Whitney pulled Alisha back. Although Whitney was also very angry, in front of so many outsiders, Whitney was still able to show the client and innngnanimous attitude of a rich lady.

Previously, due to the engagement being annulled, the Caffrey family and the Callis family had not had a good time, and the world had many speculations about Orlando not showing up

This time, Whitney had intentionally dressed up in front of the public to let everyone see that the Caffrey family was

still as strong as before.

Alisha said, "But Mom, they

Alisha had been pampered since she was a child, so how could Alisha be willing to suffer this?

Alisha still wanted to argue, but Alishu's wisi Was pulled back by Javlin, who was dressed in a water (airy dress and Was graceful.

Javlin leaned close to Alisha and whispered something.

Alisha sul consciously raised her head to look at Viola, who was standing beside Audrey.

Viola was looking at Alisha as well.

Wiren they were looking at each other, Viola chuckled and turned to look for Russell, who was socializing with others,

However, Viola's seemingly ordinary smile was provocation in Alisha's eyes.

Alishia gritted her teeth and said, in a low voice, "That bitch!"

Jaylin patted Alisha on the shoulder and said, "Don't worry, Viola won't be able to be arrogant soon!"

The three of them looked at each other and immediately beamed.

The ceremony had officially begun

The Callis family had put in a lot of effort for this ceremony. In the past, it was usually a party with people socializing and dancing, but this time, in order to highlight the unique characteristics of the theme, they specially presented a initial arts performance.

This was the first time everyone had attended such a unique ceremony. They were in high spirits and the atmosphere was very lively

The two masters of the different arts schools presented a real battle.

The guests below the stage stared at the scene, and they continued to applaud.

Viola was trying the exquisite side dislies that Russell picked up when Viola was suddenly called out.

There was a sudden silence for two seconds.

No matter how good Viola's martial arts Coundation was, low could Viola be compared to William? Moreover, there was such a great disparity in strength between men and women. Viola looked like she had small arms and legs. It semed that even if William used two fingers, Viola would not be able to withstand it.

Wasn't that making things difficult for Viola?

Breenda had been backstage preparing for a performance, but wlien Breenda beard the noise outside, Ercenda sat in a wheelchair and let someone push her onto the stage

Breenda said, "Ms. Haworth's succestion doesn't seem very fair. You and Ms. Zumthor are honored guests of the Callis family. It will be the Callis family's fault if any of you get hurt. Why don't you sit down and watch the performance? Maybe you'll like the next one."

Audrey also stood up and chocd.

Javlin stood still and stared at Viola.

Sensing that her side had become weaker, Alisia stood up and provoked Viola with words.

Alisha said, "It can't be that you are afraid, right? That's simple, Admit that the people who bragged about your prowess were all deceived by you. You are a big liar who came from an orphanage."

Beide couldn't stand it any longer.

Bore Bry could say anything. Viola put down her fork and said, "It's not that I'm afraid. It's just that I think it's furahiplas pret if I wir After all, I won't lose."

As soon as Viola finished, the entire audience was in an uproar.

William was angry. William said, "Since this young lady is so content, why don't you try it out? But you are a little better off. It is not notable to win VIM, so I will only defend and not attack. I will let you make ten moves. If you can come in backpin and move, then you win."

That was so dandy

William was acting loud and respectable

And this meant that Viola couldn't avoid fighting with William.

If Viola loses, people would say that Viola was arrogant and stupid and that Viola even embarrassed Russell

Everyone's attention was on Viola, and they were all gloating over the drama.

Viola met William's eyes and stood up gracefully. Viola smiled and said, "Since Mr. Hood has spoken, I will respect you. However, it is not necessary to let me make ten moves. I will not win in a glorious manner."

Viola was wearing a dark red satin dress, coupled with Viola's beautiful and arrogant face, her temperament was fierce and elegant, almost making everyone unable to move their eyes away.

Unfortunately, William was a martial maniac and could not tolerate others looking down on him, especially a woman.

William snorted coldly. William was angry. William said, "I'll do as you say I will be serious."

Viola still had a calm and composed smile on her face. Viola left her seat and was about to walk toward the stage. Brenda was worried that Viola would suffer a loss, so Brenda stood up:

Brenda said, "Since you're going to fight, Ms. Zumthor's clothes don't seem appropriate. Why don't we all watch the other performances first? We'll wait for Ms. Zumthor to get changed before coming back?"

The guests had no objections.

Brenda quickly gave the maid a look

Viola didn't refuse and let the maid lead the way, leaving the banquet hall.

Alisha saw that Viola had been unbelievably calm from the beginning, and Alisha suddenly felt a little worried.

"Jaylin, look at Viola. Don't tell me Viola thinks she can beat Mr. Hood. And none of the professional fighters we sent last time came back. What if..."

"There is no 'what if'."

Jaylin was very confident. Jaylin said, "Although the last few are not bad, they were still far from being comparable to Mr. Hood. Viola is only in her twenties. Even if Viola has a foundation in martial arts, it is impossible for Viola to be better than Mr. Hood. You just wait and see."

“Then what if Mr. Hood yon gasyon hier?”

“Don’t worry.”

Taylin Smile proudly and leaned close to Abu’s car. Daylin continued, “There is nothing in this world that money Can’t solve. I have already sent someone to bribe Williant. I want him to pretend to make a mistake and cripple Viola. This time, the remony is hosted by the Callis family. No matter what, it can’t be blame on us!”
