

## **Fake Marriage 1511**

### **Chapter 1511: Only with Love Can There Be Hatred (6)**

“Not only are you going to get a divorce, but you’re also going to video call Xiaoxiao after the divorce and say that you’re going to be with the woman you love. Hence, you had to divorce her,” Yu Hansheng interrupted him forcefully.

Although this was a discussion, he had no right to reject him!

“Yu Hansheng, don’t go overboard!” David slammed his palm on the table.

“Why are you so angry? Don’t you have someone you like? You don’t like Xiaoxiao, so why are you angry if I ask you to get a divorce?” Yu Hansheng continued, “How about this? I’ll give you a gift for free. After you divorce Xiaoxiao, I’ll give you some evidence relating to your opponent and pave your way to greater heights!”

Yu Hansheng was good at finding information.

David kept silent.

“If I were you, I would happily accept it. Why is your expression turning uglier?” Yu Hansheng raised an eyebrow.

“I promised Xiaoxiao that we’ll get a divorce only when she wants to leave. I have to keep my promise. If I don’t see her and I’m not sure if she wants a divorce, I’ll never get one!” David said.

“Don’t make it sound so dignified. You can lie to Xiaoxiao and her son, but you can’t lie to me. You don’t have a so-called lover,” Yu Hansheng said openly.

If David was gay as he had thought, he would still have believed that their marriage was purely a fake marriage. He definitely did not believe that he liked women and could not be with the woman he loved because of his status.

If he had a woman he loved, he would not hug another woman and kiss her face. It wouldn’t feel so good to be called Daddy by another woman’s child.

No woman would tolerate her man doing this.

Hence, under such circumstances, there was only one possibility. David liked Xiaoxiao, but Xiaoxiao didn’t like him. In order to get close to her, he had used such an excuse to deceive Xiaoxiao and marry her.

David’s expression darkened.

“You like Xiaoxiao, but she doesn’t like you! Otherwise, you wouldn’t have used such a method to marry her. So, are you going to destroy your career for a woman who doesn’t love you? You’re going to lose the right to inherit the family assets? Also, you couldn’t even deal with me when you had a career and is the heir, let alone after you lose everything. You should know better than me that if you lose everything, you’ll have nothing! Xiaoxiao will still leave you!

“Oh, let’s not talk about this. Let’s talk about whether you can protect your life after you lose these. It’ll be a problem,” Yu Hansheng said with a devilish smile.

“Damn it!” David rushed forward impulsively and reached out to grab Yu Hansheng’s collar.

However, Yu Hansheng dodged his attack.

Then, he stood up and said, “I’ll give you two hours to consider it. I’ll call you at 8 PM tonight. If you choose to get a divorce, your future will be bright. If you choose not to get a divorce, you can think about the consequences yourself.”

With that, Yu Hansheng turned around and left.

He did not take away the documents on the table.

Because he had many more.

David looked at Yu Hansheng’s back and wished he could get someone to stop him and kill him.

However...

No matter what he thought, he did not get anyone to do anything.

Because those documents were enough to destroy everything he had now.

He knew very well that things were as Yu Hansheng had said. If he lost everything he had now, he might not even be able to keep his life, let alone have a chance to get Ouyang Xiaoxiao in the future..

Chapter 1512: Only with Love Can There Be Hatred (7)

“Damn it!” He punched the glass beside him.

The glass instantly shattered into thousands of pieces.

There were some things that could not be resolved no matter how one thought about it.

If David and Ouyang Xiaoxiao were in love, David might have gone all out to fight. However, he knew that Ouyang Xiaoxiao didn’t have him in her heart. Even if she cared about him a lot, it was still only between friends. It had nothing to do with love.

Even if he lost everything, he couldn’t be with her.

Then...

The only choice he could make was a divorce.

When it was time, Yu Hansheng called.

“I want to talk to Xiaoxiao. No matter why I married her and why I want a divorce, I have to tell her. After I talk to her, I’ll immediately settle the divorce procedures.” No matter what, David still had a glimmer of hope. Even though he knew that it was impossible, he still wanted to try.

If... if...

If there was... a glimmer of possibility, he might change his mind and do his best.

Yu Hansheng could hear his persistence. He wanted their marriage to end quickly. After a moment of silence, he said, "I can only get you to call. Also, you're a smart person. I don't think I need to say anything else. You know what you can and can't say."

