

## **Fake Marriage 511**

### **Chapter 511: I'm Not Weak to Begin with (3)**

Seeing that she did not seem to be pretending, Gu Chenyi quickly released her.

Just like what Lin Qingya had said, his grandfather was relying on the child in her stomach to hold on. Even though they knew that he could not hold on for much longer, who didn't want their family to live longer?

After Gu Chenyi released Lin Qingya, she immediately clutched her stomach in pain and bent over.

When Gu Chenyi saw this, he hurriedly picked her up and ran back. He was afraid that his mother would not be able to take it if she found out about it. He did not dare to inform Gu Qianru and only asked someone to quickly call Ling Wei over.

Ling Wei, who was trying to placate Huo Yuqi, hurried over when she received the news.

After she left...

Huo Yuqi looked at Huo Li and said cautiously, "Brother, I won't mess with Mu Huan again."

She always kept on messing with her, but she would always save her. This made Huo Yuqi feel that if she were to continue finding trouble in the future, she would be too heartless!

Just as Bo Junyan had said, although Huo Yuqi was spoiled and unruly, she was a kind-hearted person who knew how to repay kindness. Whether Mu Huan did it to truly save her or for some other reason, she ended up saving her anyway.

She couldn't bring herself to go against such a person.

"Uh-huh, you can't do anything useful anyway. Just be obedient from now on," Huo Li said.

Huo Yuqi said indignantly, "What do you mean, I can't do anything useful anyway? You're making it sound like you've done something useful! If it weren't for the fact that you're not capable enough, I wouldn't have had to worry about you losing and endangered my life!"

Huo Li: "...!!!"

"But no matter what, I won't mess with Sister-in-law. I advise you to stop now and don't do anything extreme. You have to know that she has saved your sister twice!" Huo Yuqi liked Ling Wei more and would still stand on her side. However, she would not do anything else and could only support her mentally.

She also hoped that her brother would not go overboard. After all, Mu Huan was truly her savior this time.

"You don't have to say anything else, I wouldn't dare," Huo Li said unhappily.

Last time, he was beaten up badly by his cousin after doing such a thing. How would Huo Li dare to go overboard?

"It's good that you don't dare." Huo Yuqi didn't say anything else.

...

When Mu Huan and Bo Junyan came out for dinner, they heard that something had happened to Lin Qingya.

"Should we take a look?" Mu Huan looked at Bo Junyan.

"There's no need. Sister-in-law still doesn't know about this matter so we shouldn't cause too much of a commotion. With Ling Wei around, nothing will happen," Bo Junyan said.

Just as he finished speaking, he saw Ling Wei and Huo Yuqi coming over to eat.

Bo Junyan assisted Mu Huan and walked forward to ask about the situation.

He wasn't concerned about Lin Qingya, but he was worried about Gu Qianru and Old Master Gu. If anything were to happen to Lin Qingya, the father-daughter pair might not be able to take it.

"How is it?"

"It's nothing serious," Ling Wei said.

Bo Junyan did not probe further. He looked down at Mu Huan and asked, "What do you want to eat?"

"I'm fine with anything good!" Mu Huan was never a picky eater. She would eat anything good.

Bo Junyan smiled and led her to a seat.

When Ling Wei saw that Bo Junyan was about to bring Mu Huan over for a meal, her expression darkened.

Just then, the old man called.

After informing Huo Yuqi, she walked out to answer the call.

After Ling Wei left, Huo Yuqi looked at Mu Huan and felt that she should go up and say something.

#### **Chapter 512: I'm Not Weak to Begin with (4)**

After thinking for a while, Huo Yuqi walked forward.

"You saved me today, so I owe you a favor! If you need my help again, I'll definitely return it!"

"Oh," Mu Huan replied nonchalantly.

Huo Yuqi: "..."

Mu Huan was really annoying at times! Just like now, when she was talking to her in this manner, she only gave a faint "oh" to make her...

She didn't know what else to say!

She didn't know what to say.

But Bo Junyan had something to say. "Go back and pack your things after dinner. You'll be on the plane tomorrow morning."

Huo Yuqi was stunned at first. When she came back to her senses and realized something, she immediately said, "Why should I take the plane?! I'm not going anywhere!"

Bo Junyan did not respond.

