

Fake Marriage 481

Chapter 481: A Change in Aura (2)

However, after being away for so many years and getting what she wanted, she realized that those things were not as good as she'd thought. It would be very tiring to continue on this path. And that person, especially, he...

Hence, after some hesitation, she chose to return.

She'd wanted to return to her original life, to be with Bo Junyan, to have a child with the best genes, and to live the life she wanted to live.

But now, she realized that this track might not necessarily be hers.

She was unable to accept that fact. Her life shouldn't be such a failure!

This was not the life she wanted!

In this world, there are no perfect people. There will always be times when people would make mistakes, but not every circumstance is the same. Some mistakes can be corrected once you've realized you want to correct them. But there are some mistakes that you can't do anything about, even after you've realized they were mistakes.

This world is changing every moment and every second. Nothing will always be yours.

There are many things that one could never have if one missed them.

It was late at night, and time passed quietly. Every minute that passed would forever be gone.

When Bo Junyan returned to his room, Mu Huan was playing a game.

"..." Bo Junyan looked at Mu Huan, who was nestled on the bed and was so focused that she did not even notice him entering the room. He was silent for a moment.

She had just promised so obediently that she should not play games anymore. In the end...

Sensing the strangeness in the air, Mu Huan lifted her head to look at him. When she met his gaze, she immediately smiled widely and said, "Hubby, you're back!"

Seeing her smile, Bo Junyan could not bear to say anything more.

"You can play while I take a shower, then let's go to bed."

"Okay." Mu Huan nodded repeatedly.

After Bo Junyan entered the bathroom, Mu Huan finished playing the game in her hand and went offline.

She knew her husband would soon return to the room, and she had to listen to what he'd said.

Hence, she didn't need to think too much about it. She didn't need to rush forward and start a conflict with Bo Junyan. All she needed to do was to deepen her relationship with her husband.

At the thought of this, Mu Huan suddenly realized that she wasn't the one who was at a disadvantage in this match. The one who should be thinking of a solution was not her, but Ling Wei!

She was now Bo Junyan's legal wife, and Bo Junyan clearly liked her. What was there to be afraid of? She didn't need to be afraid of anything! If Ling Wei provoked her through a small matter, she could just go back and agitate her. If Ling Wei wanted to snatch him from her, she could just seize the evidence to retaliate and completely KO her!

At this thought, Mu Huan broke into laughter.

She, who didn't need to be afraid of anything, actually made herself so nervous just because Ling Wei had returned...

Indeed, people who fall in love have a low IQ!

Previously, due to Bo Junyan's sudden absence, the deep relationship between Ling Wei and Bo Junyan had thrown Mu Huan into a mess. She was filled with worries and felt that she was at a disadvantage. Hence, she tried her best to do something and fight Ling Wei.

But now, she understood that she wasn't the one who was at a disadvantage! She didn't need to go up against Ling Wei because she was already at the finish line! Bo Junyan was her husband, so there was no need for her to fight for him. She just needed to love him and do her own things.

After thinking through all these, Mu Huan completely relaxed. She closed her eyes and fell asleep.

When Bo Junyan came out and saw that she was actually asleep, he stood in front of the bed and kept quiet for a while. Finally, he tiptoed lightly on the bed.

Chapter 482: A Change in Aura (3)

He lay down and was about to reach out to hug Mu Huan when Mu Huan, who was sleeping, leaned over like a kitten looking for warmth. When he reached out to hug her, she instinctively found a comfortable position in his embrace and slept even more soundly.

Bo Junyan looked at her sleeping face for a while before lowering his head to kiss her.

The next day at breakfast, Gong Zeye and the rest arrived and the crowd became even more lively.

Long Feiting did not leave last night, but his expression today was worse than yesterday's. He ignored everyone.

Huo Yuqi was afraid of angering him, so she didn't dare to provoke him.

Mu Kexin could not hide the anger in her eyes when she saw Mu Huan last night. However, she did not dare to do anything and could only pray that Ling Wei could torture Mu Huan to death!

Ling Wei was familiar with Gong Zeye and the rest.

Although they felt that it was impossible for Ling Wei to become their sister-in-law, they had been in a relationship with her for many years. Hence, they had a lot to talk about when they met.

“Did you see that? Only my Sister Ling Wei can completely integrate into my cousin’s world,” Huo Yuqi whispered into Mu Huan’s ear.