David was silent for a while. "I know."

"Then wait a moment." With that, Yu Hansheng took out his phone and went to look for Ouyang Xiaoxiao.

Ouyang Xiaoxiao instinctively wanted to run when she saw him. She still didn't want to face Yu Hansheng.

"It's David."

Yu Hansheng's words successfully stopped her from leaving.

"David?" Ouyang Xiaoxiao was surprised.

Yu Hansheng: "..."

He really wanted to hang up.

However, before he could make a decision on whether to hang up or not, Ouyang Xiaoxiao snatched the phone from his hand.

Her impatient look made Yu Hansheng's mood even worse.

But... he did not ask for his phone back.

"David! Are you alright?" Even though she had heard from her son last time that David was fine, David had not contacted her for so long. She could not help but worry, afraid that something had happened to him.

"I'm fine." Her concern warmed David's heart. His anxiety over the past few days and his desire to kill had stabilized.

"That's good..." Ouyang Xiaoxiao was completely relieved when she heard that he was fine. Then, she was about to say something.

But David said, "Xiaoxiao, if I said that I've never had anyone else in my heart and that I've always liked you, that I wanted to be with you, and that was why I used such an excuse to marry you, what would you do?"

Yu Hansheng did not want David to speak nonsense...

However, David still said it. He wanted to know if Ouyang Xiaoxiao had any romantic feelings for him and if there was any possibility that she would stay by his side.

Ouyang Xiaoxiao was stunned. What... what did he say?

All along, Ouyang Xiaoxiao had never suspected David. This was because she had seen the person David liked. She could see true love in the woman's eyes.

Now that he had suddenly said this, her mind instantly went blank and she didn't know what to say.

David was afraid that Yu Hansheng would take the phone away. Hence, before Ouyang Xiaoxiao could regain her senses, he continued, "Xiaoxiao, if you want to be with me, I'm willing to fight to the death for you!"

As long as she was willing to be with him, he could risk everything!

Chapter 1513: Only with Love Can There Be Hatred (8)

"What fight to the death?" Ouyang Xiaoxiao instinctively asked.

Her words made Yu Hansheng feel that something was amiss. He hurriedly went forward to snatch the phone from Ouyang Xiaoxiao.

However, when Ouyang Xiaoxiao saw him moving, she gave her son a look.

Xiao Chen immediately went forward and pounced on Yu Hansheng. He grabbed his arm and forbade him from snatching the phone from Ouyang Xiaoxiao.

It was easy for Yu Hansheng to shake off Ouyang Chen, but...

This was his son. He couldn't shake him off. It was easy to shake him off, but it would be difficult to repair their relationship.

It hadn't been easy for their relationship to get better. If he shook him off and it broke their hearts, then he...

Yu Hansheng could only curse David in his heart for not keeping his promise!

Since he was like this, he would not give him the gift he had promised!

Ouyang Xiaoxiao glanced at Yu Hansheng and walked toward the window.

When she was far enough away from Yu Hansheng, she asked, "Why would you fight to the death? Did Yu Hansheng make things difficult for you?"

David briefly explained the situation to Ouyang Xiaoxiao. After saying that, he paused for a moment. "Xiaoxiao..."

Ouyang Xiaoxiao knew what he wanted to say. "You don't have to fight to the death for me."

Although Ouyang Xiaoxiao was shocked to hear that the person David liked was her and her mind went blank, when she snapped back to her senses, she knew what she had to do.

She was very grateful to David. He was the one who had saved her back then and helped her up to now.

He was her benefactor, but her feelings for him were only that of gratitude and friendship. She could die for him, but she could not live the rest of her life with him as a real husband and wife.

She knew that when it was impossible to treat someone well, one must not give them any hope. One must not let them down.

She hoped that David would be fine and that he would be able to let go of her as soon as possible and walk his bright and beautiful life. She didn't want him to risk his life for her.

Hence, she rejected him directly.

"Xiaoxiao..." David knew that she would say this. He knew that he had no hope, but he still held on. If there was hope, there was despair.

"I'm sorry, David."

Although Yu Hansheng could not hear what Ouyang Xiaoxiao and David were saying, he knew how to read lips. He knew what Ouyang Xiaoxiao had said. He saw her say, You don't have to fight to the death for me. It let him know that no matter what David said, Ouyang Xiaoxiao had rejected him.

