

## Ex-husband Goes Money Comes Chapter 335

On the way to Alez Palace, Jerry had arranged everything.

In the room, a white blanket was on the deck chair. There were exquisite fruits and snacks on the coffee table, as well as fruit tea with honey in it.

There were three rows of hangers on the side with exquisite dresses of various styles, and two rows of high heels were placed on the plush carpet.

The stylist and makeup artist had been waiting for a long time.

When they saw Jerry bring Viola in, they bowed to them respectfully.

“I’m not used to people helping me change my clothes and makeup,” Viola said unhappily.

Jerry immediately waved his hand at them.

“Viola, these snacks are from Portugal. They are very delicious. I had someone send them over. Have a taste!” He walked over to the coffee table and attentively handed over a plate of snacks to Viola.

Viola glanced at the snacks. For some reason, not only did she have no appetite, but she also felt a little nauseous.

“I don’t really want sweets recently. Suit yourself.”

She walked over to the dresses and began to pick.

Jerry immediately put down the snacks and walked over to help her pick.

He picked a blue evening dress. "What about this one? Blue looks gentle. With long silk sleeves and a white fur collar, you won't be cold."

The most important thing was that this dress was perfect for the blue suit he was wearing. In that case, they would look like a couple.

He had never worn a lovers pack with Viola before.

His eyes shone with anticipation, and he was in high spirits.

Seeing that Viola didn't take it, his hand moved an inch closer to Viola. "Be good, Viola. Change into this one."

Viola didn't say anything. She also noticed with her sharp eyes that the dress Jerry chose was of the same color as the one he was wearing

"No, I like this one more. I'll go next door to change." She wouldn't choose this one. She turned around and picked a dark red silk dress from the other row.

Jerry's face instantly turned dark. He grabbed her wrist and pulled her back. He emphasized in a deep tone, "I said! Put this

one on!”

“Let go of me!”

“Jerry, you know me. I won’t let you control me!” Viola was also annoyed.

The toughness in his eyes almost instantly softened, and his tone also weakened.

“Viola, you don’t even know how happy I was when you came to Portugal. It is as if we are here to travel. I’ve been trying my best to satisfy you no matter what you said in the past two days.

“I won’t force you this time. Can you give in and change into the dress I chose this time?”

“But I don’t like it!” Viola looked at him coldly.

Her words were simple but distant, which seemed to hurt his feelings.

“You don’t like the dress, or you don’t like me? If the one standing here and holding the dress today is Ormand, will you still refuse?”

LLLLLL

He was furious. He narrowed his ruthless eyes.

He grabbed Viola's arm hard and fiercely threw her onto the chair, then got on top of her.

"Don't move! If you come any closer, I will kill you!"

When he got on top of Viola, Viola decisively took out the silver needle on the ring and pressed it against his neck.

Jerry laughed so hard that tears were about to come out of his eyes.

He placed his hands on the deck chair. Because of the silver needle, there was always a little distance between him and Viola. Jerry couldn't get any closer.

"If it were Ormand, would you hurt him?"

His tone was somewhat sad, and his laughter even stranger.

"If I insist, will you really have the guts to kill me? If I die today, you won't be able to get out of this palace, and Ormand will die with me. The three of us will die together. Do you dare?"

Viola stopped talking

Indeed, it was impossible for her to kill him before she succeeded in obtaining the Super Serum.

But in fact, Jerry said this because he didn't understand her past with Ormand.

She had also fought with Ormand desperately before. Even this silver needle had been stained with Ormand's blood.

But the difference was that she had loved Ormand for six years.

But she had never loved Jerry.

"You're different from him. Your love has always been selfish and sick!

"Your sick control and possessiveness made me unable to breathe!

"You force me to accept the things that I don't want! You force me to accept the conditions to get what I want! You set me up and then save me to make me grateful to you. Your love is scheming

"As for Ormand, he wants to gain my attention, but at most, he will be sadfishing and show the white feather. He will never hurt me!

"You should know in your heart that it has been a deal from the beginning. Even if I marry you, you will never win my heart and I will never love you!"

Jerry was stunned on the spot.

His blue eyes slowly turned dim.

It was true. He was indeed calculating. Every move he made, he wanted to possess her, so he could not argue with it.

“Looks like I’m not in the mood to see Cristina today. Let’s Chapter 335 You Are Different From Mr. Hobson

talk about it another day,” Viola said and pushed him away while he was still in a daze.

“Don’t! Viola!”

Jerry wanted to grab her wrist again and keep her.

This time, Viola was prepared. Before he could touch her hand, she quickly turned around and slapped him.

“Jerry, I won’t kill you, but I can slap you!”

She used all her strength to slap him ruthlessly.

Jerry was slapped so hard that his face turned to the other side and his lips were bleeding.

His skin was fair, and the injuries on his face were obvious at that moment.

Viola looked at him with a cold smile and said in a cold tone, “Sorry, I slapped you a bit too hard. But your face is injured. How can you go to see Cristina like that? I think it’s better to go another day.”

After she finished speaking, she didn't want to stay any longer and left without looking back.

—

Jerry looked at her elegant back and wiped the blood from his mouth with his hand. He smiled bitterly and mocked himself. He looked down to hide the emotions in his eyes.

Viola heard his laughter and unconsciously walked faster.

As soon as he walked out of Alez Palace, he saw Todd and Jamie walking over.

Seeing Viola coming out alone, Jamie asked, "Ms. McGraw, where is Mr. Felton?"

Viola exchanged a glance with Todd before replying to Jamie, "He's inside. I don't think we can see Cristina today. I'll have to trouble you to send us back to our residence."

"What?"

Jamie was slightly shocked, "Why are you suddenly not going? Did Mr. Felton agree?"

"Go in and ask him yourself."

When Jamie walked in, Todd quietly approached Viola and whispered, "Duke Miguel will come later. Ms. Zumthor, you

can't leave yet."

Duke Miguel?

Todd saw through her doubts, so he said, "Duke Miguel, the husband of the princess."

Since Miguel was Cristina's husband, Viola must find a chance to see him today. Chapter 335 You Are Different From Mr Hobson

Det Blerius If she missed the chance today, she might not be so lucky next time. After all, Miguel rarely came.

But...

Viola had just slapped Jerry and said that she would go another day. If she changed her mind, what should she say?