“Oh,” Mu Huan replied nonchalantly without giving her any additional reaction.

“Mu Huan, why aren’t you anxious at all?” She wasn’t angry or anxious. Actually, Huo Yuqi was worried for her.

She didn’t know why Mu Huan wasn’t behaving like before, when she couldn’t bear to see and hear such things.

Mu Huan didn’t want her to say such things to her. Hence, she said, “My husband is mine, and no one can snatch him away from me. It’s useless even if I’m anxious, so I won’t be anxious. I won’t be angry over your words, so don’t waste your breath.”

Before Huo Yuqi could say anything else, Mu Huan put on her earphones.

She was so angry that she reached out to grab Mu Huan’s earpiece, but Mu Huan turned her head to avoid it.

Mu Huan’s action attracted the attention of the others.

Ling Wei looked toward Mu Huan as well. Mu Huan, who had just lifted her head, met her gaze and smiled.

Ling Wei looked at Mu Huan and frowned slightly. There shouldn’t have been any changes in the night, but the Mu Huan in front of her made Ling Wei feel that she had changed a lot.

Previously, Mu Huan looked at her as though she was facing a formidable enemy. But now, Ling Wei could no longer see that feeling in her eyes.

There was a change in her aura. In the past, Ling Wei was high and mighty, and she didn’t care about Mu Huan at all. She felt that Mu Huan was a little bug that she could easily crush, and it wasn’t worth it for her to touch her.

Mu Huan, on the other hand, regarded Ling Wei as her greatest enemy and went on to deal with her fearfully.

She’d tried her best to be better than her, stronger than her, and she’d wished every ill on Ling Wei!

However, that feeling had vanished from her body overnight.

The atmosphere between the two of them had changed. Ling Wei regarded Mu Huan as a strong opponent, but Mu Huan no longer regarded Ling Wei as such.

She was no longer nervous and afraid of her invasion. She looked at Ling Wei with a relaxed and confident look.

This change made Ling Wei frown. She felt that things were getting more troublesome.

In the past, every time Mu Huan fought with her, it was as if she was facing a formidable enemy. She wanted to fight for everything and win. Such a young and energetic girl was easy to deal with. If she was provoked, she would quickly lose.

Mu Huan's reaction and behavior were within her expectations. She'd predicted that if this continued, Mu Huan and Bo Junyan would have a huge conflict soon.

But...

Mu Huan had suddenly changed.

Chapter 483: She Has Never Been Shy About Being Handsome (1)

However, Ling Wei quickly retracted her gaze. To her, any strong opponent was not to be feared.

She would never allow her life to fail again.

She felt that Bo Junyan's feelings for Mu Huan were similar to what she felt in the past when she was so obsessed with the other path that she could not let go of it. However, it was only for a moment that she could not let it go. When this became something familiar, he would turn around and realize that only the two of them were the most suitable.

They had such deep feelings, chemistry, and similar family backgrounds. They were the people who understood each other the most. No matter what, they were the most suitable for each other.

Huo Yuqi, who'd wanted to do something to Mu Huan, did not dare to move again when she saw Bo Junyan coming.

Bo Junyan sat down.

Mu Huan picked up a small dish and fed it to Bo Junyan. "Try this, Hubby."

Bo Junyan opened his mouth and ate it.

"Is it super delicious?" Mu Huan asked expectantly.

"Yeah." Bo Junyan nodded.

"And this one is not bad..." Mu Huan, who had just had her fill, picked up some food for Bo Junyan.

Bo Junyan was happy to be served.

Until Mu Huan picked up a dish with onions.

Ling Wei said, "Junyan doesn't eat onions."

Look, she didn't even know what Bo Junyan liked.

How could a person who didn't even know what the other liked say that they deeply loved each other?

In a person's life, it was inevitable that there were many things that they would want to try. Just like how, when he was young, he suddenly wanted to become a doctor and went to study medicine. In the end, he returned to the right track. If one didn't try new things, one wouldn't know how precious the other ones were.

Mu Huan was his moment of passion. She was just an attempt.

Mu Huan quickly tried to take it back.

Bo Junyan, on the other hand, ate it in one bite.

“Cousin, don’t you hate onions?” Huo Yuqi asked instinctively.

Bo Junyan said lightly, “A person’s tastes can change.”