This made him feel better.

He lowered his head and looked at his son. "Alright, you don't have to hold on to me so tightly. I won't snatch the phone from your mommy. Let's go over there and have fun. Let your mommy have a good chat with your Daddy David."

Ouyang Chen looked at his biological father in surprise.

So generous?

"Your father is such a generous person!" Yu Hansheng could tell what he was thinking.

Ouyang Chen: "..."

Ouyang Xiaoxiao, who was standing in front of the window while on the phone, was very surprised to see that not only did Yu Hansheng not come over to snatch the phone from her, but he even left with his son to play.

Yu Hansheng...

He had really changed a lot!

In the past, he would never have allowed this to happen.

"Xiaoxiao, he hurt you like that in the past, but he's still forcing you to stay. Do you really want to return to his side?" David wanted to work harder for himself.

"The circumstances from back then have changed. Things aren't what I thought." Although Ouyang Xiaoxiao did not plan on returning to Yu Hansheng's side, she did not say it explicitly.. She did not want David to think that he had hope and ruin his life for her.

Chapter 1514: Only with Love Can There Be Hatred (9)

His life was so beautiful and noble. He should continue to live such an honorable life.

“Xiaoxiao...” David was about to say something.

But Ouyang Xiaoxiao said, “David, this is the most important moment of your life. You know that you can’t make any mistakes now.”

“Xiaoxiao, you’re more important to me than anything else.” As long as she was willing to be with him, he could give up everything.

“But to me, you’re just a friend.” Ouyang Xiaoxiao’s words were very cruel.

David was speechless.

After a while...

“I understand,” David said and hung up.

David was a smart person. A smart person often didn’t need to say too much because the outcome was very clear. They knew that it was useless to say anything more.

Ouyang Xiaoxiao put away the phone and looked out of the window, sighing.

Initially, she had hoped to contact David and thought that he could save her. But now, not only could she not let him save her, but she also had to push him far away. Without his support, it would be very, very difficult for her to leave Yu Hansheng.

It wasn’t a problem.

Most importantly...

She turned around to look at Xiao Chen. At this moment, he was having fun with Yu Hansheng. It was rare to see him smiling so brightly. It was too obvious that he liked Yu Hansheng.

This gave her a headache as she pinched the space between her eyebrows.

She had never thought that one day, things would turn out this way.

Especially since she had never thought that David liked her...

At the thought of this, her head hurt even more.

Although Yu Hansheng was playing with Xiao Chen, he had been paying attention to Ouyang Xiaoxiao’s every move. When he saw her pinching her eyebrows, he asked Xiao Chen to go upstairs to play.

Ouyang Chen knew that he wanted to go to his mother, so he obediently went upstairs.

The more Ouyang Xiaoxiao pinched the space between her eyebrows, the more she felt a headache coming on. She never even had such a headache when her life was at its most difficult. She didn’t know how to continue.

“What’s wrong?” Yu Hansheng asked concernedly.

“My head hurts,” Ouyang Xiaoxiao said.

“I’ll get the doctor to come over and take a look.” As Yu Hansheng spoke, he was about to make a call.

“You don’t have to call a doctor. As long as you leave my world forever, I won’t have a headache again,” Ouyang Xiaoxiao said coldly.

Yu Hansheng: “...”

Now, he knew what it meant to be truly hurt!

After a while, Yu Hansheng smiled charmingly and said, “What do you want to eat later?”

Ouyang Xiaoxiao: “...!!”

Shouldn’t he be angry and threaten her with a dark expression?

He actually smiled and asked her what she wanted to eat!

“Yu Hansheng, can you be more normal?” Don’t become like this!

“How am I abnormal?”

Ouyang Xiaoxiao looked at him and the corners of her mouth twitched. In the end, she didn’t want to say anything else and turned to walk upstairs.

Yu Hansheng was about to move.

But Ouyang Xiaoxiao said coldly, “Don’t follow me!”

Yu Hansheng: “...”

Now, she really liked to order him around.

However...

This seemed to be a good thing. She was doing this because she knew that he wouldn’t touch her. This meant that she was becoming less and less afraid of him and that the distance between them was getting smaller and smaller.

Yu Hansheng smiled and went to the kitchen happily to make good food for the mother and son.

