

Fake Marriage 1331

Chapter 1331: It's Great to Have a Hubby (6)

"Didn't you say that the woman died?"

"From the looks of it, it's obvious that she didn't."

Mu Huan: "..."

In other words, that little boy was really her senior brother's son!

Look!

She knew it. That person couldn't be so similar for no reason!

She looked at the beautiful and elegant woman again.

As if sensing their gaze, the woman looked in their direction.

Compared to Yu Hansheng, who was stunned to the point of being unable to move...

When the woman looked over and met his gaze, she did not even pause for a moment. She only slowly smiled elegantly before looking away.

Mu Huan: "..."

That glance, that indifference, and that gentle smile made her heart ache for her senior brother...

Her senior brother was so shocked and still cared so much, but the other party had simply nonchalantly ignored him.

Bo Junyan: "..."

This woman had really changed a lot.

Yu Hansheng: "..."

This wasn't... wasn't Xiaoxiao...

It was just a woman who looked like her!

If it were Xiaoxiao, she would definitely not have ignored him like this...

Xiaoxiao was already dead... He saw her die in the sea of fire with his own eyes...

Just then, David, the host of the banquet, walked toward them with his arm around the woman and the child.

Every step they took felt like they were walking on the tip of Yu Hansheng's heart. That feeling... was so heavy that for the first time in his life, he wanted to turn around and escape, but... he couldn't move...

He wasn't injured and was fine, but he couldn't move...

He could only say with difficulty, “Bo Junyan, that’s not Xiaoxiao, right?” He wanted to get Bo Junyan’s affirmation and have him tell him that this woman wasn’t Xiaoxiao. Xiaoxiao had died five years ago.

Bo Junyan glanced at the self-deceiving him and did not speak.

Just then, David came up to them with the others.

“Junyan, let me introduce you. This is my wife, Xiaoxiao, and my son, Sam.” David proudly introduced his wife and son to them.

Mu Huan: “...”

Her senior brother had just said that this wasn’t Xiaoxiao.

But that confirmed that this was Xiaoxiao.

She was a human wife, and the child was also human...

This...

It was a vicious stab, so painful that one could not imagine how painful it was!

She could not help but look at Yu Hansheng.

When Yu Hansheng heard the mention of her son, Sam, he looked down at the beautiful boy.

Suddenly, his face turned pale...!

This child looked... looked... like him when he was young...

Could it be... could it be...

No... this was impossible! Absolutely impossible!

He had seen her die in the fire with his own eyes. He...

“Xiaoxiao, this is Mr. Yu.” David introduced Yu Hansheng to his wife.

Ouyang Xiaoxiao looked at Yu Hansheng and smiled. “Mr. Yu, long time no see.”

David asked curiously, “You know Mr. Yu?”

“Yes. He’s the scum ex-boyfriend that I told you about before.” Ouyang Xiaoxiao’s smile was a little mocking.

Mu Huan: “...!!”

Wow! Shocking! She said it so directly!

She didn’t pretend to have lost her memory, she didn’t pretend to not know him, she didn’t hate him, she didn’t resent him, she only smiled mockingly!

For her to be able to speak of such things from the past, it meant that she really didn’t care.

To someone who obviously still cared about her, not caring about him was the greatest revenge! Just thinking about it made her heart ache!

Chapter 1332: It's Great to Have a Hubby (7)

Although she should feel sorry for her senior, Xiaoxiao's temperament was likable!

"I didn't expect it to be Mr. Yu." David paused for a moment before reaching out to hold Yu Hansheng's hand. He said gratefully, "Mr. Yu, I'm really grateful to you. If you hadn't treated Xiaoxiao badly, I wouldn't have been able to marry her! Thank you for giving me this opportunity!"

His expression of gratitude instantly made Yu Hansheng want to kill him!

Mu Huan: "..."

This move was much too ruthless! This was simply like stabbing someone and twisting it twice! It was quite ruthless! It was quite satisfying!

She really wanted to give him a double thumbs-up. How awesome!

Sensing her excitement, Bo Junyan glanced at her.

Mu Huan was too busy watching the show to notice him.

Bo Junyan: "..."

She was like this.

