

Fake Marriage 1491

Chapter 1491: He's a Bad Man Anyway (1)

Ouyang Xiaoxiao had never thought that the blood feud between her and Yu Hansheng would one day disappear.

However, after her shock, she snapped back to her senses. She felt that such a fact was meaningless to her. It was not important if there was any hatred between her and Yu Hansheng.

She did not want to care about the effects this would have on Yu Hansheng, much less what he was feeling.

She could only think of a way to leave this place.

She didn't want to have anything to do with Yu Hansheng anymore!

The pain snapped Yu Hansheng back to his senses. Then, when he thought about how, even though he had caused such a huge commotion, Ouyang Xiaoxiao did not come out to look at him, he was instantly extremely depressed. He walked in without thinking. As he walked, blood dripped from the wound on his hand.

When she heard footsteps, Ouyang Xiaoxiao looked up and saw a gloomy Yu Hansheng standing at the door. When she saw his hand that was still bleeding, her eyes flickered, but she quickly regained her composure.

Yu Hansheng looked at Ouyang Xiaoxiao and wanted to say something, but he didn't know what to say. In the past, he had a reason to hate her. No matter how he treated her, she should only bear with it. But now, he didn't have that reason. How was he going to treat her?

He looked at Ouyang Xiaoxiao like that for a while.

"That's not the truth!" he said forcefully.

Ouyang Xiaoxiao did not speak. If he said it wasn't the truth, then it wasn't. She didn't care.

Her indifference made Yu Hansheng think that she was mocking his defense.

After a moment of silence, he said, "Even if it's the truth, your father still killed my parents! He's still my enemy who killed my father!"

"Yes." Ouyang Xiaoxiao nodded, her expression still indifferent.

Her indifference provoked Yu Hansheng. He strode forward and reached out to pinch Ouyang Xiaoxiao's chin. "What's with your expression?"

"What expression do you want me to have?" Ouyang Xiaoxiao raised an eyebrow at him.

Yu Hansheng looked at her and was so angry that he wanted to pinch her chin more. He even reached down to grab her slender neck. Then, with a forceful hold, he would never have to worry about being in pain again.

It was really just a matter of force.

But...

Even in the past, he could not be so ruthless, let alone now.

No matter how much he wanted to crush her indifferently, the strength in his hand gradually relaxed. From pinching her, it turned to him caressing her.

He looked at her for a while.

“Do you hate me a lot?”

“Before I took revenge on you, I hated you a little. After I took revenge on you, I don’t hate you anymore. Now, I just want us to go our separate ways.” Ouyang Xiaoxiao looked at him as she said this seriously.

Yu Hansheng’s heart tightened. “If your parent was not my enemy who had killed my father, shouldn’t you hate me for treating you that way?”

“No.” In the past, she didn’t hate him for treating her that way. Now, she still didn’t hate him.

He was just a pitiful person. He saw his parents being killed with his own eyes. That hatred and that shadow in his heart made him not be truly happy all these years.

“Why not?” Was it because there was no love?

“You’re just a passerby to me now. Why should I hate a passerby?”

Ouyang Xiaoxiao could sometimes hurt people’s hearts.

Her words were like a sharp sword that pierced Yu Hansheng’s heart. It hurt him so much that he could hardly stand.

The colder and more devilish a person like him was, who did not take love seriously, the more deeply he would fall in love.

Chapter 1492: He’s a Bad Man Anyway (2)

“Ha...” Yu Hansheng laughed, but his smile made one’s heart ache.

Ouyang Xiaoxiao looked down and did not look at his smile.

“Even if I’m just a passerby to you, you can only be with me for the rest of your life!” Yu Hansheng knew that if he wanted to keep someone, the most important thing was to keep her heart. It was impossible to keep someone by force, but he could only use forceful means now!

When the two of them had still had a blood feud, he couldn’t let go of her, let alone now.

Even if he could only force her to stay with him for the rest of her life, it was enough as long as she was by his side! It was better than nothing!

He would never be able to watch her live a happy life with another man!

“Yu Hansheng, why are you doing this...” Ouyang Xiaoxiao wanted to try to persuade him.