In the past, he had never thought that one day, he would cook for someone.

In this world, there was really nothing that was impossible. Nothing that would not happen.

Ouyang Xiaoxiao came upstairs and saw Ouyang Chen practicing his martial arts.. His every move was very impressive.

Chapter 1515: Only with Love Can There Be Hatred (10)

“Mommy, don’t you think I’m handsome?!” Ouyang Chen was also a proud and narcissistic child.

“Super handsome!” Ouyang Xiaoxiao gave him a thumbs up.

“This is a new boxing technique that Daddy taught me. I’ve only watched Daddy practice it twice before I remembered it. Daddy praised me for being a martial arts genius!” Ouyang Chen was already calling Yu Hansheng Daddy very intimately.

Ouyang Xiaoxiao looked at her son’s bright and happy eyes and her heart struggled.

She didn’t want to lose the persistence she had had for a long time, but now, that persistence was becoming more and more unstable. It even made her feel that it was meaningless...

She didn’t know what she was holding on for.

There was no blood feud between them. It wasn’t that he wanted her to die back then, and Xiao Chen also liked him so much...

But even though she felt this way, she still couldn’t let go of the pain in her heart. She even wanted to grab hold of that determination.

Ouyang Xiaoxiao had always hated such a stalemate. She couldn’t take it or let it go, but she was stuck in such a predicament.

After a while...

Ouyang Xiaoxiao squatted down and reached out to touch her son’s fair and tender face. “Xiao Chen, do you think Mommy should forgive your Daddy?”

Ouyang Chen: “...”

What did his mother mean by that?

Ouyang Chen thought for a while.

“If Mommy can forgive him, then forgive him. If she can’t, then we won’t forgive him!” Ouyang Chen didn’t want to affect his mother’s decision. He didn’t want her to do anything for his own good. He wanted her to do whatever she wanted.

“Can I take you away from him and never see him again?”

Ouyang Chen clenched his fists tightly. His eyes were filled with struggle, but in the end, he nodded. “Sure.”

Ouyang Xiaoxiao looked at her sensible son and couldn’t help but hug him tightly.

Her little baby was so good.

As a mother, she should at least give him a father in his life. She shouldn’t be so cruel as to deprive him of his right to have a father. She...

At this moment, Ouyang Xiaoxiao’s heart underwent a qualitative change.

Perhaps it was because it was hopeless to escape, or perhaps it was something else. In short, she no longer wanted to escape.

Another week passed. In this week, Yu Hansheng had become even better. He was so good that she... felt that if she said anything harsh to him, she would be heinous...

On this day, Mu Huan got someone to send over the medicine to remove scars.

"I'll help you apply it." Yu Hansheng insisted on helping Ouyang Xiaoxiao apply the medicine.

Ouyang Xiaoxiao couldn't reject him and couldn't be bothered to say anything.

When she lifted her clothes and saw the scars on her body...

She looked down.

Her heart was like this scar now. Although the injuries from the past were no longer painful, they had left a deep mark in her heart. No matter how much she wanted to erase it, she could not. Just thinking about it hurt.

She looked at the scars on her body for a while before shifting her gaze to Yu Hansheng, who was focused on applying medicine for her.

She didn't know if it was his serious expression that moved her or something.

"If these scars can disappear, the pain in my heart can also disappear." If such scars could be removed, then she would completely let go of that pain! She would no longer be in a deadlock.

Yu Hansheng suddenly froze.

After a while...

He looked up and his eyes, which were similar to Xiao Chen's, were sparkling. He said, "You mean that if these scars are gone, you'll forgive me and we can live happily as a family of three?"

Ouyang Xiaoxiao only thought that if these scars could disappear, she would completely let go of the pain in her heart. She did not want to be with Yu Hansheng, but he looked at her like this.

She could not deny it.

Chapter 1516: Only with Love Can There Be Hatred (11)

Although she didn't want to admit it, she had to admit that she hated him all these years.

Even though she had always wanted to take revenge on him, even though she wanted to make things clear with him and stop interacting with him...

Her heart had never really let go of him.

He had always existed in the most special place in her heart.

Hence... she could not deny it.

"If you don't speak, I'll take it that that's what you mean!" Yu Hansheng said happily.

Ouyang Xiaoxiao: "..."

Why was he so happy? She had an old scar that might not be erased for the rest of her life.

