### Chapter 1501: Seeking God's Assistance (4)

For some reason, he recalled Mu Huan's words. Even if you don't need anything from him, as his biological father, you should treat your child well!

He... had mixed feelings.

Previously, there was a blood feud. This child could be considered as a continuation of the bloodline of the enemy. He could not face him. Now, although there was no blood feud, Yu Hansheng still did not know how to face Ouyang Chen.

Such a small person was his son.

His and Ouyang Xiaoxiao's son!

This feeling...

It was really difficult to describe!

After a while, Yu Hansheng...

"I'll eat here! What do you care?!"

Ouyang Chen immediately said with a look of disdain, "Mommy, what kind of taste did you have in the past? Why did you take a fancy to such a vulgar and rude person? I wonder if he even graduated from primary school."

When Ouyang Xiaoxiao heard this, she said seriously, "He graduated from primary school, but he didn't go to university. Hence, he's very rude and is rather vulgar. Xiao Chen won't be learning from him in the future. You have to study well and go to the best university in the future."

"Yes!" Ouyang Chen nodded vigorously.

Yu Hansheng: "...!!"

He was a self-taught genius! Why would he study?!

Yu Hansheng was also an extremely smart person. He was so smart that he felt that they could not teach him anything in university. Hence, after he graduated from high school, he became directly responsible for all the matters in the Star Sect. He became the sect master and walked to the peak of his life.

"Alright, let's ignore him. Come, eat well." Ouyang Xiaoxiao picked up a piece of his favorite chicken wing.

"Thank you, Mommy." Ouyang Chen was really hungry. He thanked her sweetly and started to eat.

When Yu Hansheng saw that the two of them had already started eating and looked very hungry, he did not say anything. He picked up his chopsticks and started eating.

This made the atmosphere less awkward and more harmonious.

After dinner, Ouyang Xiaoxiao, who had not slept all night, was also tired.

She did not even greet Yu Hansheng before carrying Ouyang Chen upstairs.

Yu Hansheng looked at her indifferent gaze and wanted to say something, but in the end, he did not say anything.

Forget it! He's a man, so he shouldn't be calculative with this little woman!

Two hours later, in the study.

"Now that my mommy is asleep, let's talk!" Ouyang Chen stood on a chair and looked at Yu Hansheng.

As the saying goes, he was down but not out. Although he was short, he could still stand tall!

Yu Hansheng looked at him and smiled lightly. "What do you want to talk about?"

What else could he talk about with such a small person?!

"Firstly, the most important question is my question you didn't answer before. Were you the one who wanted to kill my mother and me back then?!" This question was very important to Ouyang Chen. It was still the same question. If this biological father really wanted his mother's life back then, he wouldn't have a biological father.

If not, things could still be discussed and there were other possibilities.

Previously, Yu Hansheng could not answer this question, but now, he could. "Would you believe me if I said it wasn't me?"

"If you answer me sincerely, I'll believe you." Ouyang Chen's small face was full of seriousness.

No one could bear to lie to him.

"You'll really believe it?" Previously, he had told Ouyang Xiaoxiao that he wasn't the one who had set the fire, but she didn't believe him.

"Are you saying that you didn't want to kill my mommy back then?"

"Yes, it's not me. Although I had thought of taking your mother's life, I've never been willing to do it."

Ouyang Chen: "...!!!"

He actually wanted his mother to die!

Chapter 1502: Seeking God's Assistance (5)

"Don't have such an expression. Back then, I thought that there was a blood feud between me and your mother. That's why I thought that way," Yu Hansheng said.

"You shouldn't have done that either!" Ouyang Chen didn't care why he did it in the past. No one should hurt his mother. He shouldn't even have thought about it!

Especially since this person was his biological father.

Yu Hansheng had always been a very high and mighty person. Furthermore, he had a rather evil personality. Even if he was given just a little less than what he wanted, he might still want to kill. Hence, very few people dared to say anything about him. This made him even more unable to accept what others said about him.

Until now, the only people who could dare to say anything about him and still live were Bo Junyan and his wife.

Hence, when he heard Ouyang Chen's blaming tone, Yu Hansheng's aura suddenly became ruthless.