“I’m not bitter. I don’t feel bitter at all!” Yu Hansheng could not accept such a fact just before, but now, he could suddenly accept it!

This was because although he had just said that Ouyang Xiaoxiao’s father had killed his parents under such circumstances, he knew that not only was her father not who he had thought, but he was also his benefactor.

This way, he didn’t have to worry about pain at all.

Just as Mu Huan had said, he could let go of love!

She was no longer the daughter of his enemy. Their child was no longer the continuation of his enemy’s blood!

“It was really tough in the past, but under that kind of pain, I still couldn’t let go of you, let alone now when there’s no longer a blood feud between us.” The more he spoke, the more Yu Hansheng could accept this fact.

Ouyang Xiaoxiao: “...”

Initially, she had felt that it didn’t matter to her if there was a blood feud between her and Yu Hansheng or not. But now, she really hoped that there was still a blood feud between the two of them. If there was a blood feud, there would be a reason for him to stop and someone to suppress him.

Without such a blood feud, what could she use to persuade him? What could she do to make him let go of her?

Ouyang Xiaoxiao had a headache.

She felt that life was too unpredictable. Fate liked to tease people too much.

In the past, she had hoped that there was no blood feud between them. She had wanted there to be a misunderstanding and some other truth.

But no matter how much she had hoped, the truth was still the same. In the end, things had come to this.

Now, she didn’t want to have anything to do with him anymore.

But...

Such a turn of events had happened.

This was something she would never have thought of in the past. She would never have thought that one day, she, who wanted there to be no blood feud between them, would want there to be a blood feud between them...

Seriously...

Fate played tricks on people.

“I know you miss your son. I’ll get someone to bring him over. You’ll be able to see him soon.” The more Yu Hansheng thought about it, the more he could accept the truth.

In fact, he felt that he couldn’t accept it just before because there was something wrong with his brain. But why shouldn’t he want to accept such a fact?

Such a fact was great!

From now on, his life would no longer be purgatory.

So what if he was a jerk and had no right to love her?

Anyway, he was a jerk and a bad person.

What conscience!

Just like that, strength and softness came together and melded. In short, as long as he could keep her here, he could do anything!

What he had done in the past was too wrong and he had let her down. But he could just spend the rest of his life making up for it!

Chapter 1493: He’s a Bad Man Anyway (3)

What he had done in the past was too wrong and he had let her down. But he could just spend the rest of his life making up for it!

The more he thought about it, the more Yu Hansheng felt that this was possible!

Just before, he couldn’t figure it out, couldn’t let go, and couldn’t accept it. Now, he could completely let go. Now, he only had one obsession left. No matter what, he had to keep her. She could only be his!

“Yu Hansheng, you should know that forcefully twisting a melon won’t make it sweet.” Ouyang Xiaoxiao had been with Yu Hansheng for many years and had interacted with him. She naturally understood Yu Hansheng. Just by looking at the change in his eyes, she could guess the change in his mental state.

The more she could tell, the more her head hurt. She didn’t know what to do or how to dispel his thoughts.

“As long as it’s you, it’ll be sweet no matter how I eat it.” Yu Hansheng’s voice was a little ambiguous.

Ouyang Xiaoxiao: “...!!”

Ouyang Xiaoxiao knew Yu Hansheng very well. It was precisely because of this understanding that she didn’t know what else she could say. This was because it would be useless no matter what she said.

This made her head hurt.

She didn’t know what the heavens wanted to do and why they were treating her this way!

When she wanted it so much, they wouldn't give it to her no matter what. When she didn't want it anymore, they insisted on doing this...!

"Yu Hansheng, if you use force, you can only get a corpse!"

"No, what I can get are three corpses. Yours, Xiao Chen's, and David's." Although Yu Hansheng was smiling, the threat in his words was obvious.

If she took things too hard and threatened him with her death, he would bury David and Xiao Chen.

"Yu Hansheng! Xiao Chen is your biological son!" Ouyang Xiaoxiao could accept if Yu Hansheng hurt her, but she could not accept it if he hurt her child. The reason she hated him so much in the past was that he could even be ruthless to their child.

How innocent a child was! He was so adorable and good, and he was even his biological son! How could he do anything to him?!

No, even this was not enough to threaten him!

