

Fake Marriage 1451

Chapter 1451: What Is Love (6)

“I made you unable to give up on me. I didn’t bring take out to attend banquets not because I despised you but because I didn’t want to see other men looking at you like that...”

“I want to be the only one who can see all your beauty. I want to be the only one in your eyes and in the world...”

“Xiao Yu, I know I’m a bastard. I deserve to die. You can punish me however you want, but don’t leave me. Don’t stop loving me. Don’t treat me that way... Don’t treat me that way again...” Although Fu Siye did not show it, ever since he hypnotized Shangguan Yu, he had been under a lot of mental pressure.

Up until now, he had lost control. His words were scattered and messy, but these were the words in his heart.

He was really, really scared...

Shangguan Yu didn’t know what had happened, but at this moment, Fu Siye was so afraid that he even looked desperate.

It made her heart ache.

She loved him so much. Seeing him like this hurt more than digging out her heart.

She reached out and hugged him tightly.

“Siye, I won’t leave you. I’ll never leave you! No matter what happens, no matter what, I won’t leave you! I won’t!” How could she bear to treat him that way? She definitely wouldn’t.

Just a pitiful look from him would make her heart ache so much, what more treating him that way?

“Xiao Yu... Xiao Yu...” Fu Siye kissed her urgently.

Only by possessing her deeply could he feel that this was real. Only then could he feel a moment of peace.

In this world, love was the most torturous.

He couldn’t let go despite the pain...

Just like Yu Hansheng.

When Ouyang Xiaoxiao woke up, she was in a room, a room she was very familiar with.

She was woken up by a soft little thing.

When she opened her eyes, she saw a snow-white kitten. Its eyes were special and bright. As she thought of something, a look of surprise flashed across her eyes.

She sat up and hugged the kitten. “Xiao Bai, is that you?” It was the kitten she had picked up five years ago.

“Meow...” The kitten seemed to be answering her.

“You... why are you still...” Alive? Didn’t Yu Hansheng hate cats the most?

When she picked up this cat, he almost chased it away.

Yu Hansheng was a clean freak who would not allow anyone to live in his own place. There would always be a trace of dirty dust, and a kitten would always shed its fur.

Suddenly, there was the sound of footsteps. The kitten, who was nestled in her arms, immediately jumped out. When the door opened, it jumped into its owner’s embrace.

Then, it nestled itself comfortably in his arm and lazily looked at Ouyang Xiaoxiao.

Ouyang Xiaoxiao looked at the man and cat and felt that those words were right. The more a master raised a cat, the more similar their temperament would be.

Yu Hansheng looked at Ouyang Xiaoxiao with a complex expression.

Because he still didn’t know what to do with her.

He looked at Ouyang Xiaoxiao for a while before asking, “Are you hungry?”

“Yes, a little,” Ouyang Xiaoxiao said.

As she spoke, she stood up. She looked relaxed and did not seem like a prisoner at all.

It made Yu Hansheng very unhappy. “Even if you starved to death, you won’t be given food!”

Yu Hansheng was a person who did as he pleased. When he was in a bad mood, he could not bear to see others in a good mood. He wanted to make them suffer.

Chapter 1452: What Is Love (7)

He had been in a bad mood these past few days, so he did not even attend Mu Huan’s wedding.

“Oh.” Ouyang Xiaoxiao hummed lightly and found a place to sit down. Then, she stopped talking.

“Are you protesting?” Yu Hansheng snorted.

“No, I’m reducing my exertion. To limit my energy consumption.” Ouyang Xiaoxiao smiled.

Yu Hansheng’s expression instantly darkened!

Did she really want to starve to death?

“Ouyang Xiaoxiao, don’t think I can’t do anything to you!” She thought that he couldn’t bear to do anything to her. She was so arrogant!

“How can that be? Someone as capable as you can do anything to anyone.” Ouyang Xiaoxiao was still indifferent.

The more Yu Hansheng looked at her, the angrier he became. In the end, he couldn’t help but rush forward.

He pressed her against the chair.

He couldn't kill her, couldn't let her off, and couldn't do that to her.

Then he should make their relationship return to the past and make her...

His gaze landed on her face.

