

Ex-husband Goes Money Comes Chapter 238

When Viola heard Bobby's roar, her face turned pale.

It was over! She should have controlled herself!

She was going to screw everything!

Ormand did not say a word. He stood tall and straight. There was no fear in his eyes. There was even a hint of arrogance in his eyes. It suggested that he would do the same

thing again.

In Bobby's eyes, Ormand was provoking him.

Bobby was furious and was about to pull the trigger.

"Don't! Bobby, you got it wrong! It's me, I, I slept with him!"

Viola's lips trembled and she was so embarrassed.

Compared to Ormand's life, her legs were less important!

Bobby was confused.

"If you don't believe me, you can look at his neck. I couldn't hold it in..."

The more Viola spoke, the lower her voice became. Viola covered her face in shame, and her face was burning because of awkwardness.

Bobby was full of doubts. He held the gun in his hand and slowly approached Ormand.

Ormand did not move and let Bobby take off his scarf.

The hickeys on Ormand's neck stunned Bobby.

What the hell...

UE

The scent quieted down in an instant, and the atmosphere was a bit strange.

Viola covered her face lightly, wishing she could hide away.

Now, her affair in the hospital was known by Todd, Bobby, and Lainey!

Ahhhh! She would be too embarrassed to meet anyone!

She was going crazy, and her right ear was suddenly pinched.

The strength was so strong that it seemed like the guy wanted to make her red ear redder.

“Ouch! It hurts! Bobby, this is a public place! Orin and Todd are still watching. You should at least save my self-esteem...”

“Well done, Viola!” Bobby was so angry. “You actually brought me glory. Should I praise you like this?”

“You don’t have to praise me. I’m a modest person!” Beating her up with weaker strength would be enough.

“Heh, you’re not gonna confess?”

Bobby’s eyes were full of fury. He loosened Viola’s ears and lifted her by her back.

“Go home! Your leg will be whole for only three minutes!”

Viola covered her face, wanting to cry.

Bobby was so angry, she would be killed after she went home, right?

Bobby gave out a cold aura. He turned around and walked into the car, but someone grabbed his wrist from behind.

“Mr. McGraw, Viola is an adult. She has the right to choose what she wants to do. Moreover, she is my fiancée. There is nothing wrong with what she has done.”

“I don’t need outsiders to interfere with my lecture for Viola!”

Bobby glared at him and sneered, "I heard that the Hobson family has strict family rules. I never knew that such a rude person like you was one of them! Don't think that I don't know that you seduced her just because she protects you! I'll break her legs before killing you!"

The eyes of the two men met as the atmosphere became tense.

Bobby turned to leave, but Ormand held Bobby's wrist tightly and refused to let go.

Bobby's anger surged. He released Viola and pushed Ormand away.

He used all his strength in the punch. Ormand did not fight back and was hit in the

chest.

Ormand groaned and staggered back. His face was pale and his chest was in pain. Bobby's punch tore his gunshot wound.

Blood surged. Ormand tried his best to swallow it back, but he couldn't hold it in. Blood

flowed out of his mouth.

"Orin!"

Viola rushed up to support Ormand. Seeing him vomit blood, she knew how heavily Bobby had beaten Ormand. She was so distressed that her eyes turned red.

“Bobby! He was shot yesterday. He was badly injured. He just finished the operation. How can you punch him!”

Bobby looked at his hand, then looked at Ormand, who was in so much pain that his head was covered in a cold sweat. Ormand looked weak. He was not putting on an act. Bobby felt a little guilty. “I thought he would fight back...”

He knew that Ormand’s skills were not bad and he could be a good match for him, but Ormand didn’t dodge.

After the pain was gone, Ormand held Viola in his arms. “Mr. McGraw, I’m Viola’s fiancé. I’ve received your punishment on her behalf. Is this enough? If not, you can break my legs.”

“No! Orin...” Viola felt her eyes sore as tears streamed down her face. She raised her face and looked at Ormand with heartache.

Ormand had a bitter smile as he gently wiped off the tears on Viola’s face.

It hurt so much that he almost couldn’t hold on.

“I want to hug you...”

Viola reached out to hold Ormand. Ormand bent his back and weakly leaned in Viola’s embrace. He rested his head on her slender shoulder and adjusted his breathing.

Bobby looked at the two people who were showing off their affection in a daze with serious faces.

However, Viola had been angered to tears, so he did not speak for a moment.

Lainey sighed and stood up to say, "Well, the time has changed. Since they are engaged, is it important whether they sleep together or not? It is rare for Ormand to be willing to suffer for her. Don't come in between them."

Bobby was speechless.

He turned to look at his wife. Why didn't she speak up for him?

So, he was the only bad person here?

He looked at Viola and Ormand.

One was crying bitterly, and the other was severely injured.

Why did it look like he was breaking a loving couple?

He was the villain...

Bobby let out a long sigh, "Forget about it. It happens that he's injured. You both must behave yourselves, do you hear me?"

"Got it." Viola's face was wrinkled and full of grief.

Bobby softened his tone. "Take him back to see if the wound is torn, but you are not allowed to stay in his place. You must go home, understand?"

“Thank you, Bobby,” Viola said happily. Her tears were worth it.

“OK.”

Bobby looked away and turned to leave.

Lainey quickly ran to Viola and whispered, “Bobby is stubborn, but he is soft-hearted for you. Don’t be angry with him.”

“Let’s go!”

issatisfied voice came from the front.

“Coming!”

Lainey patted Viola’s shoulder to comfort her, then gave Ormand a look of approval before running to Bobby.

After the car left, Viola immediately checked on Ormand.

“Is it painful? Can you walk? Should I ask Todd to carry you into the car?”

Todd nodded wildly. He had been so anxious!

Kolby just said that Ormand could not be injured again, but as soon as Ormand left the laboratory, he was beaten again.

Todd immediately stepped forward and was ready to carry Ormand.

Ormand ignored him. He raised his pale, handsome face and looked at Viola slyly. "When your brother attacked just now, I retreated a bit. I wasn't seriously injured. I just put on an act. Don't worry about me."

"Really? Don't you lie to me."

"I swear."

Viola chuckled, "Then I'll punish you if you don't keep your promise!"
