

Fake Marriage 431

Chapter 431: You're the Best (8)

Even Lin Qingya would prefer a woman like Ling Wei. What more a man?!

Mu Huan would surely be abandoned by Bo Junyan soon!

The thought of Mu Huan being in such a miserable state without her even needing to do anything made Lin Qingya overjoyed!

The smile on her face was brighter than it had ever been!

Gu Chenyi looked at the smile on Lin Qingya's face and his lips curved into a mocking smile.

He knew what she was thinking without having to guess.

He could not help feeling that he was really blind in the past. Now, he deserved what he got!

"Cousin-in-law, long time no see."

When Ling Wei and Bo Junyan got together, it wasn't necessarily that one of them pursued the other. It was only that they had been with each other since they were young, and the two families naturally regarded the two of them as a couple. They had already decided on their marriage a long time ago. Hence, Ling Wei considered the Bo family's relatives as her own.

Bo Junyan's grandfather was her grandfather, and his cousin was her cousin. They were more affectionate to her than to Mu Huan, and they were much more like family.

"It's good that you're back." Bo Huaiyun had watched Ling Wei grow up. Naturally, he doted on Bo Junyan and Ling Wei both.

Even if she did not become his sister-in-law in the end, he would not be able to erase his feelings. Besides, she might very well still become his sister-in-law and family in the future.

"Ling Wei, you're really becoming more and more beautiful. Even Sister-in-law is moved by you," Gu Qianru said with a smile.

"Sister-in-law is the real beauty." Ling Wei hugged Gu Qianru intimately.

Mu Huan: "..."

Seeing Ling Wei like this made her realize her shortcomings in interpersonal relationships, especially when it came to dealing with Bo Junyan's family.

Sensing her low spirits, Bo Junyan lowered his head and asked, "What's the matter?"

"Hubby, from now on, I'll go to the Gu family's gatherings and to that of all your relatives! From now on, I'll work hard to be good friends with your family!" She had to work hard!

Bo Junyan laughed when he heard this. "You don't have to work so hard. You're my wife. You just have to get along well with me and treat me well."

She didn't need to please his family and force herself for his sake.

“Hubby...” Mu Huan wanted to say something else.

“Let’s go in.” Bo Junyan led Mu Huan in.

Gu Chenyi glanced at the two of them and turned to walk into the house.

Lin Qingya followed closely behind him.

The relationship between Ling Wei and Bo Huaiyun was definitely not something that Mu Huan could match up to. Furthermore, Ling Wei was the main lead of today’s welcoming banquet. Hence, the couple surrounded her and talked to her. Gu Qianru was afraid that she would neglect Mu Huan, so she specially asked Lin Qingya to accompany her.

Lin Qingya was more than happy to do so.

Although Mu Huan didn’t want Lin Qingya’s company, it wasn’t appropriate for her to reject Gu Qianru’s good intentions.

Because Gu Qianru had specially instructed Lin Qingya to keep Mu Huan company, Lin Qingya openly sat next to Mu Huan.

“Look at how happy they are. Meanwhile, you can’t get a word in,” Lin Qingya whispered into her ear.

Mu Huan knew that Lin Qingya would agitate her. She shot her a cold glance without saying a word.

“Did you not expect that you would end up like this?” Lin Qingya was really happy to see her like this!

Ever since she was young, she had always been overshadowed in every aspect by Mu Huan. But now, Mu Huan had become the one being crushed!

“Now you know how I feel, right? Do you know why I betrayed you and why I can’t be good friends with you? If it were you, would you be good friends with Ling Wei?”

Chapter 432: Rage (1)

“She’s someone who’ll crush you with everything she has. Everything about her is better than yours. The moment she appears, she’ll take away everyone’s attention. With her around, you’re just a decoration and her background. How can you be good friends with such a person?”

“Mu Huan, what you’re feeling right now is the pain that I’ve been suffering all these years. You’ve made me live such a miserable life. Do you think I’ve gone overboard with what I did to you? Shouldn’t I want you to lead a miserable life?”

Lin Qingya felt that Mu Huan could not blame her for being such a friend. She was actually the victim.

This was because Mu Huan had been suppressing Lin Qingya mentally all this while. That mental pain was comparable to hell.