"I don't care if he's my biological son. I only care about you. If you stay with me obediently, you can have whatever you want. If you want me to give him the best, I'll give it to him. If you want David to live well, I'll let him live. All of this will depend on you." Yu Hansheng wanted to be tough, but he couldn't be completely tough.

He had to be gentle.

To put it simply, as long as she stayed by his side, he would do anything.

Otherwise, there was no room for discussion!

There were many types of love in this world. Some love was such that if one cooperated, the sky would be clear. Some love was such that only that person could give you your happiness. If it was not them, then the two of you would walk toward destruction together.

It was your misfortune and luck to meet someone like the latter.

It depended on whether you liked them or not. If you liked them deeply, it would be a blessing if you could grow old with them. If you didn't like them and didn't want to be with them, that would be the greatest misfortune.

Ouyang Xiaoxiao naturally understood why Yu Hansheng was being so direct.

After a moment of silence, she said, "Alright, let David go."

There was no way she could win against Yu Hansheng alone. Only if David was released would she be able to leave Yu Hansheng.

"I can let him go, but what are your conditions in exchange?"

"Didn't you say that as long as I stay by your side, you will do whatever I want?" Ouyang Xiaoxiao raised an eyebrow.

“That’s only if you really want to stay by my side, not if you’re just pretending. You want me to let David go first so that you can use him to escape from me.” Yu Hansheng was a smart person, so he naturally saw through Ouyang Xiaoxiao’s thoughts..

Chapter 1494: He’s a Bad Man Anyway (4)

Ouyang Xiaoxiao wasn’t surprised that he could tell. If he couldn’t tell what she was thinking, he would have died countless times. “I’m very sincere now. If you don’t believe me, then tell me, what conditions do you want me to give in exchange?”

Yu Hansheng’s hand, which was originally pinching her chin, gently lifted it. Then, his charming and handsome face suddenly approached Ouyang Xiaoxiao’s.

Ouyang Xiaoxiao’s heart skipped a beat.

“You.” He wanted her!

Ouyang Xiaoxiao’s heart stopped beating. After a while, she regained her senses. “Didn’t I agree to stay by your side?!”

“You know what I want,” Yu Hansheng said as he looked down at her face.

His gaze made Ouyang Xiaoxiao feel like she was in a sea of fire.

It was so hot that it hurt.

“Yu Hansheng, don’t forget that David and I are already husband and wife!” Although he no longer had a blood feud with her, he was still a clean freak!

How could he allow his woman to have been touched by another man?!

He would throw away anything that had been touched by others!

Why was it like this now?

She had clearly told him before.

Yu Hansheng’s black and hot eyes darkened!

The ambiguous atmosphere had turned frighteningly sinister!

No man could ignore this unless he didn’t love her.

As for Yu Hansheng, who was a clean freak both physically and emotionally, he cared even more. He couldn’t even think about it!

Just thinking about such a scene made him want to chop David up with his own hands! He wanted to kill him piece by piece!

But...

Even though he cared so much, he still couldn’t let it go!

He still wanted it!

“Ouyang Xiaoxiao, if you anger me like this, I won’t let you off. It’ll only make me want David to die!” Yu Hansheng said with a gloomy expression. “Although you definitely won’t forgive me if David dies, with Xiao Chen around, you still have to be obedient and stay by my side for the rest of your life! Hence, I don’t care what you say. I can’t wait for you to make me lose my rationality so that I can deal with David!”

He didn’t want to hear such words from her mouth again!

Ouyang Xiaoxiao really couldn’t bear to hear him using her son to threaten her. Hence, her eyes darkened. “Yu Hansheng, if you dare to use my son to threaten me again, I’ll definitely use any means to kill you!”

Given how much he cared about her, if she pretended to be obedient, she would have plenty of opportunities to take his life in the future!

He’d better not use Xiao Chen to threaten her again!

Ouyang Xiaoxiao especially loved her son. She wished she could give him all the best things in the world!

Hence, she could not accept that Yu Hansheng, his biological father, had used him to threaten her. Even if he did not really intend to do it and only said that to threaten her, as he was his father, this was still a huge blow to the child!

