

## Ex-husband Goes Money Comes Chapter 254

The president's office of the Hobson Group.

Ormand entered the office. He had just sat on the chair when Todd rushed over for a reward.

"Mr. Caffrey, you look so vigorous today. You must have had a wonderful night, right?" Todd rubbed his hands with a silly smile on his face.

Vigorous?

After Ormand knelt on the washboard for nearly an hour last night, his knees were still swollen and bruised. They hurt when he walked.

Ormand narrowed his eyes, his expression unreadable, but the corners of his mouth curved into a strange smile.

Todd was stunned. It was the first time he saw such a strange expression on his boss's face. Todd couldn't tell whether Ormand was angry or happy.

Was this a success or a failure?

Todd was a little uncertain.

For the first time, Ormand wore a pair of black leather gloves at work. He took off the gloves and showed his left palm to Todd. Ormand's deep voice was emotionless.

"What do you think of the situation last night?"

As Todd looked at Ormand's left hand, which was swollen and red, Todd's eyeballs almost fell out of their sockets from shock.

Todd thought, this is...

Was he beaten by Ms. Zumthor again?

His hand is swollen like this. Ms. Zumthor hit him so hard!

As expected, Ms. Zumthor is fierce.

Todd subconsciously swallowed his saliva. Todd could imagine how miserable the situation was last night after Ormand did what Todd had taught him.

With Ormand's savage and vengeful nature, he must be resentful and get back at Todd.

Todd thought, damn it! I can't get a reward, and I'm asking for trouble.

Almost instantly, Todd's legs went weak. He knelt at Ormand's feet and hugged Ormand's right leg with a sad face.

Because Todd's acting wasn't good enough, he couldn't force out any tears. He could only yell at the top of his lungs.

"I'm guilty. I shouldn't have come up with such a bad idea. It's all my fault. I'm willing to accept any punishment. I can be dismissed for the time being, but don't deduct money from my salary. Otherwise, I can only eat instant noodles every day."

"Who said I wanted to punish you?" Ormand looked down at Todd with infinite eyes, and the corners of Ormand's mouth curled into a smile.

"Eh?"

Todd's crying face froze, which was a little funny.

"You don't want to punish me? Could it be that you want to give me a pay raise?" Todd asked in disbelief.

"Yes," Ormand said in a calm voice.

He didn't look like he was lying.

Although Todd's stupid idea had caused Ormand to get beaten up, it provided him with a good start. Last night, not only did he sleep with her, but he also made a pact with Viola. Besides, Ormand finished the task given by Willard.

Therefore, Todd didn't do anything wrong. Instead, he deserved some credit.

Todd did not know the real reason. He widened his eyes in shock and looked at Ormand with suspicion.

Todd thought, is Mr. Caffrey beaten silly?

Or could it be that ... he is masochistic?

The more fiercely Ms. Zumthor beats him, the more excited he is, right?

Ormand was lost in thought when Todd stared at him.

Ormand thought of Viola, who sobbed while being punished by him last night. She was so soft and cute that his heart melted. He couldn't help but smile.

Todd was gazing at Ormand, wondering why Ormand's smile was so creepy.

Todd thought, is Mr. Caffrey reliving last night? He is indeed a masochist!

Todd's face was twisted, one eyebrow high and the other low, and he observed Ormand with a strange expression.

Ormand noticed Todd's gaze. "Aren't you happy that I raised your salary?"

"Of course, I'm happy! If there are such good things in the future, call me at any time. If Ms. Zumthor can't satisfy you, I'm willing to satisfy you for her. My service will guarantee your satisfaction!"

Ormand looked at Todd strangely, and Ormand's face gradually darkened. "What are you talking about? Viola can't satisfy me? You want to satisfy me for her? What do you think I am?"

"I understand. This is Ms. Zumthor's exclusive privilege. It's a little game between you and your wife."

Todd revealed a very understanding smile and left the president's office.

Ormand looked at his back with a baffled expression.

Ormand thought, why can't I understand what Todd said?

The interview in the ward was about to end.

"The relationship between me and Rex was over the moment I jumped off the bridge yesterday. I don't want to care about the past, no matter whether it is sad or happy. When I recover, I will devote myself to work as soon as possible and strive to create better works for fans and the audience."

There were flashlights and sounds of cameras clicking around Sherlyn.

Viola only let a few reporters of the most influential media come in for an interview.

After hearing Sherlyn's words, the reporters looked at each other. From this, it didn't seem that Sherlyn would pursue the matter of Rex's cheating.

A reporter said, "Ms. Ayre, you jumped into the lake because of Mr. Johnson's affair yesterday. I think you must have been devastated. What made you move on so soon?"

Another reporter said, "Mr. Johnson apologized to you last night. So you're willing to forgive him, right? Then can you tell me who had an affair with him?"

Sherlyn fell into a long silence.

Seeing this, Viola gave Sherlyn's agent a look.

The agent and the assistant sensibly interrupted the interview. "Everyone, Sherlyn hasn't fully recovered yet. You are almost done with the interview today. Let her rest early."

The reporters dispersed.

After the others left, Viola walked over to Sherlyn and asked, "Why didn't you

take the opportunity to expose the evil deeds that the jerk and bitch had done to you? Let the netizens blame them."

Sherlyn shook her head. "Because I know that doing this is useless. It will also hurt me. So what if they are criticized? After some time, when things quiet down, they still can make a big splat.

“Besides, the internet has memories. If I expose how they insulted me, these things will become scandals in the future and affect my career. I’d better hide them. Also, I can make the public praise me and leave a good impression on the netizens.”

Hearing this, Viola was very pleased. “After this incident, you have matured a lot.”

Sherlyn smiled at Viola and held Viola’s hand emotionally. “I have to thank you for all of this. To me, you are a friend more important than my family and lover.”

“Hey! You can’t say that! If your future husband finds out, he will be jealous of me.”

The two of them exchanged a smile.

After noon, Sherlyn said that she wanted to leave the hospital. Viola called the doctor over for a check-up.

The agent suddenly rushed into the ward in a hurry. “Ms. McGraw, Sherlyn, look at your cell phones! Susan is crying on a live stream.”