After Yu Hansheng applied the medicine on Ouyang Xiaoxiao, he could not wait to leave to call Mu Huan.

“Xiao Huan, can your medicine make the scars on Xiaoxiao’s body completely disappear?”

“No,” Mu Huan said.

“How can you not?! You have to!” Yu Hansheng ordered.

“Do you think I’m a god? I can’t make that old scar disappear completely!” Mu Huan said unhappily.

“I’ll take you for a god! You’re the most supreme god! You can definitely do it!”

Mu Huan: “...”

This was her senior brother? He could even say such mushy and disgusting words!

What happened to his aloof and evil persona?

It was too devastating!

“Xiaoxiao said that as long as the scars on her body can disappear, the pain in her heart can disappear. We can then live happily together as a family of three. Hence, Xiao Huan, you have to do it! I’m begging you! You’ve helped me this time. In the future, if you have any problems, I’ll help you unconditionally. I won’t accept any money!” Yu Hansheng placed all his hopes on Mu Huan.

Mu Huan instantly felt immense pressure on her. However, this was her senior brother. For the sake of his happiness, she had to give it her all. “Use this medicine first. After the scar is removed from the outside, I’ll see how it goes before I concoct another medicine.”

“Alright, alright!” Yu Hansheng said repeatedly.

“You don’t have to be too excited. Medicine is science. It’s not something that can be done just through faith and ideals. I’ll try my best to do research on it. You can also study those medical equipment that can remove scars. You have to be prepared for two things. Furthermore, you have to be mentally prepared. This isn’t something that can be done in a day or two. It might even take many years.”

Although Mu Huan had accepted this mission, she didn’t want her senior brother to urge her in a day or two when the medicine hadn’t even been developed.

Such things were not that fast.

“I know.” Yu Hansheng knew that this was not an easy task. He was mentally prepared.

This was especially so since Mu Huan was already pregnant. She couldn’t overwork herself and couldn’t do many experiments.

A year later...

During the little prince of the Bo family’s 100-day banquet, Yu Hansheng gave Mu Huan a huge gift.

Mu Huan also gave him a big gift, which was a scar-removing and beautifying drug.

With such a drug and the help of the latest high-tech medical equipment...

The scars on Ouyang Xiaoxiao's body could be repaired to the point where one could not tell the difference between it and normal skin with the naked eye.

Yu Hansheng was so happy that he ran toward Ouyang Xiaoxiao like a child.

Ouyang Xiaoxiao saw him running toward her and her heartstrings twitched.

"Xiaoxiao! Look at this!" Yu Hansheng stopped in front of her and waved the medicine in his hand happily.

Ouyang Xiaoxiao did not look at the medicine in his hand because she could not take her eyes off his face.

This person was good-looking. It was really against the rules, making one unable to hate him...

It hurt more than if she wanted to let go.

"This is a new drug that Xiao Huan has developed. With this drug, the scars on your body will quickly disappear!" Yu Hansheng said excitedly.

Ouyang Xiaoxiao did not speak and only smiled at him.

Did time cure all pain, or what?

Anyway, now, she no longer needed the scar to disappear. The pain in her heart had completely disappeared.

Just as Yu Hansheng was about to say something, she tiptoed and kissed him.

Yu Hansheng was stunned for a moment before hugging her tightly in ecstasy.

All these years... all these years...

He had finally found the most important piece in his heart.

Chapter 1517: Not All Love Can Be Salvaged (1)

At the Bo family's 100-day banquet...

A child who had lived for a hundred days had matured a lot since he was born. He had entered the first period of his life where he was at the peak of his looks. Furthermore, Bo Junyan and Mu Huan were both very good-looking. The little cutie of the Bo family was born with all their good points. He was so good-looking that he could make people fall in love with him. He was so beautiful that one could see flowers blooming around him. Especially his eyes. They were so beautiful that they made people want to give their hearts to him. They only wanted him to take another look at them.

He was so adorable that Bo Junyan, who was originally unhappy because he was a son, could not bear to let go of his son.

However, there were too few times when it was his turn to carry him. Every day, the child was hogged by his parents. It wasn't easy for his son to return to his and Mu Huan's hands, and Mu Huan couldn't bear to let go of him. He couldn't possibly fight with his wife over him.

The Long family came to attend the Bo family's little cutie's 100-day banquet.