It was already unbearable for his biological father to not care about him, let alone have him threaten his mother with his life.

“If you can kill me, it’ll be over.” Yu Hansheng smiled.

Yu Hansheng had never been afraid of death. He even felt that if he could die in her hands, it would be the best ending for him.

Ouyang Xiaoxiao did not speak, but her eyes turned colder.

Did he really want to die?

Or did he think that she wouldn’t do it?

He seemed to have not realized that she was no longer the same person as before. If he dared to hurt her son again, she would definitely be ruthless!

Chapter 1495: He’s a Bad Man Anyway (5)

To the current Ouyang Xiaoxiao, her son was the most important. No matter who dared to hurt her son, she could do anything to them.

“Have you thought it through?” Yu Hansheng suddenly asked.

“Thought about what?” Ouyang Xiaoxiao was a little stunned by his question.

“I’ll use you in exchange for David’s freedom.” Yu Hansheng, who never repeated himself, had always been patient with Ouyang Xiaoxiao.

Without waiting for Ouyang Xiaoxiao to say anything, he continued, “You know what I mean!”

As he spoke, his eyes burned.

Ouyang Xiaoxiao: “...!!”

She was about to say something.

But Yu Hansheng said in a hoarse voice, “Don’t say anything that will anger me.”

Ouyang Xiaoxiao looked at him for a while before saying, “If you don’t find it dirty, you can do whatever you want.”

“Alright.” Although such words from her seemed to anger him, not only was Yu Hansheng not angry this time, but he even smiled.

Ouyang Xiaoxiao understood Yu Hansheng, and Yu Hansheng also understood Ouyang Xiaoxiao. Even though she had become much more ruthless than before, her essence was still the same. If she loved David, she would definitely want to be faithful to him and not be so casual. She would not mind as long as he didn’t mind.

This meant that she didn’t love David!

This made him very happy.

Ouyang Xiaoxiao looked at Yu Hansheng and the corners of her mouth twitched. “I haven’t seen you in five years. You’ve changed a lot.”

He used to be a clean freak, but now, he was like this...

“You’ve changed. How can I not change?” Yu Hansheng said.

Ouyang Xiaoxiao: “...”

“Come, let me see your sincerity. You have to show enough sincerity to satisfy me. I’ll only let David off if I’m satisfied.”

Ouyang Xiaoxiao: “...!!”

After a while.

“Aren’t you going to treat your wound first?” she asked as she looked at his hand.

With his hand dripping with blood, he still had the heart to think about other things. Seriously...!

“Just deal with it for me,” Yu Hansheng said as he reached out to let her treat his wound. He knew that she was trying to stall for time. If she wanted to delay, he would let her. They had not been intimate for so many years, so he had to take it slow. He had to receive some feelings from her before doing anything else.

Ouyang Xiaoxiao didn't want to care about him, but if she wanted to buy time now, she could only ask, "Where's the medicine box?"

Even though he knew that she was stalling for time by treating his injuries, Yu Hansheng was still in a good mood. "I'll get someone to send it in."

Very quickly, the medicine box was sent in.

Ouyang Xiaoxiao opened the medicine box and treated Yu Hansheng's wounds.

Looking at his slender and good-looking hand, Ouyang Xiaoxiao felt that the heavens were a little unfair to have given such a bad person such a good appearance. There wasn't a single flaw in his body.

Realizing what she was thinking, Ouyang Xiaoxiao couldn't help but twitch the corners of her lips. Now wasn't the time to think about this. The most important thing now was how to escape! As she thought of this, her movements became much slower.

"Do you plan to deal with it until tomorrow morning?" Yu Hansheng's hand was sore.

Ouyang Xiaoxiao looked up at him. "I have such plans."

Just as she finished speaking, she was pressed down by Yu Hansheng's tall body. "That won't do."

His approach immediately made Ouyang Xiaoxiao feel uneasy. She instinctively reached out to stop him. "Yu Hansheng, if you really want me to stay by your side, you'd better not force me! We have to have a good chat!"

Although she had said that just now, even if it was true, she still couldn't accept it. She really didn't want to have anything to do with him anymore!

Chapter 1496: He's a Bad Man Anyway (6)

If anything happened between them, it would be too difficult for them to go their separate ways...

