

Fake Marriage 1481

Chapter 1481: What Is Love (36)

Mrs. Fu wanted to say something.

“I’ll send Xiao Yu to the hospital first.” Fu Siye walked around his mother and walked out.

“There’s no need to send her to the hospital. We have the best OB/GYN team at home!” Mr. Fu grabbed Fu Siye, who was panicking.

He was the one who had found this medical team, yet he was in such a hurry to send her to the hospital! Seriously...! He was shocked!

“Oh, right... right...” Fu Siye hurriedly carried Shangguan Yu to the doctor’s residence.

As Shangguan Yu didn’t like to go to the hospital, Fu Siye had hired a medical team from the Gynecology Department and gave them a high salary. Shangguan Yu’s late-stage examinations were done at home.

There was always a doctor taking care of her.

Although Shangguan Yu did not feel uncomfortable, seeing that they were so afraid, she still cooperated and got the doctor to do a series of examinations for her.

The doctor confirmed repeatedly that Shangguan Yu was very healthy and was just fine.

Only then did the old couple and Fu Siye finally let go of their worries.

After confirming that Shangguan Yu was fine, he carried her back to her room. After everything had stabilized, Fu Siye met Shangguan Yu’s eyes and realized that he should leave.

Although he was still afraid and only wanted to stay by her side tonight...

He still lowered his head sadly and turned to leave.

“Siye,” Shangguan Yu called as she looked at his back.

Her voice made Fu Siye stop in his tracks instinctively.

He was looking forward to it, but he was more afraid.

He was afraid that after she thanked him, she would say that she would not allow him to appear near her again.

Because he was secretly following her, he had had the chance to save her in time.

Fu Siye froze there, not daring to look back.

Shangguan Yu looked at her in-laws.

After the two of them received the message in her eyes, they glanced at their son and left.

After they left, Shangguan Yu called again, “Siye.”

Her voice was no longer as cold and distant as before, making the anticipation in Fu Siye's heart instantly surpass his fear. He turned to look at Shangguan Yu, but he still did not dare to go forward.

"What happened today was too dangerous. I don't even dare to think about what would have happened if you hadn't made a move in time. Thank you." Shangguan Yu really couldn't think about what would have happened if he wasn't here.

Fu Siye did not speak and only clenched his fists. He didn't need to be thanked for saving his wife and child, and she was thanking him so politely.

He had been afraid that she would thank him like this. He was afraid that she would do as he thought and say that she would be careful in the future. That if that didn't work, she would hire a few people to follow her closely. She would definitely not let such a thing happen again, so she hoped that he would stay away from her from now on and not secretly spy on her again.

Just as Fu Siye was falling into such fear...

Shangguan Yu said:

"My stomach is getting bigger and bigger now. In the future, such dangers that might inadvertently happen will be impossible to guard against. Also, at night, my leg cramps would often be unbearable. I need someone to be by my side at all times. Do you have time?"

Fu Siye was stunned for a moment before he nodded repeatedly with an ecstatic expression. "Yes! Yes! Yes!"

Then, he walked forward and held Shangguan Yu's hand excitedly. "Xiao Yu... Xiao Yu..."

He was so excited that he didn't know what to say.

Shangguan Yu lowered her eyes and took his hand to touch her stomach. "Fu Siye, I won't love you as much as I used to. I made such a decision only for the good of the child. From now on, the person I love the most is them. I just want to give them the best of everything. I just want them to have a father."

"I'll definitely be the best father in the world!" Fu Siye swore!

No matter who she wanted to give him this opportunity for, he would grasp it firmly! In the future, he would be the best father! The best husband!

If she didn't love him so much anymore, then let him love her like that! She just had to enjoy his love!

Besides, she said that she would no longer love him like before. It wasn't that she wouldn't love him!

Shangguan Yu did not speak further. She only placed Fu Siye's hand where the child was moving.

When Fu Siye felt something slide across his palm, he widened his eyes in surprise. "It... it... it..."

It slid in his palm! This was too amazing!

Shangguan Yu looked at him and couldn't help but smile.

Fu Siye looked at her smile and his eyes reddened.

Thanks to all the gods, thanks to everything, to have given him such a chance to continue on with her.

Everyone makes mistakes in their lives. Other than those that were unforgivable, there were many that could be forgiven.

Happiness was sometimes a simple thing.. As long as one could let matters go, one could have it.

Chapter 1482: If You Can't Let Go, You'll Hurt Together (1)

As Bo Junyan and Mu Huan were considered doctors, they could tell the gender of the baby in Mu Huan's stomach when they did an ultrasound in the following month.