Huo Yuqi instantly panicked. She grabbed his arm and said coquettishly, "Cousin, I know I was wrong! I won't do anything like today again, and I won't say anything I shouldn't say in front of Sister-in-law anymore. Cousin, I'm begging you... please don't send me abroad, please..."

"I swear! If I do something as stupid as today, I'll be knocked to death by a car!" Huo Yuqi was so anxious that she made a vow.

However, Bo Junyan's expression did not change when he looked at her.

Seeing this, Huo Yuqi knew that it was useless to continue begging. Hence, she let go of Bo Junyan and walked to Mu Huan's side to sit down. Then, she suddenly reached out and hugged Mu Huan's waist tightly.

Mu Huan: "...!!!"

Bo Junyan's expression darkened instantly. "Huo Yuqi, what are you doing?!"

Huo Yuqi ignored Bo Junyan and lifted her head to look at Mu Huan. She said pitifully, "Sister-in-law, I know I was wrong. I swear I won't do anything like today again, and I definitely won't speak nonsense in front of you again. I beg you... please don't let Cousin send me abroad, alright? I have someone I like here. If I go abroad and I can't see him often, I'll want to die. Please... I beg you, Sister-in-law..."

Mu Huan: "..."

She wasn't afraid of people being ruthless and being shameless. She was just afraid of people being pitiful, especially when the person was such a delicate and pretty lady. Huo Yuqi had really realized her mistake and wouldn't do such a thing again.

She couldn't take it at all!

"Sister-in-law... I beg you... I beg you..." Huo Yuqi hugged Mu Huan and shook her.

Mu Huan felt a little dizzy from her shaking and almost agreed.

Bo Junyan's expression darkened when he saw this. He reached out and grabbed Huo Yuqi, tossing her aside.

"Hubby, why are you so rude to such a pretty lady..."

"What?" Bo Junyan turned to look at Mu Huan.

Mu Huan immediately kept quiet.

"Huo Yuqi, immediately disappear from my sight!" Bo Junyan said coldly.

"It's fine if you want me to disappear, but I'm definitely not going overseas. Otherwise, I'll die because of you!" As Huo Yuqi spoke, she picked up the knife from the dining table and aimed it at her wrist.

“Alright, show me your death.” Bo Junyan’s expression was cold as he asked her to do it.

Huo Yuqi: “...!!!”

Mu Huan: “...”

No matter what, Huo Yuqi didn’t want to be sent away. Hence, she made up her mind and closed her eyes to really cut her wrist.

If it weren’t for the fact that Bo Junyan had swiftly grabbed her hand that was holding the knife, her wrist would have turned red!

Bo Junyan’s gaze darkened. “Huo Yuqi!”

She had really grown into something!

“Cousin, I really know my mistake. I really won’t look for Sister-in-law again!”

### **Chapter 513: I’m Not Weak to Begin with (5)**

“That’s not right. Not only will I not find trouble with Sister-in-law again, she can even order me to do all sorts of things in the future. As long as you don’t make me go overseas, I can stay here and endure anything! If you insist on me going, then I’ll really die!” As Huo Yuqi spoke, her tears began to fall.

Bo Junyan’s handsome face darkened further.

Seeing this, Mu Huan went up to him and said, “Hubby, I think she really knows her mistake. She really won’t do such things in the future...”

When Huo Yuqi heard this, she immediately looked at Mu Huan and said even more pitifully, “Sister-in-law, I’m really for real! I want to transfer to another faculty when I get to school tomorrow. I want to transfer to the finance faculty. I’ll study hard and improve every day!”

“Hubby...” Mu Huan looked at Bo Junyan. She felt that what Huo Yuqi said was true.

Now that she knew that she was in the wrong, she would study hard in the future. They should just forget about this matter. Otherwise, if this child were to be sent overseas and do something, it would be too late for regrets!

Bo Junyan was silent for a moment. “I’ll send you abroad if you fail two subjects!”

When Huo Yuqi realized that Bo Junyan was not sending her off, she immediately broke into a smile and said, “Thank you, Cousin!”

Bo Junyan said with a darkened expression, “Just thank your sister-in-law.”

“Thank you, Sister-in-law! Love you, xoxo!” Nowadays, such a catchphrase was used by girls all the time to each other. Huo Yuqi was so happy that she forgot that she was not sent by Ling Wei to send kisses to Mu Huan.

