Chapter A Who is His Beloved wife

Russell took Viola to do the styling

In the evening...

A top notch banquet was about to begin at the East Hotel, which was a fancy seven star hotel in Washington.

At the entrance of the hotel, the upper-class ladies and bosses were standing at the door, agreeing with each other.

A Lamborghini Huracan suddenly stopped in front of the gate.

Orlando slowly got out of the car with his escort, Anaya. Orlando was noble and awe-inspiring, and his aura was domineering. Anaya was elegant, gentle, and lovely.

Their appearance caused a stir in the crowd.

"Wow, Mr. Caffrey is handsome. Who is his escort? She is beautiful!"

"Don't you think that they are a good match? I'm so jealous."

"Is she Mr. Caffrey's wife who has been hiding for three years? They are so sweet!"

Anaya felt the envious gazes of the socialites and proudly raised her chin.

She was the illegitimate daughter of the Callis family, and she had been looked down upon by those noble young ladies since she was young

But so what?

Anaya believed that Orlando would marry her. In these high-class banquets, she would be in the limelight.

She would even become the top socialite in Washington!

"Wow! That's the President of Angle Group, Mr. McGraw!"

Anaya was full of pride when she suddenly heard a commotion in the crowd.

Then, Anaya saw a limited edition Rolls Royce Dawn slowly stop.

Russell was the first to get out of the car. As high as six foot one, he appeared to be so imposing. Wherever his gaze went, it would cause waves of exclamations in the crowd.

After that, everyone saw him smile and bow, reaching out to hold the person in the car.

It was rumored that Russell never got close to women. But he brought an escort this time.

Everyone was curious and looked into the car.

What came into the view of the crowd were fair and slender legs and a pair of expensive black diamond high heels, followed by a black fishtail custom-made dress, which vividly outlined the woman's exquisite and slender figure, making people completely unable to move their eyes.

When the woman looked up, the crowd was stunned.

She was beautiful, noble, and cold.

Anaya, who was standing right in front of them, was stunned. There was also shock on her face.

Russell's escort was...

"Viola?"

Chapter 9 Got Cheated?

When Viola heard someone call her name, she turned to look at him, her face expressionless.

She guessed Orlando and Anaya would appear, but since Orlando asked her to apologize in the villa, she completely gave up.

Orlando was just an insignificant ex husband to her.

With a decent smile on her face, she held Russell's arm and stepped forward to socialize.

Noticing Viola and Russell walking toward her, Anaya was shocked and turned to look at Orlando.

Orlando's eyes were also fixed on Viola. He seemed to be shocked, but the color of his eyes was deep

Because of what happened during the day, he felt a little guilty.

But in the afternoon, not only did she change her appearance, but she also hooked up with another man.

Although she was indeed beautiful tonight, so beautiful that it was soul stirring.

They had been married for three years, but he actually did not know his wife could be so gorgeous.

And was Russell her new man?

They had just divorced in the morning, and she found herself a new man in the evening. How could she be so fast?

Orlando felt strange, and his dark eyes gradually turned cold. It was a sign that he was about to get mad.

He glared at Viola, who was walking toward him, and waited to ask her for a reasonable explanation.

They walked over and turned around. Viola shook hands and greeted the president of Hosan Company, treating him as air!

Undoubtedly, she looked down on him.

Russell seemed to be hostile towards him?

Orlando's face was getting darker, and Anaya's expression was also a little unnatural. Just now, she had even reached out and prepared to sow discord.

However, the man ignored her, and she choked back the words.

Orlando's sister, Alisha, also came to the banquet. She had been sipping champagne in the hall and

came out when she heard the commotion at the door.

Anava, how did that bitch per inhere?" Alisia asked. She leaned closer to Anava and gently

rubbed her shoulder

Anaya's eyes lit up, and she said in a small voice, "Viola, you still don't know, right? Viola and Orlando got a divorce this morning I didn't expect her to find a new man so soon I give her my blessing."

Alisha's face gradually turned green.

"Blessing my ass!"

She glared at Viola, who was socializing with Russell, and said, "They just divorced in the morning, and she found another man to take her to such a high-class place at night. Even a rocket can't

compete with her speed!

"This bitch! She probably hooked up with him before they divorced! She dared to cheat on my brother. I will tear her face apart!"

Alisha was like a firecracker. She immediately went in Viola's direction in a fit of anger.

Anaya pretended to dissuade her, but she didn't manage to pull her back. Then Anaya gave a faint

smile.

"Sir!"

Alisha shouted from behind. Hearing that, Russell turned around. Alisha was amazed by the handsome face.

There was actually an outstanding man who was as handsome as her brother in Washington!

For a moment, her jealousy and anger toward Viola reached the peak.

"You are?"

Russell glanced at her coldly.

Viola smiled as she leaned close to his ear and explained, "She used to be my sister-in-law. She is the most arrogant and despotic person in the Caffrey family."

Russell heard that, and his face became even colder.

Although Viola whispered to his ear, her voice was not soft at all, and Alisha could hear it. The

intimate action of the two pissed Alisha off.

With the handsome guy around, Alisha put on a nice look and pretended to persuade the handsome man in a high voice.

“Sir, please don’t be fooled by this woman. She was married! And she is not a noble lady at all. She is a big liar who grew up in an orphanage! She is very scheming. She had an affair with my

grandfather. She...”

With a scream, the crisp sound of a slap rang out.

The entire banquet hall fell silent in an instant!