It was a boy.

Previously, Bo Junyan was jealous of the child and felt that after Mu Huan had a child, she would focus all her attention on the child and rarely care about him. He was a little depressed. In order to counsel him, Mu Huan made him think that it would be good if they had a daughter as beautiful as her. She would be soft and cute and call him Daddy.

Bo Junyan thought about it. That scene was indeed beautiful. When he saw those videos of daughters, he felt even better. Not only was he no longer jealous, but he was also more concerned about the baby in her stomach than Mu Huan. He had to say a few words to his daughter every night. His tone made Mu Huan feel a little sour.

In the end, the daughter he had been looking forward to for more than two months had become a son!

Bo Junyan was instantly in a bad mood and looked at Mu Huan resentfully.

Mu Huan broke out in a cold sweat for a while before saying, "It's fine. Let's wait for the next one. The next one will definitely be a pretty and adorable girl! I have a feeling! Definitely!"

"Just this one." No matter if it was his daughter or a boy, they would take away his wife's attention. One was enough!

Mu Huan wanted to say how lonely a single child would be. Besides, she really wanted a girl. No matter what, she couldn't have only one child, but...

She still had this one in her stomach. She wasn't in a hurry to think about the second one. She had to nurture the first one first.

Hence, she did not say anything. She only hugged Bo Junyan's arm and tiptoed to kiss his face. "Hubby, I love you! I love you the most in the world! No one can compare to you! I'll always love my Hubby the most!"

Sweet talk was not only effective on women, but it was also very effective on jealous men.

Bo Junyan snorted arrogantly. "You have to keep your word."

She couldn't just say it out loud.

"I, Mu Huan, have always kept my word!" Mu Huan patted her chest.

Bo Junyan knew that she was coaxing him, but he was coaxed by her words. The dark clouds in his heart dissipated, and he lowered his head to kiss her in a good mood.

Bo Dingjing, who was standing at the side, felt that the scene in front of him was a little familiar. After thinking for a while, he turned to look at his wife. "Back then, this was how you coaxed me!"

When a man especially loved his wife, he would always want a tender and adorable daughter like his wife.

Back then, when Meng Yueman was pregnant, Bo Dingjing had especially wanted her to be pregnant with a daughter. When he found out that it was a boy, he was immediately in a bad mood. Although his wife did not use Mu Huan's method, it was similar, the way she had coaxed him.

"So?" Meng Yueman's face was full of disbelief.

Bo Dingjing: "..."

What could he do? He was just reminiscing...

As her stomach grew bigger, Mu Huan's morning sickness gradually disappeared. Now, she no longer had morning sickness. This allowed her to finally eat and drink.

After getting a checkup, their family was about to get into the car to eat when Yu Hansheng called.

"I'm in the Imperial Capital. Where are you?"

"I'm about to go eat."

"Let's go there." Coincidentally, he had not eaten yet.

Mu Huan told him the address.

"See you later." With that, Yu Hansheng hung up.

Mu Huan put away her phone.

Bo Junyan looked at her. "Yu Hansheng?"

"Yes." Mu Huan nodded.. Then, she said, "He'll be eating with us later."

Chapter 1483: If You Can't Let Go, You'll Hurt Together (2)

"Okay." Bo Junyan helped her into the car.

His carefulness made Mu Huan break out in a cold sweat. As a mobile person, she felt like she was about to become crippled after getting pregnant.

But thinking about how this was her husband's love for her, she could only accept it sweetly.

...

That familiar yet unfamiliar fragrance woke Ouyang Xiaoxiao up slowly. She was a little stunned.

She remembered that she was sleeping in the castle in the afternoon, and now she seemed to be... in a car!

At this point, she suddenly sat up in shock.

When he heard her movements, Yu Hansheng looked over. "You're awake."

Ouyang Xiaoxiao: "...!!"

What was going on?! She was clearly sleeping at home, so why did she wake up in the car? Yu Hansheng was also there!

After that farewell, he never came to look for her again. She thought that their feud was over. She had gradually let down her guard and completely threw him to the back of her mind. Why did he suddenly appear and even make her...

She looked out the window and saw those familiar Chinese signatures. Her eyes widened and she was even more shocked!

Was she... back in the country?

Yu Hansheng seemed to be able to tell what she was thinking. "We're in the Imperial Capital now."

Ouyang Xiaoxiao: "...!!"

She had slept for a long time!

