

Ex-husband Goes Money Comes Chapter 334

Viola was stunned.

She wasn't here to see her future mother-in-law. Why should

she dress up?

However, she still had to deal with Jerry. She just said tactfully, "I didn't bring many clothes with me when I came here. This is the best I can get."

Hearing her explanation, Jerry was no longer disappointed.

Instead, he looked upset.

"Sorry, it's my fault. I should have prepared a dress for you in

advance. Viola, don't get mad. I'll be more thoughtful next

time.

"Never mind. You don't need to apologize," Viola said, looking

away.

"Let's go in first and I'll take you around. I'll get someone to send you the dress before noon. Then we'll have lunch at my

mother's place."

Jerry smiled, looking at Viola's face affectionately and

obsessively. He took the initiative to pull her hand.

Before Jerry could touch her, Viola frowned slightly, and her

right hand instinctively dodged.

Her actions seemed to irritate Jerry.

He rushed forward and grabbed Viola's chin.

“We are going to get married soon. Why don’t you let me touch you? Why can Ormand kiss you and hug you in public, but I can’t even hold your hand?”.

“We are not married yet. We have practically nothing to do with each other right now. Who the hell are you to hold my hand in public?” Viola glared at Jerry.

Todd was about to come out of the car. When he saw the scene, he decisively stepped forward, grabbing Jerry’s wrist. “Let go! You’re hurting Ms. McGraw!”

Only then did Jerry let go of Viola’s chin, but his wrist was still tightly gripped by Todd. Jerry struggled twice to get rid of it but failed.

“Are you Viola’s bodyguard?”

Todd put on a disguise today. There was a big red birthmark on his left cheek and a big black mole at the corner of his right eye. His entire face was densely packed with red pimples. He also put on makeup to make the bridge of his nose look taller.

He looked a bit ugly. Jerry couldn’t recognize him.

“Yes, Mr. Martinez, I am David McGraw, Ms. McGraw’s Chapter 334 Todd Is So Ugly

bodyguard," Todd said calmly, staring at Jerry.

Jerry only glanced at him once before withdrawing his gaze. He couldn't bear to look down on that ugly face.

He looked at Viola suspiciously. "Viola, you always have strict requirements regarding the appearance of the bodyguards. When did your taste change and find someone so ugly?"

Viola looked at Todd. He was indeed a little too ugly today.

"He wasn't so ugly before. He grew some acne on his face because he hasn't been accustomed to the environment here. Although he doesn't look very good, his body is not bad, and he can beat people up. Don't underestimate him."

Jerry ignored Todd's face and glanced down at Todd's neck. His tone sounded a little jealous.

"His body is okay, but there are plenty of guys with good bodies. Besides, you haven't seen him take off his clothes. Maybe he doesn't even have abs."

Being checked out by those two people, Todd lowered his head, feeling a little embarrassed.

He quietly touched his abdomen and let out a long sigh.

Fortunately, Orlando was not here. If Orlando knew that Viola praised Todd's good body, Orlando would be very jealous and

send Todd to a remote place so that Viola would never see Todd

again.

Seeing that Jerry was completely focused on Todd, Viola changed the topic. "I'm tired of standing here. Let's go."

Without waiting for Jerry to reply, she took the lead and walked in front, avoiding Jerry's attempt to hold her hand

again.

Todd quickly followed her.

Most European-style buildings were mainly white and golden. They were solemn and dignified, and most of the walls were covered with ceramic murals. They were completely different from the American architectural style.

Jerry walked side by side with Viola, showing her around and explaining the architecture to her.

"Apart from the king's bedroom, study, and meeting hall, you

can go anywhere you want to go. I have a warrant from my

mother."

Viola moved her eyebrows. "But I want to visit the king's

bedroom and see his bed. I want to know how different his bed

is from ours.”

Jerry looked at Viola seriously with his charming eyes as he said Viola’s name with emphasis, “Viola.”

“Alright, if you don’t want to go, then don’t. I’m a little tired. I need a break.”

“I can take you to Alez Palace where I’m temporarily staying. I’ll get someone to send the dress there as well.”

Viola nodded and secretly glanced at Todd.

“Ms. McGraw, Mr. Martinez, my stomach is not feeling well. I want to go to the bathroom if you excuse me.”

Viola said, “If I had known that you would suffer so much, I wouldn’t have brought you out today. Hurry up.”

“Yes, Ms. McGraw.”

“Wait, stop!”

As Todd had just turned his head, he was stopped by Jerry.

Todd had no choice but to turn around. His face was red from holding it in. "Mr. Martinez?" he asked, trying to hold back his pain.

Jerry narrowed his eyes and said, "There's also a bathroom in Alez Palace if you hold on for a while longer."

"Ah?"

"I'm having diarrhea. I really can't hold it anymore. Mr. Martinez, let me get it over with right now. Don't worry. My

job is to protect Ms. McGraw. I'll be back as soon as possible."

Viola looked at Jerry and said with a hint of accusation, "What are you doing? He's having diarrhea. That's normal. He didn't do it on purpose."

Although Jerry wasn't very happy, he still compromised for the sake of Viola.

"Jamie, take him to the bathroom nearby. Keep a close eye on him. Don't let him get lost. It would be hard to explain to the patrolling guards if he gets caught."

“Yes.”

After Jamie and Todd left, Jerry silently moved closer to Viola.

Viola sensed his approach. Her hand hidden in her sleeve subconsciously touched the emerald ring on her knuckles, and her expression darkened.

“This is the imperial palace, and so many people are seeing us. Please remember that I am still engaged to Ormand. Please behave yourself.”

Jerry narrowed his eyes, and his tone instantly became unfriendly. “Viola, why haven’t you revoked the engagement with Ormand? Are you fooling me?”

“I’m not.”

Viola calmly explained, “I’m just protecting the interests of my family. Besides, you said that you wanted to hold an exotic

wedding. When our wedding is over, it doesn’t matter if I

revoke my engagement in the United States, isn’t it?”

“That’s true. If Ormand finds out that you are already mine, he will be very surprised!”

Jerry smiled evilly, his deep blue eyes flashing with

excitement.

He planned to have a big wedding with Viola!

He wanted everyone in the world to know that Viola had

married him!

And Ormand was the one who must know it!

Viola glared at him coldly. “Jerry, you better hold yourself! If I find out that you dared to use our wedding to provoke Ormand, I would never let you off!”

When a rabbit was anxious, it would bite, not to mention Viola, a bad-tempered little leopard.

“Alright, as long as you’re willing to marry me, I’ll do as you say.”

Viola no longer spoke and continued to walk forward. They

soon arrived at Alez Palace.
