Chapter 14

Chapter 14 Did you cheat on me?

Viola held her head high, glancing down at Alishia on the ground, "You can ask her."

Alisha was still coughing, and her face was already red from coughing, She pointed her finger at

Viola, speechless.

Seeing this, Anaya looked at Viola and said in disappointment, "Viola, Alisha was your sister-in-

law. Although she said something mean to you just now, she has apologized. How could

you do this to her?

"She's just a little girl. Viola, you used to be very kind. Why have you become like this?"

Her remarks were implying Viola had revenged on Alisha.

Alisha nodded, coughing and crying, looking very pitiful.

The crowd began to whisper. After all, the victim was the daughter of the Caffrey family. Everyone began to condemn Viola.

Orlando didn't say a word, staring at Viola seriously.

Viola felt annoyed under his gaze, sneering, "You know your sister very well. Don't tell me you also think I was trying to take revenge on her?"

He pressed his lips tightly, not answering His expression was a little sophisticated.

Viola gave a mocking laugh, finding that her question was very absurd. She thought, *when did Orlando ever believe me?*

Forget it. I don't want to explain to him anyway.

She turned around to leave but was stopped by Alisha's friends.

"Don't go! You can't just leave after hitting Alisha. This is not over!"

“That’s right. You can’t leave unless you apologize to Alisha.”

Just as Viola was about to retort, she saw Russell push through the crowd and come in front of her.

Some girls saw Russell, and their eyes lit up.

The girls started to complain, “Mr. McGraw, you’ve seen this, right? This woman is extremely

vicious!”

“Yes, Mr. McGraw. You should seek justice for Alisha. Besides, how can this immoral woman be worthy of you?”

Without any expression on his face, Russell slowly took off his suit jacket.

As the girls were fascinated with his hunky figure, he gently put his jacket *around* Viola’s shoulders.

“It’s late at night. Don’t get cold,” he said in a loving tone.

The crowd looked at this scene in shock and fell into silence.

The girls all looked at Viola, their eyes burning with jealousy.

“It’s getting late. Let’s go back.” Russell wrapped his arms around Viola naturally.

Viola nodded.

Just as the two of them turned around to leave, Anaya’s sharp voice came from behind.

“Mr. McGraw, the fact is that she has bullied Alisha. Are you really going to cover her up?”

Russell turned his head but was looking at Orlando. “My girl never takes the initiative to cause

trouble, unless someone provokes her. Mr. Caffrey, you can check the security tape if you don’t believe me. Otherwise, we can go to the police station to make the thing clear.”

Then he turned to look at Viola with tenderness in his eyes.

Orlando was stunned.

He wondered, *it looks as if they've known each other for long.*

Clenching his fists, he looked at Viola in Russell's arms. "Did you cheat on me?" he asked *sternly*.

His question made the crowd gasp.

They wondered, *is Mr. Caffrey being jealous?*