After a while, she glared at Yu Hansheng.

"Yu Hansheng, what are you trying to do?!"

"Do you really want to know what I want to do?" Yu Hansheng said as he suddenly approached her.

He approached her with such a dangerous aura that Ouyang Xiaoxiao subconsciously shrank back.

Her instinct told her, "I don't want to know!"

"Then why are you still asking?" Yu Hansheng snorted and did not approach.

Ouyang Xiaoxiao: "...!!"

After a while.

"I don't care what you want to do. You'd better let me go immediately! Otherwise, David..."

"David is in my hands now. I'm thinking about what interesting and fresh method to use to kill him. Do you want to give me some good suggestions?" Yu Hansheng raised an eyebrow.

For the past half a year, he did not look for her because he was preparing to get rid of David. If he got rid of David, who was a hindrance, no one would be able to stop him. She would no longer be able to resist him!

How could she ask him to let her off?!

If he was in pain, she could only suffer with him! If she was once his woman, she could only be his woman for the rest of her life!

He would kill any other man who dared to touch her!

No matter how high his status was! He would still kill him! It would just take more time.

“Impossible!” Ouyang Xiaoxiao didn’t believe that David was in his hands. Although Yu Hansheng was indeed very capable, no one could have dared to touch David given his status. “Yu Hansheng...”

Before she could finish speaking, she was interrupted by Yu Hansheng.

“If you don’t believe me, look.” He handed Ouyang Xiaoxiao a phone. A video was playing on it. In the video was David, the unconscious David.

It was very high-definition, making one 100% sure that the man in the video was David.

“Yu Hansheng!” When Ouyang Xiaoxiao saw that David had really been caught by Yu Hansheng, she grabbed his arm in agitation. Her expression was as if she wanted to kill Yu Hansheng with a knife.

This made Yu Hansheng’s heart ache.

Did she care so much about David?

The more painful it was, the more devilish and frivolous his smile became. “What?”

“You’d better let him go immediately!” Ouyang Xiaoxiao said with a ruthless expression.

Chapter 1484: If You Can’t Let Go, You’ll Hurt Together (3)

“And if I don’t let him go? Also, Ouyang Xiaoxiao, what right do you have to make me let him go? Who do you think you are? Why should I listen to you? Why do you think I’ll let you off after you did that to me?” Back then, the mother and son were hiding in David’s embrace, shooting hidden weapons at him as they did so.

The scene of them hurting him would always wake him up.

He couldn’t bear to kill the mother and son. But David, he had to kill him!

Ouyang Xiaoxiao looked at him like that for a while before the ruthlessness in her eyes disappeared. She smiled sarcastically and said, “That’s right. I have no right. I’m not anyone. Someone like you who’s vengeful will have to take revenge.”

She paused for a moment and said, “How do you want to take revenge on me? Come, do as you please.”

“Alright, since you want me to do as I please, I’ll do as I please.” Yu Hansheng had always been a person who did as he pleased. If one wanted to be good, one could be very good. If one wanted to be bad, one could go beyond one’s imagination. Such a person would never care about the mockery of others, even if the person who mocked him was the woman he loved.

Yu Hansheng had never denied his love for Ouyang Xiaoxiao. From the beginning, he knew that he had developed true feelings for her. He had said that he wanted Ouyang Xiaoxiao to fall in love with him before tormenting her, but in fact, he really wanted to treat her well.

He just couldn't let go of the hatred in his heart.

It was precisely because he had this love that he felt so conflicted and pained.

He couldn't let go of her. His hatred was due to a blood feud, but he couldn't let go.

This made him feel like he was living in hell every day.

It was normal for one's personality to become twisted. It would be abnormal if it wasn't.

Ouyang Xiaoxiao: "...!!"

At this moment, she really hated her incompetence. Even after five years, she could only be at his mercy.

She turned her head to look out of the window, not wanting to bother about Yu Hansheng anymore.

However, when she thought about how David was still in Yu Hansheng's hands, she immediately turned around. "Yu Hansheng, don't implicate others in our feud. Please let David go."

Yu Hansheng knew that the only reason she turned around to speak was for David. Indeed... after he had said those words, she still wanted to ask him to let David go.

Ha...

Although he had guessed it, he was still displeased by her behavior. "You know that no one is allowed to touch my things. If he touched my things, I'd only make him die a horrible death. I'll never let him off."

"I'm not yours!" Ouyang Xiaoxiao's expression darkened.

"If you say so. In any case, I won't let him off. I'll torture him slowly first. Once I think of a way to make him die in the most pain, I'll kill him." Yu Hansheng sneered.