“Muacks!” Mu Huan replied habitually.

Bo Junyan’s expression instantly darkened.

Right at this moment, Ling Wei returned from outside. When she saw Huo Yuqi's behavior just now, she frowned and felt uncomfortable.

When Huo Yuqi saw Ling Wei's return and realized that she had been overly intimate with Mu Huan, she suddenly felt guilty for betraying Ling Wei. Hence, she hurriedly walked toward Ling Wei and held her arm affectionately. "Sister Ling Wei, you're back. What do you want to eat? Let's sit here..."

She pulled Ling Wei and sat a distance away from Bo Junyan.

"Did you see that? No matter how much she apologizes, she still likes Ling Wei. If she sees Ling Wei, she'll leave you behind. Don't get too close to her in the future," Bo Junyan said.

Mu Huan looked at Bo Junyan in shock. Did she hear wrongly?

Why would her aloof idol say such things?!

When he met her stunned eyes and realized what he had just said to her, his face turned as black as ink. However, he decided to simply say, "From now on, you can kiss only me. No one else!"

Mu Huan: "...!!!"

Just now, she was only guessing if he was jealous. She didn't expect it to be true!

Her husband was even jealous of his own cousin!

This was really too much!

"What are you looking at? Aren't you going to eat?" Bo Junyan asked coldly.

"I'm almost full from smelling the jealousy on my husband!" Mu Huan teased with a smile.

Bo Junyan: "..."

This little fellow was getting bolder and bolder!

Suddenly, Bo Junyan stood up and bent over to carry Mu Huan.

"What are you doing?"

"Aren't you full? Let's go back to our room!"

"Hubby, I'm just joking! I'm just joking!" She couldn't afford to offend her King of Jealousy!

When Long Feiting walked in with Mu Kexin, he happened to see this scene. The gloomy mood that he had been feeling for the past few days instantly exploded. However, he did not turn around to leave. Instead, he walked straight toward Bo Junyan and Mu Huan.

#### **Chapter 514: I'm Not Weak to Begin with (6)**

When Mu Kexin saw him walking toward Mu Huan, anger flashed across her heart.

Long Feiting didn't know what was going on. He thought that Mu Kexin was his benefactor and now she was his girlfriend. However, he didn't show any affection toward her. Instead, he liked to be by Mu

Huan's side! Initially, she thought that he had brought her to this resort in the suburbs to make some intimate progress with her. Unexpectedly, he didn't do anything after arriving!

She thought that she had been too reserved in the past, so she exchanged all her sweaters for deep V-necks. Even she found it extremely tempting, but he acted as if he didn't see it!

No matter how much she hinted at him that she didn't want to sleep alone at night, he acted as if he didn't understand her at all! Besides, whenever she said she was afraid, he would arrange for a maid to guard her!

She was furious!

And now, he was walking toward Mu Huan again!

*What's so good about this Mu Huan? No, let's take a step back and say that Mu Huan is good in everything! But Mu Huan is a married woman! What benefits can he get by getting close to her?!*

However, no matter how angry she was, she still followed him.

Then, he looked at Mu Huan and Bo Junyan and shouted, "Sister, Brother-in-law..."

Mu Huan: "..."

Although Mu Kexin had not been looking for trouble with her recently, she did not like to see her. Eating with her was very revolting.

Whenever she called for room service and saw her husband's gorgeous face while eating, she could eat two more bowls of rice!

Just as she was about to ask him to return to their room for dinner...

Gong Zeye and the rest walked over.

"Brother Bo, you have to go to work tomorrow, so you have to drink to your heart's content today!"

When Mu Huan saw that they had already sat down, she decided not to ask Bo Junyan to bring her back to their room.

She sat next to Bo Junyan and prepared to eat quietly.

Suddenly, her phone rang.

She took it out and saw that it was a message from Long Feiting.

"How did you explain it to your husband?"

After reading the message, Mu Huan looked at Long Feiting and narrowed her eyes. What did he mean by this?

Long Feiting knew that she would look over. Hence, when he met her gaze, he lowered his head and sent a message. "Didn't your husband notice anything amiss when you saved Huo Yuqi today?"

When Mu Huan saw this, she quickly replied, "It's none of your business!"

Long Feiting quickly replied, "It's purely out of concern."