Huo Yuqi: “...”

Something like that couldn’t be changed just like this! In the past, he wouldn’t even allow anyone to serve onions to him, but now, he’s eating them!

“This person has indeed become different after marrying his wife. He used to be so picky with his food, but now, he’s eating everything given by his wife,” Gu Qianru said as she looked at Mu Huan. “Junyan doesn’t like to eat vegetables and carrots. He also eats very little fruits. In the future, let him eat more of these. His past diet is too unhealthy!”

Mu Huan looked at Bo Junyan with a look of disbelief!

Bo Junyan: “...”

Mu Huan retracted her gaze and looked at Gu Qianru. “Alright, Sister-in-law. I’ll definitely make Junyan change his bad habit of being picky with food. He’ll be able to eat well in the future!”

He had to eat vegetables and fruits!

Bo Junyan: “...”

“There’s finally someone who can cure Junyan! In the past, he wouldn’t listen to anyone! His mother had to put in a lot of effort to make him eat a little!” Gu Qianru was a simple-minded person, but she was also a pure and innocent person who could see things clearly.

She felt that Bo Junyan really liked Mu Huan. Otherwise, he wouldn’t be able to eat anything just for her sake.

It had to be known that no one dared to say in the past that this was a problem for Bo Junyan, let alone make him change his ways. Even his parents could not control him.

Mu Huan, on the other hand, dared to say such things in public. To be honest, Gu Qianru was stunned when she heard what she’d said. She did not expect that she would dare to say such things.

Actually, it wasn’t just Gu Qianru. Everyone else present was stunned by Mu Huan’s words.

They were all very familiar with Bo Junyan, so they knew how scary he was.

Chapter 484: She Has Never Been Shy About Being Handsome (2)

He had always been a boss whose every order was followed by others. No one dared to say anything about his bad habits, let alone ask him to change them.

And Mu Huan dared to say that.

However, that Mu Huan dared to say it wasn't the main issue. It was that Bo Junyan wasn't angry at all!

Ling Wei's eyes darkened.

Gu Chenyi's expression darkened.

And Long Feiting's face looked even uglier.

After dinner, because he knew that Mu Huan was looking forward to the reality CS or counter strike game, he asked who she wanted to play with.

It was rare for Bo Junyan to want to play games.

Gong Zeye and the rest immediately agreed to play.

Gu Chenyi and Long Feiting wanted to play too.

In the end, only the pregnant Lin Qingya and the older Gu Qianru did not choose to play.

There were a total of 12 people, split into two groups with six people in one group.

Ling Wei was used to being in the lead, so she naturally had to lead a team. Gong Zeye and the rest wanted to give face to Ling Wei, so they chose Ling Wei as their leader.

As Bo Junyan was too strong, Gong Zeye and the rest forced Huo Yuqi and Mu Kexin into his team.

Now that Mu Kexin was Long Feiting's girlfriend, Long Feiting naturally had to be in the same team as Bo Junyan. Gu Chenyi wanted to be in the same team as Bo Junyan, but before he could speak, Bo Junyan had already called for Han Yichen to be in the same team as him.

Hence, in Bo Junyan's group, there was him, Mu Huan, Long Feiting, Mu Kexin, Huo Yuqi, and Han Yichen.

In Ling Wei's team, there were her, Gong Zeye, Fu Siye, Meng Lichuan, Jin Chen, and Gu Chenyi.

In the female changing room...

Ling Wei, who had changed into her equipment, looked valiant and heroic.

"Isn't Sister Ling Wei handsome or what! Why would a certain someone not feel inferior when you're someone who's a hundred times better than her no matter what?" Huo Yuqi looked at Ling Wei in infatuation.

"I'm already so handsome, though. Why should I feel inferior?" Mu Huan looked into the mirror, her face displaying the look of someone birthed by the most handsome in the world.

"You're handsome? Just you... you're so weak..." Huo Yuqi turned to look at Mu Huan and was suddenly rendered speechless.

Mu Huan, who was wearing a camouflage uniform and holding a piece of equipment, had an evil look on her face. Just as she had said, she was so handsome that there was no need for her to envy others...

She had an indescribable sense of dominance!

After a while, Huo Yuqi snapped back to her senses.

“My Sister Ling Wei has received professional training in Country M! You’ll probably die the moment you go on out there!”