Ouyang Chen could feel it, but he was not afraid at all. His big eyes glared at Yu Hansheng even harder.

Before his stare, the hostility in Yu Hansheng's body slowly disappeared.

This was his son. What could he do?

Also, not only could he not do anything, but he also had to...

To please him!

After a long silence, Yu Hansheng coughed lightly to break the awkwardness. "I was in the wrong in the past, but I didn't do anything. Even when I thought that there was such a blood feud, I still couldn't bear to do it. This proves that I have absolute love for your mother!"

The people behind Yu Hansheng were stunned!

He had thought that it would be very difficult to say such things!

But now, he actually said it without thinking!

He, Yu Hansheng, had actually said such things!

Not only did he apologize, but he even said that it was true love! He... he was really...

He could hardly believe that these were his words!

Just as he was about to say something to salvage his aloof image...

"You have a point," Ouyang Chen said, pretending to be mature.

Seeing that he believed him just like that and even looked like he was about to forgive him, Yu Hansheng did not say the words that were about to come out of his mouth.

Children were really easy to coax. He had said it so casually and he believed him...

"But even so, it's unforgivable for you to have had such thoughts! Especially now when you've forcefully taken my mommy away!" Although he did not hurt his mother, it was wrong to take her away without caring about her wishes!

Yu Hansheng instinctively wanted to say, "What's unforgivable? Do I, Yu Hansheng, need the forgiveness of a little thing like you?" However, he endured it and did not say anything.

Right at this moment...

Ouyang Chen continued, "My Daddy David has disappeared. Did you capture him too?"

Yu Hansheng's eyes darkened. "Your Mommy said that?"

Did she really want to save David that much? She told the child about the adults' business and asked the child to talk to him!

"No, I guessed it," Ouyang Chen said.

Last time, Daddy David said that Yu Hansheng had deliberately diverted him away so that he could not be contacted. Now, it must be the same!

"Ha... Then you're quite capable." Yu Hansheng wanted to mock Ouyang Chen, but his words changed. He became inexplicably proud.

His son was only five years old (he had forgotten to calculate the time previously, but this child was now more than five), yet he was already so capable to have guessed such a thing!

"Of course!" Ouyang Chen raised his chin proudly.

His proud look was especially similar to Yu Hansheng's.. Blood relations were the most magical fate in this world.

Chapter 1503: Seeking God's Assistance (6)

Yu Hansheng could not help but reach out to caress his head. "Rascal."

"I'm not a rascal!" Ouyang Chen retorted.

"Then sweet boy!"

Ouyang Chen: "I'm not a sweet boy either!"

"Then smelly brat!"

Ouyang Chen: "..."

Was he going to fight with this kid?

Forget it, I won't argue with him! Let's get down to business first!

"The first thing you have to do now is to release my Daddy David!" Ouyang Chen said.

The relaxed atmosphere that had just been invoked instantly turned cold because of Ouyang Chen's words.

His wife and child were speaking up for an outsider! And one called him Hubby while the other called him Daddy!

"Don't have a cold expression. You should know my mother's personality. She doesn't like to implicate people. If something were to happen to Daddy David because of her, she'd definitely hate you for the

rest of her life!” Ouyang Chen knew his mother very well. He felt that his father should have a certain understanding of his mother.

Yu Hansheng fell silent. This was because the truth was as Ouyang Chen had said. Ouyang Xiaoxiao was a person who didn't like to implicate others. If David died because of her, she might take the opportunity to kill him, let alone hate him for the rest of her life! This was also why, even though he wanted David to die so much, he didn't kill him.

Seeing that he had no intention of letting David go, Ouyang Chen thought for a while and said, “If you agree to let my Daddy David go, I can tell you a top secret!”

“What top secret?” Yu Hansheng asked instinctively.

“I'll tell you only if you agree! However, I can kindly give you a hint. This top-secret matter will make you very happy! It's definitely worth you agreeing to it!” Ouyang Chen was very good at negotiating at such a young age.

The more Yu Hansheng looked at him, the more he liked him. He could not help but feel that he was indeed his son!