For the past few years, he had been cold and aloof, but he had suddenly become fiery.

Although they had been separated for five years, they had had such an intimate relationship that Ouyang Xiaoxiao could see the change in him.

She was powerless to resist him if he wanted to do it, but even under such circumstances, her expression remained indifferent.

"Yu Hansheng, I'm a married person. I've done everything that David and I are expected to do. It's not like in the past when no one else has touched it. Even if you want to touch it, don't you need to check first if I have a disease?" Ouyang Xiaoxiao smiled and raised an eyebrow.

They had already done what a married couple should do. If this was the case, it painted too vivid a picture. The things that he could not control made Yu Hansheng clench his fists tightly. With a punch, the wall tile that was only an inch away from Ouyang Xiaoxiao's head shattered...

The fragments ricocheted on Ouyang Xiaoxiao's face.

But her expression did not change.

Yu Hansheng looked at her and suddenly felt that he didn't know her. The Xiaoxiao he knew would definitely not be able to do this.

But...

She had.

He looked at her like that.

After watching for a while.

"Ouyang Xiaoxiao, you're ruthless!" She stabbed him in the heart again and again.

"If one isn't ruthless, how can one live?" Ouyang Xiaoxiao was still smiling.

"Stop smiling! If you continue smiling, I'll kill David! You should know that I can!" Yu Hansheng had become even angrier! He wished he could kill David right now!

Everything about her belonged to him! Anyone who touched her deserved to die!

Ouyang Xiaoxiao immediately stopped smiling.

When Yu Hansheng saw her mocking smile just now, he was so angry that he wanted to kill someone. Now that she had immediately stopped smiling, he was even angrier that he wanted to kill someone!

"Ouyang Xiaoxiao, how dare you!" How dare she become like this?!

Ouyang Xiaoxiao looked at Yu Hansheng for a while before sighing. "Yu Hansheng, what's the point of this? What's the point?"

Yu Hansheng tightened his grip.

"Let's not talk about me but about you. What do you want? Do you know?" She had suggested that they call it even. It would be good if they could both live well from here on. If he didn't want her yet insisted on capturing her, what was he after?

Yu Hansheng: "..."

What did he want?

He wanted everything to be good, but things would never be like that!

"Since you can't let go of the hatred in your heart no matter what, then let go of me and find another woman. It's good to have a happy and carefree life.. You have to do this."

Chapter 1453: What Is Love (8)

It was better to let each other off. There was no need to be in such pain.

"Ouyang Xiaoxiao, you'd better stop talking. If you continue talking, I'll... I'll..."

"What will you do? Kill me? If you want to do anything, you..."

Ouyang Xiaoxiao was stopped before she could finish speaking.

He really didn't want to hear her say such sharp words again! Her words were slashing at his heart, making him feel like he was about to explode!

Even if he had to die, he would drag her down with him!

Ouyang Xiaoxiao widened her eyes in shock as she looked at his face.

He...

Wasn't he a clean freak?

She had already said such things, so how could he still capture her mouth?!

Was he crazy?

When she snapped back to her senses, she tried her best to push Yu Hansheng away, but she couldn't push him away no matter what. She could only hit him hard.

But her fists felt like they were hitting a wall, and she was the only one in pain.

Ouyang Xiaoxiao was about to go crazy!

After they reunited, she had been the one who had driven Yu Hansheng crazy. Now, it was finally Yu Hansheng who was driving her crazy.

He could feel her emotions exploding.

Yu Hansheng finally felt a little better.

Hmph...

He couldn't be the only one in pain. He wanted her to go crazy!

It was impossible for her to separate from him and live well!

They would either go to heaven together or go to hell together!

If he wasn't happy, she also wouldn't be happy with anyone else!

However, when he thought about what she had just said, his gaze instantly turned vicious.

...

She didn't have to work or go to the laboratory. She could just sleep lazily until the sun was high in the sky, alright?

Mu Huan felt that it was especially good!

She felt that she would never be annoyed!

Of course, this was under the premise that she was with her husband. With her husband around, everything would be beautiful. With him by her side, even if she were to look at a cloud in the sky, she would feel that it was the most beautiful cloud. Without him, no matter how beautiful a scenery was, it would not be beautiful.