Not to mention in the future, even now, she could not accept his touch.

She had already let him go despite him wanting her and her child's lives; being with him on top of that was too much.

"Alright, let's talk. What do you want to talk about?" Yu Hansheng did not move. That magnified handsome face was in front of her, and his warm breath hit her face.

Ouyang Xiaoxiao clenched her fists tightly. "Let's sit down and talk."

"Let's. I think that's a pretty good idea," Yu Hansheng said as he moved closer.

His dominance made Ouyang Xiaoxiao unable to keep calm anymore. "If you think it's good, then I don't think it's good at all! Yu Hansheng, get lost!"

Yu Hansheng: "..."

Was she scolding him?

While Yu Hansheng was in a daze, Ouyang Xiaoxiao pushed him away forcefully.

Yu Hansheng, who was caught off guard, stumbled back a few steps and almost fell.

Yu Hansheng: "..."

His little angel had really changed a lot.

"Yu Hansheng, do you know how truly disgusting you are? There's really no one more disgusting than you in this world!" Ouyang Xiaoxiao looked at him in disgust.

From her expression, it was as if he was a filthy existence.

Yu Hansheng was provoked by her expression. He suddenly pounced forward and said, "So what if I'm disgusting?!"

"Other than relying on your strength to bully the weak, what else do you know to do?" Ouyang Xiaoxiao sneered.

"That's enough for me!" Yu Hansheng said shamelessly.

So what if he was bullying the weak? He was a bad person. Wasn't it normal for him to bully the weak?

Ouyang Xiaoxiao wanted to scold him, but when she heard his words, she couldn't do anything. It was useless to say anything to a person who had no sense of shame.

This kind of helpless feeling wherein scolding was useless and where she could not resist made her so angry that she clenched her fists. Even until her hands hurt, she was still helpless.

She really didn't like this!

But no matter how much she didn't like it, it was still like this.

Right now, she could only be at his mercy.

Finally, she let go and lay on the bed.

"If you want it, then go ahead."

As she lay there, that look of despair made Yu Hansheng, who had wanted to be more intimate with her, suddenly lose that feeling...

Although he had always felt that he was a bad person who did all sorts of evil, he was still not bad enough when it came to her.

He had clearly decided to use force on her long ago, but now that things had come to this, he couldn't do it no matter what.

"Ouyang Xiaoxiao, do you not want David to live?"

"If he dies, I'll be buried with him." Although Ouyang Xiaoxiao's words were faint, she clearly let Yu Hansheng know that she would definitely do this.

If Yu Hansheng could threaten Ouyang Xiaoxiao with David's life, Ouyang Xiaoxiao could also threaten him with David's life.

If David died, she would die too.

It would depend on who could bear to go with their threat.

When Yu Hansheng heard this, he tightened his grip on Ouyang Xiaoxiao's chin.

Even though his pinch was very painful, Ouyang Xiaoxiao did not cry out in pain. She only looked at him with a gaze that said she was facing death.

This made the evil thought in Yu Hansheng's heart surge again.

Afraid that he would do something irreversible in a moment of impulse, he let go of Ouyang Xiaoxiao with a sinister expression and turned to leave.

After he left, Ouyang Xiaoxiao heaved a sigh of relief.

No matter what, tonight was safe.

Chapter 1497: He's a Bad Man Anyway (7)

At the Bo residence...

Mu Huan's stomach growled with hunger, but she forced herself not to eat. It was already so late, and she would definitely gain weight if she ate supper.

Just as she was about to wash up and sleep...

Bo Junyan walked in.

As he approached her, he heard her stomach growl.

He went forward and lowered his head to kiss her before asking, "What do you want to eat?"

"I don't want to eat anything," Mu Huan said.

"You're so hungry that your stomach is growling. Don't you want to eat anything?" Bo Junyan smiled and touched her stomach.

"Yes, I don't want to." Mu Huan hypnotized herself. She didn't want to eat.

"I'll get you some food that won't make you fat." Bo Junyan knew that she was afraid of getting fat and of the child getting too big, so she was enduring it and didn't want to eat. However, she had never been able to go hungry. Now that her stomach was growling like this, if she didn't eat, she would definitely be unable to sleep at night.