Only Yu Hansheng could have such an awesome child!

“Alright! I'll let him go!” Yu Hansheng was a person who did as he pleased. He agreed as he was feeling happy.

“By let him go, I mean let him go free and let him go home safely!” Ouyang Chen said worriedly, afraid that it was strange if he agreed so readily.

If others suspected him like this, Yu Hansheng would only sneer. Since they didn't believe him, he would go back on his words!

However, this was what his son had said. Yu Hansheng only had pride. As expected of his son. He was so cautious at such a young age. He would definitely have great prospects in the future!

Sometimes, there were some things that one really didn't know how to face or do no matter how one thought about it. However, once one faced it, one would naturally do very well.

Just like now.

Yu Hansheng had never known how to face this son of his. Even after learning the truth about back then, he had still felt that the relationship between him and this son was very awkward. Previously, when Mu Huan asked him to please Ouyang Chen, he was very unwilling and felt that this was absolutely impossible!

He would never please a little child!

Besides, this child should be the one to please him and beg his father to pay more attention to him!

Now, he could not help but feel that this son was all sorts of good. No matter how he looked at him, he was pleasing to the eye and made him feel good.

It wasn't as difficult and awkward as he thought.

“I’ll get someone to release him immediately and escort him home.. After he’s safely home and has a call with you, you can tell me about this top-secret matter. How about it?” Yu Hansheng directly promised this to him, making his son feel 100% assured!

Chapter 1504: Seeking God’s Assistance (7)

Ouyang Chen’s eyes lit up. He felt that his biological father was very good. There was no need for him to say anything else and he would do it. This was very good!

“Alright! It’s a deal!” He reached out with his fair and tender hand, wanting to high-five Yu Hansheng.

Yu Hansheng looked at his chubby little hand and smiled as he reached out to pat it.

“Since the matter has been settled, I’ll go back and sleep with Mommy first. Wake me up when my Daddy David gets home and contacts me,” Ouyang Chen said as he got down from the chair. He wanted to sleep with his Mommy.

“There’s no need to sleep. David is near home. He’ll be home in fifteen minutes at most,” Yu Hansheng said.

Ouyang Chen: “...”

His Daddy David was right there, fifteen minutes away from their house? At such a close distance, Daddy David’s men could not find him! This...

It was awkward.

However, this also meant that his biological father was very strong!

At the thought of this, he looked at Yu Hansheng with eyes full of admiration.

Kids loved omnipotent experts.

When he met his idolizing gaze, Yu Hansheng could not help but feel proud. He had never been so proud in his life.

He had lived until now and had been idolized by many people, but all those admiring gazes added up could not compare to his son’s admiring gaze. It made him feel extremely proud.

Twenty minutes later, Yu Hansheng contacted David, who had returned home safely, and video-called him.

The moment David saw Yu Hansheng, he said coldly, “Yu Hansheng, you’d better not touch the mother and son. Otherwise, I’ll definitely make you die an ugly death!!”

“Do you think it’s appropriate for a loser like you, who has just been released by me, to say such things?” Yu Hansheng mocked as he raised an eyebrow.

“I think it’s appropriate!” David emphasized.

He was caught off guard previously and fell into his trap! If this happened again, he would definitely die!

David was also an absolutely proud person.

“Ha...” Yu Hansheng sneered. He, who was anxious to hear his son’s top secret, did not say anything else and handed the phone to Ouyang Chen.

In any case, facts speak louder than words.

David was indignant. He would just grab him again.

Ouyang Chen took the phone and said impatiently, “Daddy, are you hurt? Are you alright?”

Yu Hansheng found his concerned look especially irritating.

“I’m fine. I’m good now. I—” David might be hurt, but he wouldn’t say this to his child.

Just as he was about to say something, Yu Hansheng snatched the phone from Ouyang Chen and hung up. He didn’t want them to be so intimate!

Ouyang Chen, who had only said one sentence, was very unhappy. “How can you do this?!”

How rude! He was talking!

“Our agreement was that after he returned home safely, you would tell me about the top secret. Now, you can tell me.” Yu Hansheng knew that such behavior would lower his son’s impression of him, but he just couldn’t bear to see his son call another man Daddy and still care so much about him!