Was this the legendary superficial relationship between a senior and a junior?

Yu Hansheng had always been an evil person who did as he pleased. Human lives were nothing in his eyes. Once he felt a killing intent, it would become even stronger and more terrifying!

It was so obvious that the surrounding people couldn't help but shiver.

Just as the atmosphere was getting extremely cold and gloomy, making one feel that something big was about to happen...

"Daddy, I want to eat ice cream!" A childish voice broke the extremely cold atmosphere.

"Alright, Daddy will take my little baby to eat ice cream," David said as he bent down to pick up the little boy.

Then, he looked at Bo Junyan and the rest. "Excuse me."

It was obvious that David really doted on the little boy in his arms.

While Yu Hansheng was still very concerned that the woman he could not let go of had become someone else's... his own son had called another person his daddy.

Aiya...

Mu Huan clutched her heart and felt pain for her senior brother.

Yu Hansheng clenched his fists tightly when David released him! The veins on the back of his hands bulged out!

He reached out to grab Ouyang Xiaoxiao, who was about to leave with David.

However, Ouyang Xiaoxiao waved her hand.

A strange fragrance assaulted his nose.

Yu Hansheng instinctively covered his nose, but it was too late.

Then, he swayed. If it weren't for Bo Junyan supporting him in time, he would have collapsed.

Ouyang Xiaoxiao looked at Yu Hansheng and sneered before turning around to leave.

Although she didn't know what had happened previously and it wasn't convenient for her to express her opinion, just by looking at how open and ruthless Xiaoxiao was, Mu Huan felt a little more admiration for this person.

However...

"This fragrance is just an ordinary S fragrance. We're fine, so why are you so dizzy that you can't stand?" Mu Huan looked at Yu Hansheng strangely.

Yu Hansheng's expression darkened.

"He has a special constitution and is exceptionally sensitive to the smell of S," Bo Junyan said.

Mu Huan: "..."

He even knew this, yet he kept telling her that he wasn't close with her senior brother...

If they weren't f*cking close, then what did close even mean?

"Senior Brother, that child looks just like you when you were young. He must be your biological son, your flesh and blood. Now, he's calling someone else Daddy. Do you feel so heartbroken that you want to die?" Previously, her senior brother had stepped on her so many times that she felt pain. If she didn't take this opportunity to add insult to injury, she would be letting herself down!

Yu Hansheng's expression darkened.

"Having to see someone else sleeping with your woman and hugging your baby... Aiyo, I feel so upset for you!"

Yu Hansheng glared at Mu Huan, the killing intent in his eyes so thick that it could make one shudder!

But...

"Come, come, do it!" Mu Huan hooked her finger at him, asking him to come over and beat her up if he had the guts. She wasn't afraid at all.

Bo Junyan: "..."

His wife looked so cute when she was angry.

Chapter 1333: It's Great to Have a Hubby (8)

If Yu Hansheng knew what Bo Junyan was thinking, he would probably vomit blood!

"Mu Huan, you'd better not give me a chance to kick you while you're down!" Yu Hansheng said through gritted teeth.

"You felt even more heartbroken and upset after being provoked, didn't you? This is what you call reaping what you sowed. Who asked you to pick on me and trample on me!" Mu Huan snorted.

"He always steps on your pain?" Bo Junyan frowned.

"Yes." Mu Huan nodded heavily.

Back then, when she was feeling so terrible, her senior brother had provoked her in all sorts of ways. There were a few times that she almost couldn't help but want to poison him.

Mu Huan nodded.

Bo Junyan released Yu Hansheng.

Yu Hansheng, who had suddenly lost his support, fell to the ground in a sorry state.

"Let's go do our work." Bo Junyan did not even look at him as he hugged Mu Huan, about to leave.

Mu Huan turned around and made a face at Yu Hansheng. She happily hugged her husband's arm and left.

1

The secret guard who was hiding in the dark to protect Yu Hansheng widened his eyes in shock when he saw the two of them leaving.

What happened to being a good junior sister and a good brother?

Yu Hansheng: "...!!"

The two of them just wait! Let's see if he won't kill the two of them after he recovered!

He was in such a sorry state!

And... and that damn... damn...