For some reason, he had wanted Bo Junyan to know Mu Huan's true colors in the past, but now, he didn't want Bo Junyan to know about Mu Huan's unique side. He wanted only himself to know it, as though there was something going on between them.

Although he knew that this wasn't a big deal and that his mental state was strange, he didn't want to think too much about it. It was just his instinct.

"Don't worry about me. It's fine. Just worry more about yourself!" Mu Huan looked at Mu Kexin, who was sitting next to him.

Why was he still so blind as to date Mu Kexin? Was this what true love was?

No matter what kind of person she was, he would still like her?

Long Feiting became even more flustered when he saw her text. He couldn't explain why he was stuck in a jam. Hence, he turned to Mu Kexin and said, "Kexin, haven't you been saying that you want to have a good chat with your sister?"

Mu Kexin: "...!!"

Since when did she say she wanted to have a good chat with Mu Huan?!

"Xiao Huan, although Kexin had done many wrong things in the past, she knows she was in the wrong. No matter what, you two are sisters. Give her a chance to correct herself," Long Feiting said. "Kexin, go sit beside your sister."

### **Chapter 515: The Engagement Party (1)**

He knew that Mu Huan was disgusted by being with Mu Kexin, so he deliberately made Mu Kexin go head to head against Mu Huan. If he must panic, he also wanted her to be bothered!

Mu Kexin did not want to sit with Mu Huan, and there was nothing to apologize about. She knew that even if she did apologize, Mu Huan would not forgive her much. However, she could not do nothing about it. Hence, she could only stand up.

"Don't come over. It's impossible for us to be good sisters. We can't be good sisters in the past, much less in the future. So, stay away from me!" From the start, Mu Huan had made it clear that she and Mu Kexin were strangers. Their relationship wasn't good, so she didn't want to give her a chance to act like good sisters. Neither did she want Mu Kexin to act as a little white lotus and then make her as her sister look bad.

She was just going to tell everyone that she wasn't that good. She just didn't want to live in peace with her half-sister. Hence, there was no need to say anything else!

"Mu Huan, aren't you being too disrespectful?!" Long Feiting was just taking the opportunity to create trouble.

"So what if I don't give you face?" Mu Huan looked at Bo Junyan as she spoke. "Hubby, can I not give him face?"

“Yes.”

Mu Huan turned to look at Long Feiting with a smug expression. *I have a big tree, and you still want to use your face to suppress me? Are you stupid?!*

Long Feiting: “...!!!”

The existence of Bo Junyan, this big tree, really made him clench his teeth in hatred!

He could not help but ask in his heart, *How did Mu Huan manage to marry Bo Junyan out of all people?!*

If she had married anyone else, he would... he would...

F\*ck! What the f\*ck was he thinking?!

Long Feiting suddenly stood up and grabbed Mu Kexin’s hand. “Let’s go. From now on, don’t bother with your sister anymore. A person like her isn’t worth your respect!”

Mu Kexin could not wait to leave this awkward place and hurriedly followed him out.

As this Mu Huan became more and more favored, she became more and more arrogant! She had humiliated her in public several times!

She better not give Mu Kexin the chance!

Otherwise, she would definitely step on Mu Huan to death!

After they left, Mu Huan was in a good mood and was in an even better one for eating.

“Little sister-in-law, let’s have a drink!” Gong Zeye raised the cup in his hand for Mu Huan to drink as well.

“I don’t drink...” Mu Huan waved her hand.

Seeing that Mu Huan was so obedient that she didn’t even drink, Gong Zeye couldn’t help but sigh. “Little sister-in-law, you’re such a gentle and obedient person. I really didn’t expect you to have such explosive power! You managed to save Yuqi at such a crucial moment!”

“That’s right! I can’t believe that Sis-in-law, who’s such a gentle and soft person, can unleash such shocking power at such a critical moment!” Jin Chen added.

Mu Huan, who was eating, almost choked when she heard this. Seeing this, Bo Junyan immediately poured her a glass of water and said, “Don’t worry, eat slowly.”

Mu Huan: “...”

When Ling Wei, who was called over for a meal, heard Gong Zeye’s words, her gaze toward Mu Huan darkened.

When they returned to school the next day, Huo Yuqi applied for a transfer and transferred to the finance faculty as she had said.

A week passed quickly.