Ouyang Chen wanted to say something else, but when he thought about the agreement they had made, he recalled that he was a good child who kept his word. Hence, he said, “The big secret is that Daddy David and Mommy are not really husband and wife. The person my Daddy David likes is someone else!”

Actually, from the start, Ouyang Chen had planned to let his biological father and mother get together again if possible.. From then on, he would live a life with his biological parents.

Chapter 1505: Seeking God’s Assistance (8)

Now, after questioning him, he felt that his biological father was not bad. He could help him. Hence, he had exchanged such a secret with Yu Hansheng.

Ouyang Chen’s ordinary words made Yu Hansheng suddenly feel like he had been struck by lightning. He was stupid!

After a while... after a while, he snapped back to his senses...

“Are you saying that David actually likes men?” He instinctively thought that David liked men, but his family didn’t allow it. That was why he pretended to be married to Ouyang Xiaoxiao. There were many such things nowadays.

“No, my Daddy David likes girls.”

“A woman?” Yu Hansheng frowned. It wasn’t what he thought?

“Yes.”

“What woman? Who does he like?” He would immediately go to fulfill their wish!

“I can’t say that. I promised to keep it a secret. That’s all I can say.” Ouyang Chen was a child who kept his promise.

“Alright, let’s not talk about him. Let’s talk about...” If the two of them weren’t really husband and wife, that meant that Ouyang Xiaoxiao had been lying to him! In fact, nothing had happened between her and David!

At the thought of this, Yu Hansheng became excited!

When a man especially loved a woman, he could accept anything, but he would definitely care in his heart. The more he loved her, the more he would care. It was just like how a woman would care about a man’s chastity. If she didn’t care at all, it wouldn’t be love.

Hence, when Ouyang Xiaoxiao said that she and David were husband and wife, it was like a huge thorn that pierced Yu Hansheng’s heart. He couldn’t even think about it. Just thinking about it made him want to go crazy!

And now, that thorn could be removed so easily. How could he not be excited?!

He was so excited that he didn’t know how to confirm this matter. Hence, he didn’t say anything for a long time.

“Just what?” Ouyang Chen asked.

Yu Hansheng thought about it and decided to use the most direct method to ask, “Where was your mommy at night...?”

Before he could finish his sentence...

Ouyang Xiaoxiao pushed open the door and entered.

“Xiao Chen!” When Ouyang Xiaoxiao woke up, she didn’t have her son in her arms. She had looked around in fear.

When she saw Ouyang Chen, she rushed forward and hugged him tightly.

Yu Hansheng: “...”

Was she afraid that he would do something to his son?

This realization made his expression darken.

Ouyang Chen could feel his mother’s fear. He reached out and lightly patted her back. “Mommy, did you have a nightmare...?”

Ouyang Xiaoxiao had indeed had a nightmare. She dreamed that Yu Hansheng had grabbed her son to threaten her. She woke up from that nightmare and couldn’t see her son. This made her very afraid. She couldn’t wait to find her son and confirm his safety.

“Yes, Mommy had a nightmare...”

“Mommy, don’t be afraid. I’m here!” Ouyang Chen hugged her tightly and comforted her in a childish voice.

Under his comfort, Ouyang Xiaoxiao’s panic gradually calmed down.

Then, she stood up with Ouyang Chen in her arms. “Why didn’t you tell Mommy that you were coming out?”

“Before I came out, I saw that Mommy was sleeping soundly and couldn’t bear to wake you up,” Ouyang Chen said.

“From now on, no matter how much Mommy sleeps, when you want to leave Mommy’s side, wake her up, alright?” After having such a nightmare, the fear of not being able to see him when she woke up was too scary!

“Yes.” Ouyang Chen nodded obediently.

“Let’s go back to our room.” Ouyang Xiaoxiao carried Ouyang Chen and turned to return to her room.

Yu Hansheng, who had been ignored from the start to the end, had an even uglier expression.

Chapter 1506: Only with Love Can There Be Hatred (1)

Ouyang Xiaoxiao was about to turn around.