"Food that doesn't make you grow fat usually doesn't taste good." Mu Huan pouted.

"It's better than nothing. Having some food to fill your stomach is better than starving."

Mu Huan: "..."

Finally.

“Alright, I’ll become a cow tonight.” Eat grass, eat grass!

Bo Junyan looked at her aggrieved expression and could not help but lower his head to kiss her. “I’d still want you. You can just eat however much you want.”

“Even if I’m not pregnant, I still can’t eat however much I want. What if I grow into a 200-kilogram fatty?!”

“Pretty good.” Bo Junyan thought about that scene and felt that it was quite cute.

“Aren’t you afraid that I’ll become a 200-kilogram fatty and crush you to death?”

“That is a good way to die.” Bo Junyan thought about that scene and his eyes suddenly burned.

Mu Huan could feel the change in his gaze. “...!!”

What was he thinking?!

What could he even think of?!

Seriously...

Bo Junyan seemed to have seen through her thoughts and said, “I’m starving.”

Mu Huan: “...!!”

“Wifey...” Bo Junyan lowered his head and whispered something into Mu Huan’s ear.

Mu Huan’s face instantly turned red. Then, she pushed him forcefully. “Hurry up and go cook!”

“Alright,” Bo Junyan said with a smile.

“I didn’t agree! Don’t smile so...” Mu Huan couldn’t use bad words to describe her husband.

Bo Junyan whispered something into her ear again.

Mu Huan pushed him out.

Not long after Bo Junyan left, Mu Huan’s phone rang. It was Yu Hansheng.

Mu Huan picked up the call.

“What should I do?!”

Mu Huan was stunned by his direct question.

But soon, she said, “Are you asking about how you can win Ouyang Xiaoxiao’s heart back?”

“Yes.”

“A sincere heart for a sincere heart. Also, you have to learn to respect people. If you use force, you’ll only push people farther and farther away.” Mu Huan didn’t know about others. Perhaps some people

liked that kind of chauvinism, someone strong and domineering. The more they were controlled, the more they felt it. As for her, she didn't like others using force.

She felt that a person like Ouyang Xiaoxiao wouldn't like people forcing her to do anything.

"If I don't use force, she'll run away." Yu Hansheng knew that he couldn't use force.

But if he didn't use force, how was he going to keep her?

Mu Huan thought about it and felt that it was true. Hence, it could be said that one could only survive if one did evil.

After a moment of silence...

"How about this? Make her believe that you really didn't want her life back then. Then, you can take Xiao Chen and please him. If he's happy, grows to like you, and stands on your side, your chances of success will increase by 50%.. He'll be your best assistant!"

Chapter 1498: Seeking God's Assistance (1)

"Please him?" Yu Hansheng didn't even know how to treat that little one, let alone curry favor with him.

Besides, he, Yu Hansheng, had never tried to please anyone in his life, let alone a child.

"What? So you don't want to get them back?" Mu Huan raised an eyebrow.

Yu Hansheng snorted and did not speak.

"Don't act so high and mighty. Let me tell you, it's a good thing if Xiao Chen wants you to please him. If he doesn't want you to please him, you'll really be done for!" Mu Huan paused for a moment before continuing, "Besides, not to mention that you need his help, even if you don't, as his biological father, you should treat your child better!"

After a woman becomes a mother, most of them could not bear to see their children being pitiful. They would hope that all the children in this world would be loved and have a healthy family to grow up in.

Yu Hansheng remained silent.

"I've pointed out the path for you. As for how you want to go about it, it's up to you." Mu Huan didn't want to say anything more to him. "I like Xiao Chen very much, and I admire Ouyang Xiaoxiao's personality. At most three months. If you can't change the situation between the two of you after three months, I'll help her."

On account that he was her senior brother, she wouldn't interfere now. However, if he didn't change anything and was still extremely arrogant, then she would have to help the beauty and the handsome young man!

Yu Hansheng: "...!!"

"You're my junior sister!" He treated her so well. Did her conscience get eaten by dogs? He actually wanted to help someone else!

“It’s precisely because I’m your junior sister that I’m giving you three months.” If it were anyone else, she would have made a move long ago if a person she liked was being forced!