Ouyang Xiaoxiao looked at him talking about murder as if it didn't matter as much as stepping on a bug. She shuddered. "You demon!"

"That's right, I'm a demon. I'm a very bad person! It's not like this is the first time you've found that out. Why are you so agitated?" Yu Hansheng raised his eyebrows, his expression full of sarcasm.

"You...!" Ouyang Xiaoxiao was so angry that she threw the phone in her hand at Yu Hansheng.

However, Yu Hansheng easily dodged it.

"Yu Hansheng, I really want you to die!" Ouyang Xiaoxiao was once a kind person. She could repay evil with kindness, but now, she wanted someone to die.. And this someone was Yu Hansheng.

Chapter 1485: If You Can't Let Go, You'll Hurt Together (4)

“It’s a pity that I don’t want to die. You’d better not hope for me to die. Because if I wanted to die, I would definitely bring the two of you along,” Yu Hansheng said with a smile.

Even though his heart was bleeding, he still smiled wickedly. It didn’t matter.

When Ouyang Xiaoxiao heard that he wanted to touch their child, her eyes turned even colder as she looked at Yu Hansheng. “Yu Hansheng, you’d better not give me a chance. Otherwise, I’ll definitely kill you!”

She had never wanted someone to die so badly.

He was really too scary! He deserved to die!

Yu Hansheng wanted to give her a knife and give her a chance to kill him, but on second thought, he decided to treat the scars on her body first.

Hence, he said, “Alright, I won’t give you a chance.”

Ouyang Xiaoxiao: “...!!”

Knowing that Yu Hansheng would not let David go no matter what she said to him, Ouyang Xiaoxiao turned around and no longer looked at him. She was scheming how to find an opportunity to save David.

Yu Hansheng looked at her side profile and reached out to caress the cat in his embrace.

It was because Ouyang Xiaoxiao liked this cat that he liked it so much. All these years, he had kept it by his side and became a cat slave.

But now, she didn’t like this cat or him.

She wanted them to die.

Ha...

If only he could let it go as easily as she did.

Life would no longer be painful and vexing.

Ouyang Xiaoxiao did not say a word to Yu Hansheng for the rest of the trip. She did not care where he was taking her.

Until they arrived at the restaurant and saw Mu Huan and Bo Junyan.

Initially, the old Bo couple had wanted to have a meal with the two of them, but something up on the way and they went back first.

Mu Huan was a celebrity. Although Ouyang Xiaoxiao had never seen her before, she recognized her at a glance.

To be honest, she had once complained about Mu Huan in her heart because she had treated Yu Hansheng’s weakness of being afraid of S fragrance, making her unable to easily knock Yu Hansheng down again.

However, that was just a casual complaint.

She did not hate Mu Huan, especially when she saw her in person.

Such a young lady who looked very good could not be hated.

Mu Huan had met Ouyang Xiaoxiao before, but she had never spoken to her. When she saw Yu Hansheng bringing her over, she smiled warmly and invited Ouyang Xiaoxiao to sit.

This made Ouyang Xiaoxiao even more unable to hate her. She even had some ideas.

While waiting for the dishes to be served...

Yu Hansheng looked at Mu Huan and said, "Have a look at these scars first."

Ever since he saw the scars on Ouyang Xiaoxiao's body, he had been thinking about them. He wished that the scars on her body could immediately disappear. It was as if, if the scars disappeared, the sins she had suffered would no longer exist.

As he spoke, he pulled Ouyang Xiaoxiao's clothes.

However, Ouyang Xiaoxiao grabbed her clothes tightly and refused to let Yu Hansheng touch her.

"Are you forcing me to be rough?" Yu Hansheng narrowed his eyes.

Ouyang Xiaoxiao clenched her fists tightly.

The corners of Mu Huan's lips twitched as she said, "Yu Hansheng, are you stupid? You're tearing someone's clothes in public!"

She didn't allow him to pull at her, yet he still wanted to be rough!

He clearly liked her so much that he couldn't let go, yet he was still being like this!

Did he want to chase her to her grave despite liking her so much?

When Ouyang Xiaoxiao heard this, she looked at Mu Huan gratefully.

Yu Hansheng: "..."

He did seem a little anxious...

When he snapped back to his senses, he looked at Bo Junyan and said, "Why aren't you leaving? Why are you sitting here?"

Bo Junyan said, "I'm sitting here to see how you die."

Yu Hansheng: "...!!"

