Chapter 100

Jalen, who sat opposite Elaina, drank the beer and did not answer her question for a long time. Elaina looked at him and suddenly had a guess in her heart.

Although this guess was ridiculous, it seemed very reasonable at this time.

“Jalen, you like me, do you?” Elaina looked at him and asked with a smile.

She thought that Jalen would deny it immediately, but after waiting for a long time, he did not speak.

Elaina was a little panicked.

“Jalen, are you crazy?” Elaina could not help but curse.

Jalen put down the glass and looked at Elaina. “Why did you say that I am crazy? Just because I like you? What sort of logic is that?”

“Others may not, but you must be,” Elaina said.

She thought, *are you kidding me?* I am your *ex*-wife. You must be crazy. Otherwise, how could *you like me* after the divorce?

Jalen sighed and said in a drawn-out tone, “Sometimes, I think that if I could go to meet you during our marriage, maybe... We wouldn’t divorce.”