“If you’re constantly feeling inferior, then there’s something wrong with your heart. Not everyone is the same as you. I don’t think she can crush me. I’m young, beautiful, and talented, and I have such a good husband. In what way did I get crushed?”

She did admit that Ling Wei looked better than she did today, but she didn't think that Ling Wei could crush her in any other way.

Mu Huan truly felt that there was something wrong with Lin Qingya. The fact that Mu Huan didn't think that Ling Wei could crush her aside, even if Ling Wei was better than her in every aspect, she wouldn't end up like Lin Qingya. In this world, there would always be someone better than you, someone more outstanding, someone with better family backgrounds and such things. If you simply couldn't accept that others could be better than you and you ended up in so much pain because of that, then you deserved it!

"Mu Huan, stop denying it!"

"Ha..." Mu Huan sneered and could not be bothered to say anything more to her.

Right then, Ling Wei, who was talking to Gu Qianru, suddenly turned to look at Bo Junyan. "Junyan."

Bo Junyan stopped talking to Bo Huaiyun and passed her the red wine.

That action once again displayed the tacit understanding between the two of them.

"Did you see that? It feels like you can't get in," Lin Qingya immediately said.

When Gu Chenyi, who was sitting across from Mu Huan, saw this scene, his gaze on Mu Huan became deeper and more filled with worry.

Mu Huan: "..."

She knew that Bo Junyan really didn't have Ling Wei in his heart. What he did was an instinct. Even she and Wu Xingye had a tacit understanding, let alone Bo Junyan and Ling Wei, who were childhood sweethearts.

It was normal for them to have such chemistry.

However, it all boiled down to the same sentence: Being rational was one thing, but feelings were another. There was no way to avoid feeling upset.

"I heard from Mrs. Gu that Bo Junyan has been good to Ling Wei since he was young. All along, he has had eyes for Ling Wei and Ling Wei alone..." It wasn't easy for Lin Qingya to seize this opportunity, so of course, she had to take every chance she got to agitate Mu Huan. She knew that Mu Huan was a very domineering person to begin with. Once she thought that someone belonged to her, she would not allow anyone to covet him.

Hence, although she didn't seem to feel anything, she must be feeling very upset.

Just as Lin Qingya was about to say something, Mu Huan removed a black object from her ear.

Lin Qingya looked at the thing in her hand and had an ominous feeling. "What is that?"

"Micro-recorder. The words you just whispered in my ear were clearly recorded. If you know what's best for you, then shut up and don't say another word. Otherwise, even if you have a child as a trump card, you will be hated by everyone in the Gu family."

Mu Huan had warned Lin Qingya many times to lead a good life, but she refused to heed her advice and insisted on bugging her!

Chapter 433: Rage (2)

Just because Mu Huan didn't want to deal with her just now, Lin Qingya really thought that there was nothing she could do to fight back!

"Mu Huan, you..." Lin Qingya did not expect Mu Huan to use such a method on her.

"Lin Qingya, you know that I'm a nostalgic person. So, do you think that as long as you don't do anything out of line and don't completely anger me, I'll continue to bear with it?"

Lin Qingya's expression turned ugly. Yes, that was what she thought.

"I only give in to my old feelings for the sake of those who still have feelings for me. As for you, I've long lost my feelings for you. Behave as a pregnant lady and raise your child. For the sake of your child, you have to be kinder. It's always good to accumulate more good karma," Mu Huan said coldly.

"Also, I suggest that you take a look at this book and treat your psychological illness. Don't always feel that everyone in the world has let you down. That you are the most innocent and pitiful. That if I crushed you and made you suffer, you can totally not be friends with me and can totally fall out with me, stay away from my life, and stay away from the pain. But for your own convenience, for the sake of my protection, for the money I provided, and for the help with your studies, by all means, pretend to be good to me. While you enjoy the benefits I have given you, go ahead and blame me for crushing you. It's certainly all my fault for making you suffer.

"You're intelligent and should understand: you're sick. You have to be treated. Understand?"

Lin Qingya's expression became even uglier.

"Since you're pregnant, I'm just warning you this time. Don't come buzzing in front of me again. Next time, you know what the consequences will be for anyone who comes looking for me for a fight."

Lin Qingya clenched her fists tightly under the table.

"Have a good life." With that, Mu Huan stood up.