She wouldn't feel anything.

On this island where there were only the two of them, they lived the slowest lives. They could enjoy life freely and happily.

"Hubby, I really want to stay here for the rest of my life. Why don't we sell our assets and stay here like this? We can eat, sleep, and eat every day!" When she thought about how they would be going back to work in a few days, she didn't want to go back. She didn't want to work. She only wanted to lie here lazily.

At the thought of this, she could not help but feel envious and jealous of Li Meng and Wu Xingye. The two of them were really rich and free. They could eat, drink, and have fun as they pleased.

"Alright." Bo Junyan really wanted such a life. He planned to start making arrangements.

His straightforwardness made Mu Huan suddenly feel that something was amiss...

Just as Mu Huan was about to say something...

An alarm suddenly sounded and she sat up.

"What's going on?"

"There's an invader," Bo Junyan said as he turned on his computer to look at the surveillance cameras.

When she saw Long Feiting walking toward them, her expression instantly darkened.

Did this Long family brat want to die?

“Yo, he’s quite capable to be able to get here.” When Mu Huan saw that it was Long Feiting, her guard relaxed.

“Wait for me here,” Bo Junyan said as he stood up. Today, he had to throw Long Feiting into the sea to feed the sharks!

It won’t be enough to kill him once!

Seeing his posture, Mu Huan felt that he might very well throw Long Feiting into the sea to feed the sharks. She hurriedly stood up, afraid that he would really kill Long Feiting.

Chapter 1454: What Is Love (9)

Country Y...

Just as Yu Hansheng was about to take another step, Ouyang Xiaoxiao snapped back to her senses and pushed him away!

Her breathing was unstable, and she could no longer look at him coldly like before.

This made Yu Hansheng, who had been pushed away, feel better. This proved that she still had feelings for him.

“Yu Hansheng, why won’t you let us off? What’s the point of continuing like this?” Ouyang Xiaoxiao didn’t understand. She didn’t understand why he refused to let them off and insisted on being entangled with them in such pain.

“If my taking revenge on you is making you indignant and unable to calm down, then you can throw me to that place again. Or you can return it ten times over! Come, if you want my life or if you want me to be crippled, come at me!” Ouyang Xiaoxiao’s heart, which had finally calmed down after all these years, was angered by him.

He could already be so heartless as to take her life, so why couldn’t he let it go? Why did he have to do this? Wasn’t she the daughter of his enemies? Didn’t they have a blood feud?

She was tired for him!

Yu Hansheng: “...”

It would be great if he could take her life.

If he took her life, it meant that he could let go. There would be nothing else in this world that could make him feel conflicted and in pain.

His life would be so carefree.

No... that seemed meaningless...

“You wanted to burn me to death back then. Don’t you think there’s something wrong with you now that you’re like this?” Ouyang Xiaoxiao hadn’t wanted to mention how he had wanted to burn her to

death back then. This was something she had always suppressed in her heart. A debt had to be paid by a son. Her parents had killed his parents. If he wanted her to die, she had no right to blame him.

She knew that he had feelings for her, but she felt that those feelings shouldn't be deep. Otherwise, how could he have been so heartless back then?

He wanted her to die. This was possible, and this was very appropriate. After all, there was such a deep blood feud between them. However, with their relationship, even if he had a little more feelings for her, he should have asked her to die in a different way. If he'd killed her with poison or made it look like an accident, she would have died directly. There were so many ways to kill someone, but he actually used the cruelest method of burning her to death!

This... though she did not have the right to blame him, she couldn't help but blame him for being ruthless.

Did he know how painful it was to be burned?

He knew...

The more she thought about it, the more agitated she became. The more she lost control, the more Ouyang Xiaoxiao tore open her clothes, revealing the scars on her body.

"Look at these scars! You set fire to us and tried to burn us alive! Do you know how painful it is for a person to be thrown into a sea of fire like that?" Did he know that in order to not affect the child, after she climbed out, she did not even get an anesthetic when getting her wounds treated?

That pain was heart-wrenching the whole time!

It was a pain that she would never forget!