He didn't want to admit that that woman was Xiaoxiao...

He couldn't accept that everything was real.

But...

All of this was too realistic...

It was so real that he couldn't lie to himself and say that the woman wasn't Xiaoxiao.

She was really... really... Xiaoxiao...

As he thought of this, Yu Hansheng's feelings were indescribably complex.

All these years, he had thought about what would have happened if she hadn't died. Because he knew that this could only be a dream, he had thought about thousands of scenes of when they reunited.

But even so...

None of them were like this.

She was still alive and well, and she was even more beautiful than before. She was charming while holding another man's arm and calling him Hubby.

That... that child... called someone else Daddy...

He thought about that child.

His feelings became even more complicated.

Just now, he had wanted to explode but he didn't. Now, he couldn't move no matter what he wanted to do. He couldn't move like this, and it made the anger that had been about to explode suddenly get extinguished.

Suddenly, he realized that he didn't have the right to be angry. From the start to the end, she was innocent. It was him who had turned her from an innocent girl into this...

The appearance of the secret guard interrupted his thoughts.

"Master, are you going to capture Miss Xiaoxiao?" the secret guard asked after helping Yu Hansheng up.

"No need, let's go back first." If it were just now, Yu Hansheng would have sent someone to capture Ouyang Xiaoxiao.

Now that he had calmed down, he didn't know what he would do if he caught her. What would he do if he caught her?

He needed to calm down and think about what to do.

He had thought of many possibilities of her being alive, but he knew that those were just thoughts. It was impossible for her to be alive.

But now, she was really still alive.

"Yes." The secret guard supported Yu Hansheng and left.

After they left, Mu Huan and Bo Junyan walked out from the corner.

"Hubby, can you tell me what exactly happened between my senior brother and that beauty just now..." Previously, Bo Junyan had only told Mu Huan that Yu Hansheng had a woman she liked, and she was the daughter of his enemy. Later on, two lives were lost.

"We'll talk about it when we get back tonight.. Now, let's get down to business," Bo Junyan said as he hugged Mu Huan and walked toward an old man with white hair.

Chapter 1334: Unforgettable Sin (1)

“Although this Mr. Smith has retired, he has strong connections in all the departments in Country Y...”
On the way over, Bo Junyan introduced the person they were about to meet.

In the past three years, Bo Junyan had been working on a new energy source that was even better and more well-known. As for Mu Huan, it could be said that the entire world knew about her because of the life-extension medicine.

Hence, even though they were foreigners, they were still very eye-catching at this banquet. The Smith they wanted to meet was also very concerned about the two of them.

He was especially concerned about Mu Huan.

Although Mr. Liu had once looked for him and given him a life-extension drug, he had been in the pharmaceutical industry his entire life. There were some things that he was very sensitive to. Hence, he did not want those that had similar effects. He wanted them tailored for him. This was especially so for Mu Huan’s drug. It varied from person to person. As such, the effects of her drug would be better.

He knew that Bo Junyan and the rest were willing to give them whatever they wanted. Hence, they chatted happily.

In this world, people with money and status wanted to live a few more years.

With Mr. Smith leading the way, Mu Huan and Bo Junyan had roped in many key connections at this banquet.

After socializing with everyone they needed to socialize with, Mu Huan was about to collapse from exhaustion.

“Interpersonal interactions are really tiring work...” Mu Huan had rarely had such interpersonal interactions since she was young. These past three years, she had spent most of her time in the research lab. There was no such thing as interpersonal interactions there. After such a night of seeing people and talking nonsense, she was so tired that she wanted to go home immediately.

“We can go back now.” Bo Junyan reached out to hug her and let her lean into his embrace.

Just as Mu Huan was about to agree, an elegant and pleasant piano sound suddenly rang out in the banquet hall.

Bo Junyan and Mu Huan had heard many famous pianists’ concerts, but the current piano piece had still refreshed their understanding of good music.

The two of them looked over at the same time.

They saw Ouyang Xiaoxiao, who was wearing a red dress, sitting in front of the piano, her hands quickly playing.

As she sat in front of the piano, she was focused on playing it. She was so beautiful, so beautiful that she shone! One could tell from her enjoyment that she really liked the piano.