Although Bo Junyan was talking to Bo Huaiyun, he noticed Mu Huan's movements at once. When he saw her stand up, he immediately asked, "What's the matter?"

"Sister-in-law's dishes are too delicious. I accidentally ate too much and I don't feel comfortable sitting here. I'll go to the garden for a walk. You can continue chatting with them."

"Okay, go ahead."

When Gu Qianru heard this, she immediately looked at Lin Qingya and was about to ask her to accompany Mu Huan when...

Bo Junyan said, "Sister-in-law, didn't you say that Qingya wasn't feeling well? Let Ling Wei take a look at her."

He knew that Mu Huan didn't like to be with Lin Qingya but was too embarrassed to reject his sister-in-law's arrangement.

"Seriously! I've forgotten that there's such a big expert around! I didn't even think about it!" With that, Gu Qianru looked at Mu Huan and said, "Xiao Huan, go ahead and take your walk. Let's go shopping another day!"

Gu Qianru was simple-minded and did not realize that there was something amiss between Lin Qingya and Mu Huan. She only thought that since she had not seen Ling Wei for so long, she had a lot to talk about with her and did not have the time to greet Mu Huan. She was afraid that Mu Huan would think that she liked Ling Wei more—that she disliked Mu Huan and even supported Ling Wei. Hence, she felt uncomfortable and wanted her future daughter-in-law to spend more time with Mu Huan for her.

Now, Lin Qingya could no longer accompany her. This made her even more embarrassed toward Mu Huan. Hence, she arranged to go shopping another day and have a good chat with her. Although she liked Ling Wei a lot, she also liked Mu Huan a lot. She would not choose sides. Whoever Bo Junyan liked would be her sister-in-law.

"Alright, Cousin-in-law. We'll meet up later." Mu Huan quite liked Gu Qianru.

Ling Wei looked at Mu Huan's departing back and smiled.

A person's heart could not be controlled. No matter how smart and shrewd Mu Huan was, no matter how well she could control her emotions normally—

Chapter 434: Rage (3)

The moment she witnessed something that would affect her, even if she knew it was nothing, she would still feel upset.

It's alright, it's nothing.

However, if she were to feel upset for a moment and then snowball into becoming upset for a long time, even if there was nothing to be upset about, she would not be able to take it and her emotions would collapse.

She did not know how long Mu Huan could keep that from happening.

But she was very much looking forward to it.

Ling Wei looked away and took a sip of red wine.

"Ling Wei, help Qingya take a look." Gu Qianru asked Lin Qingya to come over.

Lin Qingya walked toward Ling Wei.

"Let's go somewhere else." Ling Wei stood up.

"Yes, I won't disturb the two brothers from drinking." Gu Qianru stood up as well.

Gu Chenyi also stood up and left with them.

When Bo Junyan saw that Gu Chenyi had left with Gu Qianru to oversee Lin Qingya's health, he retracted his gaze and continued to chat with Bo Huaiyun about finance and drinking.

Mu Huan went to the garden and found a quiet place. She took out her phone and played a game to ease her mood.

For Bo Junyan, handing over the red wine was a small matter. After he returned home, he wouldn't even remember such a thing. If she got in a bad mood because of such a thing and threw a tantrum, he would definitely think that she was overthinking.

It would affect his feelings for her.

Hence, she had to adjust her mood here.

Gu Chenyi followed Ling Wei and the rest in. After showing some concern for Lin Qingya, he proceeded to the garden.

When he saw Mu Huan playing games on her cell phone, his mood suddenly improved.

He thought that she had come out because she was angry after seeing the interaction between Ling Wei and his uncle. Unexpectedly, she came out to play games because she felt bored.

Did this mean that she didn't care about his uncle that much?

"What game are you playing?" Gu Chenyi asked upon approaching her.

Mu Huan looked at him silently.

"Why are you ignoring me? Even if we didn't use to be friends, we're still family." Gu Chenyi sat down beside her.

"I find this place so comfortable that I don't want to move. Besides, I'm not in a good mood today, so please stay away from me." Mu Huan did not even look at him as she played her game.

"Is it because of Ling Wei that you're in a bad mood?" Gu Chenyi's good mood subsided. It turned out that she wasn't simply in the mood to play games.

"It's because nothing has anything to do with you."

