Chapter 113

Elaina finally managed to get rid of Nitzan. She was just about to find a corner where no one else was around to rest, but Jalen walked up to her.

"I'm sorry. Grandpa."

"Do you think I was joking when I said that I treat him as my grandfather?" Elaina stopped and turned around to look at Jalen.

Jalen was stunned. He heard her continue, "Since he's really like my grandfather, I won't mind what he says to me."

"I thought too much." Jalen felt helpless. It seemed that he was always at a disadvantage when he was with Elaina.

As if knowing what he was thinking, Elaina raised the corner of her mouth and said indifferently, "Although I just said in front of your grandfather that you aren't different from others to me, I still have to make one thing clear."

"What?"

"Getting back together is never my thing," she said.

After that, she turned and left. She didn't care whether Jalen was angry or had some other feelings.

In fact, Jalen was not angry. He was just a little sad. He knew that what Elaina said in front of Nitzan was not true.