“Oh.” Mu Huan raised the weapon in her hand and pointed it at something not far away. Although she had never played this or touched a real gun, she had never been afraid of anyone in a competition!

“From the way you’re acting, I don’t think you’re getting it right. I advise you to retreat as soon as possible. Stay there and cool off!” Huo Yuqi was also someone who had been trained in this area. It was obvious at a glance that this was the first time Mu Huan was playing it in real life.

Mu Huan smiled at her without a word.

Huo Yuqi: “...!!!”

Was there something wrong with her?! She had said this to her, but she was smiling so brightly at her!

At this point, Ling Wei walked over and looked at Mu Huan. “Can’t Xiao Huan know how?”

Huo Yuqi hurriedly said, “It’s obvious that this is her first time, being a country bumpkin from the village and all! Sister Ling Wei, get rid of her later!”

Ling Wei looked at Huo Yuqi and chided softly, “Yuqi.”

Huo Yuqi pouted and did not say anything else.

Ling Wei looked at Mu Huan again. “Do you need me to teach you how to use it?”

“Thank you, there’s no need.” Mu Huan smiled and said, “I’ll just ask my husband teach me later.”

Ling Wei’s eyes darkened as she said, “Yes, that’s good. Junyan is the strongest among us.”

Chapter 485: She Has Never Been Shy About Being Handsome (3)

Bo Huaiyun was going to open a first-rate resort, and his entertainment facilities were top-notch as well. The real CS equipment was top of the line. Hence, even though they were not the real deal, the quality was still good. Anyone who wore it would look valiant and handsome!

When Mu Huan and the others came out, the men were already waiting outside.

When Bo Junyan saw Mu Huan dressed in combat equipment, he was stunned.

Bo Junyan had always seen Mu Huan as petite and small. He couldn’t help but want to protect her, pamper her, and give her everything.

But the last time he saw her in the hall, he felt a little out of control.

Now that he was seeing her like this, he felt that way again.

There was a change in her aura. She wasn’t the usual petite and cute girl who would act cute. Instead, she was a warrior who was full of fighting prowess. Her aura could be described as oppressive and domineering!

The more he interacted with her, the more he felt that his wife was like a book. No one could guess the story behind the cover. The more he read, the more stunned he became.

When Mu Huan saw Bo Junyan, she ran over happily and stood in front of him, posing in a super cool pose. "Hubby, look at me! Aren't I the most handsome in the world?!"

Bo Junyan looked at her and laughed. "Yes."

"That's not right, that's not right. I'm not the most handsome in the world. My husband is the most handsome in the world, and I'm the second most handsome!" Mu Huan felt that her husband's looks were unrivaled!

No matter how she looked at him, he was so handsome that it made her heart race!

The thought of her husband made her want to hug and kiss him.

All the brothers: "..."

Sis-in-law, is it really okay for you to be so narcissistic?! To think the most handsome man in the world belongs to your family!

However, looking at the two of them standing together, they could not go against their conscience and say that they were not handsome.

"Hubby, quickly, teach me how to use these. I'll get rid of all of them later!" Mu Huan said heroically.

Bo Junyan looked at the petite frame of the one who'd said such arrogant words. He smiled and did not say anything else. He lowered his head and taught her how to use her equipment.

Mu Huan was a smart girl with a good memory. She really only needed to be taught once.

After Bo Junyan had taught her, she picked up the gun and aimed at something to try it out.

Seeing that she was not holding the gun properly, Bo Junyan stood behind her, held her hand, and taught her the correct posture.

This scene was so beautiful that it made one's eyes turn red!

Especially Gu Chenyi.

This person was truly someone who could not let go of whatever he could not get, especially when it was because of his own mistakes. He could not be forgiven.

He couldn't help but think that if he hadn't done that, then the person she was with now would have been himself.

She was his!

However, he had to become someone else's. He could only watch and not move.

This was akin to when a person especially liked something that they wanted as if they were possessed. They watched it every day, and it was very close to them. It was so close that they could touch it, but

they just couldn't have it. This was especially so since this was something they once had. Such a situation was really tormenting!

If, on top of that, this person were to be trapped in a dead-end, then no matter how hard they tried, they would go even more insane!

Sensing the craziness and gloominess emanating from Gu Chenyi, Ling Wei looked at him and said nonchalantly, "Even if you have a child, you don't have to be with her."