"Xiao Huan, I know that everything that happened in the past was my fault. I won't do that again. Please forgive me, alright?" This was the first time Gu Chenyi had formally apologized to Mu Huan.

"If you want me to forgive you, then stay away from me. If you stay away from me, I'll forgive you—once I'm in a good mood." Mu Huan still did not look at him.

"Alright, I'll stay away from you. But before I leave, add me as a friend in that game. I've been playing this game recently, and I'm quite good at it. Seeing how your stupid teammates have been asking you to die, you should add me so we can torture them together!"

Gu Chenyi did not pester Mu Huan like before and readily agreed to stay away from her.

This made Mu Huan look up at him.

Gu Chenyi looked at her and smiled. "Xiao Huan, I'm no longer the same person I used to be. I'll never make you angry again nor say those shameful things. I know that it's all my fault. Let's take good care of our family from now on!"

Mu Huan was silent for a while before asking, "You know the truth about the past?"

"Yes."

Mu Huan: "..."

She didn't know what to say.

Chapter 435: Rage (4)

"Xiao Huan." Gu Chenyi suddenly looked at Mu Huan seriously. "I'm really sorry. I was too stupid!"

"People make mistakes all the time. You're young and innocent, so that's even more inevitable. Let's forget about the past." Mu Huan had never blamed Gu Chenyi in the first place. In the past, she too had been deceived by Lin Qingya. The sunny and innocent Gu Chenyi had no chance.

It was good that he could now see clearly.

Gu Chenyi looked at Mu Huan, and as he did so... his tears fell.

"What the f*ck, Gu Chenyi... What... What are you... doing...?" *F*ck! Why is he crying?!*

Mu Huan was frightened by his tears.

"Xiao Huan, I'm sorry. When you were at your wits' end, I didn't believe you. I said I wanted to give you the best things in the world, but I didn't even believe you. When you needed my help the most, I stabbed you in the back. I'm sorry... I'm really sorry..." He had treated her that way and she had forgiven him so easily. No, he could tell that she had never blamed him.

She was so kind and beautiful, but he was so stupid to misunderstand her.

When she needed his help, he treated her that way.

He kept saying that he liked her and wanted to give her everything he had, but he refused to believe her and hurt her instead.

It was no wonder she didn't believe that he liked her.

"Gu Chenyi, I'm not blaming you. You don't have to do this... There's really no need for that. Forget about the past—really, forget it! Didn't you say that we should take good care of our family? Let's take good care of our family from now on!" Mu Huan quickly said.

Gu Chenyi, a big boy, was actually crying. It really frightened her.

Gu Chenyi looked at her, his tears falling even more harshly.

Family...

Family...

He liked her so much and wanted to be with her forever, but he had pushed her to someone else.

He...

All of a sudden, Gu Chenyi clutched his chest, being in so much pain that he could hardly breathe.

Seeing that he suddenly looked like he was having a heart attack, Mu Huan hurriedly grabbed his arm.
“Gu Chenyi, what’s wrong? Are you feeling unwell? I’ll help you call Bo Junyan!”

She stood up as she spoke.

But Gu Chenyi grabbed hold of her.

“It’s fine, it just hurts...”

Mu Huan: “...”

“Xiao Huan, I’m in so much pain. I’m in so much pain. I don’t know how I’ll live from now on. I don’t know what the point of my life is... Xiao Huan...” Gu Chenyi looked at Mu Huan with eyes full of despair.

He was like a drowning person trying to grab hold of her life-saving straw.

Mu Huan couldn’t bear to see this. “Gu Chenyi, don’t think too much and don’t go into a dead end. You don’t have to think about it, just focus on your studies. You’ll realize that there are many things you can do.”

The more one thought about one’s mistakes and the more one thought about losing something that could not be salvaged, the more painful it would be. The more one couldn’t accept it, the more one would feel that there was no way to live anymore. It would feel like there was no meaning in life anymore.

But after putting down that thought, she stopped thinking about it and focused on something else. She’d slowly let go of it in times to come.

Time was the best medicine to cure everything.

“Gu Chenyi, believe me. In this world...” Mu Huan was trying to persuade Gu Chenyi.

Gu Chenyi suddenly stood up and hugged her.

Mu Huan widened her eyes in shock and was about to push him away.

But Gu Chenyi, who was hugging her, was thrown out of the way by someone else.