Chapter 1486: If You Can't Let Go, You'll Hurt Together (5)

"Xiao Huan, come with us." Yu Hansheng stood up.

If Bo Junyan didn't want to go out, they could go out!

Ouyang Xiaoxiao thought of something. "I'll go out with Madam Bo."

Just as she finished speaking...

Bo Junyan and Yu Hansheng said in unison, "No!"

Mu Huan looked at her husband in surprise, not understanding why he was so agitated.

Bo Junyan did not speak and only glanced at her stomach.

Mu Huan immediately understood that he was afraid that she would be in danger if she went out alone with Ouyang Xiaoxiao.

This made her break out in a cold sweat. Was he afraid of such a delicate beauty now?

He...

"Hubby..." She was about to say something.

But Bo Junyan held her hand. His attitude showed that no matter what she said, no was no.

He knew very well what had happened between Ouyang Xiaoxiao and Yu Hansheng. The current Ouyang Xiaoxiao was no longer the Ouyang Xiaoxiao from before. She had been forced here by Yu Hansheng. She was definitely itching to escape, but she could not deal with Yu Hansheng. Hence, it was very likely that she wanted to coerce his wife.

Although his wife was not easy to deal with...

No matter what, it was better to be on guard.

With Mu Huan and Bo Junyan's interactions, it was mostly Bo Junyan who listened to her. However, Mu Huan could only listen to him when he was very persistent.

Now that he was being like this, Mu Huan knew that there was no need to say anything else.

But she could.

"Hubby, go out for a while. I'll take a look." He didn't have to worry at all if Yu Hansheng stayed here.

Bo Junyan: "..."

"Do you want to see someone take off their clothes?" Mu Huan narrowed her eyes.

Bo Junyan: "...!!"

Finally...

"I'll go out for a while." Bo Junyan stood up and left.

"Didn't you still want to go out in the end? Why did you tell me all that just now? Why did you waste your time?" Yu Hansheng snorted.

"You don't want me to go out?" Bo Junyan raised an eyebrow.

Was that the same as his wife asking him to go out?

“Alright, consider my mouth cheap! CEO Bo, please!” Yu Hansheng invited him out.

Bo Junyan snorted and left.

After he left...

Yu Hansheng immediately tugged at Ouyang Xiaoxiao’s clothes for Mu Huan to see.

Ouyang Xiaoxiao: “...”

She didn’t know why Yu Hansheng was so obsessed with these scars on her body. They had been there for so many years. Could he still make them disappear without a trace? Besides, even if they were gone, so what?

Mu Huan lowered her head and carefully looked at the scars on Ouyang Xiaoxiao’s body.

“It can’t be diluted to the point of being completely traceless.” These were scars that had been there for many years. Her skin and tissue had already grown, so it was impossible for her to recover.

“Let it fade as much as possible!” Yu Hansheng knew that it was impossible for it to happen.

“Alright, I’ll get the medicine ready later and get someone to send it to you,” Mu Huan said as she sat back down. “Can I call my husband in for dinner now?”

Yu Hansheng’s lips twitched. Look at what she was saying. It was as if he had wronged her husband. He said unhappily, “That’s enough!”

Mu Huan immediately called Bo Junyan.

Bo Junyan was outside, so he quickly walked in.

Ouyang Xiaoxiao was a little anxious when she saw that everyone was seated neatly and was preparing to eat. They were going to disperse after dinner.

It was almost impossible for her to escape from Yu Hansheng. Mu Huan looked like a good person. If she wanted to leave Yu Hansheng, she could only start with Mu Huan. Once she left after dinner, Ouyang Xiaoxiao would have no chance..

Chapter 1487: If You Can’t Let Go, You’ll Hurt Together (6)

However, she didn’t even have the chance to be alone with Mu Huan for a while, let alone ask her for help or use other methods to get her to leave.

Just as she was feeling so anxious that she couldn’t taste anything...

“Why don’t I see your adorable Xiao Chen?” Mu Huan asked.

When Yu Hansheng heard this, he glared at Mu Huan.

Mu Huan’s face was full of fear.

Yu Hansheng: “...!!”

This girl was already so arrogant that it made one clench their teeth. Now that she was forcefully in cahoots with Bo Junyan, she was even more arrogant!

"I was caught by him. I still don't know if there's anyone taking care of my son. Madam Bo, can you help me?" Ouyang Xiaoxiao thought that after they finished eating and left, there would be no chance. Bo Junyan was so guarded against her. It was impossible for him to give her and Mu Huan a chance to be alone. She could only say it out loud and gamble!