Ouyang Chen said, “Mommy, I’ve just discussed terms with him. He released Daddy David and I told him a secret. He has already released Daddy David. Mommy, you don’t have to worry about Daddy David anymore!”

Ouyang Xiaoxiao stopped in her tracks. “What did you say?”

“He has already released Daddy David. Just now, I was on the phone with Daddy David. I’m very sure that he’s safe at home.”

Ouyang Xiaoxiao: “...!!”

She had tried all sorts of ways to get Yu Hansheng to let David go. Her son had only talked to Yu Hansheng, and David was safe now?

Wait a minute!

Just now, Xiao Chen had said that they had exchanged secrets!

“What secret did you use to make a deal with him?”

“That Mommy and Daddy David are not really husband and wife.” Ouyang Chen did not want to hide it from his mother. That was why he took the initiative to mention this matter.

Ouyang Xiaoxiao was stunned for a while when she heard this.

“Mommy, what’s wrong?” Ouyang Chen shouted worriedly.

Could it be that this matter could not be said?

Ouyang Xiaoxiao snapped back to her senses and looked at her son's worried little face. She didn't know what to say.

Yu Hansheng was a stubborn person. He was so stubborn it was a little sick. Just like before, he clearly couldn't let go of the hatred in his heart. He was in great pain when he was with her, but even so, he still had to insist on being in pain. He still had to be in pain, and so did she.

After learning the truth, he was initially unable to accept it, but he became very happy. No matter how unwilling she was, he forced her to stay.

He couldn't let go just knowing that truth. He had to force her to stay, let alone now that he knew the truth between her and David. This would make him even more unwilling to let go.

This...

Ouyang Xiaoxiao's head hurt just thinking about how she would be entangled with Yu Hansheng in the future.

She really didn't want to. She didn't want anything to do with Yu Hansheng anymore!

Ouyang Xiaoxiao did not say anything as she carried Ouyang Chen back to their room.

Yu Hansheng did not keep her.

Anyway, she wouldn't be able to escape.

...

Ouyang Xiaoxiao thought that after Yu Hansheng got Mu Huan to look at her scars, she would at most stay here for a few days before returning to Country Y.

Hence, she didn't have any plans to escape. She wanted to wait until they returned to Country Y and contacted David before coming up with a plan to escape.

However, a week had passed. Not only did Yu Hansheng not have the intention to leave, but he also had the intention of settling down here.

For the past week, Yu Hansheng had tried all sorts of ways to please her.

Just like today. When she woke up, she realized that she was in a sea of flowers. As she walked down the stairs, she saw countless hearts made of red roses and all sorts of love confessions.

When they reached the hall downstairs, the scene was even more romantic than those proposals online.

The more she looked at the decorations in the hall, the more she found them familiar. Suddenly, she thought of something and fell into her memories.

Until Yu Hansheng came up behind her at some point, hugged her from behind, and whispered in her ear.

"I still remember the expression on your face when you said that you wanted someone to confess to you so romantically. You were so naive and adorable."

Ouyang Xiaoxiao's body froze for a moment before she smiled sarcastically. "Naive and adorable? At that time, when you looked at me, you thought I was stupid, right? You were thinking, this stupid woman! You were going to kill me, but you still thought I was beautiful!"

Yu Hansheng: "..."

Yes, he did have such thoughts at that time...

However, he really felt that she was naive and adorable at that time.. He was moved by her.

Chapter 1507: Only with Love Can There Be Hatred (2)

Ouyang Xiaoxiao took the opportunity while he was stunned to pry his hand away and take a few steps forward to keep a distance from him. Then, she turned around and looked at him coldly. "Stop doing these useless things. I won't be with you no matter what!"

Yu Hansheng's expression darkened. He instinctively wanted to say, "Even if you don't want to be with me, you have to be with me! If you're not willing, then be with me in pain!"

However, he held back his words.

Previously, Mu Huan had asked him to study Fu Siye in the later stages of his reformation, and he had specially gone to study him. At this time, he should salvage the situation and not force himself.

Ouyang Xiaoxiao thought that if she said such things, with Yu Hansheng's temper, he would definitely be very angry. He would use force.