Gu Chenyi did not speak, but his eyes darkened.

"Your grandfather's body doesn't have to bear the weight of that child."

Chapter 486: She Has Never Been Shy About Being Handsome (4)

Gu Chenyi clenched his fists tightly.

Ling Wei did not say anything else.

Seeing that Bo Junyan was teaching Mu Huan so well, Mu Kexin walked toward Long Feiting and said, "Feiting, I've never played this before. I don't understand. Can you teach me?"

Seeing what had just happened, Long Feiting, who was in a bad mood for some reason, wanted to tell her off. Thinking that she was his girlfriend now, however, he lowered his head to teach her how to use the equipment.

But even after he'd showed Mu Kexin how several times, she actually failed to learn such a simple thing.

Long Feiting: "..."

The more he interacted with Mu Kexin, the more he felt the urge to perform brain surgery on her to see if she could recover.

His Little Star was clearly such a smart and brave person!

Just like Mu Huan...

At the thought of this, he couldn't help but look at Mu Huan. Then, he saw that Mu Huan, who was playing this game for the first time, had hit the target so accurately! And then, he looked at Mu Kexin, who still didn't know how to use the equipment she had. Instantly, his heart sank!

The real CS venue also had real sets constructed. To put it simply, apart from the fake equipment, everything else was real. And even though the equipment was fake, because it was the best, it gave a very realistic effect. When used, it felt real. As real as the sense of danger it gave!

"It feels really good!" Mu Huan had seen videos of games like this online, but the quality of their equipment was far inferior to that of hers. All these things she had were too realistic!

Bo Junyan glanced at her and said nothing.

At the whistle, just as Mu Huan was about to start a massacre...

Bo Junyan said, "Follow me closely. Don't run around."

What he meant was that he wanted to protect Mu Huan. He wanted her to follow him and he would protect her until the end.

Bo Junyan knew that his wife was very competitive and excited. He was afraid that being killed would hurt her pride.

Mu Huan: "No need, Hubby. I'm very strong!"

"This is your first time playing."

"I'm a genius who learns everything quickly. I'll be good at this!" Mu Huan, who wanted to kill everyone around her, boasted shamelessly.

This was the best thing to do at a gathering like this. And since Gong Zeye and the rest were all experts, it would definitely be exciting to play. If she were to follow behind him and not do anything, it would be meaningless! She didn't want to be a protected little sweetheart!

Bo Junyan: "..."

"Hubby, it's fine. I'm not afraid of losing! I'll just stand up after losing!" Mu Huan was competitive, but she was never afraid of losing. If she fell, she could just get up and fight!

Seeing this, Bo Junyan did not say anything else. He liked his little wife a lot. As a person, one had to be braver the more one suffered. One could not be easily defeated.

Ling Wei's team was very strong, and the weakest should be Gu Chenyi. However, Gu Chenyi was much stronger than Huo Yuqi and Mu Kexin. Furthermore, everyone thought that Mu Huan was no match for him. Hence, Ling Wei's team felt that their chances of winning were very high!

This was because the team that had lost the most members within a certain amount of time would lose!

Although Bo Junyan was strong and might prove enough to take on the others, there were many weaklings in his team. As long as they got rid of the weaklings in his team first and continued to drag the battle out, they would definitely win!

Everyone was excited at the thought of winning against Bo Junyan once!

They felt like they could brag about winning against him once for the rest of their lives.

The first person to be out was Mu Kexin.

She could be said to have been killed instantly!

Chapter 487: She Has Never Been Shy About Being Handsome (5)

This made Long Feiting so embarrassed that he fought back with all his might.

However, Gong Zeye and the rest were much stronger than Long Feiting. Hence, even he could not protect himself, so he could only hide.

The second target of Ling Wei's team was Mu Huan, the third was Huo Yuqi, and the fourth was Long Feiting.

Their strategy was to fight quickly and defeat these four weak ones. Then, they would start to engage in guerilla warfare against Bo Junyan and waste time. They predicted that their team would have at most three deaths. When the time was up, four of them might even be taken out. But Bo Junyan's would have lost five, so theirs would be the winning team!

This was because Mu Huan was usually a delicate and cute girl, especially when she put on that appearance that could deceive others. It made one instinctively feel that she was very weak. Furthermore, everyone knew that this was her first time playing, and the way she fought was taught by Bo Junyan, so it was definitely not going to work for her.

