

CEO's Escaping Ex-wife

Chapter 9 - Sister Don't Feel Guilty -

C9 Sister Don't Feel Guilty

Lin Wanyan took the bus for two hours to get here.

In the female prison.

She had not seen Lin Yunxi for a long time and Lin Yunxi seemed to have lost a lot of weight. She had a pale face and did not use any makeup. Her clear eyes were filled with innocence.

Lin Yunxi sat on the other side of the glass window. When she saw Lin Wanyan coming over, she immediately revealed a faint smile and her eyes flickered with a trace of emotion.

"Older sister, you haven't come to see me for a long time. How is Erwin now? He also hasn't come for a long time. Does he hate me? "

When she talked about Ling Ouwen, she seemed very nervous. Then, as if she remembered something, she asked in a panic, "Sister, did you tell him what happened a year ago?"

Lin Wanyan held her hands tightly and forced a smile. She said calmly, "How could it be? How could I tell him those things? Don't worry, I will definitely do what I promised you. As for Ling Ouwen, he probably didn't come to see you because he was too busy with the company. After all, he is the president of Ling's Group. I believe he will come to see you when he has time. "

Lin Wanyan maintained her composure, afraid that Lin Yunxi would find a flaw. It had been a year and she had never told Lin Yunxi that she was already Mrs Ling. She did not want Lin Yunxi to be sad.

No matter what, Lin Yunxi's current state had something to do with her.

"Elder sister, Erwin is your brother-in-law. When I was not by his side. You must help me keep an eye on him. When you go back, help me deliver a message. Tell him. . . I miss him very much. I'm fine here. As long as I'm obedient, it might not take five years. I only need three or four years to get out of jail, and then I can be with him again. You told him to wait for me. "

Lin Yunxi had an intoxicated smile on her face and her eyes were filled with longing. In her heart, she was very disgusted with Lin Wanyan. She had long known that it was like

this. A year ago, he and Ling Ouwen had already married. She deliberately pretended not to know because she wanted Lin Wanyan to feel guilty. Moreover, she knew Lin Wanyan too well. She would never tell Ling Ouwen the truth.

Lin Wanyan, I will get Mrs Ling's position back sooner or later.

"I will help you pass the message. "

"Sister, I know that Erwin and our father are blaming you. It was because of you that I went to jail. But don't think too much about it. And don't feel guilty, I've always treated you as my own sister. What I've done is voluntary, I hope you'll live a better life. " Lin Yunxi said with a smile.

Lin Yunxi looked at Lin Wanyan's guilty eyes and could not help but laugh. She knew that the more she said that, the guiltier Lin Wanyan's heart would be and the more she would feel sorry for her.

"Lin Yunxi, I'm sorry. If it wasn't for me, you wouldn't have become like this. . . "

When Lin Wanyan heard Lin Yunxi's words, she felt her throat tighten and tears unconsciously flowed out. Lin Yunxi had been in prison for a year but had never blamed her. She actually treated her like a biological older sister.

However, how could she have a good time this year?

She had insomnia every night and had nightmares. She dreamed that Ling Ouwen wanted to insult her. She dreamed of Lin Yunxi's resentful eyes and dreamed that everyone blamed her for causing Lin Yunxi to go to jail.

"You don't blame you. Sister, Old Master Ling shouldn't have allowed Erwin to marry you anymore, right? Erwin doesn't have a girlfriend, does he? He's still waiting for me, right?" Lin Yunxi had a look of anticipation and hesitation, afraid that she would get some bad news.

Lin Wanyan tightly bit her lower lips. At this moment, she only felt a huge stone pressing down on her heart, making her unable to breathe.

Lin Yunxi saw that she did not speak and immediately became flustered and revealed a trace of fear.

"Big sister, are you hiding something from me?"

"No! He had been waiting for you. He did not have a girlfriend, nor did he get married. He had been waiting for you. . . "Lin Wanyan interrupted her. Her face was calm, but her heart was very uncomfortable.

Lin Wanyan tightly clenched her palm and wanted to use the pain to maintain her calm.

Lin Yunxi, don't worry. Just pretend that nothing has happened. When you come out, the woman with Ling Ouwen will still be you, not me. I am just temporarily in that position.

I'm sorry.

Lin Yunxi let out a sigh of relief. There was a faint smile on her face. "I knew it. He will definitely wait for me. Sister, do you know? Actually, what I'm most afraid of isn't that Erwin doesn't love me anymore. It's that I'm afraid of Old Master Ling. Old Master Ling has always wanted you to marry Erwin. "

Lin Yunxi's heart was filled with hatred towards Lin Wanyan. She actually dared to snatch away her man! Moreover, she even put on an act in front of her. It was simply disgusting to the extreme.

"No, don't worry. "

Lin Wanyan held the microphone tightly. She really could not bear to face her again, so she simply found an excuse to leave.

"Lin Yunxi, I still have things to do with my broadcasting station. "

"Big sister, if you have something to do, go ahead and do it. Don't worry about me. "

"Okay. "

After Lin Wanyan walked out of the prison, she finally let out a sigh of relief. Even her breathing became smoother.

She was afraid that if she continued to talk to her, she really would not be able to bear it.

She really did not want to make her sad.

Because the bus station was quite far away, Lin Wanyan could only walk over. Due to the snow, the road was very slippery. She wore high heels and could only move slowly.

She had just taken two steps when she saw a familiar car driving towards her. She recognized that car at a glance. It was Ling Ouwen's!

He actually came to see Lin Yunxi today.