Yu Hansheng was stunned. He did not expect Ouyang Xiaoxiao to say this.

Not only did he not expect it, but even Mu Huan did not expect it.

Only Bo Junyan's expression did not change, as if he had expected her to say this.

"Madam Bo, I think you're a good person. Please help me, alright?" Ouyang Xiaoxiao looked at Mu Huan with a pitiful and pleading expression.

Even someone with a heart of stone could not bear to reject her.

Furthermore, Mu Huan had asked that question just now to intervene in this matter.

Her senior brother had helped her a lot. She didn't want him to live in such struggle and pain. She didn't want him to lose the person he loved so much. She hoped that he would be as happy as she was in the future.

However, Yu Hansheng did not wait for Mu Huan to say anything. He pulled Ouyang Xiaoxiao up and was about to leave.

Ouyang Xiaoxiao grabbed the table and refused to leave.

Yu Hansheng reached out to knock her out and take her away.

"Wait, wait! Senior Brother, you'd better not move!" Mu Huan hurriedly shouted.

"Why? You want to help her?" Yu Hansheng's gaze turned dangerous.

She clearly knew what was going on between him and Ouyang Xiaoxiao, so she deliberately mentioned such a question! What did she want?

"No, I've found someone. He should be here by the time we finish our meal. We can talk about everything after that person arrives. Let's eat first. I'm starving." Mu Huan now had a good appetite. She felt like she could eat a cow every day.

However, Shangguan Yu said that it was best not to eat too much during pregnancy. Otherwise, if she became fat, not only would it be difficult to recover, but the baby would also become fat. A fat child would have to work hard to lose weight for the rest of his life.

Hence, Mu Huan had to control herself even when she could eat and drink.

It was fine when she didn't want to control herself. But when she thought about dieting, she really wanted to eat meat. She really wanted to eat and drink. She was especially hungry.

Mu Huan had always been a person who could not go hungry. Hence, no matter how big the world was, nothing was more important than eating.

She had to eat first.

“Who is it?”

“I’ll tell you after dinner.” With that, Mu Huan started to eat.

Seeing her like this, Yu Hansheng said disdainfully, “People who don’t know better might think that you’re a starving person from Africa.”

She was so impatient that all she could see was food!

Mu Huan ignored him.

Yu Hansheng wanted to leave, but when he thought about how Mu Huan had asked him to stay and wait for someone, he realized that this person must be very important and had something to do with him. Although he couldn’t think of anything relating to Mu Huan or who could be related to him, he was still hungry. He would leave after eating.

Ouyang Xiaoxiao could beg Mu Huan however she wanted. Anyway, Mu Huan would not help her deal with him!

With this in mind, Yu Hansheng let go of Ouyang Xiaoxiao and sat down to eat.

Chapter 1488: If You Can’t Let Go, Let’s Hurt Together (7)

Ouyang Xiaoxiao glanced at Yu Hansheng and then at Mu Huan. She wanted to say something, but seeing how Mu Huan was eating so intently and looking like she was really hungry, she felt embarrassed to disturb her.

“Have some too. If you don’t eat now, there won’t be any food later!” Yu Hansheng said as he picked up a big prawn for Ouyang Xiaoxiao.

Ouyang Xiaoxiao looked at the prawn in front of her with a complex expression, but she was indeed a little hungry. Under such circumstances, there was no point in not eating. Hence, she lowered her head and ate.

The four of them quietly and harmoniously ate.

When they were almost done eating, there was a knock on the door.

Mu Huan put down her chopsticks and said, “He’s here.”

Yu Hansheng and Ouyang Xiaoxiao looked up at the same time.

Then, an old man with white hair walked in.

At first glance, neither of them knew each other.

Yu Hansheng looked at Mu Huan with a face full of disbelief. Why did she make him wait for such a person?

Mu Huan did not explain to him. Instead, she picked up the bowl of soup in front of her and drank it.

Yu Hansheng: "..."

Was she still not full after eating so much? She could still drink the soup.

Right at this moment, the white-haired old man walked toward him. The old man seemed to know him and was trembling with excitement when he saw him.

As the old man approached, Yu Hansheng frowned. This was because he felt that this old man looked a little familiar when he looked at him from such a close distance. It was as if he had seen him before.

"Young Master, I've finally found you!" the old man said as he knelt in front of Yu Hansheng excitedly.

Yu Hansheng's expression changed.

There shouldn't be anyone in this world who would call him Young Master!