Chapter 436: Rage (5)

Mu Huan looked up instinctively and met his murderous gaze!

She shuddered in fear.

“Hubby...” She was so anxious that she felt like she had to explain something.

“Shut up and leave.” Bo Junyan turned around and strode away.

It was as if she was afraid that she would kill someone if she stayed any longer.

Mu Huan hurriedly ran after him.

Gu Chenyi, who was thrown to the ground, suddenly laughed when he saw Bo Junyan's furious back.

That smile was indescribable.

She stood not too far away and watched the entire process. When she saw Gu Chenyi smiling, Ling Wei raised her eyebrows slightly. She did not expect that Gu Chenyi and Mu Huan would actually have an emotional entanglement. Things were getting more and more interesting.

She turned around and left elegantly.

In the living room...

"Sister-in-law, it's getting late. We'll be leaving now."

"Yes, come over again next time!" Gu Qianru smiled.

"Yes."

"Hey, where's Junyan and Xiao Huan? Aren't you two leaving together?" Gu Qianru looked around but did not see Bo Junyan and Mu Huan.

Ling Wei smiled lightly. "Junyan and Xiao Huan have something on, so they left first."

"Oh." Gu Qianru did not think about it too much and sent Ling Wei and Huo Yuqi out.

When they reached the door, Gu Chenyi had just returned.

Gu Qianru saw that his body was covered in grass and his clothes were messy. "Were you rolling around in the grass?"

She was teasing Gu Chenyi.

Unexpectedly, Gu Chenyi smiled and said, "Yes, yes."

Gu Qianru: "..."

"What's wrong with you?"

"I'm happy."

"Are you that happy to hear that the child in Qingya's stomach is doing well?!" Gu Qianru thought that Gu Chenyi was happy that Lin Qingya was in good health and that the child was too.

Gu Chenyi laughed even harder. "Yes."

"What a foolish child. Hurry and go in to accompany Qingya!" Gu Qianru happily patted his arm and let him in.

She did not expect her son to be so happy because of Lin Qingya.

It was great that he was liking Qingya more and more!

But Gu Chenyi did not enter. Instead, he looked at Ling Wei and said, "Aunt Ling is leaving now?"

“Yes.”

“My parents hogged you for the whole night, and I didn’t have the chance to speak to you. Now, I could formally give you a word of greeting. I’m very happy that you’re back!” Gu Chenyi said with a smile.

“Thank you,” Ling Wei said with a smile.

...

The hostility emanating from Bo Junyan was unprecedented. Without waiting for his instructions, the chauffeur pressed the partition glass and stopped looking at the backseat, lest he got so frightened that he could not tell the brakes from the accelerator.

“Hubby... I can explain...” Mu Huan said cautiously.

“Shut up.” Bo Junyan’s cold voice was terrifying.

Mu Huan: “...”

He wanted her to shut up and not let her explain. What if there was a misunderstanding? Once there’s a single misunderstanding, the misunderstanding would become bigger and bigger like a snowball rolling.

She wanted to say something, but when she saw Bo Junyan closing his eyes, she dared not say anything else.

The air sank into an unprecedented cold silence. It was so cold that Mu Huan could hardly breathe.

But she could only breathe carefully, not daring to say anything.

This aura continued until they reached home.

After parking the car, Bo Junyan got out and left.

He didn’t wait for Mu Huan. Mu Huan got out of the car and ran as fast as she could.

After entering the house, Bo Junyan headed straight upstairs.

Mu Huan followed closely behind.

After returning to his room, Bo Junyan immediately tore off Mu Huan’s clothes without another word.

This frightened Mu Huan.

Chapter 437: A Woman’s Invisible War (1)

“Hubby... Hubby, don’t be rash... There’s really nothing between us! I only didn’t leave when I saw him crying. I tried to counsel him, but he suddenly pounced on me and I was about to kick him away when you flung him away!”

“I really have nothing to do with him! I swear! I swear on my life!”

But Bo Junyan did not stop. He was still so vicious.

“Hubby... don’t scare me... I’m scared... I’m so scared...” Mu Huan hid herself in a corner like a frightened little pitiful girl.

Finally, she managed to stop Bo Junyan's brutality.

"Take off your clothes and burn them! Immediately!"