“Although I haven’t been to many performances, she played even better than those famous performances I heard!” Mu Huan said.

“She’s a pianist who once won an international competition,” Bo Junyan said.

Mu Huan: “...”

He even knew that!

“You’re not close with my senior, yet you know that his girlfriend is a piano genius?”

“Yes.”

Mu Huan: “...”

What else could she say?

At this moment, Yu Hansheng, who was sitting in a hidden corner on the second floor, looked at Ouyang Xiaoxiao, who was playing the piano, with a complex expression.

Just now, when he said that he wanted to leave, someone had helped him out, but he came back.

He needed to quietly think about what he should do, but for some reason... he didn’t want to leave.

Even though he knew that this was the truth, he could not accept such a fact. Yet, he was... afraid that this was not the truth. He was afraid that everything today was a dream. That when he woke up, she would still have passed away five years ago.

He clearly didn’t want to see her again and mess up his thoughts, but he wanted to look at her.

Just like that, he watched her from the dark.

He didn’t know what he wanted to do, what he could do, or what he should do...

For the first time in his life, his thoughts were in a mess.

Chapter 1335: Unforgettable Sin (2)

For the first time, he felt helpless...

She still loved to play the piano as much as she did in the past. No matter if she was in a good mood or not, once she played, she would become one with the music and forget everything.

Five years had passed, and her piano skills had become even more mature and emotional. Every key seemed to press on one’s heart, making one’s heart tremble along with her music. It made the originally lively banquet hall quiet down, and everyone could not help but be immersed in her music.

After the song ended, it took a while for people to react. The venue broke out in violent applause.

Then, they strongly requested Ouyang Xiaoxiao to perform another song. Her piano music had allowed them to experience the sound of nature.

With so many people requesting another song, Ouyang Xiaoxiao naturally wouldn’t embarrass her husband when he was the host and reject them.

Hence, she, who had already stood up, sat down again and began to play her second song.

This sort of top-notch feast for the ears made people feel that one or two songs were too short! They enthusiastically invited Ouyang Xiaoxiao to play another song.

Ouyang Xiaoxiao agreed again. It was just that this time, her family joined her.

She and her son played together while David played the violin.

As soon as Ouyang Xiaoxiao's son went on stage, he immediately became the focus of everyone's attention because this child was really too cute and good-looking! In particular, although he looked small, he didn't have any stage fright. He was very mature and likable.

"This child is really too mature. He has inherited all the good points of his parents. In the future, he'll definitely be a devastatingly beautiful devil!" Mu Huan sighed.

Bo Junyan: "..."

"Pay more attention to him in the future. If we have a daughter, we'll seek him out to be her boyfriend!" To Mu Huan, looks were justice!

Bo Junyan was unhappy that she was already looking for a pig for their adorable little princess before she was even born. "There are many people who are good-looking when they are young but become uglier when they grow up."

"It's impossible for him to become ugly! His mom is so beautiful, his father is so good-looking and is a peerless devil. This child is a combination of their strong points. In the future, he'll only surpass his elders!" Mu Huan said affirmatively.

"His father is so good-looking? Do you think Yu Hansheng is very good-looking?" That faint voice carried an indescribable danger.

Mu Huan, who had instinctively wanted to say that he looked good, stopped.

But...

Her senior was really a good-looking person!

"No one is as good-looking as my husband! My husband is the most, most, most, most handsome man in the world!" She reached out to hug Bo Junyan's arm and praised him in all sorts of ways.

No matter how far she backtracks, she could never unsay it!

Bo Junyan snorted and did not speak.

Seeing this, Mu Huan changed the topic. She looked at the corner upstairs where Yu Hansheng was. "Hubby, look at how miserable my senior brother is. He's hiding in a corner, watching his woman and child be happy as someone else's family..."

"Look at that family of three. This duet, their looks, it's simply... It hurts just thinking about it!" Although David was in a high position, he was still very young. He had blonde hair, blue eyes, and a high nose bridge. He was a foreign man who was very outstanding and handsome. The three of them were good-

looking: the man was beautiful, the woman was beautiful, the child was exquisite, good-looking, and cute. This duet scene was a very beautiful visual feast!