Because everyone who called him Young Master was dead.

When Yu Hansheng was eight years old, his family was wiped out. His brother, sister, and parents were all dead. Only he survived.

Although the mastermind at that time wasn't Ouyang Xiaoxiao's parents, it was Ouyang Xiaoxiao's father who had killed his parents.

He saw it with his own eyes.

All these years, every night, he would recall the terrible state his parents had been in when they died. Hence, he could not let go of that blood feud.

He could not face his son.

Yu Hansheng had personally seen Ouyang Xiaoxiao's father kill his parents, and Ouyang Xiaoxiao was 100% their daughter. Hence, even though Yu Hansheng had been in pain all these years, he could not do anything because it was the truth.

Hence, when he found out that Bo Junyan's grandfather was not his biological grandfather, he was so jealous of Bo Junyan that he wanted to go crazy!

Especially when he found out that Ouyang Xiaoxiao was still alive.

He found Bo Junyan and Mu Huan even more unpleasant to the eye. He was so jealous that he could not stop himself from playing tricks on the two of them!

It was clearly such a painful truth that could not be let go, a situation that could not be changed no matter what. The two of them were so lucky to have met such a god-like turn, and he could only live in such a purgatory.

His heart almost twisted!

“Young Master, I’m Ah Fu... I’m Ah Fu...” the old man cried as he knelt on the ground.

Ah Fu was the servant who had risked his life to protect Yu Hansheng.

However, Yu Hansheng had seen him die with his own eyes. Hence, it was impossible for him to be Ah Fu. Even so, Yu Hansheng felt that he was indeed similar to Ah Fu.. However, it was impossible for a dead person to be revived. He looked at Mu Huan and asked, “Mu Huan, where did you find this person?”

Chapter 1489: If You Can’t Let Go, You’ll Hurt Together (8)

What was she trying to do? Was she playing tricks, or did she want to use what happened back then to do something?

“He’s indeed Ah Fu. His identity is 100% confirmed. He didn’t die back then,” Mu Huan said as she put down the bowl in her hand.

“Impossible! I saw the dead with my own eyes!” Yu Hansheng said instinctively.

“Speaking of which, this Ah Fu’s name is indeed good. He’s very lucky. Back then, his heart had stopped beating, but he still came back to life,” Mu Huan said.

Yu Hansheng knew Mu Huan and Bo Junyan’s capabilities. Since they had brought the person in front of him and told him so confidently that this person was Ah Fu, then he was.

However, he didn’t care why Ah Fu was still alive. He only wanted to know why Mu Huan had called him over.

“Mu Huan, what do you want to do?” Why was she looking for Ah Fu?

Mu Huan looked at Ah Fu and said, “Uncle Fu, you spoke of your young master and how you’ve been looking for him all these years because you wanted to tell him something.”

“Yes...” Ah Fu hurriedly nodded.

Yu Hansheng did not know what Mu Huan wanted Ah Fu to tell him, and what he could tell him.

At this moment, no matter how Yu Hansheng thought about it, he could not think of what Ah Fu would say next. It could overturn most of his life and shatter his worldview.

What Ah Fu could tell Yu Hansheng was the truth.

What Yu Hansheng had seen back then was right. It was indeed Ouyang Xiaoxiao’s father who had killed his parents.

However, that wasn't because Ouyang Xiaoxiao's father wanted to do that. It was because Yu Hansheng's parents begged him to do that.

At that time, the mastermind behind the extermination of the Yu family was too powerful. Even Yu Hansheng's parents and Ouyang Xiaoxiao's parents could not resist.

Yu Hansheng's brother and sister died first. In order to protect Yu Hansheng, his parents...

They begged Ouyang Xiaoxiao's father to be ruthless and deal with the two of them. He wanted the mastermind to believe Ouyang Xiaoxiao's father. Then, he wanted to give Yu Hansheng a chance to live and arrange for someone to save him from his home.

Yu Hansheng had always thought that the family extermination disaster back then was because Ouyang Xiaoxiao's father had taken a fancy to his family's assets. He had used his father's trust in him as a friend but was a wolf lured into his house to destroy his family. Then, he took the opportunity to snatch their assets. He never expected this.

This was the truth!

Not only was Ouyang Xiaoxiao's father not bad, but he was also someone who risked his life to let him live.

This...

For a moment, Yu Hansheng could not accept it! He shook his head and said, "Impossible... This is definitely impossible...!"

The person he had hated for most of his life, the absolute truth that he thought would never change, actually... actually...