However, his eyes darkened for a moment before he broke into a devastating smile.

"It's alright, we have a lifetime."

Ouyang Xiaoxiao: "...!!"

Was he possessed?!

"Xiaoxiao, I know it's all my fault in the past. I'll use the rest of my life to make it up to you." As Yu Hansheng spoke, he reached out to touch her face. His beautiful peach blossom eyes were deliberately seductive.

Mu Huan said that most women were visual creatures who liked handsome men. A man's beauty could be used.

Speaking of Yu Hansheng's looks, he was so good-looking that even a nun would go crazy over him. Even if he didn't do it deliberately, he could charm women until they were like moths to a flame, let alone if he did it deliberately.

Under his deliberate actions, even Ouyang Xiaoxiao, who was already used to his unrivaled beauty, could see it.

The hatred between lovers was because of love.

She loved him as much as she hated him.

Although Ouyang Xiaoxiao had been denying it and had always felt that she had completely let go of Yu Hansheng, in fact...

If she still had hatred in her heart, it meant that she still cared.

Because of that deep love, she was hurt so deeply back then. Her body and mind had suffered huge injuries. She didn't want to have anything to do with him anymore and didn't want to see him again.

She looked at him in a daze, just like how she used to look at him obsessively.

This finally gave Yu Hansheng a glimmer of hope.

Even if it was very possible that she was like this because his face was too good-looking, basically, she was obsessed with him. If she was obsessed with him, there was hope for their future.

Just as he slowly approached her and was about to give her an intimate kiss...

"Mommy!" A tender voice broke the ambiguous atmosphere.

Ouyang Xiaoxiao snapped back to her senses and reached out to push Yu Hansheng. Yu Hansheng was fine after being pushed by her. On the other hand, she was so anxious that she wanted to stay away from him and almost fell.

Fortunately, Yu Hansheng grabbed her hand in time and pulled her into his strong embrace!

When she reached that familiar yet unfamiliar embrace, Ouyang Xiaoxiao was stunned again.

Yu Hansheng looked at her and his eyes burned.

Ouyang Chen stood on the stairs and looked at his mother and father. He could only sigh in his heart. This was like a scene on television!

On television, this was what happened when the male lead saved the female lead!

The more he looked at his mother and father, the more compatible they looked!

Ouyang Chen wanted his mother to be with his biological father. Otherwise, he wouldn't have exchanged such a secret with Yu Hansheng.

However, he only thought that he would not do much. Everything would depend on his mother's choice.

If his mother wanted it, he wanted it.. If his mother didn't want it, he wouldn't think about it anymore.

Chapter 1508: Only with Love Can There Be Hatred (3)

After all, his biological father was too evil in the past. If it weren't for the fact that he didn't really want to lay a hand on his mother and that his performance these past few days had been pretty good, he wouldn't have been able to forgive him, let alone help him and want him as his biological father.

He couldn't even forgive him even with this. His mother had suffered so much, so he couldn't forgive him either.

Hence, in the end, if his mother chose to leave, he would no longer want his biological father.

...

After that day, Ouyang Xiaoxiao did her best to hide from Yu Hansheng. However, since they were living under the same roof, no matter how much she tried to hide, she could not avoid him.

She could only pray that David would quickly think of a way to save her.

But... another week passed.

She had yet to receive any news from David.

In this week, Yu Hansheng had changed even more. He was no longer the Yu Hansheng she knew in the past.

He was clearly such an evil and aloof person, but now, he had become a devoted man! This... was really...

It made her feel like the world was a fantasy!

On this day, she woke up from her afternoon nap and went downstairs. She saw Yu Hansheng and his son playing. They were having a good time.

This was the first time Ouyang Xiaoxiao had seen her son smiling so happily like a child.

Ever since he became sensible, he had been very mature.

Especially after learning that David wasn't his biological father, he had become so sensible that it made her heart ache.

And now, he was like an ordinary child, smiling so carefreely. The sunlight was so bright that she could not take her eyes off of him.

Although her son had never said anything, she could tell from his performance that he really wanted Yu Hansheng as his biological father, especially since Yu Hansheng had changed so well...