"Yo, Big Brother, look, isn't that Yuqi?" The second son of the Long family nudged his brother.

When Long Feilei heard Huo Yuqi mentioned, he instinctively looked up. Then, he saw Huo Yuqi holding Qi Rui's arm and walking toward them. His eyes darkened.

The second son of the Long family added, "I heard that the two of them are getting engaged. Although the Qi family isn't as good as our Long family, they're still considered a big family. Qi Rui is very handsome and loyal. He's also rather compatible with Yuqi in age. The two of them are a good match."

Long Feilei clenched his fists tightly.

A year ago, Huo Yuqi had said that she wanted to give up on him, but he didn't believe her. This was because Huo Yuqi had clung only to him since she was young. Ever since she was young, she had said countless times that she wanted to give up on him.

But in the end, she would come to pester him again.

Hence, he did not believe her.

And now, he believed her.

This was because she had insisted on never contacting him. She had avoided him for so long, and she had become so intimate with another man. She seldom went to public places with anyone before, let alone get engaged.

She really did it.

She had really given up on him.

This had always been what he wanted the most. But now that he had completely realized that she had really given up on him, he was not happy at all. In fact...

He felt empty inside, as if nothing else mattered.

"Yo, Brother, what's with your expression?" The second son of the Long family raised an eyebrow. "Are you regretting it? Are you upset?"

Long Feilei remained silent.

"It's too late for regrets. Now that she has found a young, handsome, and compatible man, she doesn't like an old man like you anymore."

Long Feilei: "...!!"

Long Feiting broke out in a cold sweat. "Are you our brother?"

“Of course I am. If I weren’t, Brother would have killed me long ago if I said this,” the second son of the Long family said with a smile.

Long Feiting nodded. “That’s true.”

Then, he looked at Long Feilei and said, “Big Brother, if you regret it in your heart, I think you still have a chance now. With Huo Yuqi’s obsession with you, even if she doesn’t like you as much as before, she should still have you in her heart. You still have a chance if you go back now!

“Don’t be late. If you’re late, it’ll be terrible! Look at me, look at how miserable I am now.” As Long Feiting spoke, he looked at Mu Huan, his heart aching.

He knew he couldn’t get it, but he still couldn’t let it go.

He was really...

He couldn’t think about it. Just thinking about it was like living in the abyss of hell.

Now, he could only hope that the elixir of time could cure his heartache and let him completely let go one day.

Long Feilei still did not speak because even now, he had not figured out what he wanted.

Chapter 1518: Not All Love Can Be Salvaged (2)

Long Feilei had always regarded the six-years-younger Huo Yuqi as his sister. After all, when she was born, he had gone to the hospital to visit her.

When he was in his twenties, she was only a young girl in her teens.

He couldn’t imagine being with her. He felt guilty. After all, she was the girl he had seen growing up.

Hence, he had wanted her to give up on him so badly and stop hanging around him.

But now, she had completely given up on him, but he had such an indescribable feeling. This feeling made him...

It was a long story.

He didn’t know what to do.

The Long brothers wanted Long Feilei to salvage the situation. He didn’t know what he wanted in his heart, but when he saw Qi Rui hugging Huo Yuqi so intimately, he instinctively stood up and walked toward the two of them.

Although they all said that Qi Rui’s character was not bad, he felt that Qi Rui’s character was not good. Every time he saw him, the man would always think of ways to take advantage of Huo Yuqi. However, that silly girl could not feel it!

He stepped forward and wanted to pull Huo Yuqi away, but when he thought that this wasn’t the right time, he held back.

After Qi Rui had something on and left, he pulled Huo Yuqi aside.

“What are you doing?” Huo Yuqi frowned.

“I heard that you’re getting engaged to Qi Rui?”

“Yes, that’s true,” Huo Yuqi said.

After a year of being together, she felt that Qi Rui was not bad.

“You’re still so young. Why are you in a hurry to get engaged? You have to look at more men and choose then!”

“I have looked at a lot and made my choice. I think Qi Rui is not bad. But what has this got to do with you?” Huo Yuqi asked in confusion.

It couldn’t be said that Long Feilei had feelings for her. For the past year, she had not contacted him, and he had never taken the initiative to contact her. Occasionally, when they met at the inevitable banquet, they would tacitly greet each other and go their separate ways. Anyone would say that they had no feelings for each other. Now, he was grabbing her and telling her these things...