"I'll do it right away! I'll do it right now!" Mu Huan said as she hurriedly removed her clothes that were almost torn to pieces by him. She frantically went to find a lighter to burn her clothes.

Seeing that Mu Huan had burned the clothes that Qu Chenyi had touched, the hostility in Bo Junyan's body slowly dissipated.

Seeing that he had calmed down, Mu Huan cautiously approached him. "Hubby, what I said earlier was true..."

"I know." Bo Junyan knew that there was nothing between his wife and Gu Chenyi, but when he saw that scene, he still could not control his violent and vicious aura.

Seeing that he didn't misunderstand, Mu Huan finally heaved a sigh of relief.

She boldly went forward to hug his arm and reached out to calm him down. "I know it's my fault this time. I didn't prepare myself properly. There won't be a next time!"

"From now on, you're not allowed to stay within a meter radius from him!" Bo Junyan said sternly.

"I promise I can do it!" Mu Huan raised her hand and swore.

Bo Junyan looked at her for a long while before the hostility in him completely subsided. He reached out and pulled her into his embrace. "This wasn't your fault."

His behavior had frightened his little cutie.

"It's my fault. I wasn't on guard," Mu Huan said in frustration. She knew that Gu Chenyi was trouble!

"You're a weak girl. There's nothing you can do if he pounced on you."

Mu Huan: "..."

"I'll teach Chenyi a lesson!" This was all Chenyi's fault!

"Teach him a good lesson! It's best if he's as busy as a dog!" That way, he wouldn't let his imagination run wild and suddenly lose his mind!

"Alright."

"He still has feelings for you. If you accidentally touch him in the future, you have to be cold and hard. You don't have to treat him well on my account at all. You have to be ruthless to him! You have to be ruthless, understand?!"

"Yes! Definitely!" Mu Huan nodded vigorously.

Having received such an affirmative and obedient answer from her, Bo Junyan was in a much better mood. He lowered his head and kissed her gently.

He tried to calm her down.

Just then, Bo Junyan's phone rang. It was from Ling Wei.

Bo Junyan stopped to pick up the call.

When Mu Huan saw the caller ID on the screen, she reached out to grab the phone and picked up the call.

Bo Junyan: "..."

Ling Wei's voice came through the phone. "Junyan..."

"What's the matter, Ms. Ling?" As Mu Huan was chasing Bo Junyan out of the Gu residence, she'd caught sight of Ling Wei from the corner of her eye. Although she didn't know if Ling Wei had seen the scene where Gu Chenyi was hugging her, she was sure that she had seen Bo Junyan leaving angrily and had followed after him.

It was because she saw that scene that she called.

She was calling either to investigate the situation or to fish for some important information that could make Bo Junyan leave so that they could start a cold war.

Chapter 438: A Woman's Invisible War (2)

It would be just like how Bo Junyan's incident on his birthday had made her let her imagination run wild all night, making her sad and upset.

Ling Wei frowned. "Where's Junyan?"

"My husband went to take a shower. Is there anything important? If there is, I'll send him the phone."

"It's not something important. I'll find him tomorrow."

"Alright." With that, she hung up.

"Why are you going against Ling Wei?" Bo Junyan looked at Mu Huan and laughed.

"I'm just a petty girl with a small nose and small, narrow eyes. Never mind your ex-fiancee, even if it's a woman who has nothing to do with you, I won't be happy even if she only looked at you! You're mine, so only I can look at you! Let me touch you! Let me love you!" Mu Huan hugged his neck and sniffed.

No matter how smart this man was, he couldn't see the invisible war between the two women.

Since he thought that she was going against Ling Wei, then that's what she's doing. As long as she was being jealous, he would not say anything about her.

"Your eyes really are small." Bo Junyan lifted her onto his lap and looked into her eyes.

"Look... look at how small they are..." Mu Huan narrowed her eyes so that he could see it.

Bo Junyan was thoroughly amused by her. He lowered his head and kissed her again.

If she couldn't get over Ling Wei, then that's fine. And if she wanted to make a scene, then that's fine too. This sort of nervous feeling she had was not bad.

In the villa next door.

Ling Wei narrowed her eyes as she looked at the phone that had been hung up. This Mu Huan was indeed not bad. When Bo Junyan left, her violent aura had been appeased so quickly.

She even picked up his call.