This was the day Gu Chenyi and Lin Qingya were getting engaged. Their engagement party was very grand, and most of the famous people in Yun Cheng and the Imperial Capital were here.

Because Mrs. Gu had high expectations for her only son's wedding, she wanted to give them a grand wedding. However, a grand wedding would take at least three months to prepare.

### **Chapter 516: The Engagement Party (2)**

By then, Lin Qingya would already be six to seven months pregnant, and it would not look good for the bride to get married with a big belly. Hence, Bo Huaiyun advised Gu Qianru to hold an engagement party first. They could hold the wedding after Lin Qingya had given birth to the child and recovered.

He even said that this would make the old man even more hopeful. This was because the old man's greatest wish was to see his grandson get married and have children. If the wedding was held and the child was born, the old man would be instantly satisfied and would no longer have the energy to support himself.

When Gu Qianru heard this, she felt that Bo Huaiyun was right. She immediately agreed not to hold the wedding and to hold the engagement ceremony first. However, because her father's health was not good, she was afraid that no matter how strong he was, he would not be able to hold on until her son's wedding. Hence, the engagement ceremony was much grander than an ordinary wedding. She wanted the old man to see such a grand occasion. If he could not hold on any longer... he would not have such regrets.

Because Bo Junyan and Bo Huaiyun were attending to important guests, he and Mu Huan came early.

Looking at the happy Gu Qianru and Old Master Gu, who had been lying on the bed all this while, Lin Qingya, who was in a white dress, was also in high spirits to welcome the guests. She looked like an angel if one was just looking at her appearance. It was a beautiful scene when she stood with Gu Chenyi.

Mu Huan could not help but sigh. "If only Lin Qingya was a good girl and the two of them liked each other."

This would be such a beautiful family.

Bo Junyan swept his gaze across the room without saying a word.

Seeing more and more guests entering, Mu Huan suddenly thought of something and released her grip on Bo Junyan's arm.

Bo Junyan frowned. "What's wrong?"

"Aren't we in a hidden marriage state right now? What if someone finds out about our relationship after seeing we're really close?" Mu Huan recalled what he had said about how their marriage must not be exposed yet.

The people who came today were all from the upper-class society. With the two of them being so intimate, everyone would soon know about their relationship.

When Bo Junyan heard this, he reached out to put his arm around her waist. He didn't like the fact that she was a distance away from him. "Dad's condition has stabilized a lot. He can come back during the

new year, so it won't be a problem for him to host our wedding next spring. Hence, it'll be good if the news of us being together is found out."

"Our wedding next spring?"

"Yes."

"..." As the protagonist, she didn't even know that they were going to hold a wedding next spring.

"What's wrong?"

Mu Huan wanted to say that it wasn't a big deal, but she suddenly recalled that they were going to spend the rest of their lives together. If there was anything going on, they had to communicate more about it. "Hubby, I don't think you've told me anything about a wedding before. I don't even know about it as the lead female, so I'm a little upset."

Bo Junyan frowned. After a moment of silence, he asked, "Is it too late to say it now?"

Seeing how serious he was, Mu Huan couldn't help but laugh and say, "Of course there's still time!"

Bo Junyan was about to lower his head to kiss her when he saw her beautiful smile.

Bo Huaiyun came over and said that there was something important that he had to ask him and they had to leave.

Mu Huan was so bored that she found a quiet corner to check on the information she'd been needing.

After some time, she felt that someone was looking at her. Looking up, she saw Lin Qingya standing not far away looking at her.

Her expression was indescribable.

Seeing her raise her head, Lin Qingya walked toward her.

### **Chapter 517: The Engagement Party (3)**

Mu Huan frowned. She didn't know why Lin Qingya was looking for her when she was in such a glorious time in her life.

And her expression earlier, it was a little strange.

This made Mu Huan instinctively take precautions. When Lin Qingya walked toward her, she stood up and took two steps back to keep a distance from her. She didn't want to get into trouble for no reason.

"Mu Huan, are you afraid of me?" Lin Qingya raised an eyebrow and smiled.

"You should stay away from me," Mu Huan said coldly.

"Am I a petty person?" Lin Qingya smiled and said, "That's right, I'm a petty person. I'm a narrow-minded person who won't have a good ending. You're the only one who's a good person, and you're the only one who's able to do everything smoothly. You're especially blessed by the heavens!"