“It has nothing to do with me, but I’ve seen you grow up. I’m just concerned about you!” He shouldn’t think about anything else. Given the relationship between the two families, he should be concerned about her.

“You don’t have to worry about me. I have a lot of family members already!” Huo Yuqi shook off his hand.

She, Huo Yuqi, had so many family members to care about her, so she didn’t need his concern!

“Yuqi...” Long Feilei wanted to say something else...

“I have something on.” Huo Yuqi turned around to leave.

Long Feilei grabbed her instinctively.

“Long Feilei, what exactly do you want?” Huo Yuqi didn’t know what was wrong with him. She really didn’t want to guess his thoughts. So, what exactly did he want to do? Couldn’t he just say it directly?

Long Feilei looked at her impatient face and smiled bitterly. “I also want to know what I want to do.”

He really wanted to know what he wanted.

Huo Yuqi was stunned for a moment before saying, “If you don’t know what you want to do, then go back and think about it. Don’t waste my time.”

With that, she shook off Long Feilei again and turned to leave.

This time, Long Feilei did not catch her again because, just as she had said, he needed to go back and think about it.

What exactly did he want?

Just as he was about to leave, he saw Huo Yuqi walking toward Qi Rui happily.

That smile that once belonged only to him was now being given to another man.

In the past, she would only be impatient with other men. Now, she had given him her impatience.

This feeling...

Seriously!

It was still... indescribable.

Chapter 1519: Not All Love Can Be Salvaged (3)

"I saw you talking to Long Feilei just now." Qi Rui handed Huo Yuqi a glass of fruit juice.

"Yes."

"Why? Is he trying to get you back?" Qi Rui raised an eyebrow.

"I'm not his, so how could he get me back?" Only when two people were dating before could they get back together. They weren't.

"Your heart was his in the past," Qi Rui said with a smile.

Huo Yuqi snorted.

"Let me know in advance if you want to dump me," Qi Rui said.

"Don't worry, I'm a loyal person. I won't change my mind about what I promised you." Huo Yuqi reached out and patted Qi Rui to reassure him.

Qi Rui smiled at her, but his eyes darkened.

Right now, everyone thought that Huo Yuqi and Qi Rui were a couple and that they were about to get engaged. But in fact, this was not the case.

After Mu Huan and Bo Junyan's wedding, Qi Rui and Huo Yuqi often interacted. As the two of them had a lot of common interests, they could talk a lot. They also had thoughts of developing a relationship. Hence, they slowly became friends. As for becoming a couple, they had yet to arrive there.

At the beginning of the year, Qi Rui's father got seriously ill. Qi Rui and his half-brother were fighting for the right to inherit. His brother had married a very powerful young lady. Hence, Qi Rui could only win against his father's favored son by marrying a young lady from a better family.

However, Qi Rui did not want to ruin his life just because of the inheritance. Hence, he asked Huo Yuqi for help. Huo Yuqi treated him as a friend. If a friend was in trouble, she naturally had to help.

Hence, the two of them became a couple in everyone's eyes. Everyone thought that the two of them were getting engaged. As Huo Yuqi did not want her mother to arrange all sorts of blind dates, even the Huo family thought that the two of them were a couple.

“However, Long Feilei has indeed become a little strange. I can’t understand what he’s thinking.” Huo Yuqi felt that it was unbelievable when she thought about how Long Feiting had said that he didn’t know what he wanted.

He had always wanted her to stop pestering him.

“You’re such a good girl. Anyone who misses their chance with you will feel regret,” Qi Rui said meaningfully.

“That’s true! Nowadays, there are too few single girls who are as good-looking as me, have a good family background, and are talented! It would be a pity to miss the chance with me!” Huo Yuqi was still arrogant and confident.

Qi Rui looked at her and smiled.

Most of the daughters of wealthy families he knew were arrogant and willful. Although Huo Yuqi was a little willful sometimes, her willfulness was adorable, as well as her narcissism.

“Let’s go over there. I’ll introduce you to a few people,” Huo Yuqi said as she held Qi Rui’s arm and walked toward a crowded spot.

Qi Rui looked at her and his smile deepened.

She was really loyal. After she said she would help him, she did not spare any effort to help him. Apart from making people think that they were a couple, she also helped him pull connections.