The three of them were also very talented. The sound of this song, Bullet, could only have come from heaven.

Such a beautiful scene made her unable to think about the pain in her senior brother's heart!

Chapter 1336: Unforgettable Sin (3)

"I'm so happy to see him in so much pain." She still remembered that when she was in so much pain that she was about to go crazy, he had been by her side, eating delicacies and teasing the cat while twisting the knife in her.

Ha...

Bo Junyan: "..."

"By the way, speaking of my senior brother, how long will this powerlessness last?"

"One day. He should recover by this time tomorrow," Bo Junyan said.

Mu Huan looked at Ouyang Xiaoxiao, who was sitting there playing the piano, and her heart ached even more for her senior brother.

She hadn't even known about her senior brother's weakness, so it could be seen that very few people knew about it. They were all people closer to him than she was. If he had only treated Ouyang Xiaoxiao as the daughter of his enemy and had only been with her for revenge, he wouldn't have let her know about his fatal weakness.

Based on his current performance, coupled with what had happened before, her senior brother must have been more deeply in love than she had expected.

Aiyo... that indescribable pain! It hurt!

Upstairs.

Yu Hansheng crushed the glass on the table.

All the glass shards had pierced into his palm and blood was flowing out, but he did not feel any pain.

The bodyguards standing by the side: "..."

He could not bear to see her like this, but he refused to move away. He refused to leave.

This... wasn't this him asking for torture?

Having been by his master's side for so many years, this was the first time he had seen him being a masochist.

Yu Hansheng's seat was very hidden and very few people could discover him.

However, his gaze was too intense, so intense that Ouyang Xiaoxiao easily knew where he was. However, she ignored his existence.

The best revenge she could give him now was to ignore him.

She had let go of the love in her heart, but she could not let go of the hatred in it!

Back then, he was so heartless as to take their lives!

Today was only the beginning!

The summer sky was bright and full of stars. As they sat under the starry sky, the cool wind blew, making one feel comfortable.

“Here, have some.” Mu Huan handed Yu Hansheng a bottle of wine.

Yu Hansheng glanced at her coldly, but he reached out to take it.

“Oh, I forgot. Can you drink now?” Mu Huan’s expression said, “I just remembered that you were drugged.”

Yu Hansheng snorted and did not speak.

“Tell me, why didn’t you tell me earlier that you have this problem? If you had told me earlier, I would have treated you long ago. You wouldn’t have been in such a sorry state today.” It’s true that Mu Huan wanted to see Yu Hansheng make a fool of himself and kick him when he was down.

However, the two of them had been in the same sect for three years. It was only after their relationship had reached a certain level that they began to scam each other and add insult to injury.

Hence, she was a little displeased that even someone “not close” like her husband knew about his weakness, but he did not tell her about it!

Yu Hansheng was in a bad mood and did not speak as he drank.

Mu Huan did not provoke him further. She picked up the wine glass and was about to drink when she suddenly recalled that she had plans to have a baby in the near future. Hence, she put down the glass in her hand.

“Why aren’t you drinking?” Yu Hansheng looked at her.

“I’m someone who needs to prepare for pregnancy. I have to change some of my bad habits.” As a medical worker, Mu Huan had a strong mindset for optimal birth.

“Are you still planning to give birth to a child for Bo Junyan?”

“What do you mean am I still planning to give birth to a child for Bo Junyan? We’re husband and wife, and I like children so much. We’ll definitely have a child!” Mu Huan had always liked children. She had never had thoughts of becoming a DINK[1]. If she wanted to have a child and did not have use for the term.

Chapter 1337: Unforgettable Sin (4)

“Mu Huan, don’t forget that your father was killed by Bo Junyan’s grandfather!”

Mu Huan tightened her grip on the railing, but her expression did not change. "I haven't forgotten, but..."

"Don't say anything. Bo Junyan is innocent. He didn't want this to happen. He's innocent. He didn't want this to happen, but it still happened! No matter what, his grandfather killed your father!"

Mu Huan's grip tightened. The thing that she had been trying so hard to suppress was pulled out just like that. The rebound force made her unable to control it.