The scene before her was something she had never dared to imagine in the past.

She never expected Yu Hansheng to become like this. He could play so happily with his child...

In fact, let alone Ouyang Xiaoxiao, even Yu Hansheng had never thought that one day, he would become like this. He would be so happy with this little one.

Half a month ago, he had still felt that it was very difficult to treat a child well. He still didn't know how to get along with his son.

But now, they were getting along so well.

Some things, even if they were unimaginable, were not difficult to do.

Sensing her presence, the father and son stopped their game and looked at her at the same time. Then, they smiled widely and looked at her with eyes that were so happy and bright!

At this moment, Ouyang Xiaoxiao actually felt happy.

Right...

It was happiness.

This happiness made her afraid. She was so afraid that she didn't even care that if she turned around to escape, she would scare the child. She turned around and ran.

"Mommy!" Ouyang Chen wanted to chase after her.

He was afraid that his mother did not like him playing with Yu Hansheng and felt that he had betrayed her, that that was why she was like this.

However, just as he took a step forward, he was pulled back by Yu Hansheng.

"I should be the one chasing after her now."

"Why should you be chasing after her?! Mommy is angry with me!" Mommy didn't want to forgive his biological father, but he was playing with him. Mommy must be angry with him!

"No, your mother isn't angry with you. She only felt very happy when she saw the two of us being so good together. This happiness came too suddenly, making her unable to face it, so she ran away." Yu Hansheng was a smart person.. Although Ouyang Xiaoxiao didn't say anything, he could tell from her expression and eyes that her mental state had changed.

Ouyang Chen looked at him suspiciously. "Is that so?"

Was his mother so happy but couldn't face this happiness?

Why did he feel that these words were unreliable?

"That's definitely the case. Wait here for my good news." As Yu Hansheng spoke, he put his son down and got up to chase after her.

Although Ouyang Chen doubted the reliability of his biological father's words, he did not chase after him.

Ouyang Xiaoxiao ran to the back garden in one breath and stood in a sea of flowers, panting. Her heart was beating irregularly.

Although Yu Hansheng had caught up, he did not immediately go forward.

Instead, he waited for Ouyang Xiaoxiao to settle her aura before stepping forward.

“What’s wrong?” he asked knowingly.

Ouyang Xiaoxiao glanced at him silently.

Yu Hansheng did not continue on this topic. Instead, he looked at the sea of flowers. “Look, aren’t they beautiful?”

Ouyang Xiaoxiao did not speak and turned to leave.

However, Yu Hansheng pulled her into his embrace.

Before she could struggle...

Yu Hansheng buried his head against her neck and said in a very weak voice, “These flowers are the symbol of my parents’ love. It’s also our family’s favorite flower. Every time I see these flowers, I’ll think of how they died tragically in front of me. I don’t want to see these flowers, but I’ve planted such flowers everywhere I live. Only by seeing such pain at all times can I lessen my self-reproach. They’re all dead, and only I’m alive, but I’m still in love with you, the daughter of my enemy... I can’t do anything to you...”

Ouyang Xiaoxiao’s heart tightened. When she had persuaded herself to let go of her hatred for Yu Hansheng, she had also told herself that Yu Hansheng was actually just a pitiful person. That wasn’t a reason she could use to convince herself, but she really felt that way.

She had always known how much Yu Hansheng was in pain and how much he struggled. She also knew that he hated her so much, but he had never attacked her because he had love for her.

He heard that after she died, he was in great pain.

Hence, after their reunion, she was confident that she could hurt him.

“Xiaoxiao, I didn’t know... I didn’t know the truth... If I had known earlier, I definitely wouldn’t have treated you that way... Forgive me, alright...?” Yu Hansheng’s voice became increasingly weak.

When any man showed weakness, it was easy to feel heartache, let alone when it was a high and mighty expert like him.

His vulnerability made her heart ache.

Ouyang Xiaoxiao couldn’t help but think that if it was really as Yu Hansheng had said, that the person who wanted to burn her to death back then wasn’t him, then he didn’t have it bad for her. From the moment they met, he had treated her very well. After he exposed his true colors, he didn’t do anything ruthless to her. Then, very quickly, she was brought to the warehouse and burned to death...