He couldn't believe it! He couldn't believe it no matter what!

Not to mention Yu Hansheng, even Ouyang Xiaoxiao was shocked to the point of disbelief.

This... how was this possible...

This...

"Mu Huan, this is definitely impossible! This person, did you fabricate this matter?!" Yu Hansheng looked at Mu Huan.

He didn't believe such a fact!

He knew that Mu Huan had always wanted to help him and didn't want him to continue suffering like this.

Hence, this was very likely something she had fabricated to make him let go of that hatred!

Before Mu Huan could say anything...

Ah Fu said excitedly, "Madam Bo didn't make it up. It's true! All of this is real, Young Master!"

"Shut up and get lost! You're not Ah Fu!" Although Yu Hansheng wanted to stop being in so much pain and be conflicted, although he really wanted to be with Ouyang Xiaoxiao...

He could not accept that this was real.. He could not accept that the person he hated, the person who had killed his parents, was not his enemy.

Chapter 1490: You Can't Even Hate (1)

If they weren't his enemies, then wouldn't his years of life be...

No matter if it was hatred or anything else, the emotions that had supported a person for a long time would become the pillar of his life. Now, his pillar had collapsed.

He didn't even know what the meaning of his life was.

The person he hated so much was not his enemy but his benefactor!

What the f*ck!

Yu Hansheng felt that his life had been fake. He had lived his life in vain.

"Young Master..." Ah Fu wanted to say something else.

Yu Hansheng suddenly stood up and walked out.

When he reached the door, he thought of something. He turned around and grabbed Ouyang Xiaoxiao, pulling her away.

"Little Young Master...! Little Young Master..." Ah Hu, who was about to say something, chased after him.

Mu Huan did not get anyone to stop him. Resting her chin on her hand, she looked at Bo Junyan and said, "Shouldn't we have informed Senior Brother in advance? He looks like he can't take it."

"It's the same if you say it in advance or not," Bo Junyan said.

"Although it's something to be happy about, I suddenly can't not hate someone I've hated for half my life. This is really unbearable," Mu Huan said with a sigh.

"Alright, let's not worry about him anymore. The rest will depend on how he accepts and resolves it." Even though he knew that Mu Huan and Yu Hansheng would not have anything going on, Bo Junyan still did not like her paying attention to him.

"Okay," Mu Huan said as she pounced on Bo Junyan. "Hug me and let's go home to sleep."

She was probably really going to become a pig. She would eat, sleep, and eat.

Bo Junyan bent down and picked her up.

At this moment, downstairs, Yu Hansheng pulled Ouyang Xiaoxiao into the car.

Ouyang Xiaoxiao had yet to regain her senses from that fact. Hence, after Yu Hansheng got into the car, she did not say anything.

All along, the two of them had been bound by such a blood feud. Now, that blood feud had suddenly disappeared. This...

They really didn't know what to think or do.

Although Bo Junyan did not want Mu Huan to interfere in Yu Hansheng's matters, Mu Huan still called Yu Hansheng after returning home.

Yu Hansheng, who was deep in thought by the window, saw that it was her call. He stared at it for a while before answering the call.

"Senior Brother, I can understand how you feel right now, but overall, this is a good thing. You love Ouyang Xiaoxiao so much. Now, you can love her without any burden, and you have such a cute and handsome son."

Yu Hansheng remained silent.

"However, I have to remind you that even if you want to love someone, they might not want you to love them. This is especially so now that they don't owe you anything. Hence, you can't use force. You have to be gentle." Mu Huan disagreed very much with Yu Hansheng forcefully capturing Ouyang Xiaoxiao.

If you don't know how to respect others, how can they live with you?

Only by mutual respect and equality could a person in love go the distance.

Yu Hansheng hung up without a word.

He couldn't accept the fact that Ouyang Xiaoxiao's father wasn't an enemy. Another reason was that Ouyang Xiaoxiao no longer owed him anything. Then, everything he had done to her in the past was too unforgivable! He had even thought of taking her life!

How could he beg for her forgiveness?

If he used force, he wouldn't be able to keep her heart. If he didn't use force, she probably wouldn't want to see him for the rest of her life.

What should he do now?

There was no such hatred between them. They could love each other without worries, but he had lost the right to be with her. He...

As Yu Hansheng thought about this, he suddenly threw a punch at the glass.

The glass shattered on the ground.

Ouyang Xiaoxiao, who was in the suite, was shocked when she heard the sound of glass shattering.. However, she quickly calmed down and didn't even go out to look.