He couldn't even take this little bit of revenge she was giving him now. He couldn't take it. Back then, she was covered in fire and had jumped into the sewers to live with the intense pain of her body and mind being seriously injured. How was she going to bear the pain that she had climbed out of? How was she going to let go of that pain?! That hatred!

He still wanted to touch her now! How shameless! What right did he have to hurt her again and again?! What right did he have?!

Yu Hansheng looked at the scars on her body. When he heard her words, he trembled. He couldn't think about it. He couldn't think about the environment she was in. He... couldn't think about it...

Chapter 1455: What Is Love (10)

"I only set that fire to make you choke for a while. I didn't let the fire really burn you. Compared to what you did to me, what I did to you was too insignificant. What right do you have to not let me off?! What right do you have to take revenge on me?!" Ouyang Xiaoxiao shouted.

What right did he have to touch her like this?! What right did he have to anger her like this? What right did he have...

Yu Hansheng had wanted her to lose control, but at this moment, looking at her like this, he regretted it. He regretted making her lose control. No matter how much she hurt him, it was better than what she was doing now.

“I didn’t... I didn’t want to burn you...” He hadn’t wanted to explain what had happened back then, causing her to hate him like this. If they hated each other like this, no one would be able to feel good. But now that he saw her like this, he couldn’t help but explain.

He hadn’t. Even if he had wanted her to die in the past, he had never thought of burning her to death. Using such a cruel method... He didn’t...

Ouyang Xiaoxiao was stunned. “What did you say?”

“Back then, it wasn’t me who wanted to burn you. It was that woman. She had been dead for many years, and she died very badly.”

Ouyang Xiaoxiao was stunned for a while before saying, “Don’t even think about shirking your responsibility! I won’t believe you!”

“You know that I disdain to lie. I don’t care if you hate me or not.” Yu Hansheng originally didn’t want to say it, but if he said that and she didn’t believe him, then he had to make her believe him.

“You think it’s beneath you to lie? Haven’t you told enough lies?” Ouyang Xiaoxiao sneered.

If he hadn’t lied to her like that, why would she have fallen in love with him back then? Why would she have ended up in such a state?!

Yu Hansheng: “...”

He really... lied to her a lot...

“I can find evidence to prove it!”

“So what if you prove it?” Ouyang Xiaoxiao’s expression did not change anything.

Yu Hansheng: “...”

After a while.

“Then what do you want?” He said it wasn’t him, but he didn’t explain. She didn’t believe him. He could give her the evidence, but she didn’t want it. Then what did she want? Did she have to think it was him?

“I want to leave this place and go home,” Ouyang Xiaoxiao said.

“Impossible!” Yu Hansheng said instinctively.

“So why ask what I want? You’ll do what you want! Yu Hansheng, what exactly do you want?!” Ouyang Xiaoxiao really wanted to know what he wanted. “Yu Hansheng, take it that I’m begging you. Let’s not torture each other like this, alright? If you can’t let go of your hatred, you...”

The more Ouyang Xiaoxiao spoke, the more helpless she became. In the end, she was so weak that she didn’t want to speak. She wasn’t agitated anymore and just sat there without moving.

She seemed to have slowly returned to her initial state where she didn't care about anything and nothing could hurt her.

After she quietened down, Yu Hansheng's gaze went to the scars on her body again. Those scars made his heart feel like it was being pinched hard by someone. It hurt so much that he couldn't breathe.

His gaze made Ouyang Xiaoxiao very uncomfortable. She instinctively reached out to pull up her clothes to block his gaze. However, just as she was about to move, Yu Hansheng stopped her.

He even took out his phone and took a picture of the scars on her body.

Ouyang Xiaoxiao: "..."

Even a scar had to be taken as a memory? What kind of fetish was this?

As if he could tell what she was thinking, Yu Hansheng said, "You know that my junior sister, Mu Huan, is very good at pharmaceuticals. Perhaps she can remove scars like yours."

As he spoke, he sent the photo to Mu Huan and asked her if this scar could be treated.

Mu Huan quickly replied to him. She had to see the person and see the skin condition to be sure.

Chapter 1456: What Is Love (11)

Yu Hansheng asked her to come back quickly.