Sometimes, this was how things were. Although people thought very clearly and knew things very well, they would still be unable to control their feelings and emotions. They would be unable to completely let go.

"Bo Junyan treats you well. You love him so much that you can't let him go. The two of you can be together. After all, he's innocent. He can be said to be the greatest victim. If you don't get together with him, even if you hate him, there's nothing you can do to change the past. Hence, it's fine for the two of you to be together! But how can you have a child?"

"Although he's Bo Junyan's grandfather, he's still his immediate family! In the future, the child you give birth to will have the blood of the enemy who killed your father! With things like that, would your conscience be able to take it? Would you not feel anything?" Everyone thought that Yu Hansheng had only found out about Ouyang Xiaoxiao's pregnancy after she had died.

In fact, he had long known that Ouyang Xiaoxiao was pregnant. It was precisely because she was pregnant that he had made his final decision.

He could not accept this. He could not accept that his child would have the blood of the enemy who had killed his parents.

If...

Back then, she wasn't pregnant. Perhaps, even now, he wouldn't have harmed her. He would have continued to lie to himself and continued living like that with her...

But she got pregnant and refused to abort the child.

"You're a researcher and a doctor. You know better than me and you know more about genetics. Do you really think that it doesn't matter that your child will have the blood of your enemy flowing in it?" Yu Hansheng looked at Mu Huan. It was unknown if he was interrogating Mu Huan or himself.

When Xiaoxiao had just gotten pregnant, that child had yet to draw breath. He could kill him. But now, that child was already a living human. He was so big and so delicate and cute. How could he bear to do it? But how could he accept him?

Even if he didn't accept it, he was still his child...

Yu Hansheng had never had such a messy train of thought before. No matter what he thought or did, he felt that something was amiss. Up until now, he still did not know what he should do and how he should act.

Mu Huan tightened her grip. "Bo Junyan is innocent. Naturally, my child will be innocent."

“Yes, the child is innocent.” Yu Hansheng paused for a moment.

“Let’s be direct. If you don’t have a child, you can still be together while feeling guilty. After all, there’s still pain. The unhappiness and the guilt will cancel each other out. You can still go on. If your life is over, everything will be over. But with a child, it will be a new continuation! The blood of your enemy will always live on. It’s fine if you can’t kill your enemy, but you can even continue his bloodline!”

“This is just your own mentality. You had such a mentality when you were with Ouyang Xiaoxiao, but I don’t have such a mentality.. I’ve never thought of using unhappiness to offset my guilt. If I couldn’t give Bo Junyan happiness, I wouldn’t be with him!”

Chapter 1338: A Resurrection from a Desperate Situation (1)

If her hatred and pain had surpassed her love for Bo Junyan, she would not have chosen him just to torture his life.

“My child will not be a continuation of evil! They’ll be the fruit of our love!”

“Alright, that’s just my mentality and not yours. But can you really not bear any grudges and not feel anything? Won’t your conscience hurt?” When he was with Ouyang Xiaoxiao, he was already suffocated by the guilt in his heart, let alone them having a child.

Like Mu Huan, Yu Hansheng knew that Ouyang Xiaoxiao was not in the wrong. She was innocent. She did not do anything. She was the victim.

But... even so...

When he was with her, he had a deep sense of guilt that he could not suppress.

She was the daughter of his enemy!

His parents had given birth to him and raised him. It was already very unfilial of him not to be able to protect them until they grew old. Yet he still wanted to be with the daughter of the enemy who had killed them...

He...

That strong sense of guilt tormented him every day!

But he could accept this torture. Because he was in pain and couldn’t be happy, he could still be with her.

But the child... back then, he really couldn’t accept it. Even now, he couldn’t... didn’t know what to do.

He didn’t believe that Mu Huan didn’t feel that guilty. He didn’t believe that she could really do it. That she didn’t feel anything in her heart at all. That she could let go of that guilt and be happy with Bo Junyan!

Even if her mentality was different from his, they were definitely similar! She definitely felt the same guilt as him!

Mu Huan did not speak further. Every word from Yu Hansheng was like a huge knife that ruthlessly slashed at the protective net in her heart, causing the repressed guilt to surge up.

Sinful.

Yes!

All along, what she could not let go of was guilt.