Mu Huan didn't know why Lin Qingya would suddenly say these things to her. She didn't want to know either. Just as she was about to turn around and look for Bo Junyan...

Lin Qingya turned around and left.

“Gu Chenyi’s mother said that she wanted to give you something very important and asked you to get it from her. Such a good thing, but she refused to give it to me, her daughter-in-law. She’s really stupid!”

“Lin Qingya, Mrs. Gu is a good person. She treats you so well, so I hope you can keep your words to yourself in the future. You’re also going to be a mother.” All along, Gu Qianru had treated Mu Huan very well, so she could not bear to hear Lin Qingya say such things about her.

When Lin Qingya heard Mu Huan’s words, her gaze turned sinister.

Then, she stumbled and was about to fall.

Mu Huan was standing on a protruding balcony. If she went down, she would have to take a few steps.

Although she hated Lin Qingya, she was a pregnant woman now. If she were to fall like this, something bad would happen. Hence, it was impossible for Mu Huan to leave her in the lurch.

Hence, she instinctively rushed forward to support Lin Qingya.

Just as she was about to loosen her grip on Lin Qingya...

Lin Qingya, on the other hand, grabbed hold of her hand tightly and screamed, “Xiao Huan, don’t! I know it was my fault in the past! It’s all my fault! Please don’t hurt me! I’m pregnant now... I’m pregnant...”

When Mu Huan heard this, she frowned and immediately withdrew her hand. However, Lin Qingya fell backward when she released her grip. Seeing this, Mu Huan instinctively wanted to grab her again, but Lin Qingya had already fallen off the stairs...

Very quickly, blood stained her white dress in red.

That red blood was shocking!

Mu Huan, who was standing on the stairs, was stunned! She knew that Lin Qingya had always harbored ill intentions toward her and wanted to create trouble for her whenever she had nothing to do. But no matter how much she thought about it, she would never have thought that Lin Qingya would come looking for trouble using her child!

The child in her stomach was her greatest trump card. With Gu Chenyi already knowing her true colors, the only one she could rely on was this child. She should do her best to protect this child. There was no way she would use it to do such a thing. But she...

Lin Qingya’s sharp voice attracted the attention of everyone in the banquet hall.

And that series of actions, no matter how one looked at it, it was Mu Huan who pushed her down the stairs. Even if there was a surveillance video, it would look like it was Mu Huan who pushed her down.

Everyone clearly heard Lin Qingya saying, “Xiao Huan, don’t! I know it was my fault in the past! It’s all my fault! Please don’t hurt me! I’m pregnant now... I’m pregnant...”

**Chapter 518: The Engagement Party (4)**

This was especially so for Gu Qianru, who had just come to look for Lin Qingya. From her angle, she could tell that Mu Huan had pushed Lin Qingya.

When she saw Lin Qingya falling down from the stairs and her white dress getting stained with blood, her vision went dark and she almost fell!

However, she suppressed the dizziness and immediately ordered someone to call the doctor before running toward Lin Qingya.

She hugged Lin Qingya, who was lying on the ground, drenched in cold sweat from the pain, and looked at Mu Huan angrily.

Gu Qianru had always felt that Mu Huan was a very good girl and she liked Mu Huan a lot. Hence, seeing Mu Huan do such a thing with her own eyes made her heart ache. Unable to take it any longer, she berated loudly, "Xiao Huan! How could you do such a thing?! Even if Qingya schemed against you and took Chenyi away! She was wrong, really wrong! But she's pregnant! How could you..."

How could she push her?! How could she do this?! Didn't she know how important this child was to the Gu family?!

Previously, Gu Qianru had asked Lin Qingya why Mu Huan and Gu Chenyi got separated. At that time, Gu Chenyi had asked Lin Qingya to leave, and Lin Qingya had not known what to say about this matter either. Therefore, Lin Qingya did not mention it at the resort. Gu Qianru felt that her question was inappropriate, so she did not probe further.

But after returning, Lin Qingya took the initiative to look for Gu Qianru and told her the truth.

She said that it was because she liked Gu Chenyi so much that she was possessed. Hence, when Mu Huan's grandma found her, she cooperated with her grandma to plot against Mu Huan so that she could have a chance to be with Gu Chenyi.