Hence, Ling Wei and the rest went to gang up on Bo Junyan to distract him from giving his protection. Then, they sent Gu Chenyi to destroy Mu Huan.

Because Bo Junyan was strong and Mu Huan was so weak, they felt that it was enough to send Gu Chenyi!

Who knew...!!

The one taken out was Gu Chenyi!

This shocked Ling Wei and her team!

Although Gu Chenyi was the weakest in their team, Gu Chenyi was someone who had been trained at this growing up! People of their status would encounter all sorts of dangers in their lives, after all, and every danger they faced could be fatal.

Hence, since they were young, they had had to undergo strict martial arts training and all sorts of weapons training. Compared to the training they had received, this reality CS was really a small child's play. They'd felt that Gu Chenyi would have no problem with Mu Huan, who was fighting for the first time!

But...

It was Gu Chenyi who's taken out!

Bo Junyan was a little surprised because he knew Gu Chenyi's capabilities. He had lost to Mu Huan, who was playing for the first time!

Gu Chenyi was even more shocked. He had never expected that he would end up dying in Mu Huan's hands so quickly!

Although Mu Huan would often disappear for no reason and would not let others be beaten up, he had never seen Mu Huan fight before. That's why he did not know how good Mu Huan was.

Hence, the only person who wasn't surprised was Long Feiting.

He knew Mu Huan's true capabilities. With Mu Huan's skills, even if it was her first time playing this thing, her speed, her judgment, and her schemes were more than enough against Gu Chenyi.

He wasn't surprised at all that Gu Chenyi had been killed.

As Long Feiting could sense everyone's surprise, he knew even Bo Junyan was taken aback. Only he knew the truth. This made Long Feiting feel strangely good!

After Gu Chenyi left the arena, Long Feiting quickly walked toward Mu Huan.

He whispered to her:

"You'll easily expose your true strength. Follow me and I'll cover you!"

"So kind?" Mu Huan looked at him and raised an eyebrow.

"Haven't you noticed that I've always been such a good person?" Long Feiting's expression said that he had always been this good!

"I really can't tell."

Long Feiting grimaced.

Right then, Gong Zeye attacked.

"Quick, come with me..." Long Feiting asked Mu Huan to follow him.

"No need," Mu Huan said as she ran in the opposite direction.

After thinking it through, she decided to slowly let her husband know that she was not as weak as he thought.

Long Feiting was furious. He had offered his help out of kindness, but she didn't take it!

Chapter 488: Strong, Just One Word (1)

Long Feiting didn't know why he always felt the urge to shield Mu Huan or worry about her. He didn't want to think about the reason why he wasn't feeling so well.

If she didn't want to come with him, then he would follow her into anger. If he didn't feel well, then he would also make her uncomfortable!

Mu Huan frowned when she saw Long Feiting coming over. The two of them would draw too much attention! She started to say something.

But Long Feiting said, "I want to follow you. If you don't let me, I'll expose you later and let you die!"

The corners of Mu Huan's lips twitched. He could say such shameless things. He even just said that he had always been such a good person!

What was so good about him?

Just as Mu Huan was about to say something, she caught sight of Gong Zeye's red dot from the corner of her eye. She hastily tugged at Long Feiting, and in the next second, the spot where Long Feiting had been standing turned red.

In other words, if Long Feiting wasn't pulled away by Mu Huan, he would have been taken out.

Long Feiting's expression instantly darkened.

Gong Zeye, who had thought that he would be able to hit him, was surprised. He did not expect Mu Huan to react so quickly.

“Be careful if you want to follow me. Otherwise, I’ll use you as a shield and have you taken out!” Mu Huan glared at Long Feiting.

Although Long Feiting and Gu Chenyi had been trained since they were young, their actual combat experience was not as good as Mu Huan’s. Hence, their reaction speed was not as fast and accurate as Mu Huan’s.

“Mu Huan, how dare you! If you dare to push me...” Long Feiting had yet to finish his sentence when...

Mu Huan suddenly flashed and hid behind him. Then...

He was hit in the arm.

Long Feiting: “...!!!”

She was really using him as a shield!

Although Long Feiting did not die from this blow, his arm could not be used anymore. The uniform equipment on him would control his arm, making him feel like he had really been hit. All it lacked in realism was that it was not painful.