If he hadn’t wanted to burn her to death...

Then he was also a victim. Not only should she not hate him, but she should also... feel sorry for him...

Ouyang Xiaoxiao’s thoughts suddenly stopped.

Why... why... she had been so determined not to be entangled with him anymore, right? So... determined...

But it became like this?

She was afraid that if she continued listening, she would lose her position. Ouyang Xiaoxiao broke free from Yu Hansheng and ran away.

However, this time, Yu Hansheng did not chase after her.

When he looked up, there was no trace of vulnerability on his face. Instead, he smiled evilly. This honey trap and weakness were very useful!

Some people were like this. Even if he was sincere, he was used to using tricks.. To put it nicely, he was two-faced.

Chapter 1510: Only with Love Can There Be Hatred (5)

David knew that Ouyang Xiaoxiao and the rest were in the Imperial Capital, but when he arrived, the police officers went to look for them, but they couldn't find them.

"Damn it!" David was so angry that he smashed the vase on the table to the ground.

He had never failed so badly in his life.

Just as he was about to say something...

His confidant rushed in with his phone. "Sir, Yu Hansheng."

David reached for the phone.

"I'll see you at Jinxuan Restaurant at 6 PM." With that, Yu Hansheng hung up and did not give David the time to speak.

When David called him, his phone was switched off.

David was so angry that he smashed his phone!

Yu Hansheng thought about how angry David would be now. The corners of his lips curled up as he looked out the window in a good mood.

At 6 PM at Jinxuan Restaurant.

"Yu Hansheng, you'd better release my wife immediately! Otherwise, don't blame me for being rude!" David said with a gloomy expression.

Although the Imperial Capital was not his territory, he could destroy Yu Hansheng's power in Country Y!

Yu Hansheng did not speak. He only threw a stack of documents at David.

But David did not look at the documents.

“Yu Hansheng, your people in Country Y are under my control. As long as I give the order, your forces in Country Y will be completely wiped out.

“We’ll talk about this after you’ve read these documents.” If he didn’t move, Yu Hansheng would help him open the documents for him to read.

David’s expression turned uglier as Yu Hansheng flipped through the documents.

“What do you think would happen if I handed such evidence to Jensen?” Yu Hansheng raised an eyebrow.

David was indeed a very strong person. His power in Country Y was something that Yu Hansheng could not deal with. Hence, he had brought Ouyang Xiaoxiao and his son to stay in the Imperial Capital and not return to Country Y.

But just because he couldn’t deal with David didn’t mean that others couldn’t.

No matter how strong an enemy was, they had their own adversaries.

If he couldn’t do it, he could just let another enemy attack!

It was just that both mother and son cared a lot about this David. If he killed him, he might lose their hearts. Hence, he was willing to use these to negotiate with him.

David’s expression darkened further. This damn Yu Hansheng!

After a long silence, he asked, “What do you want?”

“I heard from Xiaoxiao that the marriage between the two of you is fake.”

David clenched his fists tightly. Xiaoxiao... Xiaoxiao... said such a thing to him? She... she... was she attracted to Yu Hansheng again?

No... he shouldn’t say again.

Yu Hansheng had always been the only one in her heart... He knew... he had always known this.

Yu Hansheng lazily leaned back in his chair. He looked lazy and casual, but he did not miss any change in David’s expression. After he had confirmed something, the corners of his lips curved up. “Although the two of you are not husband and wife, you’re legally husband and wife. I want you to break off this legal relationship with my woman.” Yu Hansheng had believed Ouyang Xiaoxiao when she said that the two of them were married because the two of them really were.

David’s grip tightened. “If you want to end the marriage, you have to let me see Xiaoxiao.”

“There’s no need to see her. I believe that with your capabilities, you can divorce her by yourself.” Yu Hansheng and Ouyang Xiaoxiao had just made some progress in their relationship. He would definitely not let David see her to avoid any trouble.

“If you don’t want me to see her, I won’t divorce her! I promised her that I would...”