Even though her father had asked her to be with Bo Junyan properly as he died and said that his death was a relief and happiness, she still felt a sense of guilt that she could not let go...

It was already unfilial of her to not be able to kill her enemy with her own hands, yet she still...

It was just that she couldn't let go of Bo Junyan. Hence, she chose him to suppress her guilt.

However, the more oppressive something was, the more it loved to rebound. This was especially so when it was being dug up from deep in her heart like this!

The more she thought about it, the more uncontrollably Mu Huan picked up the wine glass on the table and gulped down a few glasses.

Bo Junyan, who had just finished his work, walked over. When he heard their conversation just now, he looked at Mu Huan, who was drinking fiercely, and his eyes darkened with heartache...

He knew, knew that there was guilt in her heart that she couldn't let go of.

After all, who could let go of the grudge for the murder of their father?

Taking into account how, even when her father had treated her like that in the past, she still couldn't let go of him and was still so filial, what more after she found out that her father actually loved her, right before losing him forever?

That pain, that hatred.

It was really impossible to cross.

He did not speak or step forward. He just quietly watched Mu Huan drink.

He knew that she had been trying hard to suppress it. She needed to relax and vent.

Yu Hansheng looked at Mu Huan and was about to say something, but he thought about how he himself was hurting, about how he felt the same way. They were both in the same boat, so why did he have to step on the other party's weakest spot?

Hence, he did not say anything else and focused on drinking.

The two of them drank until dawn. They got completely drunk.

Bo Junyan carried the drunk Mu Huan back to her room.

Chapter 1339: A Resurrection from a Desperate Situation (2)

By the time he had settled Mu Huan down and come out, PA Wang was already waiting. When he saw Bo Junyan coming out, he immediately went forward and said, "CEO, we've found out that the person has arrived in the Imperial Capital."

Bo Junyan was silent for a moment. "Arrange it."

"Yes." PA Wang hurriedly went to prepare.

Just as Bo Junyan was about to turn around and return to his room to sleep with Mu Huan...

"Who's here? What's the arrangement?" At some point, Yu Hansheng, who was supposed to be sleeping on the balcony outside, had come in.

Bo Junyan glanced at him and said, "It's none of your business."

With that, he was about to enter.

"What do you think I should do..." Yu Hansheng's faint voice sounded behind him.

Perhaps he was really drunk, or perhaps he was really lost and didn't know what to do.

Yu Hansheng, who had always been proud and aloof, leaned against the wall like a helpless child. He asked in a lost and helpless tone, "What should I do?"

How should he proceed?

He didn't know.

He really didn't know.

No matter how he thought about it, he could not think of an outcome.

Bo Junyan stopped in his tracks and turned to look at Yu Hansheng.

Despite having known him for so many years, he had never seen him like this.

However, the only person who could make a decision on such a matter was himself. If he couldn't make a decision himself, it was useless no matter what anyone said.

"I know. You've been here all along. You heard the conversation between Xiao Huan and me. You know the guilt in Xiao Huan's heart. Even if she's suppressed it very deeply, you must be thinking that you definitely don't want her to be in so much pain. You'll definitely think of a way to resolve it. Seeing you like this, you must have thought of a way to resolve it. Can you tell me how you want to resolve it? What do you plan to do? How do you want her to let go of that guilt and let her... stop suffering?"

If Bo Junyan could make Xiao Huan let go, then he should be able to do the same.

What kind of method was there? What kind of method could make her let go of her hatred over her father's death and stop her from feeling such pain?

He really could not think of a way, but he felt that Bo Junyan definitely had a way. He was a person who could always come back from the dead.

Even if he didn't want to admit it, he had to admit that Bo Junyan's luck and strength were stronger than his. There were very few things that really stumped him.

Yu Hansheng looked drunk, but his thoughts were exceptionally clear.

Sometimes, no amount of alcohol could numb a person's brain. It made him not want to think about it, but he could still think clearly.

After a moment of silence, he said, "Your situation is different from Xiao Huan's."

"How is it different? We're clearly the same!" Yu Hansheng felt that his situation was the same as Mu Huan's.