This was also the reason why Mu Huan felt very good about this game. This feeling was too realistic! Apart from not being seriously injured, it felt no different from a real fight!

Long Feiting was about to say something.

“You’ll die if you continue spouting nonsense!” Mu Huan pulled him behind a crate.

In the midst of an intense battle, he was spouting so much nonsense! Did he not know that no matter what happened, the ones who died would always be those with a lot of nonsense?!

When Mu Huan was young, she loved watching martial arts movies. In movies, good people always talked a lot. Good people would die quickly, and bad people would not!

Hence, Mu Huan never said much and would always just start fighting!

Long Feiting: “...”

Long Feiting and Gu Chenyi were still young and did not have much actual combat experience. However, Gong Zeye and the rest were very experienced in actual combat.

After Gong Zeye had hit Long Feiting, he started a new wave of attacks, and they were very aggressive!

This rendered Mu Huan and Long Feiting completely unable to retaliate.

Mu Huan felt that it wasn’t a good idea to carry on like this. If they were to be infiltrated and rooted out later, they would die. Hence, she looked at Long Feiting and said, “Go ahead and distract him. I’ll ambush him!”

“I’ll die the moment I get out!”

“In any case, it’s no use dragging this useless arm. So, for the sake of honor, you should sacrifice yourself!” Mu Huan patted his crippled arm.

Long Feiting: “...!!!”

Just as Long Feiting was about to say something...

“Take this and go out. As long as you’re smart and fast enough, you won’t die. At most, you’ll get another hit on your arms and legs. Then, I’ll hit Gong Zeye and kill him!”

Chapter 489: Strong, Just One Word (2)

Mu Huan gave Long Feiting a piece of equipment. She didn’t know if Long Feiting could do it. Hence, she’d spun him a yarn about honor and sacrifice.

Long Feiting looked at the things in her hand and understood her plan without her saying anything.

“But Gong Zeye is so far away from us. Can you aim at him?”

Gong Zeye and the rest were all experienced in actual combat. Their aims were very accurate. Hence, even though he was so far away from them, he was still able to attack accurately, making them unable to retaliate.

But this was Mu Huan’s first time playing!

“As long as you can lure him in, I’ll be able to hit him at 10 am!” Mu Huan said.

“Can you do it?” Long Feiting looked at her suspiciously. She was skilled, but this was her first time fighting! “Why don’t I try using my left hand? I might be stronger than you. Why don’t you distract Gong Zeye?”

“I have no confidence in you. Let me do it!”

“I have no confidence in you either!”

“If you continue talking nonsense, I’ll push you out!” Mu Huan said coldly.

Long Feiting: “...!!!”

Finally, Long Feiting ran out to distract Gong Zeye.

Gong Zeye had suspected that Long Feiting was deliberately trying to distract him, but he thought it was so that Mu Huan could escape.

After all, the two of them were unable to retaliate and could only hide.

If this continued, they would eventually die together.

Furthermore, since this was Mu Huan’s first time playing, he knew that her sniping pose was not even standard, let alone her ability to aim. Hence, even if he had thought that Mu Huan might try to sneak an attack on him, he wasn’t afraid. He felt that Mu Huan wouldn’t be able to catch him at all over such a distance!

As he felt that it was impossible for Mu Huan to hit him, the possibility of Long Feiting wanting Mu Huan to escape became a certainty. Hence, when he attacked Long Feiting, he threw a grenade in the direction that Mu Huan could escape in, hoping that they would die!

Who knew...

When he hit Long Feiting...

Gong Zeye was also hit!

When he heard the sound of someone being killed in the earpiece, his eyes widened in shock. How could this be?! What a joke! He, Gong Zeye, had been killed by a little girl!

If this got out, he wouldn't be able to survive anymore!

On the other side, the few people who were fighting were even more shocked when they heard the news from the system that Gong Zeye had been killed!

One had to know that Gong Zeye was ranked third among them, second only to Fu Siye! And since Gong Zeye had so much combat experience, and many of them had been in a life-and-death struggle, he had always been able to live a good life, but now he had died!

Because Gong Zeye had gotten Long Feiting before he was taken out, Long Feiting got taken out as well!

