"Why are you pretending to be pure? This is not the first time that you have done this. "

He was like a demon, using her as a tool to vent his desires time and time again. How many times had he made love to her in the bathroom? Lin Wanyan did not remember at all. In the end, her legs turned soft and she could not stand anymore. Ling Ouwen had just thrown her onto the bed when he had sex with her a few more times. In the end, Lin Wanyan, who was exhausted, was really tired. She finally fell asleep without realizing it.

"Lin Wanyan, the crimes you have committed, I will make you pay for it. "

Ling Ouwen looked at Lin Wanyan, who had fallen asleep, and seemed to be very unhappy. He deliberately pinched her thigh, but she only frowned and did not wake up.

She probably could not open her eyes. That was why she allowed him to torture her. In any case, she was already used to it.

Ling Ouwen had always been an expert in love.

However, he just couldn't control his feelings for Lin Wanyan, this woman. He couldn't help but want to take her.

And Ling Ouwen's feelings were regarded as a punishment to her.

Punishment. He hated this woman, that was why he wanted to punish and humiliate her.

After it was over, Ling Ouwen casually threw Lin Wanyan onto the bed. He didn't care what she looked like now.

Ling Ouwen, who had put on his clothes again, was about to leave when he suddenly saw the naked woman on the bed frowning. She showed a painful expression. Her body was still tightly curled up, and she looked very cold. But she was too tired and sleepy, and couldn't even move.

He turned around angrily and helped Lin Wanyan clean her lower body for the first time. He covered her with a blanket before leaving.

The next day, Lin Wanyan woke up from a nightmare. She seemed to have dreamt of the scene from a year ago. She opened her eyes and the sky was already bright. The hot sunlight made her eyes hurt.

Only then did Lin Wanyan realize that she did not even close the curtains last night and directly fell asleep.

And that person would not even help her pull the curtains.

When she lifted the blanket and was about to get up, she discovered that her entire body was about to fall apart. Her entire body was sore.

She looked at her body again. She was completely naked. There was actually a pile of red kiss marks on her body.

When she saw these marks, she remembered what happened yesterday.

Every time he came, he would follow Old Master Lu's instructions and routine, and he would use her as a tool to torture her with all his might.

She had cried and begged him for mercy, but she only felt even more pain. So after that, she simply did not resist. In any case, resistance was useless.

She looked at the bedside again, it was still as empty as usual.

Every time he tortured her, he would leave without a trace of emotion. They did not communicate or hug. Rather than saying that they were husband and wife, it would be more accurate to say that they were enemies.

Lin Wanyan stood up with difficulty and carefully walked on the road. She did not know how many times she had sex with him in the bathroom and bed last night.

Sometimes, she even suspected that he had taken drugs. How could he last so long?

Lin Wanyan just finished changing her clothes and Nanny Chen took the initiative to bring breakfast in. Of course, other than breakfast, there were more important things.

After entering the house, Nanny Chen looked at her with some difficulty. Her eyes carried a trace of sympathy and guilt. Actually, she heard her call for help last night. But this was the Ling Family. She was just a servant. Without Ling Ouwen's orders, she wouldn't dare to come over.

"You should eat breakfast first, and. . ." Nanny Chen seemed to have something to say to her halfway through her sentence, but her words stopped abruptly.

Lin Wanyan took a sip of the orange juice from the plate and then her gaze fell on the box of medicine on the plate.

She stared at it for a long time and did not say anything.

Nanny Chen stuttered. She only said the word "Young Master. "

Nanny Chen really could not say it. Before Ling Owen left, he specially instructed her to watch Lin Wanyan eat the medicine.

Lin Wanyan knew what it was and before Nanny Chen could say anything, she directly swallowed the white pill into her stomach.

Along with the pill, there were also the tears that she forced out.

Although this was not the first time, her heart still felt a trace of pain.