Mu Huan: "I can't go now. I'll be back in a few days."

Yu Hansheng: "Hurry up, immediately!"

Mu Huan: "Just look at this scar in the photo. It's a few years old. It won't make a difference if I see it in half a year, let alone in a few days."

Yu Hansheng: "I'm in a hurry."

Mu Huan: "If you're in a hurry, bring her over."

She even included an address.

Yu Hansheng: "I'll be right there."

Mu Huan: "OK."

Yu Hansheng put away his phone and walked toward Ouyang Xiaoxiao. "Let's go."

Ouyang Xiaoxiao said warily, "Go where?!"

"Go look for my junior sister and ask her to make medicine for you!" Every second that she had such a scar on her body would hurt his eyes!

Ouyang Xiaoxiao shook off his hand. "No need. These scars don't have to be removed."

"They do if I say so," Yu Hansheng said domineeringly.

"This is my body," Ouyang Xiaoxiao said coldly.

"It's mine too!" Everything she had was his!

"You're crazy!" Ouyang Xiaoxiao felt that Yu Hansheng was really sick.

"Yes, I'm crazy. Crazy people have always done whatever they want. Now, I'll give you a choice. Follow me properly or let me knock you out and bring you over." Yu Hansheng was someone who immediately did whatever he wanted.

Feeling something, Ouyang Xiaoxiao smiled. "I won't choose either."

Seeing that her expression had suddenly changed, Yu Hansheng felt that something was amiss. He narrowed his eyes and was about to say something when he heard footsteps.

Then, a group of people broke in.

Yu Hansheng looked over.

A group of men in black walked in.

The last to enter was David, who was carrying Ouyang Chen.

When he saw David and thought about Ouyang Xiaoxiao's words, Yu Hansheng's eyes suddenly turned sinister and murderous!

"Evil person! Let go of my mommy!" Ouyang Chen pointed at Yu Hansheng.

Yu Hansheng: "..."

Although Yu Hansheng still did not know if he should acknowledge this son and was still in a dilemma, deep in his heart, the first time this child appeared, he had treated him as a son. He now knew that he had a son.

Hence...

Now that he saw his son being hugged by someone else, Yu Hansheng felt very conflicted.

He didn't know how to describe it.

Ouyang Xiaoxiao glanced at Yu Hansheng and got up to walk toward David.

When she passed by Yu Hansheng, Yu Hansheng reached out and grabbed her.

Did she think that Yu Hansheng would let her come and go as she pleased?

When Yu Hansheng reached out to grab Ouyang Xiaoxiao, the gun in Ouyang Chen's hand was aimed at his hand. When his hand grabbed Ouyang Xiaoxiao, Ouyang Chen pulled the trigger.

Yu Hansheng had noticed the gun in Ouyang Chen's hand, but he knew that it was a toy. Hence, he was not on guard.

When he felt that the thing he shot out was not ordinary, he had already grabbed Ouyang Xiaoxiao. If he dodged now, this thing would hit Ouyang Xiaoxiao.

And he couldn't even bear to do this.

Hence, he did not avoid it.

He thought that no matter how extraordinary a child's toy was, it wouldn't be anything impressive.

Who knew...!!!

That thing shot into his hand, making him instantly feel pain! The pain made him instinctively let go of Ouyang Xiaoxiao.

Ouyang Xiaoxiao took the opportunity to run toward David and the rest.

Yu Hansheng wanted to grab her, but his arm was starting to hurt. It hurt so much that he, who was a person who could tolerate pain, was about to break out in a cold sweat.

Chapter 1457: What Is Love (12)

"I'm only teaching you a lesson this time. Next time, if you dare to capture my mommy and hurt her again, you'll be finished!" Ouyang Chen said coldly.

Ouyang Chen was still very young...

But as the saying goes, the apple doesn't fall far from the tree. Yu Hansheng was an evil person who did as he pleased and did not take others seriously. Ouyang Chen's personality was also very evil and cold. He looked like a little angel on the outside, but he was a naughty little devil in his heart.

Yu Hansheng: "...!!!"

Not only was he tricked by a child, but he was also threatened by him! And this was his son!

However, it was precisely because he was his son that he was caught off guard.

