Chapter 105

“Did she really grow up in the countryside?”

Jalen thought, *Elaina is the internationally famous Dr. Gainsford*, and she is also Mr. Dorthea’s last *disciple*. *Both identities suggest that she is not a simple woman at all!*

When Nitzan heard Jalen’s words, he was a little puzzled. “What do you mean?”

Jalen did not hide anything. He told Nitzan about those two identities of Elaina. He thought, Nitzan is going to *find* out after *the party tonight anyway*. *I might as well tell him, so he’s prepared*.

However, after hearing Jalen’s words, Nitzan was not as surprised as Jalen had imagined. Instead, Nitzan looked gloomy, and he was deep in thought.

After a long time, Nitzan said, “Ella ... is bound not to be a simple woman.”

Nitzan thought, *it turns out that he didn’t lie to me*. She is destined *to be* extraordinary thanks *to* the genes in her blood. *That family has always been gifted*.

“Nitzan, why do I feel that you are implying something?” Jalen was not stupid. After hearing his words, Nitzan was not surprised at all. Instead, Nitzan had the kind of look on his face, as if he was saying, “That makes sense.” Seeing that, Jalen knew that Nitzan was hiding something about

Elaina from him.
