

## Ex-husband Goes Money Comes Chapter 300

After a while.

Viola shook her sore wrist. She had never felt so tired taking a shower!

Her whole body was wet. She not only had to help Ormand but also had to help herself!

She held back her anger and walked out of the bathroom with Ormand.

After wiping the water on his body, she placed him on the tile ground that was not wet with water and threw the night robe directly on his face.

“Dress yourself!”

Ormand didn't move, nor did he take it. He just let his nightgown slip down from his face and fall to the ground.

“My arm is weak, and my hands hurt...” He wouldn't wear it himself!

Viola glared at him. She clenched her teeth and was about to lose her temper.

He was challenging her bottom line?

She gave him a ferocious look.

“I’ll give you one minute to pick it up and put it on. Then get out and get clean pajamas for me. If you dare to exceed the time limit, I’ll help you remember the last time! I’ll never feed you medicine at

night!”

Ormand’s Adam’s apple bobbed slightly, and his knees and hands seemed to ache in an instant!

She would never feed him medicine at night!

No! He couldn’t accept it!

Viola took a shower while counting ruthlessly. “You have fifty-eight seconds left!”

He immediately bent down to pick up the robe, quickly buttoned it, opened the door, put on slippers, and rushed to the next wardrobe to get a clean women’s robe.

“Ten, nine, eight...”

Viola’s countdown sounded in the bathroom, like an emotionless clock.

When she counted to the last second, Ormand accurately hung the robe on the shelf of the bathroom.

Viola glanced at him and teased, “Wow, it seems that Orin has great potential to be activated!”

Ormand didn’t respond.

Tonight, Viola saw through his mind!

He was so angry that he slammed the bathroom door.

It seemed that he had vented all her anger on the door.

Two days later.

It was winter now, and Salt Lake City had dark clouds. The sky was foggy, and it soon rained.

The cold wind mixed with drizzle suddenly lowered the temperature by dozens of degrees.

Walking on the road, people would shiver with cold.

The iron gate of the high-level prison opened slowly with a dull sound.

Jerry took off the prison uniform and changed to a white thin shirt.

He held the black bag in his arms, which contained the few clothes he had worn when he was in prison.

Seeing that he walked slowly, the prison guard pushed him out of the iron gate of the prison and said, "Cherish the opportunity you get to be bailed out. If you go out in the future, start a new life and behave yourself!"

Jerry staggered two steps and suddenly looked up at the cloudy sky, letting the cold rain fall on his face.

A smile gradually appeared on his wrinkled face.

Start over?

Yes, this would be a new beginning for him!

A black minibus suddenly stopped in front of him at the end of the street.

Toby and Vincent got out of the car and covered his mouth without saying anything, pushing him into the back seat.

Jerry knelt and he gave a grunt.

As he lowered his head, he caught a glimpse of a pair of delicate high-heels.

He was overjoyed. He raised his head and saw Viola sitting next to him. There was a small table between them.

On her delicate and charming face, there was extreme coldness and endless disgust in her eyes.

Jerry put his hands on his knees and moved into the car. "We haven't seen each other for more than half a month. You are still as beautiful as before, which makes me fall for you."

Viola tried her best to hold back disgust and didn't want to listen to his nonsense. She went straight to the point. "Where is the medicine?"

"What medicine?"

Viola furrowed her eyebrows, looking dangerous all over.

She took out her pistol, loaded it, and pressed it against Jerry's forehead. Chapter 300 bottom Line?

"Are you kidding me? If I can let you out, I can also send you in!"

Her gun was pressed against him with great strength, and Jerry's head tilted slightly.

"Don't worry, Viola. I will do what I have promised you. As long as you bail me out, I will give you the medicine that can relieve his body virus first. But I just came out of prison. How can I have it with me?"

Viola still pointed her gun at him and said coldly, "Where is the medicine? Take me there."

Jerry chuckled. "No way. If I take you there, you will get my trump card. I will wait for you to be willing to marry me."

Jimmy and the other bodyguards were annoyed by what they heard. They wanted to beat this shameless villain up right away.

Viola kept silent for a while and said, "What do you want?"

Jerry looked out of the window at the drizzling rain and asked casually, "Do you have a pen?"

Viola winked at Jimmy.

Jimmy took out a pen from the pocket of his suit, found a piece of paper in the car, and handed it to Jerry.

Jerry took it and quickly wrote down a phone number.

"I'll call you again before tomorrow night. Just follow my words and get the medicine at the appointed place."

Viola looked at the number carefully, but there was no emotion in his

cold eyes. "Jerry, if you dare to play tricks, I promise I will make you suffer more pain than death!"

“No, I dare not. As long as I get what I want, you will definitely get what you want!” He smiled and gently pushed the muzzle of her gun away with his fingers.

Viola took back her gun, handed it to Jimmy, and continued to ask, “Where are you going now? To the Felton’s place?”

“No.”

Jerry observed the location outside the car window, and his blue eyes were deep and calm. “Just drop me by the road. I have something to deal with.”

Tyler quickly pulled over. Toby and Vincent immediately opened the door, grabbed Jerry’s collar, and were about to throw him down.

“Wait a minute!”

Jerry stopped them.

Viola raised her eyelids and asked impatiently, “So what now?”

Jerry pretended not to see that and said with a smile, “I don’t have any money with me. I want to buy some warm clothes, have a meal, and buy a pack of cigarettes. Would you like to give me some, Viola?”

Suppressing her anger, Viola glanced at Jimmy and asked, “How much cash do you have with you?”

Jimmy immediately flipped the pocket of his suit and touched the pocket in his trousers. “80 dollars.”

“Give it to him.”

Jimmy threw the 80 dollars on Jerry’s chest unhappily. “Ms. McGraw pities you. Take it and get out!”

Jerry wasn’t annoyed and went to pick up the money.

As soon as he picked it up, Toby and Vincent kicked him hard out of the minibus. Then they quickly closed the door and left.

Vincent was still very angry and cursed.

“Shameless man! Ms. Zumthor is far out of your league.”

Viola didn’t stop him.

Instead, she stared at Jerry in the rearview mirror, who was getting far but still standing there. “Find two skilled men to follow him secretly. I want to know where he goes.” She ordered Jimmy.