Hence, when he saw Mu Huan and Bo Junyan being together, he felt very unhappy. He could not help but want the two of them to suffer with him.

"I'll get someone to send you back to your room to rest." Bo Junyan did not want to say anything else.

"No matter what, Bo Junyan, we've been friends for many years. Back then, when you asked me to take care of Xiao Huan, I didn't reject you at all. What's wrong with telling me?" Yu Hansheng said as he stumbled forward.

This Bo Junyan was too much!

Just as he was about to fall, Bo Junyan reached out to support him.

"It's not that I don't want to say it, but there are some facts that can't be changed and some that can," Bo Junyan said.

"What do you mean?" Yu Hansheng frowned.

Bo Junyan did not say anything else, but very quickly, Yu Hansheng understood what he meant.

...

When Mu Huan woke up from her drunken dream, it was already evening. She was woken up by hunger.

Chapter 1340: A Resurrection from a Desperate Situation (3)

"You're awake."

When she opened her eyes and met Bo Junyan's dark eyes that seemed to be filled with stars, she was a little lost.

The light of the setting sun outside the window shone on him, as if it cast a layer of divine light on him, making her unable to look away. At this moment, she felt warm and happy as if she was dreaming.

Suddenly, she recalled that there had been such a scene in the past. It seemed to be during that rare time when she fell sick.

She woke up from her sleep and met his warm and gentle gaze.

That warmth filled all the black holes in her heart, making her feel like she was in a dream, so happy that she didn't want to wake up.

“You must be hungry. I’ve gotten someone to prepare food. Let’s go wash up,” Bo Junyan said as he reached out to hug Mu Huan.

He wanted to carry her to wash up and eat.

When he reached out, Mu Huan opened her arms and hugged him tightly.

Bo Junyan was stunned. She was a little eager.

He was about to say something.

“Hubby, I love you so much... I love you so much... I want to be with you forever. I want us...” It was happiness.

She didn’t want to use misfortune to offset that sense of guilt.

She wanted to be happy with him.

If she couldn’t give him happiness, if she...

She would never be with him again.

Although he could not make heads or tails of it, Bo Junyan knew why she was suddenly like this.

He knew that she had been greatly affected by what she had said last night!

However, just like last night, he did not talk about these related topics.

He lowered his head and kissed her. “We’ll be together forever. We’ll be happy.”

When Mu Huan heard his words, she did not say anything else and only hugged him tightly.

She hugged him tighter and tighter.

Bo Junyan let her hug him. It was only when her mood had eased that he picked her up to wash up.

After sleeping for a day, Mu Huan, who had not eaten for two meals, ate a lot for dinner.

Seeing that she could eat so much, Bo Junyan’s appetite improved a little. He especially liked that his wife had a good appetite. Every time he saw her eat, he felt that it was a form of enjoyment. It made him eat more than when he was alone.

After sweeping away most of the dishes, Mu Huan, who had just eaten her fill, put down her chopsticks and patted her round tummy.

“So full!”

Bo Junyan smiled and picked up a napkin to help her wipe off the residue at the corner of her lips.

“I’m sleepy after eating. Hubby, carry me back to sleep for a while.” Mu Huan reached out with her hands like a baby, wanting to be carried away.

Bo Junyan extended his, but he did not hug her. Instead, he pulled her up and said, “It’ll be uncomfortable to eat so much and then sleep. Get up, let’s take a walk outside before sleeping.”

Mu Huan fell into his embrace like a boneless person. “Can you carry me during our walk?”

The hunger had woken her up and she was hungover. She didn’t have much energy and only wanted to lie down lazily.

Bo Junyan: “ ... ”

He carried her to take a walk.

Just as Mu Huan was about to say something, Bo Junyan’s phone rang.

It was a video call from Meng Yueman.

“It’s from Mom. I’ll pick up first.”

“Yes, yes!” Mu Huan nodded repeatedly and then leaned lazily on the chair. She would be lazy for as long as she could.

Just as Bo Junyan picked up the video call, Meng Yueman’s anxious voice was heard.

“Junyan! Something big has happened! Something...” Meng Yueman was so excited that she started stammering.

Mu Huan suddenly sat up straight and looked over.

What had happened to make her mother-in-law so flustered?