“Mind your own business! What right do you have to give me three months?! What has Ouyang Xiaoxiao and I got to do with you?!” Yu Hansheng didn’t think that his relationship with Ouyang Xiaoxiao would change much after three months.

“Yes, it has nothing to do with me, but why does it need to? I like to meddle in other people’s business. What can you do about it?” Mu Huan snorted.

“You’re really becoming more and more arrogant!” Yu Hansheng’s lips twitched.

“Of course!”

Yu Hansheng: “...!!”

Initially, he had thought that he was shameless enough. Her shamelessness was even worse than his!

“You have to learn more from the reformed Fu Siye and see how he had ended up winning the heart of a beauty!”

“That’s because Shangguan Yu likes him!”

“Ha, do you think Ouyang Xiaoxiao doesn’t love you anymore?”

Yu Hansheng remained silent.

“Despite thinking that she doesn’t love you anymore, you still want her to stay by your side by force?”

Yu Hansheng remained silent.

“Fine, I don’t want to talk to you anymore. I’m hanging up!” Mu Huan couldn’t be bothered with him anymore. He could do whatever he wanted. In any case, he would be the one courting death in the end.

Just as she finished speaking, Yu Hansheng hung up.

Mu Huan threw her phone aside.

When Bo Junyan saw this, he asked, “What’s wrong?”

“I was trying to disgust my senior brother, and now I’m waiting to see how he dies!” Mu Huan snorted.

“Don’t worry about him. Just let him court his own death,” Bo Junyan said as he put down the plate in his hand and helped Mu Huan over to eat.

Mu Huan, who was being supported: “...”

He had to help her up even though it was only a few steps...

“What’s wrong?” Bo Junyan looked at her.

“I feel like I’m about to be crippled by your protection.”

“Special circumstances.”

Chapter 1499: Seeking God's Assistance (2)

"It would be great if a man could get pregnant. When the time comes and you get pregnant, I'll protect you like this." Mu Huan really wanted to be a mother, but the many inconveniences of this pregnancy and the pain when she gave birth in the future made her unable to help but think: if only a man could give birth.

She would have their biological child, but she wouldn't need to give birth to one.

Bo Junyan: "..."

...

Although Yu Hansheng did not know how to please others and did not want to please his son, he thought about it and still got someone to bring Ouyang Chen over.

Just as he hung up...

Ouyang Xiaoxiao walked out from inside.

She came up to him and, without a word, undid the buttons on her clothes.

Yu Hansheng was frightened by her sudden action. Just before, she was clearly so resistant... She didn't want to have anything to do with him, and she even didn't hesitate to anger him...

What did she mean by this?

"Will you release David if you get me?" Ouyang Xiaoxiao had thought of many ways in the room after rejecting Yu Hansheng, but only after ensuring David's safety could they be freed.

No matter how much she didn't want to have anything to do with Yu Hansheng, she shouldn't have implicated David.

If he disappeared, many people would be anxious. This would affect his career greatly, especially since this was a critical moment.

Hence, no matter what, she had to let him be safe and free him first.

If Yu Hansheng wanted it, she would give it to him. As long as she kept her heart, nothing else mattered.

It was Yu Hansheng who had used David to threaten Ouyang Xiaoxiao. He wanted her to give in and used this to get her.

But now, her words made Yu Hansheng's expression turn ugly.

She couldn't accept him touching her just before, but now, she was offering herself for David!

Before, he had thought that he was happy when she said that she didn't mind being touched because that meant she didn't love David. But now, it didn't seem like she didn't love David and didn't mind being unfaithful to him. It was just that she cared too much. She cared so much that she could give herself to him for his safety and freedom!

Her concern made Yu Hansheng feel like killing someone!

Things changed so quickly. What he wanted so much before was now within his reach, but let alone wanting it, he wanted to kill someone!

Just as Ouyang Xiaoxiao was about to take off her clothes, Yu Hansheng grabbed them and wrapped her tightly. He said coldly, "What do you think I, Yu Hansheng, am? I can have any woman I want! Do I care about you like this?!"

Ouyang Xiaoxiao: "..."

