

Ex-husband Goes Money Comes Chapter 276

Viola spent the night in the laboratory ward with Ormand.

The next morning, she brought Ormand back to the villa.

According to the precautions written by Kolby, Viola drafted a plan for Ormand.

Ormand could not smoke, drink, or liave intense sex. He should eat more fruits and vegetables. He should do his morning exercises for half an hour every day.

Seeing that she was in high spirits, Ormand gladly accepted her arrangement without words.

The moment they returned to the villa, Viola went to the kitchen to make a pot of congee.

After having breakfast with Ormand, Viola said, "I have something to do today. I need to go back to the McGraw's house. Don't go to the Hobson Group for the time being. If any documents need your sign, just let Todd bring them to you."

"Since you are going back to the McGraw's house, shall I go with you?" Ormand was startled.

S

"No need."

Viola added another bowl of congee to him, hiding her emotions.

“You just had an angina yesterday. You are weak today. Don’t run around. Rest well for two days and recharge.”

Ormand was a little worried because he noticed that Viola had gone upstairs to change clothes after she had returned.

Viola had always loved to wear dresses. Today, she wore a thick pair of jeans and a neat white T-shirt, which made her look tall and delicate. Chapter 276 Viola Asks for Beating

But Ormand always felt that there was something strange about it.

“Bobby seems to be still in Salt Lake City recently. I’m worried about you going back alone.”

“Bobby loves me the most. He won’t hurt me.” Viola laughed.

Ormand stopped talking and his breath was heavy.

“Don’t worry. I won’t let him know that we slept together before. Just stay at home obediently. I’ll come back when I’m done with work, alright?” Viola kissed Ormand’s forehead.

“Alright.”

Ormand felt better after being kissed by her.

Viola walked out in satisfaction.

She drove back to Adain Mountain alone and did not go to Willard's villa on the top of the mountain. Instead, Viola went directly to Bobby.

When she arrived in front of Bobby's villa, Viola lingered for a while, took several deep breaths, and repeatedly confirmed the thickness of her pants before she mustered the courage to ring the doorbell.

As soon as her hand was lifted to the doorbell, the door opened from the

inside.

Viola froze on the spot because she saw Bobby's cold eyes. He was dressed in an expensive azure suit, giving off an oppressive vibe.

"Hey, Bobby, what a coincidence! Are you going out? Have you had breakfast with Lainey?" Viola awkwardly withdrew her hand and asked in a flattering tone with a smile.

"It's not a coincidence. I saw you sneaking in from the garden the moment I went downstairs. What are you trying to do?" Bobby narrowed his eyes.

Viola chuckled, "Look at what you're saying. I'm not sneaking around."

Bobby knew Viola too well, but he didn't bother to expose her. Thus, he turned around and sat back on the sofa in the living room.

Viola followed him into the liouse and looked upstairs. "Lainey isn't home today? She went out so early?"

Viola was so nervous that hier palms were sweating. "If Lainey were not here, wouldn't I be beaten to death today?" thought Viola.

"She's in the study upstairs. Are you here to look for her?" Bobby said casually. He opened the drawer of the coffee table and was about to have a cigarette.

When he remembered that Viola didn't like the smell of smoke, Bobby silently put it back and looked up at Viola.

Viola had just breathed a sigh of relief. However, when she noticed Bobby's gaze, she, who was already guilty, immediately began to tremble.

Then Viola immediately was about to kneel down.

There was a soft carpet under the sofa and the table in the living room. She deliberately picked a piece of fluffy place to kneel. It actually did not hurt at all.

Seeing Viola act like this as soon as she came, Bobby knew what was going on in his heart. He smiled, but his eyes were cold. "What? What did I tell you before?"

Viola lowered her eyes and said in a pitiful tone, "You said that if I sleep with him again, you'll break my legs. No matter who tries to persuade you, it won't work."

"Then how many times did you sleep with him, Ms. McGraw?"

Hearing him call her "Ms. McGraw" in a sarcastic tone, Viola knew that this

was the omen of a storm. She felt a burst of fear in her heart.

“About four or five times?”

After saying this, she immediately felt the sharp chill from Bobby.

Then she quickly added, “I know that you said this for my good. You’re afraid that if Ormand and I don’t get married in the end, it will spread that I lived with him and slept with him. It will ruin my reputation.”

Viola said firmly, “But Bobby, I never care about what others think. As long as I live freely, it is enough. And Ormand treats me very well...”

Bobby sneered and interrupted her. “I heard that he has been very close to the star spokesperson of the Hobson Group in the past few days. He doesn’t know how to keep his distance from other women. How do you think that he treats you well?”

“Bobby, where did you hear that?” Viola was stunned.

“That female celebrity’s agent told everyone about the quarrel between you two in the Hobson Group. If it weren’t for my interference, the stock market of the two families would have been in turmoil for another two days.”

Max was a troublemaker!

Viola was extremely disgusted with Max. But right now, she had to deal with something even more important.

She lowered her head and didn't know how to explain it to Bobby. After all, she couldn't tell Bobby about Ormand's illness for the time being.

Bobby stood up and rolled up the sleeves of his suit. His behavior was noble and elegant, but his tone was ironic. "What reason do you want to fool me?"

"How dare I!"

"There's a misunderstanding between him and me. We quarreled two days

ago, but we made up last night. I believe Ormand won't dare to let me down." Seeing that Bobby was about to beat her, Viola became a sissy.

"He let you down once before. You believe him, but I don't believe him! You have only been with him for a long time. He dared to quarrel with you so quickly and even hooked up with a female star. I can't forgive him!"

LA!

Bobby's jaw tightened sharply as he squatted down in front of Viola and spoke in a rare gentle tone.

“Viola, I won’t beat you up this time. I will help you break off the engagement and then find a way to kick his ass for you. If you can’t get married into a rich and powerful family, I will take care of you for a lifetime.”

“Don’t, Bobby!”

Seeing the killing intent in Bobby’s eyes, Viola looked as if she was ready to die. “I won’t break off the engagement. Moreover, I took the initiative to have sex with him every time. That’s my fault. Don’t kick his ass. You ... just beat me

up!”

The air seemed to freeze instantly.

Viola lowered her head, unable to breathe under the pressure of Bobby’s furious charisma. She could only swallow with difficulty.

Although the McGraw family doted on Viola so much, she was still afraid of Bobby.

When Viola was young, she was nearly the same age as Russell. Both of them were very naughty. Their parents couldn’t control them. They were beaten up by Bobby. Even now, Viola still had lingering fears.

Viola was terrified.

But only by crossing this hurdle would she be able to take the opportunity to mention Jerry!

Bobby stood up without a word. His expression was grim, and his eyes were gloomy and terrifying.

“Looks like you came here on purpose to seek for being beaten? Alright, I’ll help you.”

Bobby untied the leather buckle on his waist, neatly pulled it out, folded it, pointed to the armrest of the sofa, and said in a cold tone, “Lie there