She felt that Bo Junyan was right next to Mu Huan instead of showering.

While right beside her, he actually allowed her to pick up his call and say such things.

Sigh. Man...

They were too heartless.

Ling Wei and Bo Junyan had been together for so many years.

He had married Mu Huan less than half a year ago.

Overlooking at the nighttime scenery outside the window, Ling Wei sat in front of her computer and started working.

Then, she saw the list of participants of Yun University's research project sent by her assistant to her email.

When she saw Mu Huan's name on the list, Ling Wei raised an eyebrow.

She was actually talented.

Initially, Ling Wei did not take Mu Huan seriously at all. She was a freshman who had just entered university and had an average family background. She was even a pitiful wretch who had been chased out of the family. It was said that she was a weak and quiet girl.

She reckoned that Bo Junyan wouldn't take a fancy to someone with such a personality and that there was no one who could catch his eye, but she didn't expect her to be that outstanding.

She did not expect that she would be qualified to be her opponent in just two short days.

She was looking forward to a confrontation with her.

Before she slept, she glanced at the weather forecast out of habit.

It was going to be raining cats and dogs tomorrow.

The next day at Yun University.

"It's really cold today..." Li Meng said with trembling arms.

"Who's the one who doesn't wear more layers? Don't you know that the autumn rain has become cold? The rain has started since morning," Mu Huan said as she took out her coat from her bag and passed it to her.

"You can wear it. Aren't you cold?" Li Meng asked.

"If I was cold, I wouldn't let you wear it." Mu Huan threw it to her.

“Muacks, I love you!” Li Meng took the clothes from her and put them on, instantly warming up.

“Mu Huan, let’s form a team for the experiment class later,” the girl in the backseat said as she leaned over.

Chapter 439: A Woman’s Invisible War (3)

Li Meng turned around and snorted. “Why should she be on the same team as you? Have you forgotten what you said last time?”

Because they were doing an experiment and she wanted results, she was mocking Xiao Huan by trying to get close to her. Did she think that Xiao Huan was stupid?

“What did I say last time? Why don’t I remember?”

“You don’t remember? You must have early-onset dementia. Xiao Huan, we can’t be in the same team as her and drag her down!”

Mu Huan smiled and said, “Yes.”

“You guys...!” The girl was furious!

Right then, Long Feiting and Huo Yuqi walked up to Mu Huan.

“Mu Huan, the experiment will be conducted in a group of four. You, Li Meng, and Yuqi will be in my group,” Long Feiting said.

“Are you out of your mind?” Mu Huan rolled her eyes at him. Why would she be with the two of them?!

“Are you having a stroke or have you gone mad? Come here and I’ll show you something good. You’ll regret it if you don’t come.” Long Feiting asked her to follow him.

Mu Huan thought for a moment and then stood up to do so.

Then, at a corner of the classroom, Long Feiting said something and finally got Mu Huan to agree to team up with Long Feiting and Huo Yuqi for the experiment.

Long Feiting and Huo Yuqi were not interested in pharmaceutical studies, and since they were transferred here halfway, they knew nothing. However, the teacher in the laboratory was famous for being strict. No matter who they were, they would fail if they failed.

The two of them didn’t want to be shamed by failing a subject. Hence, they had to be in the same team as Mu Huan.

Since Mu Huan said that she wanted to bring them along, Li Meng did not probe further.

On the way to the laboratory, a gust of cold wind and rain blew over, causing Mu Huan to shiver.

Long Feiting, who was walking beside her, instinctively wanted to take off his coat and give it to her.

But when he came back to his senses, his hand that was taking off his coat paused.

Was he crazy?

He actually wanted to take off his coat for Mu Huan!

She had let the fish bite him last time! Even though it wasn't a piranha, she had damaged him!

As for how Long Feiting knew that it wasn't a piranha, it was because after he climbed ashore, he got someone to drain the water from the lake and search for the piranha fish that dared to bite him. However, he couldn't find a single one.

Only then did he realize that he had been fooled.

"Look! That looks like Professor Bo's car!" a girl suddenly shouted.

Instantly, all the girls looked over.

Mu Huan looked over as well. Her husband was a little early, and he used to come to school on time.

When Bo Junyan's car stopped, he saw Bo Junyan coming down with a black umbrella.

The girls started to become infatuated.