Mu Huan had originally thought that since it was Long Feiting's arm that was injured and not his leg, it shouldn't be a problem for him to run. If things didn't go well, he'd just be hit again but won't die. This way, after she killed Gong Zeye, that's two from the enemy team taken out. If one more of them died, it would be their team's win!

Who knew that Long Feiting would die as well?!

While she was shifting across the battlefield, she walked up to Long Feiting and lightly kicked him, who was lying on the ground. "You're really stupid!"

He could even get taken out like this!

Long Feiting: "...!!!"

What do you mean I'm too stupid?! The opponent was Gong Zeye! He's the one who needs to address me as uncle! But he's much better than me in terms of combat experience and fighting capability!

Chapter 490: Strong, Just One Word (3)

He was already running very fast, but the opponent's sniping method was too accurate. How could she blame him for being stupid?!

Just as Mu Huan was about to say something else, the system sent a message saying that Huo Yuqi had died as well!

Long Feiting, Mu Kexin, and Huo Yuqi. That's three people from their team taken out!

On the other hand, only two from the other team had been killed!

When he heard that Gong Zeye had died, Jin Chen moved to attack Mu Huan. Mu Huan hurriedly dodged.

From Gong Zeye's earlier attack, Mu Huan knew that she had no chance of winning against Jin Chen. Hence, she could only run.

Before she started, she had taken a serious look at the map of the entire base, and it had left a deep impression in her mind. Furthermore, what she was best at was escaping, so she successfully escaped.

While she was escaping, Bo Junyan had killed Fu Siye, the strongest person in Ling Wei's team.

That's three to three for both teams.

Those who were able to be friends with Bo Junyan were all very powerful people. Very quickly, Jin Chen found Mu Huan's location.

As Gong Zeye had been killed by Mu Huan, Jin Chen did not underestimate his opponent. Every attack was extremely accurate, so Mu Huan could only run.

Just as she was about to crawl to a high wall and jump down, she realized that Bo Junyan was just below.

Bo Junyan's expression darkened when he saw that she was about to jump down even though she had climbed so high. Was she trying to break her leg? She was climbing so high! However, he was afraid that being fierce with her would cause her to accidentally fall. Hence, he reached out to catch her. "Get down first!"

Mu Huan, who was about to jump down, could only jump into his embrace when she saw this.

Bo Junyan caught her steadily and then became fierce. "This is just a game. What if you jumped down from such a high height and hurt your leg?!"

"I won't hurt my leg, and..." Mu Huan was about to say something about climbing even higher before jumping down when...

Jin Chen and Meng Lichuan attacked.

In the face of their fierce attacks, Bo Junyan hurriedly took Mu Huan and hid behind a short wall. At this moment, Ling Wei, who had been hiding in the dark, was aiming at Mu Huan.

But after she pulled the trigger...

Mu Huan turned her head and dodged!

While Ling Wei was hiding in the dark and attacking, Bo Junyan and the rest had sensed it. However, because Bo Junyan didn't want Mu Huan to play too hard, he'd chosen to make her withdraw from the game to prevent her from getting hurt. That's why he didn't try to pull her away.

They all thought that Mu Huan would die this time!

But Mu Huan dodged!

The speed at which she dodged shocked them!

This was because this shouldn't have been something an ordinary girl could avoid!

Ling Wei was stunned as well. She had never expected Mu Huan to be so fast!

While Ling Wei was still feeling stunned, Mu Huan turned around and killed Ling Wei!

Everyone: "...!"

Was she a newbie? Was she really a newbie?!

If they hadn't seen it with their own eyes that she didn't even know how to shake hands! They wouldn't have believed that she was a newbie!

Mu Huan wanted to take advantage of their stunned state to kill Jin Chen, who had been chasing after her, but unexpectedly, Jin Chen's reaction was fast. Though he was in a daze, he could still feel the danger and dodged it in time.

This made Mu Huan, who was not hit, feel a little regretful.

Although Jin Chen had dodged Mu Huan's attack, he felt that Mu Huan was very strong! Her reaction speed was unbelievable, and the timing was especially accurate!

This was the first time he had played with such a person. All he could say was that she was talented! She had great talent!

Bo Junyan had personally taught Mu Huan how to hold a sniping pose. He was so sure that Mu Huan would never get to use what she'd learned, but now, she was so formidable. First, she had killed Gu Chenyi, then Gong Zeye. Now, she could even seize such a short opportunity to kill Ling Wei!