Was he playing with her? Before, because she was protesting so much, he had wanted to use force. Now, she had thought it through, but he didn't want it anymore.

What the f*ck!

"Go back to your room and sleep!" With that, Yu Hansheng turned around and left.

Ouyang Xiaoxiao: "..."

Why was he more fickle than a woman?

After Yu Hansheng left, Ouyang Xiaoxiao's head began to hurt.

What if he didn't want it?

If David continued to be detained by him, this...

The more she thought about it, the more her head hurt. Ouyang Xiaoxiao couldn't sleep all night.

The next day, she had planned to have a good chat with Yu Hansheng, but she did not see him for the entire day.

She had tried many ways to escape that day, but they had all failed...

This made her extremely depressed.

She nestled on the sofa and did not move. Just as she was feeling completely disheartened and did not want to eat or drink...

"Mommy!" An angelic voice suddenly rang out.

Chapter 1500: Seeking God's Assistance (3)

Ouyang Xiaoxiao was stunned. She thought she was hallucinating until Ouyang Chen came to her side and pulled her clothes. He reached out to hug her.

She snapped back to her senses and realized that this was true!

Her son really existed!

She instinctively reached out to hug the little guy.

“Mommy, I missed you so much!” Ouyang Chen took a deep breath of his mother’s scent.

When he woke up, his mother had disappeared and Daddy David could not be found. He was so afraid...

Fortunately, Mommy was fine!

Although Ouyang Chen was very smart and sensible, he was still a child after all. When the person closest to him had suddenly disappeared, he couldn’t control his panic and fear.

Now, he was completely at ease with his mother hugging him tightly.

“Mommy missed you too!” Ouyang Xiaoxiao said as she hugged him tighter.

Although Ouyang Chen felt a little uncomfortable being hugged like this, he still liked it. This made him feel even more at ease.

Yu Hansheng, who was standing at the door, looked at the mother and son who were hugging each other tightly. An indescribable feeling surged in his heart.

He looked at the mother-and-son pair quietly.

Until the mother-and-son pair’s stomachs growled in hunger.

“I’ll get someone to prepare food for you.” Yu Hansheng turned around and left.

After he left, Ouyang Chen looked at Ouyang Xiaoxiao. “Mommy, did he torture you? Beat you?”

Ouyang Xiaoxiao smiled gently. “No.”

“If he bullied you, Mommy must tell me. Although I might not be able to do anything now, I can remember that I must definitely avenge you in the future!” Ouyang Chen clenched his small fists.

“No, he didn’t bully Mommy. You don’t have to avenge Mommy.” Ouyang Xiaoxiao reached out and caressed his head.

Although she really didn’t want to have anything to do with Yu Hansheng and was afraid that he would hurt her son, she had never instilled in Xiao Chen the idea of hating him. No matter what, he was his biological father, the person who had given him his life. She didn’t want her son to hate his biological father and be so sad.

Ouyang Chen sized up his mother carefully. After confirming that she wasn’t injured and really hadn’t been abused, he snorted. “At least he’s sensible!”

Ouyang Xiaoxiao smiled and picked him up to kiss him. Her little baby was really cute!

An hour later, in the dining room.

The atmosphere at the scene was a little awkward. As Yu Hansheng did not want to leave, he sat down with the mother and son to eat.

Ouyang Chen was over four years old, but he had never eaten with his parents.

However, the current atmosphere was not one of happiness and harmony.

“Are you very poor?” Ouyang Chen looked at Yu Hansheng.

Yu Hansheng’s lips twitched. What was he saying? Why was he asking him this? Did he look very poor?

“Yes, I’m very poor. I’m so poor that I only have money left!”

He, Yu Hansheng, could spend as much money as he wanted!

“Since you’re so rich, then you can definitely eat somewhere else. So, I’ll treat you to a meal somewhere else! If you stay here, my mommy will suffer from indigestion,” Ouyang Chen said politely.

Yu Hansheng: “...!!”

This brat! How dare he make the master leave in his own territory!

He really didn’t want to survive anymore!

Yu Hansheng felt that Ouyang Chen deserved a lesson. Otherwise, he wouldn’t know the immensity of the world.

However...

Looking at his small face, he couldn’t say anything.