The Huo family’s business was very strong to begin with. With Huo Yuqi’s relationship with Bo Junyan, the Huo family’s status became several times higher. Naturally, Huo Yuqi’s connections were more extensive than Qi Rui’s.

Long Feilei told his brothers that he was leaving.

“Brother, I really can’t figure it out sometimes,” the second son of the Long family said.

Long Feilei glanced at him and turned to leave.

Seeing this, the second son of the Long family followed. “Brother, aren’t you going to ask me what I can’t figure out?”

“I don’t want to ask.”

The second son of the Long family: “...”

How were they going to continue chatting?

After getting into the car, the second son of the Long family felt that he had to continue chatting even if it was awkward.

Hence, he said, "I really can't figure it out. Why did you pass over what was right in front of you and not use it? Why did you have to find someone else? You saw it just now. Who are the people Yuqi brought Qi Rui to meet?"

His big brother had said that he didn't want to fall in love, so he wanted to marry someone who could expand the Long family's power. He didn't understand why he didn't choose Huo Yuqi. Huo Yuqi was much stronger than the fiancée he had found!

Long Feilei snorted and did not speak.

He would not make use of Huo Yuqi like Qi Rui was doing.

At this thought, he suddenly thought of something.

"Isn't that Qi Rui's father seriously ill and about to die?"

Although the second son of the Long family didn't know why his eldest brother suddenly mentioned the Qi family, he still instinctively said, "Yes, I heard that he's about to die."

"Qi Rui's father likes his half-brother more, right?"

"Yes. His stepmother is very doted on, and so is his younger brother. Previously, there were rumors that Old Master Qi wanted to pass the Qi family to his younger brother."

"What about now?"

"There are many people in the company who support Qi Rui now. If Qi Rui and Yuqi get engaged, the chances of him inheriting the Qi family will be even higher," the second son of the Long family said.

Long Feilei snorted and said, "I knew that Qi Rui was nothing good!"

The second son of the Long family broke out in a cold sweat. "Brother, you're going overboard. You can find someone to marry to expand the Long family, but can't others do the same?"

"But I didn't look for Yuqi. I didn't want to use her!" Long Feilei said instinctively.

As the boss of the Long family, Long Feilei was shouldering their rise and fall. Of course, he knew that if he wanted to expand the Long family through marriage, it would have been the easiest and fastest way to choose Huo Yuqi. She would also listen to him the most. After the marriage, she would definitely do whatever he wanted her to do. The Huo family and Bo Junyan would definitely give him all sorts of convenience because of Huo Yuqi.

However, he had never thought of using such a good and convenient method.

That was the girl he had seen growing up. The Huo family treated her like a little princess, and so did he. When he was young, he really wanted a sister, but in the end, it was only his younger brothers who came.

No matter how much he said that he hated her and begged her to stay away from him, he had always doted on her. Otherwise, he wouldn't have found her and saved her before his family could find her.

Because of his love for her, even though he had always wanted to use a marriage alliance to bring the Long family to greater heights, he had never thought of being with Huo Yuqi.

The second son of the Long family: "..."

In other words, his boss cherished and doted on her too much. That was why he let Huo Yuqi, who was convenient and effortless, go around looking for other suitable candidates?

After a long silence...

"Brother, there's something I don't understand. Not only is our Long family not bad, but we're also very strong. Why do you have to sacrifice your marriage to make it stronger?" Why did his brother insist on a marriage alliance and not think about dating and getting married?

Long Feilei: "..."

He could not think of an answer to his question. Why did he always think only of marriage instead of love?

He had clearly never been traumatized by love. His parents were loving, and his family was harmonious...

"Brother, actually, we don't need a marriage alliance to expand the Long family at all. Our Long family has four brothers! We're all so formidable and talented!" Why would they need to rely on women?!

Long Feilei: "..."

"Brother, if you don't consider a marriage alliance, what kind of girl do you like?" The second son of the Long family had always felt that his brother had Huo Yuqi in his heart. Hence, for the past year, he had tried all sorts of ways to enlighten his brother. Although he had always failed, he had never been discouraged.

It was already heartbreaking enough that their family had such a pitiful person like Feiting.

If one day, his boss suddenly realized who he loved only when it was too late, he would suffer for the rest of his life. That would be too sad!