Lin Qingya was a person who could speak well. In the past, she could say nothing to refute Gu Chenyi's words. Even he had fallen for her twisted logic, let alone a simple-minded person like Gu Qianru.

Hence, even though Gu Qianru now knew the truth and found out that Lin Qingya wasn't as pure and innocent as she thought she was, she couldn't bring herself to hate Lin Qingya. Instead, she found her pitiful.

She had suffered so much since she was young, and now she liked someone who didn't like her.

As a mother to a son who loved someone he could not have, no matter how hard she tried, she could only live in pain and have someone else fall in love with her son. Most mothers would choose the latter.

She hoped that her son would be able to walk out of that hopeless love of his from the latter's endless devotion and love. She hoped that he could forget that he could never be with someone else and live a good life with the person in front of him.

Especially when Lin Qingya had his child in her stomach!

Hence, after knowing the truth, Gu Qianru did not expose her facade and continued to organize their engagement party.

She could understand Mu Huan's hatred for Lin Qingya, but she could not accept Mu Huan doing such a thing!

Lin Qingya was a pregnant woman! Even if Lin Qingya had made a grave mistake, the child in her stomach did nothing wrong! She shouldn't have been hurt like this!

Gu Qianru's heart-wrenching scolding made everyone know that Lin Qingya had snatched Gu Chenyi away from Mu Huan through schemes. In other words, Mu Huan and Gu Chenyi were a couple in the past!

Mu Huan might still be in love with Gu Chenyi! She liked him so much that she couldn't bear to see him marry another woman. Otherwise, she wouldn't have been able to lay a hand on a pregnant woman under such circumstances!

Bo Junyan, who had rushed over after receiving the news, frowned when he saw the situation.

When Mu Huan saw Bo Junyan, she instinctively said, "Hubby, I didn't push her. She fell down on purpose!"

### **Chapter 519: The Engagement Party (5)**

"Okay. Come down first." Seeing that she was about to fall off the stairs at any moment, Bo Junyan strode forward and reached out to support her.

When everyone saw this, they were all secretly excited!

The guests today were all known to the Gu family and the Bo family. Naturally, everyone knew that Bo Junyan and Gu Chenyi were uncle and nephew! This girl who had pushed Gu Chenyi's fiancée used to be a couple with Gu Chenyi, but now she was calling Bo Junyan Hubby!

Wasn't this an uncle and nephew pair...

The relationship between the two of them was even more eye-catching than Lin Qingya being pushed and losing her child.

Just then, Gu Chenyi ran over.

"Xiao Huan, you pushed Qingya for me?"

From his agitated expression and tone, one could tell that he liked Mu Huan!

Mu Huan liked him so she pushed Lin Qingya, who was pregnant because of him. On the other hand, he liked Mu Huan. Not only was he not angry when he saw that his fiancée might lose her child, but he was also so excited and happy!

But Mu Huan was Bo Junyan's wife!

Gu Chenyi was Bo Junyan's nephew!

This situation...

Sensing the change in the atmosphere, Mu Huan instinctively said, "Gu Chenyi, don't spout nonsense! I didn't push her! She fell down on purpose!"

When Gu Qianru heard Mu Huan's words earlier, she couldn't help but explode in anger! "Mu Huan! I really didn't expect you to be such a person! Not only did you not feel guilty for doing such a thing, but you... you actually denied it! Qingya knows how important the child in her stomach is! Why would she fall on purpose?!"

Mu Huan: "..."

That's right! Lin Qingya knew the importance of the child in her stomach, so why would she fall on purpose?

No matter how much she wanted to create trouble for her, she would never use her only trump card against her!

Having grown up with Lin Qingya, Mu Huan naturally had a certain level of understanding of her. She knew that Lin Qingya would not do anything that would harm herself. Whatever she needed to do was definitely beneficial to herself.

Using the child in her stomach to frame Mu Huan for pushing her? She would never use the greatest trump card of all even to kill her own enemy!

This was especially so given Lin Qingya's intelligence. She knew that Bo Junyan would never believe such a lousy move of hers. He would never hate Mu Huan or abandon her. As such, Lin Qingya could never have used such a move against her!

So, why did she fall on purpose?

Mu Huan looked at Lin Qingya.

At this moment, Lin Qingya was looking at her. In her eyes that were filled with hurt and disbelief, there was a heart full of hatred.