Just like how he had been knocked down by Ouyang Xiaoxiao several times before.

He instinctively treated them as family and felt that they would not hurt him, just like how he could not bear to hurt them.

However, they could be ruthless to him.

All of them were so ruthless...

Yu Hansheng's heart ached!

At this moment, Ouyang Xiaoxiao took the opportunity to walk to David's side and reached out to hug his arm.

It was obvious that he was seeking David's protection.

Previously, when he saw Ouyang Xiaoxiao and David together, Yu Hansheng did not feel anything because he felt that it was impossible for Ouyang Xiaoxiao to have fallen in love with another man.

But now, looking at this scene...

His eyes turned red!

“Mr. Yu, my wife doesn’t want to fuss over the past, so I won’t fuss over it with you. My baby has already taught you a lesson this time, and I won’t pursue it anymore. I hope there won’t be a next time. Otherwise, I’ll definitely not let you off! This is my wife, my son. From now on, please respect yourself!” David said coldly.

David knew Yu Hansheng’s status, but in Country Y, there was nothing David needed to be afraid of.

For David to be able to find this place and for those people who had knocked down Yu Hansheng to barge in, it could also clearly show his strength.

David looked at Ouyang Xiaoxiao and said, “Let’s go home.”

“Yes.” Ouyang Xiaoxiao did not even look at Yu Hansheng. She held David’s arm and turned to leave with him.

As Yu Hansheng looked at their departing backs, his heart ached as though it had been crushed into a million pieces...

In the blink of an eye, it was the end of the year.

When they were on the island, Fu Siye had relaxed a lot because he had said such things. And because Shangguan Yu cared about him so much, she was sure that he really loved her and it was not because of anything else. Although she still felt very empty because of her memory loss, she was relatively more relaxed.

Furthermore, the air there was good and the scenery was good. Every day, they lived a slow life with blue skies and white clouds. It made them instinctively relax.

And this relaxation...

During the new year, good news came.

Shangguan Yu was pregnant!

When the doctor congratulated Shangguan Yu on her pregnancy, Shangguan Yu and Fu Siye were so happy that they couldn’t help but pinch themselves to see if they were dreaming.

When Fu Siye’s parents heard that Shangguan Yu was pregnant, they were so happy that they immediately went to offer incense to their ancestors. The two of them had been married for so many years, and such a thing had never happened before. They thought that it was impossible between the two of them, and they felt that they couldn’t live anymore.

They did not expect the tables to turn. Now, they could even have a grandchild!

They were overjoyed!

It was snowing heavily.

Fu Siye sent Shangguan Yu to the coffee shop. After he got out of the car, he opened the car door and reached out, carefully helping Shangguan Yu out of the car.

Seeing him like this, Shangguan Yu couldn't help but smile and say, "You don't have to be so careful. I've just been tested. It's not like I'm going to give birth.."

Chapter 1458: What Is Love (13)

"The doctor said that the first three months are still unstable. You have to be careful. Today, you're giving the employees their salaries and red packets. Don't come over again in the future. I'll find a manager to manage the coffee shop. After you give birth, you can return," Fu Siye said.

Although Shangguan Yu felt that he was being too careful and was exaggerating too much, she did not object to his words.

It wasn't easy for their child to come. She didn't want anything to happen to the child even more than he did. Hence, she had plans to stay at home during her pregnancy.

"Okay."

"Good." Fu Siye lowered his head and kissed her before helping her in.

Their intimate posture was seen by Gu Lingyin, who was passing by.

In order to agitate Shangguan Yu, she had previously opened a coffee shop at a bend in front of Shangguan Yu's coffee shop. She wanted to make Shangguan Yu's coffee shop have no customers, making her inferior to her in every aspect.

However, she did not expect that she would be the one to close the shop in the end. Today, she had come to the shop that had already closed to get something. She did not expect to see this scene. This made her clench her fists in hatred, and her eyes turned red!

If Gu Lingyin was happy now, it would be fine if she saw Fu Siye and Shangguan Yu being so loving. But she was very unhappy now.

