

THE POWER OF THE FIRST DAUGHTER, DOCTOR AND CONCUBINE DOMINATES THE WORLD

Chapter 2 Rebirth

"Cough cough cough..."

Xie Zhiwei wiped off the mist on the eyelashes, and the figure in front of him became clearer and clearer. A small face the size of a palm, skin like creamy fat, a pair of Ruifeng eyes are clear and bright, star pupils turn slightly, charming, Her lips were like vermilion dye, trembling slightly, as if she had suffered infinite grievances.

It's not Xue Wanqing, who is it.

See you again so soon!

Didn't Xiao Xun promise her that he would keep Xiao Changxuan and Xue Wanqing alive and make them kneel for ten years before sending them on the road?

Xiao Xun dared to lie to her!

"Big cousin, it was clear that you wanted to push me down the pond. I hid a little faster, but you couldn't hold back for a while, so you slid down by yourself. How can you blame me?" Xue Wanqing wiped the teardrops from the corners of her eyes with a handkerchief.

Xue Wanqing is right, Xie Zhiwei is a little confused, could it be that they are not in Huangquan?

"Biao girl, your mouth is really good at talking. I saw with my own eyes that you pushed Mei Mei into the water. Even I admire your ability to reverse black and white!"

Xie Zhiwei looked at the familiar figure in front of her, her nose was sore, her eyes filled with tears, it was her mother.

Yuan looked very angry, she rushed forward, "Since Mei Mei wants to push Cousin into the pond, Cousin should stay in the pond for a while!"

Mrs. Yuan stretched out her hand to grab Xue Wanqing's arm, but Xie Zhiwei hurriedly stopped, "Mother, wait a minute!"

Yuan's body froze for a moment, he couldn't believe it, and thought that his ears were hallucinating.

She is Xie Zhiwei's stepmother, and Xie Zhiwei never called her.

Xie Zhiwei didn't have time to say anything to Yuan Shi, she stood up, the soaked clothes felt very uncomfortable on her body, wrapped in a cloak, she approached Xue Wanqing step by step.

The girl was about ten years old, and she was staring at her with innocent eyes, "Big cousin, you, what do you want to do?"

"Did I slip into the pond by myself?" Xie Zhiwei asked calmly, but there was a stern aura in his bones, inviolable.

"Yes, it's big, big cousin, you slipped down by yourself." Xue Wanqing burst into tears, "Big cousin, it's clear that you wanted to push me, so you slipped down by yourself."

The more Xue Wanqing talked, the more she felt that what she said made sense. Although just now, she saw that there was no one around, so she had evil thoughts and pushed Xie Zhiwei into the pond.

Xie Zhiwei is the eldest daughter of the Xie family. At a young age, she has an outstanding appearance. She is unparalleled in intelligence. Speaking of the Xie family, only Xie Zhiwei was the only one who didn't know her, Xue Wanqing.

Why does a dog like Xie Zhiwei live in the world?

Yes, it was Xie Zhiwei who slid down by himself, and no one saw it anyway.

Xue Wanqing raised her neck slightly, full of confidence, and said righteously, "Big cousin, I know you don't like me, but you can't use such means to frame me!"

Xie Zhiwei and Xue Wanqing can be said to have known each other for a lifetime, and she knew Xue Wanqing very well, she sneered in her heart,

"Okay, Xue Wanqing, since I want to push you into the water, how can you stand on the shore?"

After finishing speaking, Xie Zhiwei grabbed Xue Wanqing's arm.

Xue Wanqing turned pale in shock, thinking that this eldest cousin is really crazy, isn't she afraid that her grandmother will punish her?

"Big cousin, what do you want to do?" Xue Wanqing struggled, "Grandma, help..."

Xie Zhiwei was obviously thin and weak, but her five fingers were like iron tongs, and she dragged Xue Wanqing to the edge of the pond. She pushed Xue Wanqing into the pond, kicked him out cleanly, and splashed water in the pond.

In the pond, the back of Xue Wanqing's head hit a circle of stones in the middle of the pond, and a cloud of blood spread in the water...

Xie Zhiwei stood on the shore, watching Xue Wanqing sinking bit by bit coldly, leaving only a light red on the surface of the water with the rouge red tapestry cotton beige, and the past and present were repeated in her mind over and over again. Presently, for a moment, Xie Zhiwei's eyes were as cold as frost.

Unexpectedly, she was reborn!

So soon, she and Xue Wanqing met again!

To this day, Xie Zhiwei still can't figure out why Xue Wanqing in her previous life wanted to kill the Xie family? She has lived in Xie's family for more than ten years, even if she climbed into Xiao Changxuan's bed, Xie's family still never treated her badly, and prepared one hundred and twenty-eight dowries for her, without any perfunctory.

"Help, help, save the girl, the girl is dying!"

Xue Wanqing's maid, Mu Xiang, was the first to wake up and screamed. The stunned servants rushed into action, and two women who could swim quickly jumped into the water and swam towards Xue Wanqing.

Xie Zhiwei glanced coldly, turned around and walked towards the backyard, Yuan Shi took a deep breath, she couldn't see through this stepdaughter more

and more, and was worried, so she hurriedly chased after her, "Mei Mei, let the mothers carry you back Room!"

"Stop!"

The mother and daughter looked up and saw an old lady coming out from the door of the Moon Cave. Behind her, the servant girls followed her, majestic and magnificent.

"Nurse Yu, give me a slap in the face, and beat this cruel, vicious, disrespectful thing hard!" The old lady glanced at the pond, her granddaughter had been rescued, and she looked wet. With a drenched body, closed eyes, and a pale face, he suddenly felt distressed.freewebnovel.com

Nurse Yu walked up to Xie Zhiwei, she raised her chin slightly, squinted at Xie Zhiwei, and said in a strange way, "Miss, I've offended you, this servant is about to attack!"

After finishing speaking, she rolled up her sleeves, revealing a pair of hands like eagle claws, and raised them high.

Xie Zhiwei glanced at the hand, and looked at the old lady, "Grandmother, dare to ask granddaughter what did she do wrong, and grandma wants to punish her like this?"

Feng Shi was about to have a stroke, her precious granddaughter was about to die, and it was not because of this little hoof, she actually asked what she did wrong so righteously?

"You are not filial or fraternal, shouldn't you be punished?"

"Is my cousin dead? Didn't she die? She pushed her granddaughter into the water first. The granddaughter pushed her into the water to educate her. Don't do to others what you don't want to do to others. Is this also wrong? If the grandmother wants to punish the granddaughter, after returning home, ask Grandfather, grandfather thinks that granddaughter should be punished, and granddaughter will not be too late to receive punishment!"

"you..."

Feng's body swayed like a leaf in the wind, "Do you think that even I am not qualified to teach you? Yuan Shi, is that so?"

Mr. Yuan stood beside her, lowering her head and looking down, "Mother, my daughter-in-law is not Mei-Mei's biological mother. My daughter-in-law dare not say anything, for fear that the world will say that her daughter-in-law treats her stepdaughter harshly."

Feng's eyes widened, she pointed at the two of them, her hands trembling, "Okay, okay, okay, I understand, I am also Yuan Bai's stepmother, what do you mean, as a step-grandmother, I am not qualified to raise you This step-granddaughter, since that's the case, you don't have to follow me back home!"

"Granddaughter obeys!" Xie Zhiwei disapproved, she looked up at Feng Shi, "Granddaughter and mother will stay in Famen Temple, please grandma return my mother's dowry to me!"