*Mu Huan, I'm a petty person. I won't have a good ending! Don't think about doing well! Don't think about having a good life! Even if I die, I'll drag you down to hell with me!*

Mu Huan looked at Lin Qingya and suddenly thought of something. She turned to look at Bo Junyan, and it was obvious that Bo Junyan had thought of something as well.

Without waiting for her to say anything...

He had already instructed someone to send the guests off.

However, before his men could move, Old Master Gu walked over. When he saw this scene, he fainted!

"Dad...!" Gu Qianru screamed at the top of her lungs.

The crowd was in an uproar...

Soon, Bo Junyan and Bo Huaiyun, who had rushed over, dealt with it.

It was not that they were unable to handle the chaos at the scene, but they just didn't get the chance to do so.

Now, everyone in Yun Cheng and the wealthy families knew that Bo Junyan's wife was Gu Chenyi's ex-girlfriend.

### **Chapter 520: The Engagement Party (6)**

Because Bo Junyan's wife still could not let go of Gu Chenyi, she had pushed Gu Chenyi's fiancée, who might not be able to keep the child. On the other hand, Gu Chenyi still had feelings for Bo Junyan's wife. In the face of such a situation, not only was he not unhappy, but he was also very happy...

The Bo family had never had any scandals before, but now, such a huge scandal had happened!

With a bang, such a scandal broke out in the circle of wealthy families. Very quickly, everyone knew about it!

All of them were wondering why Bo Junyan's matchmaking session had been so grand in the past, but there had been no news of it afterward. No one knew if he had married or not, and no one knew whose daughter he had married. So it turned out that his wife's status was so shameful...

She once had such a relationship with her nephew...

At the hospital...

After the emergency treatment, Old Master Gu was sent to the ICU, and no one knew when he would be able to escape from danger.

As for the child in Lin Qingya's stomach, it had not been resuscitated. Rather, it should be said that it was already... but Gu Qianru insisted on resuscitating it, so the doctors had no choice but to do so.

When Gu Qianru heard the doctor say that the child could not be saved, she lost control of herself and grabbed Mu Huan's arm. She asked in pain, "Mu Huan, Junyan dotes on you so much! The two of you have such a good relationship, so why did you treat Qingya this way?! Why?!"

"Sister-in-law, I really didn't push her. You know that Junyan and I have a good relationship. I..." She knew that she had a good relationship with Bo Junyan. She had no motive to push Lin Qingya away!

However, Gu Qianru interrupted her. "I saw you pushing her with your hand! And now you're saying that she fell down on her own?! Is she stupid? She fell down on her own?!"

"She's not stupid, but there must be something wrong with this. Junyan is already investigating, Cousin-in-law..."

"What is he investigating?! Junyan will only cover up for you!" Gu Qianru shouted uncontrollably.

Her grandson, whom she had been longing so much for, was gone just like that! Until now, her father was still in a coma! If he had suffered a blow because of this matter, he...

The more Gu Qianru thought about it, the more she couldn't take it anymore. In the end, she clutched her chest and couldn't see anything clearly.

Mu Huan hurriedly supported her.

However, Gu Qianru flung her away forcefully.

Her forceful fling had caused her to fall in the opposite direction. Fortunately, Bo Huaiyun had appeared in time to support her, so she did not fall.

“Huiyun...” Gu Qianru looked at her husband and was about to say something when she blacked out.

Bo Huaiyun quickly called for a doctor.

The hospital corridor instantly turned into a mess.

Mu Huan stood there, watching the chaotic crowd and Gu Qianru being sent to the emergency room. Her limbs were cold and her mood was indescribable.

Although she wasn't in the wrong, now that things had turned out this way, she was guilty of having something to do with it.

This was all because someone wanted to deal with her. Old Master Gu and Gu Qianru were both good and innocent people. It was because of Mu Huan that one of them had yet to pull through with his life and the other had entered the emergency room.

The weather seemed to have plummeted by tens of degrees, and the cold air was piercing to the bone...

Right then, a strong force pulled her into a warm embrace.

She looked up. “Hubby...”

“Don't think too much. This matter isn't your fault. You didn't do anything wrong. You don't have to bear any burden on your thoughts!” From afar, Bo Junyan had looked at her, who had always been quick-witted, standing there helplessly. His heart ached terribly.