She was already very self-aware. She knew that she could not give birth, and it was impossible for her to marry into a good family. Hence, she sought out those men with good family backgrounds who were divorced or widowed. This way, not only would it not matter if she couldn't birth for them, but she would also be very happy.

She didn't want anything to happen to her when she got old. She just wanted her life to be good.

She had already lowered the conditions so much that she was living so humbly, but...

This tragic fate still did not let her off!

The good person she thought was rich was actually a liar! Not only did she not get a single cent from him, but he even cheated her of all her savings!

Without money, Gu Lingyin naturally had to ask Fu Siye for it.

Fu Siye, who no longer felt any guilt toward her, naturally wouldn't give it to her. This made her very angry to begin with. Now that she saw the two of them living so well, she couldn't control her anger!

It was them! It was because of them that she became like this!

Because she couldn't give birth and couldn't get a normal happiness, she went to look for someone with such qualities. That was why she was cheated!

It was all their fault! They ruined her life!

She, who was about to leave, sat in the car and did not move. She kept watching Fu Siye and Shangguan Yu's every move in the coffee shop. It was only after they had left that she invited a male waiter from Shangguan Yu's coffee shop.

In order to defeat Shangguan Yu's coffee shop, she had bribed this male waiter to reveal information about Shangguan Yu to her. Even now, they were still in contact.

"What's wrong with Shangguan Yu? Is she not feeling well? Why has Fu Siye been helping her carefully?" Gu Lingyin still didn't know that Shangguan Yu was pregnant.

"It's not that she doesn't feel well. She's just pregnant. She gave us our salaries and red packets for the new year. After that, she said goodbye as she'd be taking a rest," the male waiter said.

"Pregnant? Are you sure?"

"Yes! The lady boss said it herself!"

After getting such a confirmation, Gu Lingyin tightened her grip on the wheel.

Damn it!

They made her unable to be a mother anymore, but now, they were going to be a happy parent! What right did they have?! What right did they have?!

Chapter 1459: What Is Love (14)

"Have you figured out what's going on with Shangguan Yu?" Although her relationship with Fu Siye had been getting worse over the years, she knew that Fu Siye's relationship with Shangguan Yu was very bad previously. Shangguan Yu would definitely not forgive him. The two of them were about to get a divorce.

Unexpectedly, the two of them fell in love again.

Although it was said that Shangguan Yu had gotten into an accident overseas and it's because she lost her memories of the past few years that the two of them got together again, she felt that this was not the case.

She felt that there was something else going on, so she got the waiter to pay attention.

"I really can't find anything... I think the lady boss might have really lost her memory from the injury," the male waiter said.

Gu Lingyin was about to say something.

“Actually, I think there’s no point in you investigating this. No matter why the lady boss lost her memory, she lost it. It’s useless even if you find out the reason. I think you’d better not investigate them. Anyway, it’s impossible between you and Fu Siye,” the male waiter said. “Also, the lady boss won’t come to the coffee shop in the future. Your shop is closed. I think we don’t have to contact each other anymore.”

Shangguan Yu was a very good person. She treated her employees very well. She was so good that the male waiter felt guilty for betraying her for money.

But if you did something once, you would be forced to do it again and again.

Now that Gu Lingyin’s shop was closed and Shangguan Yu would not come to the coffee shop anymore, he was already useless to Gu Lingyin, and she didn’t have to force him to do anything.

The male waiter was indeed useless to Gu Lingyin, but even if that were so, what right did he have to say such things first?

This made her very unhappy.

“The evidence is still in my hands. If I need you for anything in the future, you have to come over immediately.”

“You...!!” The male service staff was furious and even wanted to hit Gu Lingyin.

But when he thought about how he would be able to leave this place after saving some money, he realized that as long as he did not work at Shangguan Yu’s coffee shop, such evidence would be useless. She would no longer be able to threaten him, so why should he fight with her and cause a scene?

Hence, he did not say anything else and turned to get out of the car.

After the male waiter left, Gu Lingyin sat in the car. The more she thought about it, the angrier she became. She was indignant!

Back then, she had a miscarriage because she wasn’t pregnant with Fu Siye’s child. She didn’t dare to undergo a checkup and deliberately fell, causing her to be unable to have another child.