"Oh my god! He's so handsome! I want to be that umbrella in his hands!"

"How can someone be as handsome as Professor Bo?! Look, just looking at his hand can make someone go crazy!"

"I wonder who got so lucky as to be Professor Bo's wife. Just thinking about it being me makes me feel like I've reached the pinnacle of my life!"

Mu Huan: "..."

Me! Me! I'm his wife! I'm the person who has reached the pinnacle of my life!

Right then, Bo Junyan headed to the backseat with an umbrella and opened the car door like a gentleman.

Then, an elegant pair of high heels stepped down from the backseat.

"Oh my god! It's a woman! There's actually a woman in Professor Bo's car!"

"What woman? She's so lucky to be invited out of the car by Professor Bo!"

"That's right! That's right! You must know that Professor Bo is someone who would never help a girl even when she's crippled in front of him! And now, he's opening the door for a woman!"

"Could she be Professor Bo's wife?!"

Chapter 440: A Woman's Invisible War (4)

"It's possible! It's possible!"

Mu Huan instinctively replied, "What wife?! I'm here!"

She shouted loudly, and the surrounding female students heard it. However, no one believed her words. Right now, everyone wanted to be the wife after seeing the handsome man! Some were even addressing themselves as Professor Bo's wife every day in the dormitory!

Mu Huan: "..."

Damn it, no one would believe the truth nowadays!

After taking a good look at the woman who walked out of the car, someone exclaimed, "Wow! Isn't that the most beautiful Professor Ling?!"

"It seems it really is! Oh my god! Professor Ling's purple outfit today suits her too well. It's so beautiful!"

"In the past, I couldn't imagine what kind of woman could match up to our Professor Bo. Now that I've seen Professor Ling and Professor Bo together, I feel that they look like a perfect match!" A handsome man and a beautiful woman!

"Look! Look at Professor Ling's side profile. Isn't it like that of the woman on the front page that day, the one who was watching fireworks with Professor Bo?!" A girl pointed at Ling Wei excitedly as if she had discovered a new world!

"Wow! Now that you mention it, I think you're right!"

"Are they really a couple? Is Professor Ling Professor Bo's wife?"

"It's possible! It's really possible! Otherwise, why would they be watching fireworks together and even come to school together?!"

"Indeed, a male idol would like goddesses. As for common folks, a male idol wouldn't like them."

"Can you guys stop spouting nonsense?!" Li Meng was so angry that she started scolding them.

However, amid a noisy crowd of girls, her scoldings were not attention-grabbing and no one bothered with her.

Suddenly, another gust of cold wind blew.

Professor Ling, who was dressed thinly, shivered coldly. Seeing this, Professor Bo took off his coat and put it over her.

Professor Ling looked up at Professor Bo and smiled lightly.

The beautiful scene made the girls want to scream.

Heavens! How could there be such a beautiful scene?! This was simply something that could not be filmed even in a television drama!

When Mu Huan saw Bo Junyan taking off his coat and putting it on Ling Wei, she rolled up her sleeves and grabbed the railing. She wanted to jump down and kill Bo Junyan!

Damn it! Didn't he say he intended to keep a distance from Ling Wei? He actually put on a coat for her!

Do you want to die?!

The moment she grabbed the railing, Li Meng grabbed her as well. "Mu Huan, this is the third floor!"

Was she trying to break her leg or to expose herself?!

Mu Huan: "...!!!"

Suddenly, Mu Huan looked toward Long Feiting, who was closest to her. "Take off your coat!"

"What are you doing?" Long Feiting looked at her warily.

"Why do you have to say so much when I already told you to take off your clothes?! Hurry! Immediately!" It would be too late in a while!

"Mu Huan, who do you think you are? What right do you have to order me around?! I'm telling you..." Before Long Feiting could finish speaking, Mu Huan went up to him to take off his coat.

Long Feiting: "..."

Should he resist or not?

While he was hesitating, Mu Huan had already taken off his coat.

Then, she draped it over herself and walked to the railing.

She shouted, "Hello, Professor Bo!"

When Bo Junyan heard her voice, he looked up.

When Mu Huan saw him looking over, she immediately stood up straight so that he could see the man's coat on her. Then, she smiled brightly at him!

Bo Junyan narrowed his eyes when he saw the boy's coat on her.