But it was also because of them that she had such an encounter!

If it weren’t for Fu Siye’s parents forcing her to go, why would she have been forced into a corner and could only do that?

What was the most precious thing about a woman? It was the right to be a mother!

And they had destroyed her right to be a mother! They had caused her to suffer so much. Even if they used their entire lives to make it up to her, it wouldn’t be enough! Now, she only wanted to ask Fu Siye for money, but he wouldn’t give it to her!

It would have been fine if he led a miserable life, but she found out that he had fallen in love with Shangguan Yu. He had been dumped by her, and Shangguan Yu had been in so much pain that she would rather die than live. When it was like that, Gu Lingyin felt better. At the very least, they weren’t having it easy either!

But not only did the two of them not lead a miserable life, but they were also so happy and loving!

And she was so miserable!

What right did they have?! What right did they have to be so happy after ruining her life? What right did they have?! If she wasn't leading a good life, none of them could!

With such indignation, Gu Lingyin went to look for Fu Siye the next day.

Chapter 1460: What Is Love (15)

Because Fu Siye had used Gu Lingyin back then and made her lose her right to be a mother, he felt guilty toward her. However, this guilt had long been worn away by Gu Lingyin in all these years.

Now, he was only annoyed with her.

Especially now that he was happily in love with Shangguan Yu, he couldn't bear to see Gu Lingyin. He didn't want Shangguan Yu to be even a little unhappy because of her. "Gu Lingyin, are you forcing me to be ruthless to you?"

If she still didn't know when to retreat, then he would make her never appear in front of him again!

"It's not that I'm forcing you, it's just that life is forcing me. I've been cheated! I've been cheated out of all my savings!" Gu Lingyin knew that it was impossible between her and Fu Siye. Hence, even if she was indignant, she had never thought of being with Fu Siye again. All she wanted now was money!

Last time, when she came to ask Fu Siye for money, because she wanted to save face, she did not say that she had been cheated. Now that she had said it, she was making double preparations to get the money. If she could get the money, no matter how indignant she was, she could put this matter aside for the time being. If she could not get it...

Then... they could only burn their boats and perish together!

"I'll get someone to help you get back that money, but this is the last time. Don't come looking for me again. Otherwise, don't blame me for being rude!" Fu Siye wanted to completely end things with Gu Lingyin.

"That liar lost all the money. It's useless even if you find him and kill him." If he still had money, she could find it back herself. There was no need for him!

"So?" Fu Siye looked at her.

"You should know that I'm here to ask for money," Gu Lingyin said directly without hiding her motive.

Fu Siye sneered. "What do you take me for? Your ATM?"

Originally, to Fu Siye, anything that could be solved with money was not a problem. Hence, in the past, when Gu Lingyin asked for money, he would give it to her, and a lot of it.

But as she became more and more greedy and her behavior became problematic, he didn't want to give her any more money. No matter how rich he was, he didn't want to give money to such a person.

“You owe me. You once said that no amount of money can make up for what you owe me!” Gu Lingyin said.

Fu Siye was silent for a while. “This is the last time.”

This was indeed to make up for her inability to become a mother no matter how much money she had. Forget it, this was the last time.

“Alright! This is the last time. If you give me this money, I’ll definitely not come looking for you again! From now on, we’ll never interact with each other again!” Gu Lingyin said. This time, after taking the money, she would go overseas to live a good life. She would never come back!

If she didn’t have a child, so be it. If she had money, how many fresh meat celebrities could she not find? As long as she had money.

Fu Siye did not speak further and directly gave her a check for five million.

Gu Lingyin looked at the check he handed over but did not reach out to take it. “Are you trying to get rid of a beggar?”

He was actually only giving her five million! He was a big CEO, yet he had the cheek to take out such a small sum of money!

Now that the housing prices had increased so much, five million was not even enough for her to buy a villa! What more if she immigrated overseas and lived a luxurious life while raising fresh meat?!

“I never give money for food,” Fu Siye said coldly.

She was really becoming more and more greedy. She even turned up her nose at five million.

“I know you don’t want to see me now. You want me to get lost immediately,” Gu Lingyin said.

Fu Siye’s face was full of displeasure..
